THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: *Getting There: Flights, Airlines, Airports, Cruises, & Weather*

1. Has Your Airline Changed Your Flights Again?

If you book your airline tickets several months ahead — as do many airline passengers headed to SXM — be sure to check and recheck your itinerary especially within the last week or two before you fly since your airline may have changed your itinerary without notifying you.

Some airlines make minor changes that are a matter of a few minutes earlier or later. But others — often including beleaguered carrier American Airlines — seem to make more changes more often than some others, and their changes sometimes affect carefully planned passenger connections.

We've received notes from passengers on multiple airlines concerning flight changes late this winter and early next spring to SXM. Please do check your itineraries — and recheck them again close to the time you plan to travel. Hopefully you won't find any unwelcome surprises.

2. Boeing Fires Muilenburg, Who May Still Get \$30-mil. Severance

Boeing last week did something critics have been pleading for for nearly a year: they fired their embattled CEO Dennis Muilenburg, who has been largely blamed for making decisions which ultimately enabled the Boeing 737 Max to enter service even though it wasn't fit to fly. Despite Muilenburg's recent history with Boeing, observers are saying that he still may be entitled to receive up to \$30-million in severance pay.

Here are details from [The New York Times](#).

3. Airport Very Busy Last Weekend

Christmas week and New Year's week are two exceptionally busy times for tourism on both sides of the island. Princess Juliana SXM Airport on the Dutch side, SXMs single major airport, served hundreds of private jet flights during the past week and late on Sunday afternoon had a small conga line of yacht helicopters ferrying megayacht passengers between SXM Airport and either their yachts or St. Barth, which also has been packed with high-end tourists and will continue to be packed this coming week.

As we've mentioned before, if you will be flying home from SXM during the next week or so, be sure to get to the airport at least three hours ahead of the departure time of your flight, especially if you're flying home on a weekend. It's better to be at your gate an hour early rather than two minutes late....

4. See Current SXM Weather / Tracking Serious Weather

You'll find detailed observations and forecasts by visiting our main SXM website, www.everythingsxm.com, and clicking either of the weather observations at the top of the page.

The four sources of current weather info, beyond the two above, are:

1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.

2) Our "Weather" page at www.everythingsxm.com -- it has current satellite images and radar loops and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page.

- 3) Our [Everything SXM Facebook Group](#), which publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) On or off the island, listen to Island 92 -- 91.9FM or see www.island92.com. They report island warnings at once and know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.

Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG>.

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

Download your own NHC Hurricane Chart:

Years ago, before we were all saturated with weather information from cable TV to local (redundant and repetitive) news and forecasts plus weather updates and bulletins on our smart phones, gas stations and television stations offered printed hurricane tracking charts so people at home could try to figure out for themselves whether they were about to get slammed by the latest hurricane.

We haven't seen hurricane tracking chart handouts for years, but if you want one they are easy to get.

The exact charts used by the National Hurricane Center (NHC) are available for download from the NHC [here](#). Select "Atlantic" and you're good to go. You can print out the chart and use it repeatedly, or simply print a bunch of them and use one for each storm that may approach an area of interest -- like, SXM. Bear in mind that this hurricane season may well be frontloaded — so you might want to print a few of these now and *not* save doing that for later.

SECTION 2: Accommodations: Hotels, Resorts, Timeshares, Villas Etc..

6. Where to Find SXM Timeshare Condo & Villa Rentals

If you've been thinking during the holidays that you like to visit SXM sooner rather than later, SXM Weekly News has you covered.

First, check our main site, everythingSXM.com for timeshare condo rentals directly from their owners. We don't charge our JMB Website Supporters members any commission for rentals they sell through our site, so the price you get is strictly between you and the timeshare owner. Hundreds are available for dates throughout 2020, and more will be coming available in the weeks ahead for later months in 2020 and in 2021.

Second, if you're looking for villa accommodations, check with the rental agencies/real estate companies we have listed below as sponsors in story number XX. They are local experts who can custom tailor a villa rental to your needs for size, location, and price. You are much better off seeing local villa rentals agencies on SXM who are familiar with the products they are selling rather than deal with some big monolithic online villa rental outfit that knows nothing about St. Maarten or the units they are attempting to rent to you....

We also have a limited number of villas available on the same page with our timeshare rentals on everythingSXM.com, our main SXM website.

7. How To Rent Out Or Sell Your Timeshare Units

If you own timeshare weeks that you would like to rent out or sell on our main everythingSXM.com website, you can do it once you become a member of our JMB Website Supporters island discount program. For all the details, go to our main site, everythingSXM.com and click on timeshare rentals in the navigation bar. You'll find the details about posting there. For information about joining JMB Website Supporters, click the page curl on all pages of everythingSXM.com. As a member, you will have access to a growing pallet of about 300 discounts and other benefits including the ability to post up to 10 ads per year in our rental pages at everythingSXM.com.

The ability to post timeshare rentals on our site is limited to JMB Website Supporters members only, and is not available to any others at any price.

8. Buying a Condo in SXM? Here's Important Info

Just before Thanksgiving 2018, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#).

Please check this link to [BrightPath](#) in SXM, a company that can help provide very deep and expeditious

help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Ask for Vivian Chamas and let her know you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

Please see also story 16a for important information.

SECTION 3: JMB Member Discounts & Benefits

9. JMB Member Discounts / Benefits -- Updates Underway

Jeff will be working in December & January to further increase the already huge number of restaurants, jewelry stores, hotels, and other businesses offering discounts or other incentives to members of our JMB Website Supporters SXM Island Discount Program.

As these additions are made, they will be reported here in *SXM Weekly News* and will also be noted in our [Everything SXM Facebook Group](#), which currently offers roughly 300 discounts and other benefits to its thousands of members.

For more info on what you get with your JMB membership, [go here](#).

SECTION 4: Island News, Info, & Features

10. What's Next on the French Side?

French side demonstrations a few weeks ago, unlike protests in the French state in Europe which regard reductions in pension benefits, swirl around the PPRN, thoroughly explained in previous editions of *SXM Weekly News*, a draft law which prevents people from rebuilding homes in areas close to sea level where they have owned homes for decades. The government is taking a hard line and has not given landowners re-building permits, angering thousands of French side residents particularly in the Sandy Ground area.

Both sides continue to talk and there is widespread hope that adult negotiations can still lead to a civil resolution of the differences and enable people to rebuild their homes.

The government says it is looking at fixing the PPRN but residents want it eliminated entirely so they can move forward with their lives.

Because the situation is fluid, we have created a single thread in our [Everything SXM Facebook Group](#) where we will continue to update this situation. Currently the French side is fully open and operating normally, although we do recommend that tourists stay out of the Sandy Ground area where there is nothing of interest to tourists at all.

You can find the current thread by doing a search for PPRN in our [Everything SXM Facebook Group](#). We are watching the situation around the clock.

11. Help in Understanding French Side Issues

[This article](#), published in the *Daily Herald Weekender* section recently and forwarded to us by a *Weekly News* reader, goes a long way toward explaining exactly what's behind a lot of the anger now being evidenced by the people of Sandy Ground toward the government of French St. Martin.

12. 16 Cruise Ships Visit Dec. 24-26 but P-Burg Ordered

Closed

Merchants in Philipsburg, who are continuing to hurt more than two years after hurricane Irma, were ordered to close their shops on Christmas, when many ships were in port. Cruise ship passengers swarmed into Philipsburg expecting to obtain Christmas bargains which were nowhere to be had because the Dutch side government had ordered Philipsburg merchants to shutter their businesses on the busy holiday. Almost all merchants complied but were not happy.

Member of Parliament (MP) "Cookie" Bijlani, himself a Front Street merchant, issued a news release:

"Member of Parliament Sidharth 'Cookie' Bijlani on Tuesday was very critical over the fact that the Minister of TEATT has decided to close down the country on Christmas day depriving many people who want to work and make an extra dollar with an expected 6 cruise ships in port, with an estimated 20,000 visiting guests.

"They will be welcomed by downed and padlocked shutters. There are people who want to work for the legally stipulated double pay. People who can choose, they have that option to work and provide a little extra for their families. They want to be able to work a half day or so and earn a full day salary. We believe in the power of the people. Let us allow the employees to decide whether or not they would like to work, not a Minister who unilaterally decides for both business and employees whether we should or should not be able to make ends meet," the MP said.

"A job of a minister of TEATT entails promoting economic growth of the country but when this Minister makes a decision based solely on political affiliations and religious sentiment of some, in my opinion that is dropping the ball," MP Bijlani said. The MP said that it is a shame that on one hand the government cries that we are in deficit, people still don't have roofs post Irma, Police past salaries still remain pending, but Country St. Maarten must remain closed.

Ironically, the MP pointed out, "bars and dancers" can remain open and active, "there is no religion aspect to that! If we are to remain as ... religious as we say we are, then why certain businesses are exempt from closing?" He pointed out that throughout the Caribbean, on Christmas day businesses are open, Antigua is open, Tortola is open, America has special sales on Christmas Day "but in St. Maarten, one year you are allowed to open and another year we are closed, with no policy in place, every minister is free to make their decision, it all depends on what pleases him or her or who they want to please.

"I personally begged this Minister to allow businesses to remain open on Christmas day in particular for people who want to work, but it's election time, I guess I was talking to a political candidate and not a Minister of TEATT," the MP said. MP Bijlani continued: "Government is broke, the economy is in shambles, businesses are on the verge of closing, but hey let's close and hit the bars. People are hurting, they view this as an opportunity. I estimate half a million guilders of revenue will be generated based on the TOT the government receives on such a day in average, unless the minister can prove that the country has enough monies in its coffers and the country doesn't need this revenue, she must step down as a minister of TEATT and give the post to someone who understands economics and correct obligations towards the Ministry of TEATT."

13. Pride Foundation Rescues Ducks from Oil in Retention Pond

A broken down truck near a small retention pond across the street from the Westin resort and the Dawn Beach Club has leaked pollutants into the pond, impacting the ducks. The St. Maarten Pride Foundation was involved in a rescue effort this morning at the scene, with volunteers from AUC and others. Here is the story from St. Maarten Pride:

"Today we received disturbing news from [Monika Dobo](#) as people contacted her about the following:

"A man made retention pond near Princess Heights has been polluted for weeks according to sources by this companies truck in the picture provided. It appears the truck is now broken at the scene. From reports the truck has been polluting the pond for some time with diesel, and waste oil/ and or kitchen grease. From the pictures it is clear that the wildlife at the pond has been severely affected. Late today it was said that one duck died. Miss Dobo has rescued one or more so far. She has taken care to wash with Dawn dish liquid to remove the grease, although the duck is in bad shape it will be released in the fresh pond soon enough. It is imperative that the authorities make contact with this company and demand fines, compensation for the irresponsible death/endangerment of wildlife. We cannot believe that today we still have companies and truck drivers who deliberately dump oil waste/ diesel into ponds. To leave volunteers like Miss Dobo having to save wildlife on Boxing Day, while this company allows this environmental damage for others to clean up."

14. Celebrating New Year's Eve in SXM: Fanfare & Fireworks

Fireworks displays -- a traditional part of NYE celebrations here in SXM -- take place at midnight 12/31 at the Great Bay Boardwalk, Pond Island (Telem), Simpson Bay (Roxxy Beach), Simpson Bay Lagoon, and Maho (Sunset Beach).

15. New Bars/Restaurants on Orient May Lose Coming Season

Although some officials are using recent demonstrations is a reason for the delay in installing utilities for the carbets (small shops and bars) being built on Orient beach just North of Club Orient, the real reason is that the French government moves at a snail's pace, or slower, getting anything done. It did that when the carbets were originally built after hurricane Gonzalo several years ago and it's doing that now. It is impossible for shops to be completed and opened since connections for utilities, promised last April, are still not completed. We published photographs of the carbets' current state in our [Everything SXM Facebook Group](#) about a week ago. Much progress has been made in construction, but completion is another matter thanks to the lack of utilities.

This [article](#) explains more.

16. Carib Journal Says SXM "Most Innovative"

Carib Journal, a leading Caribbean publication, says SXM is the most innovative of all Caribbean islands:

"St Maarten has seen a miraculous increase in tourist arrivals this year (well in excess of 100 percent), and it's part of an impressive strategy that has manifested in a full-fledged tourism renaissance on the island. From new hotel development to new beach bars and an admirable airport recovery (! -Ed.), St Maarten has been an example for how to respond to tourism crises — and how to thrive, too."

17. Toppers Rhum is Still Caribbean's #1

In a report published last week in *USA Today*, Caribbean reporter Melanie Reffes listed the top 10 rum manufacturers in the Caribbean and once again, Toppers Rhum, made right here in SXM, was voted number one throughout the region.

Here is [the complete story](#) about all of the top 10 Caribbean rum distilleries. Congrats once again to Toppers -- which is now also making vodka....

Several people are going to win SXM vacations from us through **Paradise SXM**, and you might just be one of them.

Paradise SXM will be giving away several SXM vacations, including weeks at Simpson Bay Resort, Belair Beach Hotel, Adonis Cupecoy hotel, Azure Hotel and Art Studio on Simpson Bay beach, and El Zafiro hotel and restaurant on Simpson Bay beach -- and other properties to be announced.

The giveaway celebrates our site surpassing 6.5 million visits. Most of the weeks we give away will be handed out to randomly picked entries late in March. Some others — particularly at villas and condominiums to be announced — will be given away a bit later. All are subject to seasonal limitations and availability.

In addition to vacations, we will give away many dinners for two, gifts at jewelry stores, day sails, probably zipline trips, a car rental, and possibly some major gifts on one or two neighboring islands - all to be announced soon.

Paradise SXM will be one of our biggest Giveaways ever.

Several people will be winning vacations from us. Why not you?

20. Get SkyMed Now For All Upcoming Trips: Member Stories

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home, usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for not much more than \$1.30/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger weekdays at 508-747-8281 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also sign you up by phone in about 10 minutes. You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.

Anything can happen anywhere: Do it today. To learn more, visit www.skymed.com/jmb, our new SkyMed site, going live shortly.. JMB members get big discounts off SkyMed's regular pricing: see the story about JMB Website Supporters in this section.

28. *****SkyMed Customer Stories***** Protect Against Pricey Emergency Medical Evacuations by Getting SkyMed:

Emergency medical evacuations are payable in cash in advance and often cost upwards of \$45,000 -- unless you have a SkyMed membership. SkyMed Takes You Home® to doctors and hospitals you know and trust, and where your health insurance actually works. It's available to Americans and Canadians and to X-Pats of both countries, taking them home from throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Global coverage is available covering every country around the world except those on the U. S. State Department watch list. SkyMed makes all medical evacuation arrangements and pays for them directly...you just pay for your SkyMed membership.

Here are examples of SkyMed in action:

More Info on SkyMed...

On its guaranteed renewable annual and multiyear memberships, SkyMed has a 90-day waiting period for coverage of pre-existing conditions -- everything else is covered in full as soon as your SkyMed membership has been approved, per SkyMed's member services agreement.

If you're traveling more than three months into the future, you can beat that one-time 90-day pre-existing conditions exclusion by joining today. That way the 90-day exclusion period will be over by the time you travel -- so you're covered in full, including pre-existing conditions, at that time.

SkyMed Takes You Home® when you become critically ill or injured when traveling. There is no age limit to apply, and once you're enrolled you can renew without further medical checks regardless of your attained age or your health at the time of renewal. Without SkyMed, if you need an Emergency Medical Evacuation, you must pay for it in cash, in advance. No cash, no evacuation. And the cost without SkyMed can be astronomical. Why risk that?

By contrast, if you're a SkyMed member, you call SkyMed directly and they make all the arrangements for all the services they provide. SkyMed Takes You Home -- what else matters?

And there is *no age limit to apply*. Call us at 508-747-8281 and ask for Jeff; he'll answer your questions and can take your application by phone, usually in under 10 minutes.

It's available to Americans, Canadians, and X-Pats from both countries. Short-term and annual coverage includes the USA (all 50 states), Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Global coverage is available on annual memberships for a \$99 additional yearly fee, but global coverage is standard on multiyear SkyMed Ultimate memberships, which are both SkyMed's best and its least expensive medevac memberships.
