THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. LEAD STORY: Masks Now Voluntary at SXM Airport

SXM Airport late last week said facemasks are now voluntary there.

In its announcement, SXM airport said that facemasks are now voluntary inside the terminal and FBO (private jet) terminal buildings. Their announcement said that the decision was based upon European and US government decisions making facemasks optional on US and European flights.

The Covid Pandemic, however, is not over. New variants continue to evolve and unprotected people tend to get sick and have worse outcomes than protected people — both those who are fully vaccinated and those who continue to use masks in areas with significant public exposure.

We hope many of our readers will continue to use the same effective precautions that have enabled us to make substantial progress over the last two years in the battle against Covid 19.

2. Southwest, jetBlue Named Top US Airlines: J. D. Power

J. D. Power, the consulting organization that ranks consumer satisfaction with a number of products and services, has

ranked JetBlue as the top US airline in terms of premium experience and Southwest Air as the top economy airline. [See the full story here.](#)

The story is particularly interesting because JetBlue only introduced its Mint premium service (which is never called First-Class) only a few years ago, and it has achieved rave reviews even with people who traditionally fly first class on the larger legacy carriers that normally offer it.

Southwest came out on top in ratings for economy flying; it boasts fierce customer loyalty, as does JetBlue despite recent flight cancellation problems related to staffing issues.

JetBlue services SXM through a variety of gateways in the Eastern US, and Southwest has said that it is a matter of when, not if, concerning its desire to launch service from the US to SXM. We will continue to cover airline industry news here as it relates to carriers serving SXM.

3. Airport Refinances Its Debt: Why It Matters to Tourists

A few months ago, in an interview with top officials of SXM Airport, we saw and reported that SXM Airport was looking at preclearance as a prospective follow-on to completion of the reconstruction of SXM Airport which will happen within the next 18 months — by the end of 2023. Southwest air, which has been interested in providing service to SXM for several years, has said in the past that it would like to see preclearance installed and operating before it comes to SXM.

Preclearance enables overseas airports to offer US customs and immigration services at participating airports, which means that flights bound for the US that are processed by these facilities can land at any US airport as a regular domestic US flight, with no need to go through customs and immigration again in the US.

Although the program is great for passengers, it represents a huge investment to the nation offering the service. SXM recently announced that cost as approximately US\$60-million for startup alone, not counting several million dollars per year for operating costs and housing US customs and immigration personnel in SXM.

Airport officials told us that they are in favor of installing preclearance in SXM provided that they can do it once the airport is back in full operation and has regained its pre-hurricane level of fiscal stability and financial good health. The fact that it has refinanced its debt should help it achieve those objectives faster than might otherwise be possible — which is why it's of more than the usual degree of significance to passengers who live in the US.

Here is the official story on the refinancing.

PRINCESS JULIANA INTERNATIONAL AIRPORT ANNOUNCES SUCCESSFUL DEBT REFINANCING TRANSACTION

SIMPSON BAY, St. Maarten (May 12, 2022) On May 11, 2022, Princess Juliana International Airport (PJIAE) completed the successful refinancing of its 2012 indenture, with borrowings under a new term loan facility in the amount of USD 90 million.

The new facility has been closed at more favorable terms and a reduced interest rate of 4.75%, which allows PJIAE to stabilize its much needed cash position. By taking advantage of low borrowing costs and actively managing its near- and medium-term maturity profile, PJIAE has enhanced its ability to invest in future financial stability and growth. This step is consistent with PJIAE's strategy to build the airport for the future of Sint Maarten.

Ben van der Klift, Chief Financial Officer of PJIAE 'Today's announcement is an important step forward and another vote of confidence in PJIAE and it underscores our transformation into an airport with strong ambitions for the future. With the announcement of this oversubscribed refinancing, and our continued strong performance through Q1 of 2022, we have positively repositioned PJIAE, while enhancing our financial flexibility.

However, we're not out of the woods yet.

Hurricane Irma and COVID-19 has had a deep impact on the performance and results of our airport in the last five years and we are on the road to recovery in the coming years'.

PJIAE was able to find the necessary funding within the former Netherlands Antilles and is extremely excited to report that most of the funds (46%) came from St. Maarten institutions, 39% from Curacao based institutions and 15% from Aruba based institutions. AIB Bank N.V. from Aruba acted as mandated lead arranger and RBC Bank N.V., a St. Maarten based financial institution, will be the security and facility agent.

The refinancing of the loan facility would not have been accomplished without the honorable Prime Minister, Minister of Finance, and the Minister of TEATT of Sint Maarten. The Management Board of PJIAE N.V. extends their gratitude for their relentless support during the entire re-financing process.

4. Why You Should Keep an Eye on Breeze Airways...

Over the years, we have often written about David Neeleman. He's the serial entrepreneur in the airline business who founded WestJet, JetBlue, Azul Airways in South America, Morris Air, and more recently the rapidly expanding Breeze Airways here in the US.

Until recently, Breeze was flying routes between cities outside of major metropolitan areas where there was demand for service on a point-to-point basis but where no service was actually being offered. However in March of this year, Neeleman announced an expansion which includes major metropolitan airports, among them Los Angeles and San Francisco. The airline is also offering comparatively inexpensive first class seats on some flights, though those fares are experimental and will only be available if demand stays sufficient.

Both jetBlue and WestJet, previously founded by Mr. Neeleman, now routinely fly to SXM, some from multiple cities. As we have said before here, we fully expect Breeze Airways to fly to SXM at least weekly from one or more of its US gateways once preclearance has been established in SXM (see the story about SXM airport refinancing above). We are convinced it will do this — and we see such service as a win-win for everyone concerned.

5. Where to Find Our Guide to SXM Entry Requirements / Return to US Requirements (Updated)

Tens of thousands of tourists will be visiting SXM this summer and fall, with hundreds of thousands coming next winter. Planning for all of these visits is well underway.

Our **Guide to Entry Requirements** (Second Edition, just updated) simplifies SXM Entry Requirements to make it easier for our readers to understand exactly what the island is looking for and to successfully navigate SXM's Electronic Health Authorization System (EHAS) website, through which visitors to SXM must still apply for the required preapproval.

To access the just-updated second edition of our Guide to Entry Requirements, *which is free*, go [through this link](#) (revised) to the files area of our [Everything SXM Facebook Group](#). You should be able to access the file easily if you are already a Facebook member.

Further updates may happen as the number of hospitalizations on the island stays very low. See next story.

6. Got a Spare \$45,000? You May Need It, In Cash in Advance, to Get a MedEvac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances.

Setting up medical evacuations sounds complicated because it is — and having to do all this in a medical emergency is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed membership, SkyMed will do all of this stuff once you make that single quick phone call.*

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

8. First 2022 Tropical Wave Appears Off Africa

Did you roll your eyes when you saw this headline? There's actually no reason to, since dozens and dozens of waves appear in the tropics every year and most of them don't turn into tropical cyclones.

Nonetheless, it's that time again, starting roughly in mid-May when we may see some tropical activity including tropical waves begin to spin-up in the tropics.

Here is [a local Forecaster who can explain this phenomenon](#) far better than we — please listen to this entire video for some enlightening information.

See the other weather-related stories in this section for more.

9. As Hurricane Season Begins, Here's How to Be Sure You're Properly Prepared

Compiled by NOAA and the National Hurricane Center, [this information](#) can help everyone who is ever in the path of any tropical cyclone make it through that event. For your own safety, download [this document](#) and save it after reading; feel free to share it with others.

10. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition... When storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

13. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#).

They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Tell them you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

The huge update we have been working on for some time of our JMB Website Supporters Island Discount Program — which coincides with a major server upgrade and upgrades to two mission-critical programs for our new servers — is taking longer than we had originally hoped.. be finished sometime late this summer. We will keep you aware of program changes and apologize for the delay.

21. THE STORY: Only \$1.64/day Gets You Guaranteed Renewable, Price-Guaranteed-Forever SkyMed Annual or Multiyear Medevac Protection:

• **WHAT IS SKYMED? WHERE DOES SKYMED WORK?**

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must get your SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

• **WHAT ARE "ULTIMATES"?**

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services and protect you worldwide -- almost everywhere. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions.

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. **The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website.** Call or email us **DIRECTLY** (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

• **LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:**

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2022 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

• **HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (new number, where you can also text us) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.**

My SkyMed website: <http://www.skymed.com/jmb>. **But please CALL ME DIRECTLY with questions or to sign up - that way I get credit.**

• **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Travel Services, a SkyMed company.

• **Key Differences Between SkyMed Short-Term & Annual Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships** are available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it. Short-term protection is economical if you seldom travel and if you take brief trips. The cost is \$9/day per person, or a maximum of \$15 a day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. The single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health.** Details are in SkyMed's Member Services Agreement. We currently have members who are still traveling and are in their upper 80s and 90s. *The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now only about \$1.64/day total.* Multiyear memberships are also about \$1.64/day and have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit). Phone anytime at 508-591-3483 (NEW NUMBER). That's a direct line to Jeff Berger. *Updated 5/2/22.*

***What is the SkyMed Ultimate?**

Again, the Ultimate is SkyMed's best - and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed "Takes You Home"® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships. **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

• **[SkyMed Frequently Asked Questions / FAQ](#)**

Feel free to contact me via Facebook Messenger as well or now WhatsApp, 721-588-4188 (through WhatsApp ONLY), or use our new office line, 508-591-3483. Or email me at jeff.berger@skymed.com (SkyMed inquiries)

only please). You can also send texts to that 508 line and leave voice messages. Please include your phone number, time zone, callback number, and email address.

22. Answering Your Questions: What Does SkyMed Really Do? ---An Important Message from Jeff Berger to All SXM Weekly News Readers---

We've always said SkyMed **TAKES YOU HOME**® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. *In recent weeks as many of you have decided to resume traveling, you've asked us for examples of what SkyMed does.* Several examples are right here:

*For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 33+ years, SkyMed **TAKES YOU HOME**® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. **IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's pricing published on the web.***

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

23. Holy Croissant! US Dollar Now Worth More than the Euro?

For years, the US dollar has been worth less than the euro, increasing the cost of French side purchases for people using US dollars. At its best, paying in dollars meant you had to spend USD\$1.15 in US currency to get one euros value.. At its worst, it took nearly \$1.50 to equal the value of one euro a number of years ago.

That has all changed in recent weeks because of what has been described as the red-hot US economy and the very strong dollar. As of very early Tuesday, just before this issue started mailing, the dollar was getting stronger and is almost at par with the Euro.

We have no idea how long this will last, but this [Washington Post article](#) will be of interest.

24. Second Minor Quake in a Week Opens Eyeballs in Gustavia, St. Barth

The second minor earthquake in the last couple of weeks shook some people in the northeastern Caribbean this past week. The prior quake was centered near Guana Bay, an upscale residential area just northeast of Philipsburg. This week's quake was centered in Gustavia, the capital of St. Barth, southeast of SXM. We did not receive any reports of damage or injury there, but the quake awoke some people in SXM. Some said they were a bit reluctant to return to sleep after facing two minor quakes in such a short period.

There were no immediate reports of damage or injury in SXM from this latest minor quake and some people simply slept through it.

25. Travel Plans to SXM INCREASING As US Gas Prices Peak

Americans are paying through the nose for gasoline these days. The hot US economy and the inflation that has come with it were spurred primarily by record high oil prices caused by Putin's invasion of Ukraine. Some people have thought that high gas prices could have a negative impact on travel, but the opposite seems to be true in SXM. There, some resorts are reporting that people are calling to make new reservations and lock in current low prices since back home, prices for everything are inflated.

Business in SXM usually slows during summer, but restaurants are reporting their business remains brisk and that the outlook for summer and fall business seems to be the best in years.

26. Philipsburg Marketplace Being Re-imagined & Rebuilt with Royal Caribbean's Sponsorship

From the government of St. Maarten. This regards the local craft sales people in the block behind the historic courthouse in Philipsburg:

The Ministry of Tourism, Economic Affairs, Transportation & Telecommunications (TEATT) announced that the Royal Caribbean Group has agreed to reconstruct the Philipsburg Marketplace at the cost of Naf.600k.

The agreement was made possible during the past months through dialogue by the honourable minister of TEATT Roger Lawrence, stemming from the discussions and walk-through that was done on February 2nd with Port St. Maarten and Royal Caribbean Group officials.

The ministry sought out creative alternatives and the collaboration with the PSG and Royal Caribbean Group to get the project completed. He explained that it became necessary to find creative alternatives for completing the project after available funds were reallocated to complete road repairs throughout the island as a result of the 2022 budget debate at the end of January.

“Philipsburg is one of Royal Caribbean Group’s premier destinations in the region and we are excited to participate in rebuilding and reinvigorating the iconic Philipsburg Marketplace to support the artisans and the community of St. Maarten,” said Joshua Carroll, VP Destination Development for Royal Caribbean Group. The Philipsburg Marketplace has served tourists for many years as a central location to purchase souvenirs from their visits to the island. It sustained significant structural damage during the passing of Hurricanes Irma and Maria in 2017.

Critical to the reconstruction of the Marketplace is ensuring that it is built strong enough for protection from the weather conditions and elements. In the new design, vendors will be able to store their goods safely within the stall instead of having to remove all items on display daily. The new and improved Marketplace will be wheelchair accessible and will feature designated parking for the offloading of goods by vendors.

The Ministry of TEATT has also ensured that the new design considers the safety of vendors and patrons and says the facility will be equipped with fire extinguishers and surveillance cameras. Within the minister’s assessment of the opportunities of the project to Royal Caribbean Group, Lawrence particularly outlined that the marketplace is strategically located in the heart of the island’s capital for easy access by cruise guests, serving as a tourist attraction that offers visitors a piece of culture and memorabilia, they can take with them on their return home.

The Ministry of TEATT is excited that Royal Caribbean Group has chosen St. Maarten as one of the destinations that will benefit from the cruise company’s generosity and goodwill. With St. Maarten ranking high among the top ten destinations that Royal Caribbean Group visits each year, it makes sense to build partnerships that add value to the destination. Royal Caribbean Group’s contributions to our island’s sustainable redevelopment and continued partnership will also enhance their guest experience when they visit our island and win us significantly more return visits. According to the minister the Public-Private collaboration between the Government of St. Maarten and Royal Caribbean Group will go a long way in restoring activity in Philipsburg. The revitalization of Philipsburg remains a major goal in restoring the island’s economic activity to pre-hurricane Irma and Maria of 2017.

27. Some Restaurateurs Starting to Plan Annual Closings (September)

A number of SXM Restaurants close annually in September, traditionally the month with the most tropical cyclone activity in the Caribbean and the lowest number of SXM tourists thanks to people returning from summer vacations and kids heading back to school.

In our [Everything SXM Facebook Group](#), we do our best to gather this information from SXM restaurateurs and organize it chronologically so tourists don't waste time trying to make reservations at restaurants that are temporarily shut down. If you plan to be in SXM this summer or fall, we strongly suggest you join our [Everything SXM Facebook Group](#) (it's free) and look in the Files area for Annual Closings, especially as the calendar takes us closer to summer. That is where this information will be.

If you are a restaurateur, please send a direct message to any Admin on that site and ask that we include your restaurant information with specific dates in our annual closing listings. If your restaurant does not close, please tell us that as well.

28. What Summer Weather Is Like in SXM

As we hinted above in our weather section, summer in SXM is far more inviting than many places you perhaps usually visit during the summer back in the USA.

For starters, many places across the USA are sweltering in summer with temperatures well into the 90s, oppressive humidity, and unbearable traffic to key vacation areas not to mention high prices for everything and crowds everywhere. Meanwhile, SXM has lighter crowds than in winter, so traffic is easy. Beaches are not heavily populated. Prices are reasonable. Although temperatures can be high, they won't be as high as they are in the US and humidity will be lower. Restaurants are also open for business with normal prices. Shopping for cameras with US guarantees, jewelry for yourself or your loved ones, and other goods is easy and without the crowds.

If you haven't yet planned your summer vacation, make it in SXM. You should save yourself significant cash you would otherwise spend near home — and you'll have a much more relaxing experience.

29. Megayachts Moving Out for the Summer

Megayachts traditionally start sailing into SXM in mid-November and start leaving the island during May, before hurricane season officially begins so they don't lose insurance coverage if they stay in areas prone to hurricanes during hurricane season.

In case you're wondering where they're going, a number go to the Mediterranean and stay there for the busy summer season. We would expect, however, that don't those numbers might be slightly less this year especially in the Eastern Mediterranean because of Vladimir Putin's invasion of Ukraine and the flight of oligarch-owned superyachts to avoid being seized by nations helping Ukraine.

30. The Bizarre Story of a Seized Superyacht

Early in March, some super yachts owned by Russian oligarchs had been in Caribbean waters. But when it became obvious that Western countries were contemplating seizing Russian assets including those yachts, they left in a hurry.

In fact, late in the week of the Heineken Regatta, as Regatta boats were headed out of Simpson Bay lagoon for the day's sailing, we witnessed a huge launch from Roman Abramovich's Eclipse supermegayacht come to the dock next to the police station in Simpson Bay, drop off several very long cardboard boxes, which its crewmembers carried away, then leave, despite the obvious consternation of the Coast Guard. The boat itself left in darkness only hours later and is either now in Turkish waters or in the Indian Ocean, depending on which story you believe.

This is one story – [one rather bizarre story](#) — about a seized superyacht: very absorbing reading.

31. Is a Superyacht Worth USD\$4.8Billion (with a "B")

Many of the largest superyachts on planet Earth eventually visit SXM. Readers who are interested in superyachts that visit here may be particularly interested in this story about a superyacht reportedly worth US\$4.8 billion, definitely a tidy sum. [Here it is.](#)

32. A Gift You May Not Have Thought About for College-Bound Kids, Grandkids

If you have children or grandchildren who will be away at college this coming school year, protect them by applying for inexpensive guaranteed renewable, price guaranteed for life annual SkyMed medical evacuation protection. It will take them home when they become seriously or critically ill or injured while at school or elsewhere (USA, Canada, Mexico, Bermuda, the Bahamas, and the Caribbean), and the membership price and never increase because of that price guarantee. Questions? Call us at 508-591-3483 or email Jeff directly at Jeff.Berger@skymed.com. He will be happy to answer all your questions and can even take your application by phone, the fastest way to apply -- that we he also gets credit.

33. Critical Reminder: SXM Is Paradise, Not Utopia

Please remember what long-time SXM resident Kathy Hetzel told us many years ago: SXM is paradise, not Utopia.

In Utopia you can leave valuables, cash, and credit cards in the trunk of your car, in your condo or villa, and even on the

beach when you take a long walk. That's Utopia — not SXM.

Never do any of these things in SXM. And if you rent a villa, as many people do, don't leave windows or sliders unlocked when you're either away from the villa or nearby at the pool. Prying eyes may want whatever you left there. Again: SXM is paradise, not Utopia — and thinking the two are the same can be quite costly.

36. How You Can Help Us Continue to Avoid a 2022 JMB Website Supporters Island Discount Program Price Increase...

We depend on your support to enable us to publish *SXM Weekly News* every week. We also depend on your support to fund the work we do to publish news in our **weather center** and in our [Everything SXM Facebook Group](#) concerning tropical weather approaching SXM for the US mainland. Your support also makes possible the winter parties we hope to resume next winter for our JMB Website Supporters members plus all the benefits of our JMB website Supporters Island Discount Program.

Earlier this year, we announced that we were going to increase prices — since the price increase was long overdue and held off because of Covid. **We never did that price increase**, wanting to hold the line for our members and we still want to hold the line. But Russia invaded Ukraine and crude oil prices have shot through the roof, as we all know, and the costs of everything have gone crazy. **At this point, we still don't want to raise prices but we need your help now to be able to hold the line on our current pricing for membership in our JMB Website Supporters Island Discount Program.** Please join or renew now, [here](#). *We will be grateful for your support as we begin our 31st year communicating about SXM to hundreds of thousands of readers around the world.*

This is important: we have been working on and continue to work on a significant upgrade of our JMB Website Supporters Island Discount Program. We are hoping the upgrade will be finished by the end of this summer, and we are depending on our partners and our sponsors to offer new discounts to all our JMB Website Supporters Island Discount Program members. If you are our Sponsor of JMB, please contact us at jmbcomms@gmail.com or text us through WhatsApp at 721-588-4188 so we can get things started for you.

Regardless of whether **you** are already a member of JMB Website Supporters, you can join or renew your membership and get hundreds of benefits through us now, [here](#). We are grateful for your support, as always. You make all this possible!

37. What Are the Best Sources of Accommodations Rentals?

We offer hundreds of timeshare condominium rentals directly from timeshare owners in the listings on our main site, www.everythingSXM.com. There, you're not buying from strangers — you're buying from other people who love St. Maarten as much as you do. We've been doing this since 1992 and we know that it's the way thousands of people have rented weeks successfully over the last 30 years. Give it a try. More information about Condominiums is in Section 2, above.

38. Enormous Library of SXM Information is On The Web

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

a) our **SXM Weekly News PDF archives** include every edition of SXM Weekly News since 2014 – now approaching 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer. (A link to the Archives is in every edition of *SXM Weekly News*.)

b) our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic — and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of nearly 33,000 members — not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and who have a wealth of information available.

c) we have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our everything SXM Facebook group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources — and don't forget to thank those who have made them possible.

39. Flying This Summer? Here's Something Else You Should Know

If you are traveling anywhere this summer, there is a way you can inject tremendous peace of mind into your travels...

For the first three months of any new SkyMed annual or multiyear membership, SkyMed excludes coverage of pre-existing conditions; after three months, those conditions are covered in full. **So...to AVOID ANY IMPACT on your travel plans this Summer or Fall, buy your new SkyMed annual or multiyear membership NOW, at least three months ahead of your planned Summer/Fall travel -- then the 90-day exclusion period for preexisting conditions will end before you travel...**

Why get annual or multiyear memberships? SHORT-TERM family memberships (for a week or two) are \$15/day, while guaranteed renewable for life, price guaranteed for life annual and multiyear memberships are only about \$1.64/day -- less than a decent cup of coffee. Call me at 508-591-3483 or jeff.berger@skymed.com for answers to questions or to sign up by phone.

Available exclusively to Americans and Canadians. SkyMed TAKES YOU HOME(R) when you become seriously ill or injured while traveling in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global protection is also available through GETS, Global Emergency Travel Services, part of the SkyMed group.

Offerings:

Summary:

Here are recently featured SXM restaurants:

Jai's Contemporary Fusion Cuisine (featured 5/9/22), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaisxmrresto>

Astra Steak & Seafood (featured 5/2/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's relatively new, beautiful, constantly evolving, and has high-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 4/4/22) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have a number of fresh fish entrees you should not miss. Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world.

Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Mario's Bistro at the Cliff, formerly Mario's Bistro www.mariobistrot.com/en/ 1/17/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go.
