THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting There: Flights, Airlines, Airports, Cruises, & Weather

1. Mech. Issue Grounds Friday's JB Flt. 788 to JFK

A mechanical issue — which flight passengers told us was a faulty emergency brake — ultimately caused the cancellation late Friday night of JetBlue flight 788 from SXM to JFK.

JetBlue waited several hours before canceling the flight as it worked to repair the emergency brake, an effort which failed. Late that night, it set up hotel reservations for passengers including a number at the Hommage Hotel in Nettle Bay, formerly the Hotel Mercure, west of Marigot near the French lowlands. Passengers were offered a late evening dinner at the hotel which some took advantage of, as well as a continental breakfast. We have long recommended this fine property.

A replacement aircraft left JFK after 4 AM on Saturday, picked up otherwise stranded passengers at SXM Airport, and left at about 10:30 AM to return them to JFK. The mechanical issue plane was still parked on the SXM tarmac on Sunday morning.

Please see story number 11.

2. Weather Improves a Bit

Weather this past week improved a bit, with fewer, shorter showers and lots more sun. It was a welcome change....

3. Where to Find Current SXM Weather Info

You'll find detailed observations and forecasts by visiting our main SXM website, www.everythingsxm.com, and clicking either of the weather observations at the top of the page.

The four sources of current weather info, beyond the two above, are:

1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.

2) Our "Weather" page at www.everythingsxm.com -- it has current satellite images and radar loops and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page.

3) Our [Everything SXM Facebook Group](#), which publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.

4) On or off the island, listen to Island 92 -- 91.9FM or see www.island92.com. They report island warnings at once and know exactly what's going on. You can listen on the web anytime through live streaming.

5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.

Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

Download your own NHC Hurricane Chart:

Years ago, before we were all saturated with weather information from cable TV to local (redundant and repetitive) news and forecasts plus weather updates and bulletins on our smart phones, gas stations and television stations offered printed hurricane tracking charts so people at home could try to figure out for themselves whether they were about to get slammed by the latest hurricane.

We haven't seen hurricane tracking chart handouts for years, but if you want one they are easy to get.

The exact charts used by the National Hurricane Center (NHC) are available for download from the NHC [here](#). Select "Atlantic" and you're good to go. You can print out the chart and use it repeatedly, or simply print a bunch of them and use one for each storm that may approach an area of interest -- like, SXM. Bear in mind that this hurricane season may well be frontloaded — so you might want to print a few of these now and *not* save doing that for later.

SECTION 2: Accommodations: Hotels, Resorts, Timeshares, Villas Etc..

5. SECRETS Resort Opens; Where to See Pics & Get Info

After multiple delays attributed to "external" forces, SECRETS Resort was finally scheduled for its "soft" opening yesterday, March 1, 2020.

Our [Everything SXM Facebook Group](#) includes hundreds of guests heading for or now at SECRETS. Since they paid for a fully open all-inclusive resort, many are unhappy since being told that they are visiting a hotel in a "soft" opening. Specifically, the resort has told some guests that some restaurants won't be open regular hours.

We have asked SECRETS guests to post copious pictures of every spot in the hotel they can access, and to publish the hotel's answers to questions they have asked about what's available, what isn't, and what compensation if any the hotel is willing to give them for amenities they paid for that aren't actually available. Hopefully you'll find some

answers to those questions, along with many pictures, in the SECRETS main thread in our [Everything SXM Facebook Group](#).

6. 2020, 2021 T/share Rentals Available on Everythingsxm.com

The demand for accommodations keeps increasing and even with new hotels opening on the island or nearing their opening during 2021 and 2022, it's clear that demand for 2021 will be high. For that reason, we have decided to enable our JMB Website Supporters members to start placing ads for timeshare rentals with 2021 dates effective immediately. The current update of our timeshare listings now includes initial 2021 (as well as 2020) timeshares offered by our JMB Website Supporters members.

Bear in mind that these are direct rentals that buyers purchase directly from our JMB Website Supporters members. There is no middleman, there are no extra rental fees, and there is nothing else to get in the way of you making your best deal directly with the timeshare owner. That's why our timeshare rental ads on everythingSXM.com are among the most popular means for tourists to rent SXM timeshare weeks directly from owners.

Again, you will find those weeks on our main SXM website, everythingSXM.com.

7. How To Rent Out Or Sell Your Timeshare Units

If you own timeshare weeks that you would like to rent out or sell on our main everythingSXM.com website, you can do it once you become a member of our JMB Website Supporters island discount program. For all the details, go to our main site, everythingSXM.com and click on timeshare rentals in the navigation bar. You'll find the details about posting there. For information about joining JMB Website Supporters, click the page curl on all pages of everythingSXM.com. As a member, you will have access to a growing pallet of about 300 discounts and other benefits including the ability to post up to 10 ads per year in our rental pages at everythingsxm.com.

The ability to post timeshare rentals on our site is limited to JMB Website Supporters members only, and is not available to any others at any price.

8. Buying a Condo in SXM? Here's Important Info

Just before Thanksgiving 2018, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#).

Please check this link to [BrightPath in SXM](#), a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Ask for Vivian Chamas and let her know you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

SECTION 3: JMB Member Discounts & Benefits

10. Lagoon Causeway Closed Mon., Tue. Nights for Construction

Tonight and tomorrow night (Monday and Tuesday), the lagoon Causeway will be closed in one direction for some construction.

On Monday night the eastbound lane from the Airport Roundabout to Cole Bay will be closed to traffic from 9 PM to 2 AM, and on Tuesday night the westbound lane from the Cole Bay roundabout at the Union Road to the Airport Roundabout on Airport Road will be closed from 9 PM to 2 AM.

The Tuesday night closure will be particularly inconvenient for people from Simpson Bay, Cupecoy, or Maho when returning from Mardis De Grand Case, the weekly celebration in Grand Case. Supposedly the construction will be completed in both directions by Wednesday morning.

The bridge was first opened in the fall of 2012. These are bridge deck repairs, we're told.

11. Getting "Stuck in SXM" Not an Idyllic Experience

Although people often romanticize about how wonderful it would be to be stuck in St. Maarten for an extra day or two, the reality is actually far different. Plans are made once vacations are completed are not easily changed. Far more often than not, a delayed return to SXM is a big inconvenience rather than a welcome respite.

If you travel during the winter, winter weather is usually the culprit behind flight delays. But in the summer, major storm systems can play havoc with airline schedules both in the Caribbean (especially in September) and at US and Canadian destinations. So when you make your return plans, be sure you have a few extra days coverage in the prescription medications you take with you — and avoid planning important appointments until a few days after you expect to be back home. That will help make life easier on your return if you are delayed.

12. Heightened Awareness Key in Coronavirus Vigilance

Coronavirus has not been found in the Caribbean at this writing. Weeks ago, when the virus was first being defined in China and was spreading rapidly there, there was a meeting of CARICOM, a political alliance of Caribbean nations.

All the countries in CARICOM enhanced already existing robust protocols related to illness detection, diagnosis, prevention, and containment, as well of course as cooperation and information sharing among CARICOM members. They also enhanced protocols for isolation and treatment.

As is the case worldwide, the nations of the Caribbean are closely and vigilantly monitoring this entire situation, and are fully prepared to handle any eventuality.

Here is [more specific information on the coronavirus itself](#).

13. St. Maarten Heineken Regatta Is This Week: Full Info

Although some say that the Dutch side carnival is as big or bigger, it does look to us like next week's Heineken Regatta, the largest warm-water regatta on the planet, is SXM's bigger "party."

Described as "Serious fun" by its promoters, the Heineken brings scores of world-class sailing vessels here from dozens of countries around the world. Most are arriving now, and the rest will be here quickly.

Regatta Chief Honcho Michele Korteweg has long done a brilliant job of managing the 40th Heineken Regatta which promises to be the biggest and best ever.

For all the latest Regatta information, see our [Everything SXM Facebook Group](#) where we've published a Heineken Regatta Media Center in our FILES area. We expect to post lots of Regatta pictures on our FB site as well, as events unfold.

Schedules and courses can vary according to weather conditions. For the latest on schedules and courses, see the main Heineken Regatta site, heinekenregatta.com.

14. Traffic, Bridge Openings Affected by Regatta

Traffic throughout Simpson Bay will be affected March 5-8 by an increased number of bridge openings both in the morning and late in the afternoon thanks to movements of competing boats in the St. Maarten Heineken Regatta from the lagoon to the Regatta courses. Schedules will be published in the *Daily Herald* and we also expect to be running them each day in our [Everything SXM Facebook Group](#).

15. Photographing the Festivities

Although traffic can be a pain if you're trying to get someplace, the fact is if you park somewhere near the bridge (NOT in any restaurant parking lot), you can get great pictures as the boats pass through the Simpson Bay drawbridge. There are also charter boats available to take you close to the action (see sailstmaarten.com) and points of land close to the courses where people with powerful telephoto cameras can get much closer to the action. We'll do our best throughout the Regatta to make sure as much of this information as possible is gathered and reported in our [Everything SXM Facebook Group](#).

16. "Serious Fun" Entertainment

In addition to racing, the St. Maarten Heineken Regatta is known for its lineup of huge parties featuring very well known regional and world-class entertainers.

In our [Everything SXM Facebook Group](#)'s Heineken Regatta Media Center file, we've published in full all the Regatta news releases on all entertainers. The headliner is Flo Rida but he is only one of many top-notch entertainers in a range of genres suitable to the audience of this, the largest warm water Regatta on the planet.

For all the details and complete information on ticketing, see our [Everything SXM Facebook Group](#).

17. "Multihull Challenge" Returns Earlier in 2021

Several weeks before the Heineken Regatta the much smaller Multihull challenge raced this winter off the coasts of SXM, St. Barth, and Anguilla. In a larger iteration, the Multihull challenge will be returning next year slightly earlier in February, from the 5th to the 7th, a month ahead of the 2021 41st Heineken Regatta.

For complete information on the Multihull Challenge for 2021, please [look here](#).

18. Caribbean Foiling Championships Results

This winter has been exceptionally busy off the coast of SXM with lots of water-based marine activities; the Caribbean foiling events of about a week ago have been one of the most unusual and interesting.

Here are [complete results](#).

19. Update: Husband Breaks Leg, Then Things Get Worse...

Barbara and Joe were in Grand Case a week ago Thursday night when Joe broke his leg. We've spoken with Barbara but haven't asked how it happened, though we know he was transported to the French side hospital which normally handles broken legs as a matter of routine. They told Barbara and Joe (paraphrasing), "We can't help you. You need to get a medevac off this island and get surgery."

Barbara and Joe had no idea how to set that up (she didn't know about us or about SkyMed) so she posted a Facebook question, a good place to get comments but not a perfect place for medical advice. A friend of Barbara's, Phyllis, became aware of what was going on and left Jeff a message which he didn't hear for several hours.

Meanwhile, Barbara called a company someone had recommended on FB (not SkyMed) and was told, "We'll take him home for \$37,000. Give us your credit card info." Not knowing what else to do, she gave them her credit card info and they immediately put a \$37,000 hold on her account.

As soon as Jeff heard all this on Saturday morning, he called a top SkyMed executive and said, "\$37,000 sounds crazy. Who are the people she called? Can we do anything?" Normally, SkyMed takes its members home at no cost when they become seriously or critically ill or injured throughout the USA, Canada, Mexico, Bermuda, and all the nations of the Caribbean. Memberships are sold to Americans, Canadians, and xPats living in any of those areas, and global protection is an available option. If Barbara and Joe had been SkyMed members, their cost for an air ambulance arranged through SkyMed would have been \$0.

Because of the complexity of the case and the care it demanded, the cost through SkyMed to nonmembers Barbara and Joe, though up there, was still thousands less than the \$37,000 that other company had quoted. Barbara canceled the trip with the other company (that she told us had had given her no info about whatever arrangements it was making). SkyMed flew Joe and Barbara home in a medevac jet / air ambulance last Sunday. It arrived in Boston a few hours later where it was met by a ground ambulance arranged by SkyMed which took Joe and Barbara to Massachusetts General Hospital where he had surgery the next day.

Barbara told us last week that the surgery had gone well but that Joe faced a lengthy recovery period from that major injury. We'll be keeping in touch; we wish them well. Barbara said as soon as they are past all this and into travel mode again, they'll be signing up for SkyMed....

What happens: Through SkyMed membership, members call SkyMed once they're being treated at a hospital for a serious or critical illness or injury. Soon, SkyMed makes all the arrangements for the hospital-to-hospital medical evacuation and pays for all the services it provides, keeping the member fully aware of what's happening and when it will all be done.

No one ever buys SkyMed expecting to actually use it: they get it for peace of mind, just in case. But about 18 times every week, something unexpected happens... and SkyMed takes its members home to doctors and hospitals they know and trust, saving time, money -- and lives.

21. SkyMed Q&A / FAQ (New)

SkyMed® FREQUENTLY ASKED QUESTIONS

Answers to Common Questions

This document contains general SkyMed information in answer to common questions. SkyMed's services are defined by its Member Services Agreements – plain English documents that tell you what you get and how it works (see much more info below). As always, SkyMed offers a 30-day "Free Look period," so if for any reason you're not satisfied with your unused SkyMed protection before 30 days have expired, SkyMed will refund your money.

Q1. Does it cover my trip to...?

1. Basic short-term and annual "SkyMed Takes You Home®" protection applies throughout the USA (all 50 states), Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global Emergency Travel Services (G.E.T.S., a subsidiary of SkyMed) protection is available outside the USA, CANADA, MEXICO, BAHAMAS, BERMUDA, and the CARIBBEAN (the rest of the world), however neither SkyMed nor G.E.T.S. covers trips to nations on the U. S. State Department's then-current "Do Not Travel" list – North Korea, Iran, and Venezuela currently, for example, and several others. Before planning a trip, check that list if you have any question about whether protection is provided for your destination – or call SkyMed directly during normal office hours (Mountain Standard Time) at 480 946 5188 or 1-800-475-9633.

Q2. Who is protected?

1. "Single" protection is available for individual travelers. "Family" protection includes your spouse or domestic partner and your young children up to 18 or 24 if they are full time students.

Q3. Do I need to call SkyMed before traveling outside my home country?

1. If you're traveling during the normal high season for travel to your destination, no. If you're traveling to your destination during its low season, do call SkyMed Member Services at the 800 number in the first question and let them know.

Q4. What if I'm going to a country not listed above in question 1?

1. Then you'll need (G.E.T.S) protection. If you have one of our Ultimate multiyear memberships, (G.E.T.S.) protection is included. On Annual (one-year) memberships, "G.E.T.S." protection is an inexpensive option.

Q5. What's the difference between "short term" and "Annual" or multi-year protection?

1. Short-Term protection is intended for brief trips, say a week or two. Like Annual protection, it "Takes You Home®" to doctors and hospitals you know and trust when you suffer a serious or critical illness or injury while traveling. Preexisting medical conditions are covered from day one with the short-term plan. It's inexpensive, only \$15/day for family protection. Remember, though, that Annual and Multi-year Ultimate memberships cost much less – only about \$1.35/day for family plans. Plus, they're guaranteed renewable without regard to advancing age or declining health. If you get a short-term plan, once it has expired, it is done, and you must reapply and requalify for another when you next travel. With Annual and multiyear Ultimate memberships, all you need do is renew before the renewal deadline – no need to reapply unless your membership has lapsed and the grace period has ended.

Q6. Is there an age limit for applications?

1. There is no age limit to apply. There's no age limit on renewals, either.

Q7. Can you cancel my protection at a certain age or if I get really sick?

1. Annual and multi-year Ultimate memberships are guaranteed renewable, as noted above. They will not be cancelled simply because you're a certain age or because your health has changed.

Q8. Will you raise the price of my membership at a certain age or if I get sick?

1. Once you're a SkyMed member, at renewal time you'll pay the same low renewal fees that everyone else with your type of membership pays. If you join at age 75 or older and purchase the X-Pat plan because you live in Mexico, the Bahamas, Bermuda, or the Caribbean, the X-Pat plan is more expensive than the standard traditional (Annual or multiyear Ultimate) plan.

Q9. What exactly does SkyMed cover? Is it health insurance?

1. You'll find an overview of all key SkyMed Features & Benefits here:
<http://www.everythingsxm.com/sxmweeklynews/SkyMedServices.pdf>

This is the same list you'll find on the back of our current membership applications. SkyMed provides up to 18 benefits related to medical evacuation if you suffer a serious or critical illness or injury while traveling. It is not health insurance – in the “SkyMed universe,” SkyMed *Takes You Home*® to doctors and hospitals you know and trust, where your health insurance works.

Q10. What about pre-existing conditions? Are they covered?

1. Yes: for short-term memberships, medevac protection (including items listed in the answer to Q9, above) is included for critical illnesses or injuries related to pre-existing and non-pre-existing conditions. For Annual and multiyear Ultimate memberships, pre-existing conditions are covered after a brief 90-day waiting period.

Q11. I want guaranteed renewable protection because of my age, but I'm going on a trip sooner than 90 days. What can we do about that?

1. Get our inexpensive short-term membership to cover your near-term trip, including medical evacuations for serious or critical illnesses or injuries due to pre-existing conditions. At the same time, apply for an Annual or Ultimate membership, to kick in once your near-term trip ends.

Q12. I'm not traveling for a while. When should I apply?

1. Get SkyMed before you need it – just like fire insurance. Since you don't know when you'll need it – and since health can change in a heartbeat thanks to falls, accidents, or other issues – it's always better to do it sooner rather than later. Beyond that, if you have pre-existing conditions and get SkyMed Annual or multiyear Ultimate medevac protection now, that 90-day exclusion period for pre-existing conditions protection may well be finished by the time you travel.

Q13. What kind of questions do you ask in your application? Do you send somebody to do a medical exam?

1. There's no medical exam. Our application is simple, asking about hospitalizations in the last six months, your current medical conditions, and your prescriptions – and on the prescriptions, all we need is their name, not dosage info. If you have a complex medical history, SkyMed may ask for a “HQ” (health questionnaire) to be completed by your doctor and submitted to SkyMed by fax. You should also have your passport number handy; we record it so it's there in case you need help outside your home country.

Q14. How long does it take before I hear whether I'm accepted?

1. Generally just a few business days, but it's always best to do your application early to ensure sufficient time for processing.

Q15. I have more questions. Where do I find the answers?

1. SkyMed Ambassador Jeff Berger, located in Massachusetts, will be happy to answer your questions. Call his private line at 508-747-8281.

Q16. Can I sign up online?

1. For fastest results, we always suggest you contact us directly. We've done thousands of applications and can whisk you through the process in minimal time and with minimal bother. To get additional information first and see some customer stories, check our site, www.skymed.com/jmb. But to sign up, always call 508-747-8281. The process normally takes about 10 minutes, if that.

Q17. Who can get SkyMed?

1. SkyMed is available to residents of the USA and Canada, and to X-Pats living in the countries listed in Q1. X-Pat protection is necessary if you live outside the US or Canada for six months or more, in aggregate, in any 12-month period. Always notify SkyMed if you move.

Q18. I have a rather deep medical history. Will SkyMed still accept me?

1. Although SkyMed accepts the vast majority of applications, others do get health questionnaires (see Q13) and occasionally some do not qualify. There is no cost to apply if your membership application cannot be accepted. A history of a heart attack or cancer several years ago or other maladies does not automatically signal any issues for SkyMed. Apply – there is nothing to lose (again, no charge if you're not accepted). And as we noted in Q6 there is no age limit to apply and no age limit to renew.

23. Get SkyMed Now For All Upcoming Trips: Member Stories

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in

the head

by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home, usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for not much more than \$1.30/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger weekdays at 508-747-8281 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also sign you up by phone in about 10 minutes. You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.

Anything can happen anywhere: Do it today. To learn more, visit www.skymed.com/jmb, our new SkyMed site, going live shortly.. JMB members get big discounts off SkyMed's regular pricing: see the story about JMB Website Supporters in this section.
