THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting There: Airlines, Airports, Cruises, & Weather

1. Normal Winter Weather Returns to SXM; Tradewinds Back, Too

Relatively normal winter weather has returned to SXM, which means daytime temperatures in the low 80s and nighttime temperatures in the low to mid 70s, usually. Nighttime temps were a bit colder than usual a week ago with some temps in the high 60s. Precipitation is more or less normal — a good thing after the prolonged drought.

2. "Today's SXM Weather" Now On Our Everything SXM Facebook Site

We post current SXM/St. Maarten/St. Martin weather every morning on our [Everything St. Maarten Facebook Site](#).

3. Where To Find Current SXM Weather Info (Four Key Sources)

Here they are:

- a) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- b) Our "Weather" page at www.everythingsxm.com -- it has current satellite images and radar loops.
- c) Our [Everything St. Maarten Facebook Site](#), which publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- d) On or off the island, listen to Island 92 -- 91.9FM or see www.island92.com. They report island warnings at once and know exactly what's going on. You can listen on the web anytime through live streaming.

See significant National Hurricane Center Outlooks and Advisories as they relate both to SXM and to the US East and Gulf coasts on our [Everything St. Maarten Facebook Site](#).

Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.

4. 110% Guarantee Now On SkyMed Travel Club Hotel, Car Rental Rates (Updated 1/21/17)

SkyMed is now introducing a 110% Lowest Rate Guarantee for both hotel and car rental reservations. You can't lose with that kind of guarantee, so read this article, sign up, and make all your travel reservations directly through SkyMed Travel!

Here's what it is and how to join:

We're now giving JMB Website Supporters members and *SXM Weekly News* readers access to a private, "members only" travel wholesale club that offers incredible prices not only on airfares but on travel reservations and packages worldwide.

The SkyMed Travel Club offers exceptional pricing on everything and almost invariably beats everyone else's pricing. We have found their pricing excellent across the board and their new 110% low rate guarantee on hotels and car rentals is a big deal.

Normally, this organization charges \$99 to join plus \$99 annual renewals. But for our JMB Website Supporters members and now for everyone else, the cost to join is zero as will be the cost for renewals. Join the Club by going to <https://www.skymedtravel.com/register>, sign up, and provide the requested information. Complete the first sign up item (SkyMed Membership Number or Representative ID) by entering the code 391330 — doing that ensures that you pay nothing for your SkyMed Travel Club membership. No code, no free entry to the club's phenomenal pricing. ***If you are a SkyMed Member, however, enter your SkyMed Membership Number here to get the absolute greatest possible discounts.***

You will not be disappointed.

5. KLM 747s No Longer Serve SXM (in Case You Missed It)

When KLM had 747 service to St. Maarten, the return service was provided with an intermediate stop at Curaçao, since the 747 could not be loaded with sufficient fuel to fly from SXM to Amsterdam.

Now, an Airbus serves the route from Amsterdam to St. Maarten nonstop in each direction. We covered this story in *SXM Weekly News*, running a number of pictures on our [Everything St. Maarten Facebook Site](#) and linking to the sunset beach WebCam. We're publishing this story in case you missed that coverage and were planning to visit Maho beach to see the KLM 747 — you'll have a long, long wait.

Traveling *Anywhere?*

Never go anywhere without SkyMed Medical Evacuation Protection. Visit www.getskymed.com today; call Jeff for answers to SkyMed questions at (508) 747-8281 or email him at jeff@getskymed.com with the subject "SkyMed".

SECTION 2: Accommodations: Hotels, Inns, Timeshares

6. 776 Room "China Pearl" Apt./Hotel To Be Built on Bel Air Beach (in Case You Missed It)

You may have missed this story if you don't eyeball every issue of *SXM Weekly News* all year: this huge hotel, about as creative architecturally as your average brick, was scheduled to start construction this coming March. Whether that will happen is anyone's guess, but we'll be watching and we'll keep you posted. The project was approved secretly and pretty much announced after it was agreed to, without public involvement. It's to be sited on the opposite end of the beach from the Bel Air Beach Hotel on the western end of Little Bay.

7. Summit Hotel In Travelers Choice Top 1% of Hotels

For a number of years, Patricia "Energy" Evans has been general manager of the Summit Resort Hotel in the Cupecoy beach area, our preferred hotel for many years. She's done a great job of managing it as evidenced by a slew of awards Summit has won from many different organizations — this year including the Travelers Choice award, which placed it among the top 1% of bargain-priced hotels. Just recently the hotel also received our Everything St. Maarten Award of Excellence as well. Congrats to Ms. Evans and this fine hotel, which recently completed extensive renovations and is located in a gorgeous setting atop a cliff overlooking the incredibly scenic northern end of Simpson Bay lagoon: [check it out](#).

8. Another Reason to Go To Simpson Bay Resort's Timeshare Owner Orientations

If you're timeshare owner at Simpson Bay Resort, there are many reasons to go to their orientations on Sunday morning and Monday morning. This year especially, there are lots of updates on that property including the completion of their 35 million-dollar renovation program and the opening of the beautiful La Patrona Mexican restaurant (see story 26).

For now, we'll keep the secret — but there's another reason you might want to attend, a reason peculiar to readers of *SXM Weekly News* and followers of www.everythingSXM.com and our [Everything St. Maarten Facebook Site](#). Do go; you won't be disappointed.

9. Very Low Cost Rentals at Villa Onyi for JMB Members (Worth Joining Just for This...)

Villa Onyi at Point Blanche is exquisite inside and out, and has been featured multiple times on HGTV.

Now, JMB Website Supporters exclusively get a very low price rental on this amazing property:

10. "Section Three" -- Member Discounts / Benefits News & Updates

This new section of *SXM Weekly News*, which appears weekly, will provide detailed information about current JMB Website Supporters discounts and benefits both for current members and for people thinking about joining JMB.

In addition, it will be the introduction point for new benefits beyond the 260+ already available to all JMB members. We think you'll find many surprises here that will be of great interest and value. We expect to be close to 300 later this month.

Please see below for this month's story.

11. February Member Benefits Update: Car Rentals

We recently told you about a key member benefit for JMB Website Supporters members: discounts on car rentals. We're repeating the list of current car rental discount providers below.

JMB Website Supporters currently offers JMB members nearly 300 discounts and other benefits across the island and beyond. See the beginning of the next section to join and to save on virtually everything you do in SXM on your next trip.

Among our most heavily used benefits are discounts at key car-rental companies. Here they are, in no special order:

- a) [Leisure Car Rental](#), located close to SXM Airport, is female owned — with Jacqueline and Jimmy in charge and doing an excellent job as always. To see the discount they offer, which is substantial, please check the discounts master index in our JMB Website Supporters members only secret website.
- b) [Rodaal Car Rental](#) caters primarily to cruise ship passengers and has provided a discount to that portion of our audience for many years. To see the discount they offer, please check the discounts master index in our JMB Website Supporters members only secret website.
- c) [Tropical-Tropicana](#) Car Rental was our original car-rental partner, starting some 20 years ago. Headquartered at Baker's Suites Boutique Hotel, Simpson Bay, Tropicana has an almost entirely new fleet with just a few older cars to accommodate those who request them. The fleet also includes vans to accommodate larger parties and events. To see the discount they offer, please check the discounts master index in our JMB Website Supporters members only secret website.
- d) [Thrifty Car Rental](#), located on Airport Road, is the largest car rental business on the island with a fleet numbering in excess of about 600 vehicles of all descriptions including luxury. To see the discount they offer, please check the discounts master index in our JMB Website Supporters members only secret website.
- e) [Next Level Car Rental](#) effective Monday 1/30 is offering a discount of 10% off to JMB members. And additionally they have a unique senior discount of 15% off. A new voucher for this discount will appear on our site Monday night EST.

Use the above hyperlinks to get to these partner websites. However, you will only find specifics of the discounts on our members-only JMB Website Supporters secret website. If you're still not a member, *pay less* on your next vacation; [here's more information](#) on membership.

Many more discounts are coming. Stay tuned.

For details on all the above, see the Discounts Master Index in the Secret Site. (Members only; username & password required).

13. Funnel Clouds and Water Spouts?

If you see bulbous protuberances under clouds — appearing something like embryonic funnel clouds — don't be alarmed. Here, they appear periodically with passing showers.

Tornadoes do happen here but, to our knowledge, only very rarely, and then during severe hurricanes.

We saw the beginnings of such a cloud this past week when we were near the front of the Westin Hotel. A couple from Indiana was nearby, and one said, "If we were home in Indiana, we'd go in the cellar now." The cloud soon dissipated.

14. Most Beaches Look Amazing (More Sand)

Most beaches on both sides of the island now look great — with sand added by the recent strong northerly winds and wind driven surf. Some beaches have more sand than in years and beachgoers are taking full advantage of it.

15. Green Iguanas

Local species of iguanas have been driven out by what are called green iguanas, a species previously sold in the pet (or soup) trade. Yes, iguana soup is real....

The story is that two crates of imported green iguanas destined to be pets or soup arrived at SXM airport in the mid-90s and were never picked up. A kind soul let them free in a small lagoon that at the time was close to the airport. Since then, they've scattered all over the island and have been munching greenery ever since.

Young green iguanas are an iridescent green, but they pale as they get older to a greenish gray, blue-gray, and even orange. They look fearsome but are docile unless they're competing with each other for food. They're vegetarians and are found practically anywhere.

16. Valentine's Day on SXM: Special Presents for JMB Members, *Weekly News* Readers

Very good offers for Valentine's Day from several top SXM jewelers -- now, for the first time, also including Little Europe -- will be posted to our home page, www.everythingsxm.com, on Monday, January 30 (today) by 9 p.m. Click the links and you can download the PDF offers. As always, the best offers / lowest prices are for JMB members only.

See the beginning of this section and join us during our Valentine's Day Membership Sale, also starting Monday.

17. Valentine's Day Dinners / Celebrations

Valentine's Day is one of the busiest on the island for dinners; watch local papers for details on special offers/special menus and make your reservation early. Expect the previous weekend to be especially busy in area restaurants as well; reservations are essential.

See the previous story for information about special offers from SXM jewelers for JMB members only for Valentine's Day or for other occasions.

18. Where Crashing Surf Delivers The Best Pictures

There is not always crashing surf to photograph in SXM; it comes and goes.

At times, the ocean can be like glass — but at other times it can be ferocious. Over the years, we've done our best surf photography at three beaches — Cupecoy; Mullet Bay; and Maho, near the airport. You may have other preferred locations.

When surf is high, many of our members post pictures at our [Everything St. Maarten Facebook Site](#), and we welcome you to post yours as well. Do let us know where your surf pictures were shot.

19. Legendary Etna Ice Cream Is Back in Bigger Quantities at Supermarkets

After very heavy renovations and some equipment issues, Etna Ice Cream has been ramping up its production over the last few weeks and is now supplying markets and restaurants with its increasingly wide spectrum of traditional outstanding super premium French side-manufactured Ice Cream flavors.

Once you have it, you'll understand completely why it's such an addictive super-creamy favorite both on this island and on neighboring islands. Make sure you get some on your next trip and ask for it by name at local restaurants.

20. SXM's Best Car Rentals Offer Discounts to JMB Members

Top SXM car rental companies offer discounts to our JMB Website Supporters members. To get the best deals, join JMB; then check the discounts master index on the secret website for our discounts on car rentals, restaurants, shopping, sailing, activities, and nearly 300 other items in SXM. We're launching a sale; see the beginning of this section for details. See story 11 for car rental company specifics.

21. The Original "St. Maarten Party Bus" Delivers The Most Fun Trips

You've no doubt seen it on the road — the original St. Maarten party bus. Painted in bright Caribbean colors, this converted school bus with a Creole house on the back and flashing lights on the roof takes a party-prone crowd on daytime or nighttime trips across the island. It's a great experience not only for cruise ship passengers and stayover tourists, but also for island residents and ex-pats who learn new things, meet new people, and get to enjoy experiences on the island which they otherwise might not have had. For details, see www.theStMaartenpartybus.com.

Of course, "da party bus" gives discounts to JMB Website Supporters members; see the discounts master index on the secret website for details.

22. Schedule Your Massage Now With Tricia Altenau

We'll schedule ours soon and we urge you to do the same, before her schedule fills up. In our experience, Tricia is by far the best massage therapist on the island. [See her website](#) for complete information on her spectrum of services at the Ti Spa at L'Esplanade hotel in Grand Case.

23. SXM's Only Carousel Is Also a Homemade Ice Cream Haven

In Simpson Bay, next door to FedEx, you will find SXM's only carousel and a great gelateria. It offers numerous flavors and a dizzying array of toppings — plus discounts for JMB Website Supporters members. Definitely give it a try — we've recommended it for years.

24. SXM's Top Italian Restaurants

The single most common type of restaurant on St. Maarten is Italian, which are everywhere. Often they're owned and operated by native Italians, giving you individual interpretations of many traditional family recipes. What follows are a few of our favorites, in no special order — very different restaurants but all Italian:

Spiga: also described as **Ciro's Italian kitchen** in Grand Case, Spiga has been around for years and is under the very able ownership/management of chef **Ciro Russo** and **Lara Russo**, whose dad is **Livio Bergamasco** of the former **Da Livio Restaurant** in Philipsburg; see story #25 . Spiga has a huge new menu and enough variety to suit every taste, from the devout carnivore to devout vegetarian and fishmongers. Ambience, service, creativity, and taste are all top rate; highly recommended.

Daniel's by the Sea: located on Dawn beach in gazebos under palm trees, Daniel's is headed by **Daniel Jurczenko** — see the story about **Da Livio**, story 25 . Using family recipes, Daniel's kitchen offers great consistency, homemade pasta, fresh lobster from their own lobster tank, nightly specials, and unmatched Caribbean ambience. Delicious, truly memorable dining by the sea.

Trattoria Pizza Pasta: one of SXM's oldest restaurants, Pizza Pasta was founded more than 20 years ago by **Ilde** and **Dario Figarolo** and is now operated by their daughter **Selena** who hasn't lost a beat in perfectly executing those great recipes that have long made Pizza Pasta one of the island's most popular restaurants. Pizza Pasta is small, so reservations in season are a very good idea. Definitely give it a try. Maho, between Casino Royale and Cheri's.

IZI Ristorante Italiano: In Simpson Bay opposite Pineapple Pete, IZI is a legend operated by the island's most

beloved fanatical perfectionist, Davide Foini. The recipes are all his; he oversees everything including the source of all raw materials, sourced internationally; and he makes sure that his standards are met every night. The restaurant serves some of the best food on the island using those unique recipes. The atmosphere is upbeat, bright, and cheery, and the food is outstanding. It's also a great place for special occasions like birthdays or anniversaries. His brand-new, big 2017 menu is now out — make sure you try one of everything during your next trip. If you're not here long enough to do that, stay longer.

25. A Look Back at "Old" Restaurants: Story #10

Over the years, St. Maarten/St. Martin has been home to many restaurants of varying descriptions. This series briefly describes a number of restaurants from both sides of the island that have passed into history but have not left our memory.

Da Livio: One of the best-known restaurants ever to grace tables in St. Maarten was Da Livio on Front Street in Philipsburg. Operated for years by Livio Bergamasco,.Da Livio was the island's first Italian restaurant — charting quite a path for those that followed. Many celebrities visited here, and the restaurant established a great reputation for quality, consistency, atmosphere, friendliness, and service. When Livio retired a number of years ago, he leased the restaurant to Daniel Jurczenko, son of the then-owner of Antoine restaurant down the street. Daniel operated the restaurant until Livio decided to shut it down, at which time Daniel moved the recipes, the staff, and its reputation to Dawn beach, where he opened Daniel's by the Sea with the Livio recipes, upgrading the daytime haunts of Mr. Busby's Beach Bar. You'll find most of those same recipes still offered at Daniel's, one of the largest and most successful Italian restaurants on the island. See also story #24.

Check next week for another article about another former SXM restaurant.

26. Restaurant of the Week: La Patrona, Simpson Bay Resort

For the first time, SXM now has an authentic Mexican restaurant — not Tex-Mex, not a wannabe, the real thing operated and staffed by Mexicans including Mexican chefs and waitstaff using genuine Mexican recipes.

Although you'll find much that is familiar to you here you'll also find some things that aren't — again, this is real Mexican, totally authentic, not what you're used to.

Where it is - how to get there: It's on the Marina Plaza at Simpson Bay Resort. Park at the main entrance or in the parking structure in front of the Marina building. From the latter, walk left after crossing into the Marina building until you see the elevator at your left. Take it to floor 2, then exit right to the central stairway down to the Marina level. La Patrona is on the left.

"In the kitchen Chef Luis is in charge of the design of traditional Mexican dishes with family recipes, as well as selected dishes, creating an experience of flavors that will meet the demands and expectations of the most discerning palates. All prepared with authentic Mexican ingredients. From the hand-made tortilla to the chiles in nogada prepared with the original Patrona grandmother's recipe.

"Also we will cook for you on the edge of your table. You will enjoy the Caesar Salad created in Mexico in a unique way, as well as other dishes that your host will prepare beside you to wrap the magic that generates this type of cuisine. We have exclusive tequilas and mezcales that can be enjoyed in the authentic Mexican way guided by our

hosts, which will invite you to take these prehispanic drinks so you can enjoy and get to know the most intimate secrets of mezcal and tequila. We will also have the most exclusive cocktails menu where you can enjoy mixtures developed by our expert mixologists."

We enjoyed their homemade chips and salsa, almost meals by themselves. Then we started on two shrimp salads -- very generous portions over a bed of lettuce served inside half an avocado. Then, we had a guacamole appetizer with avocado, cilantro, serrano chili pepper, herbs and spices, with homemade chips and we added their own homemade salsa. Totally delicious and very filling -- we'll certainly be back. It's a clear cut above any other Mexican on the island or anywhere outside of Mexico.

Go, and tell Jose Medina, the GM, that Jeff Berger suggested you visit....

27. Thinking of Buying a Short-Term SkyMed Membership? Advantages, Disadvantages

Short term SkyMed Medical Evacuation memberships are cheap, only \$15/day per couple (including minor children). Pre-existing conditions are covered immediately for those who qualify.

But the bad news is that once your short-term membership ends, it's over, and you must medically requalify to get coverage for any subsequent trip. *Your health can change instantly at any moment so letting a membership*

disappear like that may not be the best thing to do for yourself.

Annual and multiyear memberships cost only about \$1.30/day per couple -- way cheaper. They include more benefits -- especially Ultimate memberships. [See all the features and benefits here.](#)

SkyMed never increases the pricing on its memberships related to your advancing age or declining health. *Once you sign up for SkyMed, you're a member for life as long as you pay your renewals on time. And SkyMed never cancels anyone because of advancing age or declining health.*

Do NOT take chances by waiting. GET SKYMED BEFORE YOU NEED IT ...so you'll have it when you DO need it. See www.getskymed.com. *In our opinion, it's the best medical evacuation membership product on the market.* --Jeff

28. No Age Limit to Join or Renew SkyMed

What's the upper age limit to join SkyMed? There isn't any: apply today regardless of age.

What's the upper age limit to renew your existing SkyMed membership? *There isn't any.* Just pay your SkyMed renewal on time and your membership will continue regardless of your health or age at the time of your renewal. There is no membership cutoff for advancing age or declining health, unlike so-called competitive programs. *And the price of your renewal membership will not increase due to declining health or advancing age.*

SkyMed Takes You Home® -- what else matters?

29. Q & A about SkyMed Medical Evacuation

Updated 1/23/17

What SkyMed Does: SkyMed Takes You Home® to doctors and hospitals you know and trust when you become critically ill or injured while traveling. SkyMed is your free ticket home aboard an ICU-equivalent emergency medical evacuation jet with an ICU-certified medical attendant on board to help make sure everything goes as it should.

How SkyMed Works: Like clockwork, you're taken from the hospital by ambulance to a waiting aircraft at SkyMed's expense; SkyMed makes all the arrangements and pays all costs for the medical evacuation jet and for the ambulance at the destination which takes you to a waiting team at your destination hospital, which already has your medical records and is ready to start helping you. There are no co-pays and no deductibles for SkyMed services, ever.

Anything can happen — but you can trust SkyMed to take you home when you need it most.

What's It Cost? *Without* SkyMed, you'll need \$45,000 or more payable in cash in advance to pay for an emergency medical evacuation — if you can make the dozens of calls necessary to set it up in an emergency. SkyMed does all that for you, for a small membership fee; you simply make one phone call 24/7/365 to get things going.

Why Buy Now? We're offering SkyMed now at very special pricing *for JMB Website Supporters members only — but if you're a nonmember and care to join SkyMed now through us*, we'll enroll you in JMB Website Supporters at the same time. This offer is available only by phone; call Jeff directly at 508-747-8281 (SkyMed questions only) and he will be happy to answer your questions, tell you about the different types of programs available, and their respective costs. He'll also be happy to fill out your application for an annual or multiyear SkyMed membership by phone and at the same time you can set up a JMB Website Supporters membership (required to get the biggest multiyear SKYMED discounts).

See www.getskymed.com or phone Jeff any weekday at 508-747-8281 or email him at jeff@getskymed.com (use the subject "SkyMed inquiry") to learn more and get your questions answered.

Types of SkyMed Memberships:

First, short term memberships are for brief trips in North America, the Caribbean, the Bahamas, Bermuda, and Mexico -- over 30 countries total. Short-term memberships are very inexpensive, about \$9 per day per person, maximum of about \$15 per day. The disadvantage is that they only cover you for the short term you are traveling: when they expire, your protection disappears. When you're ready to travel again, you must reapply for a new short-term membership. Although the process is quick, you still must be medically approved and at some point, that may well be impossible (see story 19). Bear in mind that many of us travel more than once or twice a year, even if it's only a few hundred miles from home to visit friends or relatives, which is why we recommend annual or multiyear SkyMed memberships instead of short-term memberships. You do not want your protection to end just when you may need it most.

Second, both annual and multiyear SkyMed memberships are essentially permanent coverage. Once you've been approved and as long as you continue to pay your membership fee on time, **your membership cannot be discontinued as a result of advancing age or declining health** — two critically important advantages that ensure you have coverage when you may need it most.

Third, Ultimate memberships cover multiple years and provide protection worldwide. The only exceptions are places like Syria, Afghanistan, Somalia, North Korea — places you won't visit anyway. (Ask before going anywhere dangerous/unusual.) Ultimate memberships also offer the greatest breadth of coverage. You can see a complete list of all the features and benefits of these coverages [here](#).

Fourth, if you're an American or Canadian ex-pat living in St. Maarten / St. Martin or elsewhere outside your country for six months or more per year, you can still get SKYMED protection in the form of an **ex-pat** membership. Email us (see next paragraph) and we can tell you how it works and answer your questions.

In addition to everything else, Jeff Berger has been a SkyMed rep for over 15 years. He'll be happy to answer questions; phone him weekdays at 508-747-8281 or email him at Jeff@GetSkyMed.com. He generally returns calls and messages within 24 hours. To see [online frequently asked questions, go here](#). You can also see his SkyMed site at www.GetSkyMed.com.

JMB members get serious discounts on all multiyear SkyMed memberships. If you're not already a JMB member, join today and take advantage of those discounts.
