THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting There: Flights, Airlines, Airports, Cruises, & Weather

1. US Flights to SXM Set To Resume Aug. 1

Stories about flights to SXM normally appear in this section; however, this is a major story of interest to everyone, so the actual story appears in section 4, our main island news section, story #19.

2. European Flights to SXM Working Uneventfully

Flights from Europe to SXM are now flying normally. Flights began midweek last week and are now flying routinely from both Paris and Amsterdam. In-depth precautions are being followed on all flights due to Covid 19.

3. 2020 Hurricane Season Sets Record for Earliest "F" Storm

When tropical storm Fay formed in the middle of last week off the Carolina coast, it was the first time in recorded history that six named storms have formed this early in any Atlantic hurricane season.

Crown Weather chief meteorologist Rob Lightbown had previously forecast that approximately 20 named storms would form this year, but we expect that no one thought this many storms would form this early. Here are this year's hurricane names: Arthur Bertha Cristobal Dolly Edouard Fay Gonzalo Hanna Isaias Josephine Kyle Laura Marco Nana Omar Paulette Rene Sally Teddy Vicky Wilfred. Storms named "Gonzalo" and "Omar" have both hit SXM in recent years, but unlike Irma, neither named storm caused enough damage to merit the retirement of the name.

For all current storm forecasts please see our weather center at everythingSXM.com, where you will also see the most recent available radar loops and satellite images — some of the same images that forecasters are using to do their work.

As we pointed out before, if you ever find yourself living or working in any area where tropical systems may hit, we urge you to sign up for Rob Lightbown's very inexpensive private forecasting service so you get correct news early about what's happening. We have used his service for many years and now, he is also chief meteorologist at Island92 radio (91.9 FM and island91.com). He is based here in Massachusetts.

We also publish all significant hurricane news as we receive it in our [Everything SXM Facebook Group](#).

4. "Long Track" Storms Could Start Earlier This Year

So-called long-track tropical cyclones are those that develop off the coast of West Africa and track westward toward the islands and toward the US. Usually, these are the storms that offer the greatest threat to SXM and may offer substantial threats to the US.

The peak season for this type of storm starts somewhere around mid August and ends at the end of October, while hurricane season begins June 1 and ends November 30. [Crown Weather chief meteorologist Rob Lightbown says that long-track storms could start earlier this year](#), perhaps before the end of this month.

We will continue to watch the tropics for you, as always, and will be posting the latest forecasts and Advisories as they are issued in the Weather Center at our main site, everythingSXM.com. We will also publish all storm Advisories as we receive them in our [Everything SXM Facebook Group](#), a great source of island news as it happens between issues of *SXM Weekly News*.

5. Mold Remediation Work Restarting at SXM Airport

It seems that the second phase of mold remediation on the second floor of SXM Airport is just now really getting going. Why that's happening almost 3 years after hurricane Irma hit, we won't go into here; the good news is that it is underway.

Much more on all the processes related to reconstruction at SXM Airport is here:

Simpson Bay, St. Maarten (July 6, 2020) – *Mold Remediation and Surface Decontamination works at the Terminal of the Princess Juliana International Airport (SXM) will be executed during the months of August through December 2020. The works are scheduled to remove the remaining mold that was produced as a result of internal water damages related to the 2017 hurricanes. The forthcoming Mold Remediation and Surface Decontamination works will be carried out before the start of the Airport Terminal Reconstruction Project ("Package 2") . The former Check-in hall, Airline and Handler offices, concessionaire spaces, the basements, and the entire upper level of the Terminal Building will be cleaned and sanitized within the job scope.*

The Project Management Unit (PMU) for the Airport Terminal Reconstruction Project disclosed that the reconstruction timeline is on schedule to start the remediation works in August

The scope of the works will include the installation of HEPA filtered air filtration units and portable humidifiers [sic!] to dry any remaining wet building materials. The intent is to cleanse all the mold contaminated areas and to remove all corroded and damaged materials from all levels of the Terminal Building. The project will also dismantle wall and fixtures that will not be part of the Airport Terminal Reconstruction Project design.

In 2018, the Airport conducted its first Mold Remediation and Surface Removal Decontamination procedure as part of "Package 1" phased project. The process also focused on the removal of unusable wall partitions.

Given the scope of the upcoming project and the possible health risks, there will be an Environmental and Social Specialist onsite in accordance to the World Bank regulations. SXM Airport will assess, manage and monitor the environmental, social risks and impacts of the project throughout the project's lifecycle. The waste material removed from the terminal will be shipped off island, where it can be recycled or discarded in an environmentally friendly manner

Today, the airport operations are executed from only 30% of the Terminal Building floorspace, from the Baggage Claim vicinity unto the B-Gates area, within the lower level of the Terminal Building.

This project is implemented by the Airport and the National Recovery Program Bureau (NRPB). It is being funded by the World Bank and the European Investment Bank (EIB) through a loan from the Government of St. Maarten to SXM Airport.

Comment: The airport reconstruction won't be finished until December, 2022, five years and three months after Irma -- if it adheres to its current schedule. The Empire State Building only took 11 months to build, and the World Trade Center twin towers took six years. Much more on this project is [here](#).

6. Airport Employees To Get Back Pay; Strike Ends

As we previously reported, SXM Airport employees had gone on strike for a day to protest not receiving back pay, and an Air France flight, one of the first after the airport had reopened, had to divert because employees were picketing on

the street and not working in the terminal. A meeting between airport officials and representatives of striking employees successfully ended the strike by promising to pay employees what they said was due to them. Airport head Brian Mingo later announced that the payments would be from airport reserves.

7. Where to Find Current SXM Weather Info

You'll find detailed observations and forecasts by visiting our main SXM website, www.everythingsxm.com, and clicking either of the weather observations at the top of the page.

The four sources of current weather info, beyond the two above, are:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather" page at www.everythingsxm.com -- it has current satellite images and radar loops and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page.
- 3) Our [Everything SXM Facebook Group](#), which publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once and know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.

Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

Download your own NHC Hurricane Chart:

Years ago, before we were all saturated with weather information from cable TV to local (redundant and repetitive) news and forecasts plus weather updates and bulletins on our smart phones, gas stations and television stations offered printed hurricane tracking charts so people at home could try to figure out for themselves whether they were about to get slammed by the latest hurricane.

We haven't seen hurricane tracking chart handouts for years, but if you want one they are easy to get.

The exact charts used by the National Hurricane Center (NHC) are available for download from the NHC [here](#). Select "Atlantic" and you're good to go. You can print out the chart and use it repeatedly, or simply print a bunch of them and use one for each storm that may approach an area of interest -- like, SXM. Bear in mind that this hurricane season may well be frontloaded -- so you might want to print a few of these now and *not* save doing that for later.

Blank hurricane tracking charts similar to those that have been used by the National Hurricane Center for many years are now available for download [here](#) (that's the NHC download site). Also noted above; republished in case you missed it.)

SECTION 2: Accommodations: Hotels, Resorts, Timeshares, Villas Etc.

10. Our SXM Rental Page Adjusted to offer Rentals from 8/1 On

Since the earliest US airlines will be flying passengers back to SXM won't be until Aug 1, we have updated the condo rental ad page on our main site, everythingSXM.com, so it now lists only units available on or after that date. Should SXM decide to make further modifications in its schedule for the resumption of travel by Americans to SXM, we will update our listings accordingly.

11. SXM Accommodations Ready for Tourists: Clean & Green

A great deal of work has gone into ensuring that all SXM timeshares and hotels will be ready for tourists on August 1, although tourists already have started arriving from Europe. As you will see when you arrive, a spectrum of special precautions is being implemented at all properties to help ensure the health and safety of all arriving tourists. Moreover, all resorts are taking special measures around-the-clock to make sure that the healthful environment they have created will be maintained.

Please see the next story.

12. Timeshare Honchos "Energy" Evans and Ricardo Perez On Island 92 This Thurs. 9:15 am EDT

The chief honchos of two large and very successful SXM timeshare resorts will be on the air on Island92 this Thursday morning to talk about their preparations for the return of American tourists and other topics with Dr. Soc on his Fresh Air in the Morning program at 91.9 FM and online at island92.com. Director Edna "Energy" Evans of Belair Beach Hotel

and GM Ricardo Perez of Oyster Bay Beach Resort, two of the island's top timeshare resort executives, will be featured.

We will have much more on this coming in our [Everything SXM Facebook Group](#), where we are hoping to have audio of the segment after it has aired. You can also listen live at island92.com.

This story is repeated in our main news section.

13. 2020 - 2021 Rentals Available Now at Everythingsxm.com

SXM timeshare owners who are members of JMB Website Supporters have begun to post 2021 timeshare rentals on our main SXM website, everythingSXM.com. Much more information about available rentals is on our timeshare rentals and sales page on that site. It is certainly not too early to start making reservations for 2021.

14. How To Rent Out Or Sell Your Timeshare Units

If you own timeshare weeks that you would like to rent out or sell on our main everythingSXM.com website, you can do it once you become a member of our JMB Website Supporters island discount program. For all the details, go to our main site, everythingSXM.com and click on timeshare rentals in the navigation bar. You'll find the details about posting there. For information about joining JMB Website Supporters, click the page curl on all pages of everythingSXM.com. As a member, you will have access to a growing pallet of about 300 discounts and other benefits including the ability to post up to 10 ads per year in our rental pages at everythingSXM.com.

The ability to post timeshare rentals on our site is limited to JMB Website Supporters members only, and is not available to any others at any price.

15. Buying a Condo in SXM? Here's Important Info

Just before Thanksgiving 2018, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#).

Please check this link to [BrightPath](#) in SXM, a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Ask for Vivian Chamas and let her know you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

As these additions are made, they will be reported in *SXM Weekly News*

and will also be noted in our [Everything SXM Facebook Group](#).

JMB Website Supporters currently offers roughly 300 discounts and other benefits to its thousands of members.

For more info on what you get with your JMB membership, [go here](#).

SECTION 4: Island News, Info, & Features

Free Additional Year of Membership When Joining / Renewing JMB Website Supporters Island Discount Program -- SALE ENDS 8/1

Literally thousands of JMB members in recent weeks have told us they're ready to return to SXM as soon as it's safe to do so. Well, SXM is Covid-free right now and since it requires arriving passengers to be Covid-free as well, this may well be that time.

We know readers / JMB members have uncertainties -- for clearly obvious reasons. That's why we're giving all members who do multiyear new, renewal, or reinstated JMB memberships from now through August 1, 2020, a free additional full year of JMB membership.

You'll certainly return within a year, since an effective vaccine appears likely to be available by early next year. So, take advantage of this unique, about-to-end offer and sign up for, renew, or reinstate today. Military / First Responder membership memberships are included.

Here are all the rates: remember, you get "Plus One" in all of these – a full year on us in addition to the years stated:

- The **one-year** renewal or reinstatement does not offer "Plus One"... it remains \$49.
- **Three-year** renewal/reinstatements, \$89, plus you get an additional fourth year free. Offer ends 7/10/20.
- **Six-year** renewal/reinstatements, \$149, plus you get an additional seventh year free. Offer ends 7/10/20.

You can do both renewals and reinstatements [right here](#), in our membership reinstatement center (prices are identical to renewals). For new memberships, click the page curl on our main site, [everythingxsm.com](#), for info or to sign up. Your renewal begins when your current subscription ends. Reinstatements of expired memberships take just a few days to process. We email you a new membership card once processing has been completed.

Military and First-Responder memberships offer you the usual four years for just \$67.96 (\$16.99/year paid at inception) plus you get an additional fifth year free. That is the best deal we have ever offered anyone for any memberships, on a yearly basis. DD214 or other proof of US military or first-responder service required. Additional year offer ends 8/1/2020, so please act quickly.

New Memberships Get Great Benefits too:

All our **new membership rates** except one-year new memberships have this same "Plus One" enticement, but it must end 8/1/20.

Here are our low regular new membership prices:

- **1 year \$59 (no "Plus One" one-year bonus)**
- **3 years \$109 plus they get an additional full Plus One year free.**
- **5 years \$139 plus they get an additional full Plus One year free.**

Sign up by going to [everythingxsm.com](#) and clicking the page curl.

We hope you are having a pleasant summer, **but please ... join, renew, or reinstate today to get that additional**

full-year Plus One bonus before it goes away 8/1, which is not far away.

18. News About What's New In This Section

For years, we've been publishing news about air travel to SXM exclusively in section 1 of this newsletter, which we call *Getting Here*.

Although we will continue to put most news about air travel related to SXM in that first section, when there is transcendental news about SXM air travel we will now headline it there in our main island news section.

We made another editorial change last week. For many years, we've been publishing a feature titled *Restaurant of the Week* here in our main island news section. Because it has often appeared toward the end of this section, you may have missed it — and if so, you can check all our *Restaurant of the Week* stories since 2014 in our [SXM Weekly News PDF Archives](#). Just click the hyperlink and you'll find dozens of stories on featured SXM restaurants. *We've changed where those stories appear effective last week: they will now appear earlier in this section, plopped in the middle of a number of major news stories.*

We know it's news you are interested in seeing and reading and we wanted to make it a bit easier for you to find items of interest. We're doing this in response to multiple reader requests.

If you ever have story ideas for *SXM Weekly News* or other comments, please address them to SusanK@JMBCcommunications.com. Thanks.

19. US Flights to SXM Set To Resume Aug. 1

The first US airline flights to SXM are currently scheduled to land on or after August 1. There have been no regularly scheduled flights between the US and SXM since mid-March, when the island shut down passenger flights to fight Covid 19.

Entry requirements have been clearly delineated and are listed in the files area in our everything SXM Facebook group. The resumption of flights had originally been scheduled for July 1, later rescheduled for July 15 and quickly changed to August 1. Because of the explosion of Covid cases in many states across the USA, tourists should consider this a fluid situation. SXM has worked hard to slam the door on Covid 19 cases across the island and it continues to work hard to reopen the island to tourism without imperiling the health of its people. That's why it has set up the entry requirements mentioned above. (You can see them in the Files area of our [Everything SXM Facebook Group](#).)

Should entry requirements be altered — or should the timing of the resumption of flights between the US and SXM be changed — that information will first be published at once in our [Everything SXM Facebook Group](#) and in a bulletin to members of our JMB Website Supporters island discount program. It would be phenomenally helpful to us — and to you — for you to join both of these organizations. The Facebook group is free; your JMB Website Supporters membership makes *SXM Weekly News* possible every week and also makes it possible for us to keep our weather center/hurricane center on our main site, everythingSXM.com, up-to-date around-the-clock.

20. Timeshare Honchos "Energy" Evans, Ricardo Perez On Island 92 This Thursday at 9:15 am EDT

The chief honchos of two large and very successful SXM timeshare resorts will be on the air on Island92 this Thursday morning to talk about their preparations for the return of American tourists and other topics with Dr. Soc on his fresh air in the morning program at 91.9 FM and online at island92.com. Director Edna "Energy" Evans of Belair Beach Hotel and Ricardo Perez of Oyster Bay Beach Resort, two of the island's top Timeshare resort executives, will be featured.

We will have much more on this coming in our [Everything SXM Facebook Group](#), where we are hoping to have audio of the segment after it has aired. You can also listen live at island92.com.

21. SXM Rotary Delivers Food To Help SXM's Neediest

Members of the Rotary Club of St. Maarten, Interactors, and Volunteers distributed close to 200 Food Relief Boxes to those registered as in need. Purchasing of the food items was made possible by a very generous donation from the Windward Island Bank which has committed to at least 6 months of helping the Rotary Club of Sint Maarten assist those in the community receive much needed and nourishing food. "It is easy to think that since businesses are opening back up and many are back to work that things are back to normal. That is so far from the reality. So many have lost their jobs with little prospect of finding a new one, and so many more are underemployed and can't meet their obligations such as rent and lights, which leaves little left to provide food for their family," said Dimple Sagre, the recently installed Rotary Club President. "We see the desperation out there and as Rotarians we will continue to do our part to help ensure that as many as possible receive this assistance," President Dimple continued.

The Middle Region and Mount Willem Hill Area were the focus of this food distribution and the database of those having registered for assistance that is cooperatively used by K-1, Freegan Food, Red Cross, and Domino's for food relief was used to compile the list of names. There were also several families that were referred via other sources such as the Rotary Club of Sint Maarten's Messenger account, other foundations supported by Rotary, and word of mouth as to desperate situations. Each box was packed full of various food items such as rice, potatoes, bananas, beans, pasta, flour, oil, tuna, crackers, peanut butter, cereal, milk, sauces, vegetables, and more and had an approximate food value of fls 100. The amount of food was maximized as the suppliers offered cost price on many of the items which helped Rotarians prepare even more boxes.

Project Coordinator Rotarian John Caputo said "No Child, No Person, Nobody should go to bed hungry. The state of the economy, not just here but around the world, needs the help of those that can be there to do so and assist those that can't help themselves right now. Seeing the look desperation being replaced by a look of warm thanks when we show up with food is what makes the time and effort worth it. It is going to get worse before it gets better and that is why our club has committed to assisting and focusing on food relief and distribution for the next several months. We can't thank WIB enough for entrusting Rotary to facilitate the distribution to so many." Preparations and purchasing are already underway for the next round of food relief packages. A different area that hadn't recently been serviced by one of the organizations providing food relief will be chosen and another 200 food packages will be distributed to them soon.

For more information about the Rotary Club of St. Maarten, please contact the Rotary Club of St. Maarten Press Officer at: pressrotarysxm@gmail.com or visit the website www.rotarysxm.org.

22. Ode to Ric's Place Treasured "Nachos Grande"

There has only ever been one Nachos Grande offered in SXM that became the stuff of legends. This isn't your average Nachos with some cheese and a little other stuff sprinkled on. This is homemade nacho chips piled high — like the size of a basketball high — with about 5 pounds worth of ingredients.

Although **Ric's Place American Café and Sports Bar** closed years ago and Ric Hetzel has sadly passed on, co-owner and former American ex-pat Kathy Hetzel has given us the following complete recipe for their Incomparable Nachos — and here it is.

"Ok here is the way we made them. Of course we made our own chips but store bought tortilla chips will have to do! Anyway pile them up on a platter sort of stacking into a point. Sprinkle with chopped onions and tomatoes not a lot. Then dollop warmed refried beans over them. Then sprinkle taco flavored ground meat (cooked) over them. Then a layer of nacho cheese sauce. Then a layer of salsa. Then put them in the microwave for two minutes. When you take it out sprinkle top with shredded cheddar cheese. Top it with sour cream and black olives. So there are no exact measurements. Cooks just threw it on and out came a nice gooey mess that tasted wonderful."

23. Hundreds Lament Long-Gone SXM Restaurants

If you think about all the restaurants you enjoyed throughout your life, you realize that nothing lasts forever. Your favorite places from decades past for the most part by now are long gone. Your senses readily recall the interior of many restaurants that haven't existed for years, the ambience, the smells, the waitstaff, and your favorite menu items — even where you sat. Several days ago, we decided to ask a question in our [Everything SXM Facebook Group](#): what is your favorite now-gone SXM restaurant? As of this writing we had received close to a thousand replies covering many different SXM restaurants — Ric's Place, L'Alabama, Turtle Pier, Tutta Pasta, Laguna, Trattoria Pizza

Pasta, Daniel's by the Sea, Mr. Busby's Beach Bar, La Gondola, Scavengers — they were all among our favorites. See the answers, pictures, mementos, and lots of thoughts about restaurants you will remember too; it's in our [Everything SXM Facebook Group](#).

25. Seven Ways to Bring Some of SXM Home:

Regardless of when you plan to return to SXM there are many ways for you to bring some of SXM home — now — even before your next visit.

Here are a few ideas for very special ways to do precisely that:

a) **Roland Richardson paintings or Giclees**: there is nothing quite as spectacular as a Roland Richardson painting in your home or office. Bursting with color far more vibrant than the most memorable Fourth of July fireworks display, Sir Roland's paintings literally enlighten your visual senses like nothing else. See his new website, www.rolandrichardson.com, to get a general idea what we're talking about. But realize that colors you see on an electronic device can't and don't do justice to the colors you see in his actual oil paintings. They will be family treasures for generations.

b) the **Kasprowski family of Cartographers** — first Michal, now Rafal — provide Caribbean maps that are unparalleled in their print quality, completeness, authenticity, and accuracy. They are printed on heavy paper and will last for years. In fact, you can talk to the publisher himself, Rafal Kasprowski, and even have him mail maps to you in tubes so you can put them up in your home or office as wall hangings: they really are that spectacular.

The Kasprowskis have offered SXM maps for many years. But they also offer maps of most other Caribbean islands as well as the entire Caribbean, so if your warm-water interest extends beyond SXM — no problem. For much more information, go to their site, www.midok.com.

c) **Get our all-new copyrighted purple sand chair SXM Euro Oval** for your car - or anywhere else. Just one for only \$7 or **THREE for \$15** (multiple orders of three welcome). Pay by PayPal payable to jeff@jmbcommunications.com or by check payable to JMB Communications, P. O. Box 1812, Plymouth, MA 02362-1812 USA.

INCLUDE YOUR NAME, SHIP-TO ADDRESS, EMAIL ADDRESS, & PHONE NUMBER IN YOUR ORDER. All checks MUST be US dollar checks drawn on US banks. Shipped ONLY to USA & Canada addresses, Put it on your car, on mirrors at home, on smooth-sided luggage, over your husband's mouth (just kidding), etc. Fun item for everyone who loves SXM like YOU do. PHONE ORDERS NOW AVAILABLE TOO: 508-747-8281, 8am - 8pm EDT daily. Secure line, please leave all required info. Delivery is now (as of 6/2) only roughly two weeks.

d) Whether you go to **Zhaveri Jewelers, Caribbean Gems, Ray's Jewelry, JN Jewelers, Alpha Jewels, Majesty Jewelers** or any of the great jewelry shops listed under Sponsors in story 33, these are places for exquisite gems and a spectrum of gifts for loved ones and your closest friends. This is where you get your family keepsakes: many fine selections.

e) **Island92 radio** (91.9FM and island92.com), our on-air partner for more than 10 years, is operated by xPat Jeff "Dr. Soc" Sochrin. It offers rock, blues, and good-time music as well as unique insights into what's happening in SXM. Since they stream live on the web, you can hear them live anytime at island92.com and you can message them too by clicking "listen live". Our Jeff Berger is live on the air with Soc every Monday between about 945 and 10am.

f) **Tijon Parfumerie in Grand Case** opposite Spiga, www.tijon.com. Tijon is a fantastic place for SO many reasons. First, it's one of the few spots on the planet where you can schedule a time to learn how to make your very own perfume or cologne -- and actually do it on the island in their perfume lab. It's a great experience; you get to take your perfume home, and they keep the formula on hand so they can create and ship refills whenever you need them. Great for women and men (Jeff and Ilene have done it), family, friends, celebrations, etc. Contact John Berglund and tell him we suggested it.

g) **Pet Adoptions from SXM**: Pet rescues enable you to adopt an island dog, and you don't have to be on the island to

do it. Contact Ursula Oppikofer at I Love My Island Dog Association for info / details. Site: www.ilovemyislanddog.org.

27. How to Put Incredible Caribbean Colors in your Home or Office

From Laura Richardson:

A picture speaks a thousand words, and what better way to transport yourself to the beautiful shores of St. Martin than with a liquid turquoise seascape painted from life on location by Sir Roland Richardson. This June and July, Sir Roland's brilliant flamboyants resound the burst of RED that dominates St. Martin's landscape with all its Royal Poincianas in bloom.

Take time to go through [Sir Roland's new website](#) to discover new and more beautiful colors of the rainbow evident throughout his works now displayed on each page of the site.

His YouTube videos on the site are natural and full of generous insights to an amazing world that the artist explores in each of his works.

From sea to hillside, flora to fauna, most special are his sensitive portraits of his island neighbors which are his favorite subject of all.

If you've been considering one of Sir Roland's artworks for your home or office or as a gift to someone special, think of supporting them now through the pandemic closures that have so rocked the island. See www.rolandrichardson.com and send them a nice message through his caring wife, Laura at roland.laura@wanadoo.fr.

31. SkyMed Q&A / FAQ - Frequently Asked Questions

SkyMed® FREQUENTLY ASKED QUESTIONS

Answers to Common Questions

This document contains general SkyMed information in answer to common questions. SkyMed's services are defined by its Member Services Agreements – plain English documents that tell you what you get and how it works (see much more info below). As always, SkyMed offers a 30-day "Free Look period," so if for any reason you're not satisfied with your unused SkyMed protection before 30 days have expired, SkyMed will refund your money.

Q1. Does it cover my trip to...?

1. Basic short-term and annual "SkyMed Takes You Home®" protection applies throughout the USA (all 50 states), Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global Emergency Travel Services (G.E.T.S., a subsidiary of SkyMed) protection is available outside the USA, CANADA, MEXICO, BAHAMAS, BERMUDA, and the CARIBBEAN (the rest of the world), however neither SkyMed nor G.E.T.S. covers trips to nations on the U. S. State Department's then-current "Do Not Travel" list – North Korea, Iran, and Venezuela currently, for example, and several others. Before planning a trip, check that list if you have any question about whether protection is provided for your destination – or call SkyMed directly during normal office hours (Mountain Standard Time) at 480 946 5188 or 1-800-475-9633.

Q2. Who is protected?

1. "Single" protection is available for individual travelers. "Family" protection includes your spouse or domestic

partner and your young children up to 18 or 24 if they are full time students.

Q3. Do I need to call SkyMed before traveling outside my home country?

1. If you're traveling during the normal high season for travel to your destination, no. If you're traveling to your destination during its low season, do call SkyMed Member Services at the 800 number in the first question and let them know.

Q4. What if I'm going to a country not listed above in question 1?

1. Then you'll need (G.E.T.S) protection. If you have one of our Ultimate multiyear memberships, (G.E.T.S.) protection is included. On Annual (one-year) memberships, "G.E.T.S." protection is an inexpensive option.

Q5. What's the difference between "short term" and "Annual" or multi-year protection?

1. Short-Term protection is intended for brief trips, say a week or two. Like Annual protection, it "Takes You Home®" to doctors and hospitals you know and trust when you suffer a serious or critical illness or injury while traveling. Preexisting medical conditions are covered from day one with the short-term plan. It's inexpensive, only \$15/day for family protection. Remember, though, that Annual and Multi-year Ultimate memberships cost much less – only about \$1.35/day for family plans. Plus, they're guaranteed renewable without regard to advancing age or declining health. If you get a short-term plan, once it has expired, it is done, and you must reapply and requalify for another when you next travel. With Annual and multiyear Ultimate memberships, all you need do is renew before the renewal deadline – no need to reapply unless your membership has lapsed and the grace period has ended.

Q6. Is there an age limit for applications?

1. There is no age limit to apply. There's no age limit on renewals, either.

Q7. Can you cancel my protection at a certain age or if I get really sick?

1. Annual and multi-year Ultimate memberships are guaranteed renewable, as noted above. They will not be cancelled simply because you're a certain age or because your health has changed.

Q8. Will you raise the price of my membership at a certain age or if I get sick?

1. Once you're a SkyMed member, at renewal time you'll pay the same low renewal fees that everyone else with your type of membership pays. If you join at age 75 or older and purchase the X-Pat plan because you live in Mexico, the Bahamas, Bermuda, or the Caribbean, the X-Pat plan is more expensive than the standard traditional (Annual or multiyear Ultimate) plan.

Q9. What exactly does SkyMed cover? Is it health insurance?

1. You'll find an overview of all key SkyMed Features & Benefits here:
<http://www.everythingsxm.com/sxmweeklynews/SkyMedServices.pdf>

This is the same list you'll find on the back of our current membership applications. SkyMed provides up to 18 benefits related to medical evacuation if you suffer a serious or critical illness or injury while traveling. It is not health insurance – in the "SkyMed universe," SkyMed *Takes You Home®* to doctors and hospitals you know and trust, where your health insurance works.

Q10. What about pre-existing conditions? Are they covered?

1. Yes: for short-term memberships, medevac protection (including items listed in the answer to Q9, above) is included for critical illnesses or injuries related to pre-existing and non-pre-existing conditions. For Annual and multiyear Ultimate memberships, pre-existing conditions are covered after a brief 90-day waiting period.

Q11. I want guaranteed renewable protection because of my age, but I'm going on a trip sooner than 90 days. What can we do about that?

1. Get our inexpensive short-term membership to cover your near-term trip, including medical evacuations for serious or critical illnesses or injuries due to pre-existing conditions. At the same time, apply for an Annual or Ultimate membership, to kick in once your near-term trip ends.

Q12. I'm not traveling for a while. When should I apply?

1. Get SkyMed before you need it – just like fire insurance. Since you don't know when you'll need it – and since health can change in a heartbeat thanks to falls, accidents, or other issues – it's always better to do it sooner rather than later. Beyond that, if you have pre-existing conditions and get SkyMed Annual or multiyear Ultimate medevac protection now, that 90-day exclusion period for pre-existing conditions protection may well be finished

by the time you travel.

Q13. What kind of questions do you ask in your application? Do you send somebody to do a medical exam?

1. There's no medical exam. Our application is simple, asking about hospitalizations in the last six months, your current medical conditions, and your prescriptions – and on the prescriptions, all we need is their name, not dosage info. If you have a complex medical history, SkyMed may ask for a "HQ" (health questionnaire) to be completed by your doctor and submitted to SkyMed by fax. You should also have your passport number handy; we record it so it's there in case you need help outside your home country.

Q14. How long does it take before I hear whether I'm accepted?

1. Generally just a few business days, but it's always best to do your application early to ensure sufficient time for processing.

Q15. I have more questions. Where do I find the answers?

1. SkyMed Ambassador Jeff Berger, located in Massachusetts, will be happy to answer your questions. Call his private line at 508-747-8281.

Q16. Can I sign up online?

1. For fastest results, we always suggest you contact us directly. We've done thousands of applications and can whisk you through the process in minimal time and with minimal bother. To get additional information first and see some customer stories, check our site, www.skymed.com/jmb. But to sign up, always call 508-747-8281. The process normally takes about 10 minutes, if that.

Q17. Who can get SkyMed?

1. SkyMed is available to residents of the USA and Canada, and to X-Pats living in the countries listed in Q1. X-Pat protection is necessary if you live outside the US or Canada for six months or more, in aggregate, in any 12-month period. Always notify SkyMed if you move.

Q18. I have a rather deep medical history. Will SkyMed still accept me?

1. Although SkyMed accepts the vast majority of applications, others do get health questionnaires (see Q13) and occasionally some do not qualify. There is no cost to apply if your membership application cannot be accepted. A history of a heart attack or cancer several years ago or other maladies does not automatically signal any issues for SkyMed. Apply – there is nothing to lose (again, no charge if you're not accepted). And as we noted in Q6 there is no age limit to apply and no age limit to renew.
