THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting There: Airlines, Airports, Cruises, & Weather

1. Where To Get The Latest SXM Forecasts & Advisories

The latest official forecasts and advisories from the Dutch Side "Meteo" department are always here: <http://www.meteosxm.com/> . If you are on SXM when any storm approaches, always heed the advisories broadcast on local radio.

2. Where To Get Current Tropical Weather Info

Crown Weather meteorologist Rob Lightbown operates www.crownweather.com which in our opinion has the most complete tropical coverage anywhere, for all the tropical regions. You should subscribe if your area ever gets hit by hurricanes -- the cost is very small.

3. Where To Get The Latest Hurricane Info

The latest Atlantic / Caribbean / Gulf hurricane info is always here, at the NHC site: <http://www.nhc.noaa.gov/gtwo.php?basin=atlc&fdays=2>

4. Best Source for SXM-Specific Weather Radar Loops & Satellite Images

Click "Weather" on our site: <http://everythingxml.com/sxm/weather/index.shtml> -- that gets you current radar images of value and some radar loops. All of this is the most current info out there (posted immediately from the source).

5. Important Reminder: Check & Reconfirm Your Fall Flights

Flight changes occur frequently as the summer progresses -- and the merger of AA and US Airways makes things even more topsy-turvy. If you have flights during Summer or Fall, be absolutely sure you reconfirm them occasionally, but especially close to your departure day. You do not want any surprises.

6. Fly Travel Go

If you're looking for simplicity when you buy afares, please choose our own www.flytravelgo.com. Our site is exceptionally easy to use and gives you very low fares -- and all its profits are driven right back into making www.everythingxml.com better for our members. Please do give it a try -- it has many loyal clients.

7. Where To Find Low Airfare Guidelines; Will Congress Investigate Fares?

Check the Low Fare Grid on our members-only "Secret" website. It shows you what you should be paying when making reservations.

Despite the fact that the cost of jet fuel has been down for a while -- and is now declining further -- airlines are raking in record profits and not budging much on high fares. There are some good fares available, particularly midweek -- and our grid (story 6) gives you details. But don't expect any fantastic bargains. *Congress is threatening to investigate whether the airlines are working in cahoots to keep prices artificially high but that hasn't even started yet.*

We'll keep you posted, as always.

SECTION 2: Accommodations: Hotels, Inns, Timeshares

8. SXM Timeshare Resort of the Week: Sixth In a Series

Despite heavy adverse publicity about several SXM timeshare resorts, there are many on the island that are quite well-run, responsive to their timeshare owners, and reasonable in cost. In this series we've been talking about several of them. Each one we list will be added below, most recent first.

Summit Resort Hotel has been around more than 40 years. It undergoes heavy maintenance routinely -- an absolute necessity for resorts continually exposed to salt air -- but Summit also gets a steady stream of renovations that keep it consistently among the best resorts out there. Its TripAdvisor Hall of Fame Award, its RCI Gold Crown status, and our own Everything St. Maarten Award of Excellence are strong testimony to just how good this place really is.

It also has (Ms.) Pat Evans in charge as GM and the lady knows her stuff. We continue to recommend The Summit Resort in Cupecoy -- one of our long-time favorite small SXM timeshare resorts. Note: You can only get timesharing here (as we understand it) by buying weeks from current owners. The resort no longer sells timesharing weeks. We believe RCI still enables RCI timeshare owners elsewhere to trade into the Summit Resort. More: see www.thesummitresort.com.

Best timeshare resorts covered so far in this series:

Summit Resort Hotel www.thesummitresort.com (7/27/15)
Divi Little Bay Resort <http://www.diviresorts.com/divi-little-bay-beach-resort-st-maarten.htm> (7/20/15)

Watch for another next week.

More stories are below.

Advertising, Sales Promotion, PR, Publicity, and Complete Website Strategy, Copy, & Design (Traditional or WordPress).

It's what else we do.

See www.jmbcommunications.com for more.

12. New Vacation Giveaway To Be Announced In August

We are moving steadily toward 4,500,000 visitors to www.everythingsxm.com. We expect to reach that number during the first several months of 2016 and we plan to celebrate that achievement by giving away SXM vacations.

Watch *SXM Weekly News* for details next month. Tell your friends to subscribe, too; it's free and they could well be the winners.

As has been the case with our current giveaway -- celebrating *Weekly News* publishing its 1000th issue -- all entrants to the new giveaway must be *SXM Weekly News* subscribers. But, of course, that's free.

Info on how to enter will only be published right here....

13. Chikungunya and Dengue Fever Update

Thanks to very heavy fogging during the winter and extremely heavy publicity about prevention of mosquito breeding, SXM during this year has seen very little Chikungunya or its tougher cousin, dengue fever. As always, you should continue to use mosquito repellent. But the good news is that right now, reported cases are thankfully few and far between.

14. Sargasso Seaweed Update

It's affecting islands clear down to the central Caribbean, as we said last week. Eastern facing beaches are seeing a fair amount of it except the southern end of Orient Beach, protected by a reef.

The good news is that equipment gathers and moves the stuff early every day, now aided by the government. The solution isn't perfect but it helps.

West facing beaches are barely affected at all. Governments across the Caribbean are talking about how to get rid of this stuff without affecting the environment or harming nesting sea turtles or other wildlife.

15. No Tsunami Threat

You may have heard about increased seismic activity at an underground volcano near Grenada. Officials say there is no tsunami threat from this situation. You can always hear the latest news from local SXM radio stations if you're on the island.

16. Jacky Rom SXM Book Intro / Signing Set For This Week at Toppers

British author and frequent SXM visitor Jacky Rom wrote *From Makeup To Murder*, a novel centered in SXM, about which we wrote a glowing review in a recent *SXM Weekly News*.

You're invited to Toppers in Simpson Bay at 2 p.m. on July 30 for her book launch party. Purchase a copy of the book, and the author will personally sign it for you.

On August 5, Jacky will be in the Shipwreck Shop on Front Street, Philipsburg, from 10-4. And on August 8, she'll be at the airport from 10-4.

More on the event at Toppers is posted on our Everything St. Maarten Facebook page:
<https://www.facebook.com/groups/6297726366/>

17. Adult Summer Fun in SXM: Da Party Bus

We write last week about family fun in SXM and told you the St. Maarten Party Bus during the day was great for families.

At night, it's a whole other experience. Specifically "What happens on the Party Bus stays on the Party Bus."

This is SXM's original and best award-winning Party Bus. Just go -- you will enjoy it. See www.thestmaartenpartybus.com for more.

Also see <https://www.facebook.com/pages/The-St-Maarten-Party-Bus/199110057482?fref=ts>

18. Adult Summer Fun in SXM: Tintamarre

Capt. Neil Roebert's "Friday Fun Sail" to beautiful Tintamarre island, off SXM's northeastern coast, is an all-day adventure with great food, fun sailing on his new motor yacht, plus three stops -- Tintamarre, Creole Rock, and off Happy Bay Beach. The trip is for adults (no kids) and is clothing optional, if you like (optional -- shedding your clothes is not required). It's a great trip...

See more at www.sailstmaarten.com. Neil gives discounts to JMB Website Supporters, as do hundreds of St. Maarten / St. Martin businesses. See the Secret Site for details. If you're still not a member, see story #9 above and join today.

19. Adult Summer Fun: Box Lunch Island Excursion

You can get box lunches at a number of island restaurants -- our favorites for this are Vesna Taverna in Simpson Bay, www.vesnataverna.com, and Mr. Busby's Beach Bar on Dawn Beach, www.dawnbeachsxm.com. Grab your island map (Michal Kasproski makes the best ones; get it online at www.midok.com). Then just explore. There is a lot to see on SXM. Definitely bring your camera and go where you haven't gone before.

Both of these restaurants offer discounts to JMB Website Supporters members, and Michal Kasproski offers discounts as well for members ordering online. See the Secret Site for details. Nonmembers, see story 9 -- unless you'd rather keep on paying retail.

20. Restaurant of the Week

This feature returns next week.

21. How To Get Your SXM Euro-Ovals

We are continuing to accept orders for our very popular copyrighted SXM Euro Oval stickers -- green lettering on a white vinyl background with twin palm trees in the background. They measure 5 3/4" x 3 3/4". You've likely seen them across SXM.

You can now order your own... We're currently offering them to our *SXM Weekly News* readers at economical pricing. They are one for \$5 or three for \$10. We use them on our cars and on smooth hard-sided luggage, which makes the luggage very easy to spot on carousels. They're printed on durable vinyl to last long. And they have a varnish coating to help protect against fading.

You can pay us through PayPal (have the payment go to jeff@jmbcommunications.com) but please specify what you're ordering and where they're to be shipped. Include your phone number. Buy some for friends too... If you want more than three, just place multiple orders.

Or pay by check payable to JMB Communications but again please specify what you're ordering and where they're to be shipped (all must go to the same address). Include your phone number. Buy some for friends too... Mail your check to SXM Weekly News Ovals, c/o JMB Communications, P. O. Box 1812, Plymouth, MA 02362-1812.

N. B.: Orders are shipped only to the USA and Canada. Allow six weeks for delivery. Questions about the ovals? Address them to jmbweb@jmbcommunications.com with the subject SXM Ovals. JMB members, please see our recent emails to you about SXM Euro Ovals for important info.
