THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. Delta Enhances How it Compensates Flight Attendants (It's a Big Deal)

In a move that will probably strike fear into the hearts of its competitors, Delta Airlines is going to remedy an industry-wide problem with flight attendant compensation. Specifically — flight attendants don't get paid until aircraft doors are closed after boarding; they are *not* paid for the work they do during the boarding process.

Delta has announced that it will now compensate its flight attendants starting when boarding begins. It made this change when it's flight attendants began mulling over the possibility of unionizing.

Here is [the complete story](#).

For airlines, a huge problem in recent months has been employees leaving because of dissatisfaction with their jobs. Although the prospect of unionization was clearly on Delta's mind when it decided to take this step, it's also clear that the step should help Delta retain more of its employees. Employee retention is vital to the ability of airlines to meet their schedules, and in fact mass employee resignations at certain other airlines, widely called the Great Resignation, have been a major factor in the large number of recent flight cancellations by a number of airlines including JetBlue (see related stories in this issue).

2. jetBlue Pilot Leadership Votes "No Confidence" on a Key Company Executive

To say the least, JetBlue has had issues lately. Although the airline has consistently been voted the favorite of users of our [Everything SXM Facebook Group](#), nonetheless in recent months it has canceled many flights and announced a few weeks ago that it was suspending service between Fort Lauderdale and SXM from May1 until early October. The airline has also canceled hundreds of flights in recent weeks for which it blamed weather and staff shortages.

JetBlue has a number of issues, not all of which are its own fault. A plurality of the airline's flights involve JFK Airport in New York, its hometown, an airport renowned for flight delays — and those delays have a ripple effect throughout the JetBlue system. In addition, this spring has seen an abundance of severe weather, some of which was centered in

Florida where JetBlue has many flights. On top of that, there are shortages in Florida of air traffic controllers — a fact which has exacerbated flight delays in and out of Florida and caused even more cancellations on multiple airlines.

Remember also that flight crews are allowed only a certain number of hours of flight time per day and if delays were to cause the crew to work beyond its allocated number of hours, they can't fly under such circumstances. And of course JetBlue and other carriers have seen a number of employees leave during the Great Resignation following the height of the Covid Pandemic.

However, several months ago Alex Battaglia was named head of flight operations at JB and since that appointment, things have only gotten worse at jetBlue, JB pilot leaders say. [Here is the full story.](#)

3. jetBlue Pledges Renewed Vigor Pursuing on-time Performance & Schedule Stability

In recent weeks, JetBlue has worked to reduce its schedule to fit the reality of its available personnel even as it works to hire thousands of additional employees. The airline says its objective is to give its passengers the kind of flight experience they expect and have long received from JetBlue and that it expects on-time performance and schedule stability to return over the next several months.

We will continue to report here on developments at all airlines serving SXM, particularly those flying to and from the United States and Canada where the vast majority of our readers are located. To be continued....

4. jetBlue Is Not Alone: KLM Cancels Many Weekend Flights from/to Amsterdam

JetBlue, of course, is not unique in having problems meeting schedule commitments this year. American Airlines has had a major problem with cancellations that started a couple of years ago. While the 737 Max was still grounded, American Airlines was scheduling flights using that aircraft and then canceled them — instead of not scheduling them, which would have been both smarter and better for its passengers. Flight crew unavailability due to both Covid and to resignations has also hampered most airlines around the world.

KLM also is having major service disruptions now; see that story [here](#).

5. Where to Find Our Guide to SXM Entry Requirements / Return to US Requirements (Updated)

Tens of thousands of tourists will be visiting SXM this summer and fall, with hundreds of thousands coming next winter. Planning for all of these visits is well underway.

Our **Guide to Entry Requirements** (Second Edition, just updated) simplifies SXM Entry Requirements to make it easier for our readers to understand exactly what the island is looking for and to successfully navigate SXM's Electronic Health Authorization System (EHAS) website, through which visitors to SXM must still apply for the required preapproval.

To access the just-updated second edition of our Guide to Entry Requirements, *which is free*, go [through this link](#) (revised) to the files area of our [Everything SXM Facebook Group](#). You should be able to access the file easily if you are already a Facebook member.

Further updates may happen as the number of hospitalizations on the island stays very low. See next story.

6. Got a Spare \$45,000? You May Need It, In Cash in Advance, to Get a MedEvac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of

those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances.

Setting up medical evacuations sounds complicated because it is — and having to do all this in a medical emergency is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.*

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

7. What To Do If Your Flight is Canceled Or Delayed...

What should you do if your flight is canceled or delayed as happens fairly often now due to winter weather or omicron related issues?

This recently published [article](#) gives you exact answers.

Etc./Weather

8. Hurricane Season is Now Less Than a Month Away... - Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition... When storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

SECTION 2: Accommodations: Hotels, Resorts, Timeshares, Villas Etc

9. Reminder / Heads Up Concerning Major Websites Offering SXM Villas/Condos

If you've made the decision to rent a villa here in SXM, we urge you to do so from a reputable local company — not some far off website where no one has ever laid eyes on the property let alone verified that it actually exists. We have had many complaints about properties offered on mass-market villa or condo rental sites that turned out to be nothing like what was advertised or that were in deplorable condition.

There are several courses of action here. First, see our Sponsors list in this issue of SXM Weekly News, below. The realtors listed there are experienced local companies that know the territory and have a reputation to protect. We've been dealing with them for years and have had zero complaints about their products or services.

Second, a few villas and several villa rental agencies advertise directly on our pages — we have had zero complaints there as well.

Third, if you'd like a condo on SXM — to rent or buy — see our timeshare and other condo rentals, hundreds of them, on our main site, everythingSXM.com. It is generally updated weekly and we have already started to accept rentals or 2023. Rentals were recently added for the Christmas holidays at the end of this year.

10. Hundreds of SXM Timeshare & Condo Rentals Available for 2022 and Now 2023

Dozens of new listings of timeshare and other condominiums for rent and for sale for both 2022 and 2023 have been added to our timeshare sales / rental page in our main SXM site, www.everythingsxm.com. If you're looking for a place to stay, that's where to find it. All of our listings are from members of our JMB Website Supporters island discount program so you deal directly with timeshare owners -- there are no middlemen or agents or anyone else charging commissions. *Usually, timeshare owners charge close to their actual annual maintenance fee costs.*

Dozens more new entries were posted over the last couple of weeks.

11. Realtors to See for SXM Condos & Villas

The following list of our sponsor realtors tells you how to contact SXM's best sources of condos and villas across the island:

VILLA RENTALS / RENTAL COMPANIES:

12. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#).

Please check this link to [BrightPath Caribbean SXM](#), a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Tell them you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

17. JMB Website Supporters Island Discount Program Major Update Expected to Complete This Summer...

The huge update we have been working on for some time of our JMB Website Supporters Island Discount Program — which coincides with a major server upgrade and upgrades to two mission-critical programs for our new servers — is taking longer than we had originally hoped.. Unfortunately, this seems to be a common theme among many businesses dealing with personnel shortages among their principal contractors. In any case, we believe this major upgrade should be finished sometime this coming summer. We will keep you aware of program changes and apologize for the delay.

20. THE STORY: Only \$1.64/day Gets You Guaranteed Renewable, Price-Guaranteed-Forever SkyMed Annual or Multiyear Medevac Protection:

• **WHAT IS SKYMED? WHERE DOES SKYMED WORK?**

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must get your SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

- **WHAT ARE "ULTIMATES"?**

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services and protect you worldwide -- almost everywhere. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions.

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us DIRECTLY (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

- **LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:**

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2022 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

- **HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (new number, where you can also text us) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.**

My SkyMed website: <http://www.skymed.com/jmb>. But please CALL ME DIRECTLY with questions or to sign up - that way I get credit.

- **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Travel Services, a SkyMed company.

- **Key Differences Between SkyMed Short-Term & Annual Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships** are available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it. Short-term protection is economical if you seldom travel and if you take brief trips. The cost is \$9/day per person, or a maximum of \$15 a day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. The single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health.** Details are in SkyMed's Member Services Agreement. We currently have members who are still traveling and are in their upper 80s and 90s. *The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now only about \$1.64/day total.* Multiyear memberships are also about \$1.64/day and have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit). Phone anytime at 508-591-3483 (NEW NUMBER). That's a direct line to Jeff Berger. *Updated 5/2/22.*

***What is the SkyMed Ultimate?**

Again, the Ultimate is SkyMed's best - and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed "Takes You Home"® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships. **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

21. Answering Your Questions: What Does SkyMed Really Do? ---An Important Message from Jeff Berger to All SXM Weekly News Readers---

We've always said SkyMed **TAKES YOU HOME®** when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance *works*. In recent weeks as many of you have decided to resume traveling, you've asked us for examples of what SkyMed does. Several examples are right here:

*For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 33+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. **IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's pricing published on the web.***

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

23. Pinel Island's Two Big Restaurants May be Forced to Close by The French Government

This is the full story, translated from French:

Pinel Island restaurants threatened: Justice has terminated public domain occupancy agreements

Valérie DAIZEY April 28, 2022

Restaurants located on Pinel Island, Karibuni and Yellow Beach, in operation for 30 years for the first and nearly 20 years for the second, have had their temporary occupancy agreement in the public domain terminated as of June 22, the administrative court of Saint-Martin decided on April 20: a court decision that undermines a plethora of jobs but also a historic tourist jewel acclaimed by visitors and residents.

A procedure that has been going on since 2019, when a call for competition was launched by the Conservatoire du Littoral to renew, for a period of 9 years, "the temporary occupancy agreements of the public domain for the operation of a souvenir shop and two reversible reception and catering areas", divided into three lots.

Regarding the lot for the operation of the souvenir shop, only one candidate answered the call, and was selected. On the other hand, with regard to the two lots for the operation of food courts, three candidates responded to the call: the two restaurants already in place for several decades and a third, in this case the SNC Pinel, which would already own

the spaces located in the center of Pinel Island.

At this point, it should be noted that only the area of the 50 geometric steps has been returned to the Conservatoire du Littoral. It should also be noted that restaurants are not included in the area of the Nature Reserve, which only manages the maritime domain in this place.

The award of the two lots was finally won by the two restaurants already in place Karibuni and Yellow Beach, which therefore signed a temporary occupancy agreement for the public domain with the Conservatoire du littoral on October 22, 2019. Disqualified, SNC Pinel launched legal proceedings, requesting the cancellation of these agreements, arguing, among other things, that the competition procedure was not respected, that the criteria imposed by the Conservatoire du littoral were not met by itself and that the two successful candidates did not meet some of the required criteria.

A JUDGMENT ON THE FORM AND NOT ON THE SUBSTANCE

Complex, given the "remarkable" and isolated site of Pinel Island, its natural and environmental assets, the call for competition provided for fundamental criteria to preserve these assets, while allowing the exploitation of an economic activity (technical, qualitative, environmental, architectural criteria, maintenance of spaces, impact reduction, energy and sanitation, etc.). Each of these criteria and sub-criteria imposed on candidates was assessed by a score. The General Court found that the scores awarded to each of the criteria did not correspond to what had been established by the Conservatoire itself and indicated: "Therefore, it follows that the Conservatoire du littoral did not follow the procedure for selecting candidates that it had imposed on itself and did not ensure equal treatment of all competitors. The applicant company is therefore justified in arguing that these irregularities harmed it in a sufficiently direct and certain manner."

And in its decisions taken on April 20 following the hearing on March 31, the date on which this case was decided, the Tribunal decided to terminate these two agreements signed with Karibuni and Yellow Beach "past a period of two months from the notification of the judgment", that is, on June 22. It should be noted, however, that this decision, which judged a problem on the substance of the file and not on the form, is not made enforceable.

THE TOURIST SITE, THE 30 DIRECT JOBS AND THE ACTIVITY OF PINEL FERRY OPERATORS, ALL THREATENED

Contacted yesterday following this decision, the representatives of the Conservatoire du Littoral told us to hold an internal meeting this morning in order to collectively take the decisions that will have to be necessary: appeal? Restart a procedure, but within what time frame? One of Pinel's two restaurants also informed us that he was in contact with his lawyers for the rest of this case, and an appeal procedure was under consideration. Pinel restaurants are bearing the brunt of this court decision, while both have made considerable investments to meet the criteria set to meet the call for competition.

In any case, this decision rendered by the court poses a dangerous threat to the tourist attractiveness of Pinel Island, a unique place in the territory, but also to the thirty direct local jobs generated by these two restaurants. The main activity of Pinel's ferry operators is in fact also seriously threatened. And it is a real blow for the economy in general of Saint-Martin, which has been trying to recover since Hurricane Irma in 2017 followed by two years of pandemic, to regain greater tourist attractiveness by developing sites and multiplying the activities to offer its visitors. It remains to be hoped that the local authorities will take over this issue, in the general interest of the island and its inhabitants...

Note From SXM Weekly News: We will continue to cover this as the story unfolds. Thanks to our anonymous French side correspondent for forwarding this translated copy to us!

24. For Club Orient, Still No News on a Reconstruction Go-Ahead

For naturist Club Orient on Orient beach, the aftermath of hurricane Irma bore devastating news. The entire property was blown apart by Irma, which as we have reported previously was the most devastating tropical cyclone in the history of the Atlantic basin.

Although a number of people have banded together and continue to work toward getting permits for Club Orient to be rebuilt essentially as it was, so far they apparently have nothing visible to show for their efforts. Their website, www.cluborient.com, continues to mention that they are working on getting those permits, and it states that they were hoping for reconstruction to begin last fall. A great deal has been going on throughout the French side over the last few years including the global Covid Pandemic; enormous land controversies that were mishandled by the government; and towering delays in getting people back into rebuilt homes.

Hope continues to spring eternal that club orient will, in fact, be rebuilt for property owners and naturists from around

the world to again enjoy. We keep checking on this and we will keep you posted when there finally is progress.

25. What Happened to the Announcement of Next Steps for the Westin St. Maarten?

A few months ago, people closely involved with the management of the Westin Dawn Beach Resort and Spa said that an announcement would be forthcoming in two to three weeks concerning the future of the resort.

The Westin had been severely damaged by hurricane Irma in 2017, and rebuilding efforts have been highly secretive — if in fact anything has been rebuilt at all.

The Dawn Beach Club, Westin's timeshare resort which is colocated with the hotel, was rebuilt and reopened relatively quickly after Irma and it has been thriving. But partly due to the impact of Covid, rebuilding the Westin resort itself has been painfully slow and cloaked in secrecy.

So what happened to the announcement that was promised from the Westin folks? Frankly, no one seems to know. They aren't saying anything and there have been no reports of seriously increased activity on the site. Speculation abounds that something may happen by sometime in 2023 — but as of now, that is only speculation.

Hopefully something will be announced soon. When it is, and we have official information about what comes next, we will report it here and also share the article with our online readers in our [Everything SXM Facebook Group](#).

26. The Opening of Jimbo's New SXM Restaurant, Jason's, Draws Closer

Late last week, James "Jimbo" Morris posted pictures in our [Everything SXM Facebook Group](#) of an empty lot where his landmark Jimbo's restaurant had stood for more than two decades. It was just demolished.

In a comment we shared with members of our [Everything SXM Facebook Group](#) alongside the photograph, we published Jimbo's comment that his new restaurant will be called Jason's and that it will be opening in "a few months" — we presume that means sometime this fall.

We aren't going to share anything else that we know about the new restaurant other than that it is a short walk from his prior location and that as noted above, it will be called Jason's.

Stay tuned to *SXM Weekly News* for more information in the coming months about Jason's. We also expect to publish pictures of the inside of Jason's when it debuts later this year. Those pictures will be published in our [Everything SXM Facebook Group](#).

27. Why SXM's Covid Insurance Self-Quarantine Payments Are Taking So Long

A number of members of our [Everything SXM Facebook Group](#) have reported to us that requested reimbursements of quarantining hotel expenses (claims) covered by the Covid insurance offered through the EHAS site have not been paid, and that some of those expenses occurred early this year.

Late last weekend into this weekend, during the big holiday/carnival weekend, we were able to contact May-Ling Chun, SXM head of Tourism. She explained that the huge surge in omicron claims early this year swamped the insurance company, and the company's claims payment infrastructure was overwhelmed by the volume of claims. She told us that the insurance company is working as quickly as it can to pay all claims in order of receipt. She couldn't give us a specific deadline for when this will be accomplished, but she did say the company is working on this as quickly as it possibly can to get every claim paid.

We think it is fair to say that no one — not airlines, not people in the global supply chain, and not this or any other insurance company dealing with Covid claims could have foreseen the huge surge in demand due to the omicron variant. All of them are working as quickly as they can to get all claims processed and paid.

When we have further information on this we will publish it both here in *SXM Weekly News* and also in our [Everything SXM Facebook Group](#).

28. Media Workers Decry Dutch Side Government's Media Policies

Several weeks ago, the Dutch side government introduced the proposed new policy by which island media representatives would need to be certified in order to report on government activities.

Almost immediately, most media outlets responded negatively, saying that the proposed policy would impede their ability to do their jobs and not let the Free Press function as a Free Press should in a democracy.

What follows are two stories from the *Daily Herald* on this topic. [The first](#) regards the original complaint on behalf of media people and [the second](#) regards what they want the government to do to solve the problem.

Comment: The job of a free press is to report news accurately and completely. It is the job of media to report *accurately* what government is doing for the people who pay the taxes that support it. Though it is produced in the United States, our *SXM Weekly News* completely agrees with SXM media complaints in this situation.

32. Restaurant of the Week:

Setting / Location: Astra Steak & Seafood in Simpson Bay next to the entrance to Isle de Sol Marina has a gorgeous, completely re-imagined over-the lagoon location with a large open-water cage-free lobster pool. The location delivers light breezes most evenings and is tropical, inviting, and quite special.

Offerings: Astra's extensive menu delivers a spectrum of flavors, textures, and aromas that will please not only carnivores and pescetarians but also vegans and vegetarians. "Steak and Seafood" is the moniker but the choice is greater. If you have not visited Astra lately, put it on your list. Great ambiance, talented service, and outstanding food -- it has quite quickly become one of our favorites.

Summary: Go. It's that simple...

Here are recently featured SXM restaurants:

Astra Steak & Seafood (featured 5/2/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's relatively new, beautiful, constantly evolving, and has high-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 4/4/22) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have a number of fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side. <https://www.facebook.com/Mamapizzaisthebest>

Mandarin Pan Asian at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 3/21/22). Excellent selection

of palate-pleasing offerings from Japan, Thailand, and China. Highly recommended.

IZI Ristorante Italiano, www.izirestaurant.com (featured 3/14/22). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's very best restaurants. Fun atmosphere, too.

Isola next to Hollywood Casino at Simpson Bay Resort, (featured 3/7/22). Italian. Excellent food, many choices (pizza too), busy, good specials. Lively; busy; entertainment some nights. Many folks from Simpson Bay Resort dine here as well as many locals and lots of casino high-rollers. www.isolaristorante.com

La Patrona, Simpson Bay Resort (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22) Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here).

Avantika Thai www.avantikasxm.com (featured 2/14/22) Avantika is flat-out wonderful; SXM's best 4hai Delicious food artfully presented and reasonably priced, backed by seasoned service. Go...you'll become a regular.

Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world.

Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/> . [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Mario's Bistro at the Cliff, formerly Mario's Bistro www.mariobistrot.com/en/ 1/17/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

The Coffee Lounge, (featured 1/3/22) Simpson Bay next to Domino's and in Philipsburg at the head of town. Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Vesna Taverna, www.vesnasxm.com (featured 12/27/21). Now open every day for B/L; dinner is offered Tuesday through Saturday. Outstanding dining and very reasonable pricing.

Pineapple Pete, www.pineapplepete.com (featured 12/20/21) Known for great lobster Thermidor and lots, lots more. Generous portions, reasonable prices. Huge variety. Games for kids & their parents.

Wasabi Charlie Japanese Restaurant (12/20/21) now combined with Pineapple Pete at the Pineapple Pete location, opposite IZI Ristorante Italiano in Simpson Bay. GREAT sushi rolls and sashimi and much more.

Jai's Contemporary Indian Cuisine (featured 11/29/21), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the side of the building from Republic Bank.. Outstanding dinners (and soon lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning a spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation.

Topper's <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

La Rosa Restaurant, Maho Plaza, 9/7/2021: Loved the relaxing vibe, attentive service, GREAT food, reasonable prices, and BIG portions. www.larosarestaurant.com/index.html

Blue Bitch Bar www.bluebitchbar.com, formerly Taloula Mango's Blue Bitch Bar, is THE bar/restaurant to visit on the Boardwalk in Philipsburg. (featured 8/9/21) Great open-air atmosphere, outdoor dining/drinking, entertainment. Their menu is extensive with excellent food, fun atmosphere, and beautiful ocean views. Located on the beach, at the Boardwalk....

Pure Ocean Restaurant at Divi Little Bay Resort, Dutch side (featured 3/1/21) Fine new beachside restaurant serving breakfast, lunch, and fine dining dinners. Excellent choices for everyone, innovative menu, beautiful presentation, and downright delicious. Great #Caribbean ambiance on their open-air beachside deck. Attentive service and responsive staff.

Freedom Fighters ITAL SHACK Rasta Restaurant, www.sxmfreedomfighters.com/restaurant 4/15/19. Just go....

Dany's Smooth Cupecoy Beach Bar (on Cupecoy beach); follow the road toward Shore Pointe and turn near Shore Pointe to get there. (Featured 1/20/2019) Parking, drinks, chairs and umbrellas, lolo-type food, and an all-over tan. What could possibly be better?

Enigma C3 luxury Catamaran, www.sailstmaarten.com (featured 8/7/17). Neil's new boat is as big as Celine Too was and it has now entered service. Neil is known for amazing cooking on board his boats.

You will find hundreds more restaurants from both the Dutch Side and French Side listed in the Files area of our [Everything St. Maarten / St. Martin / SXM Facebook Group](#). Our thanks to our Admin there, Contessa Aiello, who edited the restaurant entries on that site.
