THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Weather, and COVID-19

GETTING HERE:

1. If You're Booked on Spirit Airlines in September, Expect Lots of Pre-Flight Bumpiness

Although Spirit Airlines, the airline that canceled thousands of flights recently and blamed weather, staffing, and other issues for its failures, has subsequently said it will try to "get better," the only thing that it has actually promised according to numerous recent press reports is to cancel lots more flights from now into September. That's a promise which we have high confidence they will be able to deliver.

Consequently, if you have any reservations on Spirit Airlines during the next few months, we urge you to keep a close eye on the status of your reservations.

Many of the people who Spirit put through the ringer in recent weeks re: cancellations have sworn never to do business with the airline again. Many voiced that exact thought in threads in our [Everything SXM Facebook Group](#).

If you elect to stay with reservations you already have with Spirit, we ask you to please chronicle your experience with Spirit in our [Everything SXM Facebook Group](#). Your reports will be of interest to our over 30,000 members there and of course we will be publishing a cross-section of responses here in *SXM Weekly News* as well.

2. "Henri" Causes Flight Issues in the Northeast

As of this writing late Saturday afternoon, it appears that Hurricane Henri — expected to make landfall on Long Island or in southern New England sometime during the day on Sunday — was thought likely to have some effects on flights expected to depart from northeastern cities on Sunday and possibly Monday as well.

Weather can affect airline flights year-round, of course, so no one should be surprised when this happens during hurricane season. Nonetheless, SXM is busy for the late August time period. The global Covid Pandemic has resulted in an enormous buildup of cabin fever which can only be solved by trips to SXM — regardless of timing.

It looks like this fall may continue to be unusually busy. But Mother Nature in some cases may have input of her own.

3. Thanks to the Governors of Texas and Florida, Getting Tested for Travel There Gets Tough

For the last several months, the governors of both Texas and Florida in the US have waged one-man wars against mandates for their state's population to wear masks in public places — including schools where young children are returning to classes.

As a direct result of these anti-mask initiatives, those governors have facilitated a sharp rise in the numbers of cases of Covid 19 in both Texas and Florida, Result: severe hospital overcrowding, unprecedented demand for Covid testing, increased waiting time for test results, and rising death rates among all infected people -- particularly the unvaccinated.

In plain English, the politicization of Covid is royally screwing up public health in general; it is hog-tying the ability of hospitals to serve patients who are fighting cancer, heart disease, and other major illnesses; and they are causing significant waits for test results for everyone in Texas and Florida due to the sheer volume of tests.

In both Florida and Texas, it is getting increasingly tough for people who wish to travel to get test results within the required maximum number of hours allowed by SXM.

The only good news now is that Texas officials are now saying that Texas will not be enforcing that state's most recent anti-mask mandates. One would hope that Florida officials will realize how important masks really are to public health and act accordingly. Politicizing a lethal pandemic is killing innocent people and that needs to stop.

4. Best Way to Meet SXM Travel Requirements is to Follow Our Just-Heavily-Updated Guide

Our [Everything SXM Facebook Group](#) regularly receives requests for answers to questions or reports of problems from people who are going through the qualification process to get preapproval to visit SXM (the "EHAS" process).

Invariably, it seems, the people who appear most eager to criticize EHAS or the requirements for entry into SXM are people who have never bothered to read our Guide to Entry Requirements thoroughly and follow it explicitly. Had they done that, they would have found that the process in reality is elegantly simple and that it works very well to expedite pre-approval for just about everyone who wants to visit SXM.

Our Guide to entry Requirements, updated significantly only about a week ago, provides step-by-step information on exactly how to get your approval with minimal missteps. Please read the next paragraph to get all the information you need to get your properly-obtained, properly-formatted test results approved expeditiously so you can go to your airport and get on your plane quickly and without even the slightest bit of angst.

For ACCURATE answers to all Entry Requirements / returning to US requirements questions, see our complete GUIDE TO ENTRY REQTS in the FILES area of our FB SXM site. FILES are here:

[facebook.com/groups/mysxm/files](https://www.facebook.com/groups/mysxm/files). Use the SEARCH window for "Entry". The Guide has JUST been updated.

WEATHER:

5. See Our Online Weather / Hurricane Center for the Latest Tropical Forecasts / Developments

Our newly updated **weather/hurricane center** at www.everythingsxm.com delivers current forecasts for up to six storms simultaneously, and it provides all the latest watches and warnings for all storms as well as satellite images, radar images, and radar loops.

Whenever anything happens that may directly impact SXM, you'll see it covered in near real time in our [Everything SXM Facebook Group](#). If the island is threatened at any time by any major tropical weather systems, we will also send a bulletin to all of our **JMB Website Supporters Island Discount Program** members advising them of that situation.

We also highly recommend that if you live on the US East or Gulf Coast or in the Canadian Maritimes or in

SXM, you seriously consider subscribing to Rob Lighbown's remarkably inexpensive custom weather forecasting service which gives you a heads up on what's happening in the tropics as it affects you personally, your business, your home, and your travels. Although our site (our weather center) tells you a lot, we are journalists and not meteorologists — Rob is a seasoned meteorologist and his direct reports will be highly useful to you for planning how to react when a storm is approaching your area.

We also strongly recommend you always listen to local authorities for any dangerous weather systems that may be approaching your area. Rob's site is www.crownweather.com and it discusses tropical storms, hurricanes, tornadoes, and much more — the best site we know of for key weather information when you really need it.

6. Hurricane Supplies Checklist

If you live or work in any area that is ever faced with any disaster — hurricanes, floods, wildfires, blizzards, etc. — you need to be prepared. The following list was prepared by Florida disaster officials and it is very comprehensive, including many things you may not have thought of. Not everything it lists may be appropriate for everyone, but much that is listed here is very important for most people.

[This document](#) is a downloadable Adobe Acrobat PDF; just click the link and you will have the downloaded Hurricane Supplies Checklist, which you should save and also print out for immediate reference and use.

7. Reminder: About Our New Daily Tropical Outlooks

Effective several weeks ago, we started posting daily Tropical Outlooks in our [Jeff Berger's Everything SXM Facebook group](#) at some point during each day. If some tropical activity is underway, our posts will generally be happening in the evening or frequently through the day. But if nothing is going on, our Tropical Outlooks from the National Hurricane Center may be posted at any time during the day.

We are also making sure that significant information is posted every day in the weather center of our main website, everythingSXM.com, as we've noted in this issue. It's hurricane season.

8. Where to Find Current SXM Weather Info

You'll find detailed observations and forecasts by visiting our main SXM website, www.everythingsxm.com.

Here are four more sources of current weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather" page at www.everythingsxm.com -- it has current satellite images and radar loops and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page.
- 3) Our [Everything SXM Facebook Group](#), which publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once and know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.

Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

9. Where to Download an Official NHC Hurricane Chart

You can get it right here: [click to download](#).

Or read this:

Years ago, before we were all saturated with weather information from cable TV to local (redundant and repetitive) news and forecasts plus weather updates and bulletins on our smart phones, gas stations and television stations

offered printed hurricane tracking charts so people at home could try to figure out for themselves whether they were about to get slammed by the latest hurricane.

We haven't seen hurricane tracking chart handouts for years, but if you want one they are easy to get. The exact charts used by the National Hurricane Center (NHC) are now available for download from the NHC [here](#). Select "Atlantic" and you're good to go. You can print out the chart and use it repeatedly, or simply print a bunch of them and use one for each storm that may approach an area of interest -- like, SXM. You might want to print a few of these now and *not* save doing that for later.

SECTION 2: Accommodations: Hotels, Resorts, Timeshares, Villas Etc

14. UPDATING AGAIN THIS WEEK: Hundreds of SXM Timeshare Condos for Rent from Timeshare Owners

Listings Updating Again This Week (if Henri doesn't screw things up): Ever since we established our [JMB Website Supporters Island Discount Program](#) in 2002, it has offered hundreds of discounts and other benefits to its members. One of the first benefits was the ability to advertise timeshare weeks they own for rent or for sale in our main website, www.everythingsxm.com.

That page currently offers hundreds of ads from SXM timeshare owners who are JMB Website Supporters members, as well as many more timeshare weeks for sale at prices far less than those charged directly by timeshare resorts.

Unlike other publications that carry ads for timeshare condos for rent or for sale, we accept ads exclusively from our JMB Website Supporters members — a big deal from a security perspective. If there were ever any issue, who know who these folks are.... but there have never been any issues with our sellers. The ads were updated just days ago with dozens of new weeks added. The weeks are never offered by any third parties, which means you pay no third-party commissions or any other fees. We do not charge our JMB Website Supporters members any separate fee for ad placement either, which enables you and the timeshare owner to deal directly with each other without third-party fees.

[Go here](#) to see our current selection of SXM timeshare weeks for rent and for sale. The list is frequently updated, especially at this time of year when so many people are selecting accommodations for their next SXM vacation.

15. Condo Sales Continue Through the Roof - Who to Contact

See the Realtors in our Sponsors list below; they are the most qualified to help you learn more about and acquire a condo on SXM that meets your specific needs. Also see the story immediately below about BrightPath #Caribbean, a company that can help enormously with required paperwork. They know what they're doing.

16. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#).

Please check this link to [BrightPath SXM](#), a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Ask for Vivian Chamas and let her know you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

17. Where to Find SXM Condo Rentals from JMB Members for 2021-22: Everythingsxm.com

SXM timeshare owners who are members of JMB Website Supporters are posting 2021 and 2022 timeshare rentals on our main SXM website, [everythingSXM.com](#). Much more information about available rentals is on our timeshare rentals and sales page there. It is certainly not too early to start making reservations for next Winter and beyond.

18. How To Rent Out Or Sell Your Timeshare Units

If you own timeshare weeks that you would like to rent out or sell on our main everythingSXM.com website, you can do it once you become a member of our JMB Website Supporters island discount program. For all the details, go to our main site, everythingSXM.com and click on timeshare rentals in the navigation bar. You'll find the details about posting there. For information about joining JMB Website Supporters, click the page curl on all pages of everythingSXM.com. As a member, you will have access to a growing pallet of about 300 discounts and other benefits including the ability to post up to 10 ads per year in our rental pages at everythingsxm.com.

The ability to post timeshare rentals on our site is limited to JMB Website Supporters members only, and is not available to any others at any price.

SECTION 3: JMB Member Discounts & Benefits

19. HIGHLY Updated NEWS About JMB Member Discounts / Benefits Updates

Once Covid is gone and the fallout from it has cleared, we will resume working to further increase the already huge number of restaurants, jewelry stores, hotels, and other businesses offering discounts or other incentives to members of our **JMB Website Supporters SXM Island Discount Program**. As these additions are made, they will be reported in *SXM Weekly News* and will also be noted in our [Everything SXM Facebook Group](#).

JMB Website Supporters currently offers roughly 300 discounts and other benefits to its thousands of members.

For more info on what you get with your JMB membership, [go here](#). Please see the next section.

22. Passing: Gerry Plamondon, Ed Misiph Pass Away

Two very well-known American visitors to SXM have sadly passed away in the last couple of weeks.

Here is detailed information about **Gerry Plamondon** and **Ed Misiph**. Stories on both of these gentlemen recently appeared in our [Everything SXM Facebook Group](#), along with pictures of both.

Plamondon, Gerard "Gerry" Robert, 91, of Central Falls RI and formerly of St. Maarten in the Caribbean, passed away on Sunday, August 8, 2021, after a brief illness. He was the beloved husband of the late Carol (Voyer) Plamondon.

Born in Pawtucket, he was the son of the late Oscar and Emma (Camire) Plamondon. He was the father of Susan C. Plamondon, David Plamondon, Sharon Kelly and her husband Jonathan, Scott Plamondon and his wife Barbara, and the late Lynn Plamondon. He was the proud Pepere of Brian, Scott, Allison and Kelly Plamondon. He is survived by his brother Retired Marine Lieutenant Colonel Robert Plamondon, and his sisters Rita Mills, Terry Malloy, Irene Plamondon and Claire Turrell. Gerry always loved his nieces and nephews and the special "chats" that they had. He was the brother of the late Raymond, U.S. Navy; Normand, U.S. Navy and Air Force; and Roland, U.S. Air Force; Doris Shea; and Pauline Wood.

Gerry proudly served in the U.S. Naval Reserve enlisted from September 1952 to September 1962, as a 2nd Classman Machinist Mate.

He worked as a Finished Carpenter Foreman for L. Vaughn Company and Modern Industries traveling to Washington DC, New York and Boston before retiring at age 59 and **moving to the Island of St. Maarten where he was known as the "Mayor" of Orient Beach**. The friendships gained from those many years are cherished even to this day.

Our Dad enjoyed spending time with his family and friends. He was a people person - fun loving, story-telling, had a great sense of humor and a kid at heart. His sensitivity towards people and their needs was very obvious. His hobbies included the Beach, Music, Ballroom Dancing, Reading, the Theatre, Western Movies, and he really enjoyed food ... especially his son-in-law's homemade cooking. He was loved by many and will be greatly missed.

In lieu of flowers, gifts in his memory to the RI Chapter of the American Cancer Society, 931 Jefferson Blvd., Suite 3004, Warwick or a charity of your choice would be appreciated.

R.I.P. Gerry.

The best wishes from everyone at JMB Communications & Everything SXM are extended to Sharon Plamondon Kelly, his daughter, and all Gerry's family and friends.

Ed Misiph has been a universally loved and admired figure among SXM tourists for many years. He is best remembered as someone who was always helping others behind the scenes, not seeking any publicity but simply wanting to contribute to the happiness and well-being of others.

Among the many people who commented on Ed in posts in our [Everything SXM Facebook Group](#), a plurality of all people posting cited his *unfailingly positive sense of humor as well as his unfailing readiness to help others in times of crises*.

Ed was interviewed a while ago on Island92 radio by Dr. Soc concerning some things he helped do for Royal Islander employees after Hurricane Irma. Thankfully, a recording of that interview still exists — and we urge you to listen to it [right here](#).

Our best wishes go to Adrienne and Arielle Misiph, his wife and daughter respectively, and all his family and friends. We will miss Ed's frequent calls about SXM very much!

23. French Side Offers Immunizations With or Without Appointments (Pfizer)

This message is from the French side government which, like the Dutch side government, continues to work hard fighting Covid and especially to get all residents vaccinated:

Louis Constant Fleming Hospital Center: Immunization offer with or without appointments.

Since Monday, August 16, 2021, people wishing to get vaccinated can go to the Louis Constant Fleming Hospital. They may preferably: - Make an appointment by choosing the day and time slot on the health site or thanks to the following link: <https://www.sante.fr>

In case of impossibility to make an appointment: - Go directly to the spot, to the reception of the Centre Hospitalier LCF, rue du Soleil rising in Concordia, without appointment.

The vaccine administered is Pfizer. First injection to Galisbay vaccine will need to go to hospital to receive the second injection. Immunization is open to all unconditional adults and adolescents 12 to 17 years old, irrespective of their situation.

Find information about vaccines at the following link: www.gouvernement.fr/info-coronavirus/vaccins

24. New PPRN Ready for French Side; Rebuilding Can Start Now

The French side PPRN quantifies marching orders for the reconstruction of structures destroyed by hurricane Irma almost exactly 4 years ago. It does not allow any new construction within the floodplain it describes, but it does now pave the way for reconstruction.

What is PPRN? Here is Club Orient's explanation:

The PPRN (Plan de Prevention des Risque Naturels) defines levels of risk from natural disasters for specific locations. It illustrates the level of risk for each area using colour-coded maps and outlines what types of buildings can be built (or rebuilt) in which areas. It is intended to safeguard the people and minimize potential property loss due to foreseeable risks and is under the jurisdiction of the Prefect.

The PPRN directly affects the ability to rebuild Club Orient because the local building department is required to consider this framework when processing building permit applications. Following Hurricane Irma in 2017 and its disastrous consequences, the PPRN for Saint Martin was revised and became more restrictive. Virtually all the land used by Club Orient, as well as much of Sandy Ground and other coastal towns in Saint Martin, changed from allowing restricted building to not allowing any building at all.

We have reached out to contacts at Club Orient to find out when long-awaited reconstruction there (about which we wrote just a couple of weeks ago here in *SXM Weekly News*) will actually commence. As soon as we have heard from them, we will publish the information both here in *SXM Weekly News* and in our [Everything SXM Facebook Group](#).

More information on the rebuilding project can be found here:

<https://www.cluborient.com/rebuild/>

We expect that page to be updated by C/O in the very near future.

25. CDC Warns High-Risk Individuals Not to Cruise

The US Centers for Disease Control is warning high risk individuals to stay off cruise ships — even for River cruises.

If cruises were elegantly simple — that is, people tested disease-free and who are fully vaccinated board the ship and are never exposed to other individuals anywhere except the passengers and crew of the ship who have been equally pretested and vaccinated — cruising would be quite safe.

However, cruises don't work that way. Cruise ships stop at a number of ports and passengers go into shops, restaurants, and many other places where they are exposed to locals, other tourists, and other people who may not have been tested recently or vaccinated at all and who may or may not wear masks.

Such exposure is dangerous to high risk individuals (and others) and with the Delta variant, the whole ship can become a super-spreader event.

Much more on this is right [here](#).

27. Key Differences Between SkyMed Short-Term & Annual Memberships

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, we wanted to give you a little information about SkyMed's types of memberships so you can get a better feel for exactly what is offered.

First, short-term memberships are available only for a specific defined short term. They protect you with SkyMed Takes You Home® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for specific trip; it's temporary protection. There is no waiting period for any benefits. When you want protection for a future trip, you must make a separate application for it. It is economical if you seldom travel and if you take brief trips. The cost is \$9/day per person, or a maximum of \$15 a day per family (parents and kids).

We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. We feel the single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health. Details are in SkyMed's Member Services Agreement. We currently have members who are still traveling and are in their upper 80s and 90s.

The cost of annual memberships per family — far more economical than the \$15/day per family for short-term coverage -- is only about \$1.35/day total. Multiyear memberships are even less expensive and have more features; contact me and I can send you full information about features of each type of SkyMed membership. Ultimate memberships protect you worldwide. I can answer all your questions by phone in a matter of minutes, and we can also conveniently take your application by phone. Phone us any day at 508-747-8281 during daily business hours, 9am to 8pm. That's a direct line to Jeff Berger's office.

28. Where & When SkyMed Protects You

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the #Caribbean In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Transportation Services, a SkyMed company.

For much more SkyMed information please see a few of SkyMed-related articles that appear later in this issue.

29. Bring SXM Home With Our Exclusive SXM Euro Ovals

For about 20 years, we've produced souvenir vinyl "SXM" euro oval bumper stickers which can be used on flat-surface hard sided luggage, the rear window of your car, occasionally over your husband's mouth (kidding), and lots of other places you'll think of.

If you go to our [Everything SXM Facebook Group](#), you'll find a picture of them and ordering information. Our current SXM euro ovals have purple print on a bright white background with a purple sand chair illustration for background. We offer them three for \$15 or \$10 for one. You can pay that to jeff@jmbcommunications.com through PayPal or send a check (US dollar checks drawn on US banks only) payable to JMB Communications mailed to JMB, PO Box 1812, Plymouth, Massachusetts 02362 – 1812.

Our SXM Euro ovals can be mailed only to US and Canadian addresses and to APO/FPO. Our copyrighted purple sand chair euro ovals are not available for sale on SXM. We do accept multiple orders of three should you wish to make them; buy some as gifts! You can also order them by credit card by texting us through the WhatsApp application at 721-588-4188 (texts through WhatsApp only, no phone calls). Or you can simply phone our office at 508-747-8281 and leave credit card information, delivery address, and how many you want in our secure answering system. Delivery takes about two weeks.

If you'd like an advance look at our purple sand chair SXM euro ovals, you will find them in our [Everything SXM Facebook Group](#); just use the search window for "purple sand chair."

30. Think About Where You're Going & About This:

TRAVELING *ANYWHERE* THIS SUMMER? SkyMed TAKES YOU HOME® when you become critically ill or injured when traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations in the #Caribbean (Global protection is also available.)

So if you're traveling to SXM -- or anywhere else -- in the next few months, get SKYMED Medical evacuation membership FIRST: It could easily save you \$35,000 -- the approx. cash cost of an emergency medical evacuation YOU MUST PAY IN CASH IN ADVANCE should you become seriously or critically ill or injured on SXM -- or anywhere else -- and need to get home.

The SkyMed Difference: SkyMed members pay only the small cost of membership, currently under \$1.35/day on an annual basis -- but you must get SkyMed BEFORE you need it, like fire insurance. CALL JEFF FOR INFO OR TO SIGN UP: 508-747-8281 (8am-8pm EDT). Or email him at jeff.berger@skymed.com.

31. Join Our New Conversational Everything SXM Group on MeWe, the Facebook Alternative

For years, you have been able to obtain a great deal of SXM information and photos/videos in our [Everything SXM Facebook Group](#). Unfortunately, not everyone is a fan of Facebook, so we have started a new Everything SXM group on a platform that has become a strong competitor Facebook — it is called MeWe.

We urge all fans of *SXM Weekly News* to become members of MeWe and join our group there; [here is the link](#).

32. Going Home? Check Your State's Return Policies

It's essential for visitors returning home to the US to know their home state's policies and procedures for passengers returning from overseas flights well before they head to the airport.

We suggest at least a couple of weeks before your return date that you visit your state's main web portal to see exactly what its requirements are regarding Covid. Some states may require a negative test be taken X number of hours before your return flight; others may require some degree of quarantine, and others may require nothing.

The US REQUIRES Covid tests for everyone returning there from SXM. Details are in our Guide to Entry Requirements, published early in this issue of *SXM Weekly News*. Ask about testing locations on SXM that you can use — to do that, go to our [Everything SXM Facebook Group](#). Please do not ask questions there about your state's requirements — our group is SXM centric and will not accept such posts. Your state's web portal is certainly the best source of current, accurate information about requirements related to returning international passengers.

33. First Responders Now Get Platinum-Status JMB Discounts

If you're U. S. Military with a DD214, you're able to get a Platinum-Status Military JMB Membership for \$16.99/year, the lowest we ever charge anyone. You get instant Platinum Status which is permanent as long as you're a JMB member plus 300+ SXM discounts and other benefits. All you do is pay for four years to start and renew in four-year increments (\$67.96). Nobody else pays so little -- our small way of expressing how grateful we all are for your service.

And now we're adding police, firefighters, EMTs, and nurses to our just-renamed Military / First Responder Memberships in recognition of their sacrifices for the rest of us every single day. We just need you to send us documentary proof (ID) that you're one of America's very best. To sign up or upgrade your JMB membership to Military / First Responders, visit [everything.sxm.com](#) and click the page curl to sign up for your JMB military membership (the page still says Military). We'll also need a DD214 (or other police / fire / nursing ID) with your SS# obliterated for security. We'll be delighted to welcome you all to our new best-of-all JMB Website Supporters Platinum Memberships.

34. SkyMed Q&A / FAQ - Frequently Asked Questions

SkyMed® FREQUENTLY ASKED QUESTIONS

Answers to Common Questions

This document contains general SkyMed information in answer to common questions. SkyMed's services are defined by its Member Services Agreements – plain English documents that tell you what you get and how it works (see much more info below). As always, SkyMed offers a 30-day “Free Look period,” so if for any reason you're not satisfied with your unused SkyMed protection before 30 days have expired, SkyMed will refund your money.

Q1. Does it cover my trip to...?

1. Basic short-term and annual “SkyMed Takes You Home®” protection applies throughout the USA (all 50 states), Canada, Mexico, Bermuda, the Bahamas, and all the nations of the #Caribbean Global Emergency Travel Services (G.E.T.S., a subsidiary of SkyMed) protection is available outside the USA, CANADA, MEXICO, BAHAMAS, BERMUDA, and the CARIBBEAN (the rest of the world), however neither SkyMed nor G.E.T.S. covers trips to nations on the U. S. State Department's then-current “Do Not Travel” list – North Korea, Iran, and Venezuela currently, for example, and several others. Before planning a trip, check that list if you have any question about whether protection is provided for your destination – or call SkyMed directly during normal office hours (Mountain Standard Time) at 480 946 5188 or 1-800-475-9633.

Q2. Who is protected?

1. “Single” protection is available for individual travelers. “Family” protection includes your spouse or domestic

partner and your young children up to 18 or 24 if they are full time students.

Q3. Do I need to call SkyMed before traveling outside my home country?

1. If you're traveling during the normal high season for travel to your destination, no. If you're traveling to your destination during its low season, do call SkyMed Member Services at the 800 number in the first question and let them know.

Q4. What if I'm going to a country not listed above in question 1?

1. Then you'll need (G.E.T.S) protection. If you have one of our Ultimate multiyear memberships, (G.E.T.S.) protection is included. On Annual (one-year) memberships, "G.E.T.S." protection is an inexpensive option.

Q5. What's the difference between "short term" and "Annual" or multi-year protection?

1. Short-Term protection is intended for brief trips, say a week or two. Like Annual protection, it "Takes You Home®" to doctors and hospitals you know and trust when you suffer a serious or critical illness or injury while traveling. Preexisting medical conditions are covered from day one with the short-term plan. It's inexpensive, only \$15/day for family protection. Remember, though, that Annual and Multi-year Ultimate memberships cost much less – only about \$1.35/day for family plans. Plus, they're guaranteed renewable without regard to advancing age or declining health. If you get a short-term plan, once it has expired, it is done, and you must reapply and requalify for another when you next travel. With Annual and multiyear Ultimate memberships, all you need do is renew before the renewal deadline – no need to reapply unless your membership has lapsed and the grace period has ended.

Q6. Is there an age limit for applications?

1. There is no age limit to apply. There's no age limit on renewals, either.

Q7. Can you cancel my protection at a certain age or if I get really sick?

1. Annual and multi-year Ultimate memberships are guaranteed renewable, as noted above. They will not be canceled simply because you're a certain age or because your health has changed.

Q8. Will you raise the price of my membership at a certain age or if I get sick?

1. Once you're a SkyMed member, at renewal time you'll pay the same low renewal fees that everyone else with your type of membership pays. If you join at age 75 or older and purchase the X-Pat plan because you live in Mexico, the Bahamas, Bermuda, or the #Caribbean, the X-Pat plan is more expensive than the standard traditional (Annual or multiyear Ultimate) plan.

Q9. What exactly does SkyMed cover? Is it health insurance?

1. You'll find an overview of all key SkyMed Features & Benefits here:
<http://www.everythingsxm.com/sxmweeklynews/SkyMedServices.pdf>

This is the same list you'll find on the back of our current membership applications. SkyMed provides up to 18 benefits related to medical evacuation if you suffer a serious or critical illness or injury while traveling. It is not health insurance – in the "SkyMed universe," SkyMed *Takes You Home®* to doctors and hospitals you know and trust, where your health insurance works.

Q10. What about pre-existing conditions? Are they covered?

1. Yes: for short-term memberships, medevac protection (including items listed in the answer to Q9, above) is included for critical illnesses or injuries related to pre-existing and non-pre-existing conditions. For Annual and multiyear Ultimate memberships, pre-existing conditions are covered after a brief 90-day waiting period.

Q11. I want guaranteed renewable protection because of my age, but I'm going on a trip sooner than 90 days. What can we do about that?

1. Get our inexpensive short-term membership to cover your near-term trip, including medical evacuations for serious or critical illnesses or injuries due to pre-existing conditions. At the same time, apply for an Annual or Ultimate membership, to kick in once your near-term trip ends.

Q12. I'm not traveling for a while. When should I apply?

1. Get SkyMed before you need it – just like fire insurance. Since you don't know when you'll need it – and since health can change in a heartbeat thanks to falls, accidents, or other issues – it's always better to do it sooner rather than later. Beyond that, if you have pre-existing conditions and get SkyMed Annual or multiyear Ultimate medevac protection now, that 90-day exclusion period for pre-existing conditions protection may well be finished

by the time you travel.

Q13. What kind of questions do you ask in your application? Do you send somebody to do a medical exam?

1. There's no medical exam. Our application is simple, asking about hospitalizations in the last six months, your current medical conditions, and your prescriptions – and on the prescriptions, all we need is their name, not dosage info. If you have a complex medical history, SkyMed may ask for a "HQ" (health questionnaire) to be completed by your doctor and submitted to SkyMed by fax. You should also have your passport number handy; we record it so it's there in case you need help outside your home country.

Q14. How long does it take before I hear whether I'm accepted?

1. Generally just a few business days, but it's always best to do your application early to ensure sufficient time for processing.

Q15. I have more questions. Where do I find the answers?

1. SkyMed Ambassador Jeff Berger, located in Massachusetts, will be happy to answer your questions. Call his private line at 508-747-8281.

Q16. Can I sign up online?

1. For fastest results, we always suggest you contact us directly. We've done thousands of applications and can whisk you through the process in minimal time and with minimal bother. To get additional information first and see some customer stories, check our site, www.skymed.com/jmb. But to sign up, always call 508-747-8281. The process normally takes about 10 minutes, if that.

Q17. Who can get SkyMed?

1. SkyMed is available to residents of the USA and Canada, and to X-Pats living in the countries listed in Q1. X-Pat protection is necessary if you live outside the US or Canada for six months or more, in aggregate, in any 12-month period. Always notify SkyMed if you move.

Q18. I have a rather deep medical history. Will SkyMed still accept me?

1. Although SkyMed accepts the vast majority of applications, others do get health questionnaires (see Q13) and occasionally some do not qualify. There is no cost to apply if your membership application cannot be accepted. A history of a heart attack or cancer several years ago or other maladies does not automatically signal any issues for SkyMed. Apply – there is nothing to lose (again, no charge if you're not accepted). And as we noted in Q6 there is no age limit to apply and no age limit to renew.
