THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. UPDATE Regarding AA Flights from LGA to SXM

In a story published here last week, we reported the cancellation of a flight from LaGuardia Airport in New York to SXM. Because of an editing error, the story gave the impression that there were nonstop flights between LaGuardia and SXM — and that was not the case. The passenger who reported the cancellation had noted that their connecting flight would have taken them to SXM, but the airline canceled the flight from LGA that would later have connected them elsewhere to SXM.

We apologize for any inconvenience caused to any readers as a result of this. That passenger later did make it to SXM thanks to rescheduled connections.

2. Delta's Turn to Cancel Hundreds of Flights

Thousands of flights were canceled this past weekend thanks to the same factors that had previously caused thousands of cancellations. This time, it was Delta airlines that was doing much of the canceling, along with Southwest and Spirit. Several weeks ago, JetBlue had the honors of declaring the most cancellations.

"More than any time in our history, the various factors currently impacting our operation — weather and air traffic control, vendor staffing, increased Covid case rates contributing to higher than planned unscheduled absences in some workgroups — are resulting in an operation that isn't consistently up to the standards Delta has set for the industry in recent years," Delta chief customer experienced officer Allison Ausband said in an outlook for the future in a recent post which was quoted by Associated Press.

See next story.

3. Why Flight Cancellations Seem to be Worsening

Of the mess that is enveloping the airline industry, one perfectly descriptive term is: a perfect storm.

As if the Boeing 737 Max debacle hadn't been bad enough for many airlines, happening largely in concurrence with it was the Covid 19 global pandemic and in the case of St. Maarten, recovery from hurricanes Irma and Maria. All of this has wreaked havoc with SXM's people and her economy for the last several years.

For better or worse, those things don't have much to do with the current mess in the airline industry — except tangentially. The Covid Pandemic has caused many people to rethink what they're doing in life and what they're doing for a living. Many people have quit jobs in faraway offices, or with trucking companies or other delivery enterprises that kept them away from home to an unpalatable degree. Airline employees got fed up with passengers yelling at them regarding now expired but nonetheless judicious mask requirements that flight crews didn't set but were told they had to enforce.

Business planners at airlines had hundreds of jets flown to aircraft storage facilities in dry southern Arizona and elsewhere since the planes weren't needed when no one was flying.

When air travel suddenly became usable again less than a year ago, people who had been cooped up for about two years started planning trips and nothing — *nothing* — would get in their way of finally getting out and back onto the road or into the sky.

The "Great Resignation" — under which literally millions of people had left their jobs across all segments of the economy — threw the supply chain into oblivion, royally screwed up the ability of airlines to staff up sufficiently to take or change reservations on a timely basis, fly all of the flights they had scheduled when they knew demand was starting to go through the roof, and made chaos in the airline industry a virtual uncertainty.

It got worse.

Most pointedly: Thousands of pilots took early retirement as the pandemic began. Now media sources are quoting airline sources who have cited a shortage of 13,000 pilots in the US alone. Bad Summer weather, air traffic controller shortages, and other causes of flight cancellations aggravate the problem because they put pilots and other crewmembers (and aircraft) out of position for upcoming flights which results in even more cancellations.

Adding to the woes of fliers, air traffic controllers, who had been overworked and underpaid for decades, decided in the middle of all this that they had had enough and said goodbye to the ATC business. In some places, resignations from air traffic controllers were a virtual epidemic, causing some control centers -- JAX Jacksonville Florida, for example -- to greatly slow traffic or to prevent timely takeoffs and landings, causing more headaches for the beleaguered airline industry.

Of course, spring weather, complete with forecasted long-track tornadoes and late-May snowstorms, made the whole situation even messier.

Airlines had hoped they would be able to hire new people to replace those who have left — but the situation has proven itself to be even more intractable than airline chief honchos and industry observers had dared worry about. So it isn't just an airline staffing issue. It's much more complicated than that -- and staffing is a huge part of it.

Bottom Line for Flying: In the airline industry itself, the issue is that millions of people want to travel when there is only a finite number of flight crew members to handle traffic. Months ago, airlines were saying that as soon as they were able to staff up, flights would be restored and normalcy would return. Unfortunately, it's not that simple, as you have read here. Airlines are doing their best to staff up and so is the Federal Aviation Administration (FAA).

And then there is the 2022 hurricane season — which could be another doozy. For more on that, please see the Weather section, below. Take note: there is already a storm being talked about. That info also is below.

4. Where to Find Our Guide to SXM Entry Requirements / Return to US Requirements (Updated)

Tens of thousands of tourists will be visiting SXM this summer and fall, with hundreds of thousands coming next winter. Planning for all of these visits is well underway.

Our **Guide to Entry Requirements** (Second Edition, just updated) simplifies SXM Entry Requirements to make it easier for our readers to understand exactly what the island is looking for and to successfully navigate SXM's Electronic

Health Authorization System (EHAS) website, through which visitors to SXM must still apply for the required preapproval.

To access the just-updated second edition of our Guide to Entry Requirements, *which is free*, go [through this link](#) (revised) to the files area of our [Everything SXM Facebook Group](#). You should be able to access the file easily if you are already a Facebook member.

Further updates may happen as the number of hospitalizations on the island stays very low. See next story.

5. Got a Spare \$45,000? You May Need It, In Cash in Advance, to Get a MedEvac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances.

Setting up medical evacuations sounds complicated because it is — and having to do all this in a medical emergency is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed membership, SkyMed will do all of this stuff once you make that single quick phone call.*

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

6. What To Do If Your Flight is Canceled Or Delayed...

What should you do if your flight is canceled or delayed as happens fairly often now due to winter weather or omicron related issues?

This recently published [article](#) gives you exact answers.

Etc./Weather

7. First Hurricane Likely to Impact Florida Late This Week

Hurricane Agatha formed over the Pacific last week and came ashore in Mexico this past weekend, the strongest hurricane ever to hit Mexico this early in the hurricane season. The Pacific hurricane season began May 1; the Atlantic hurricane season starts this Wednesday, June 1.

Agatha may be an unfamiliar name to you since it is not on the list of 2022 Atlantic hurricane names — that's because it formed in the Pacific. However forecasters are concerned that the storm, now expected to dissipate over Mexico, could regenerate over the Bay of Campeche or the NW Caribbean or Gulf after crossing Mexico and subsequently threaten Florida. If you live anywhere on the US Gulf Coast or anywhere in Florida, pay close attention this week to local forecasts.

At a minimum, forecasters were saying on Tuesday that South Florida is likely to get a tremendous amount of rain from this system late this week.

For much more on the potential hurricane Alec (that will be its name should it regenerate in the Bay of Campeche or the Gulf of Mexico), pay close attention to local advisories.

8. Hurricane Season Officially Begins Wednesday, June 1

Hurricane season officially begins June 1. Although we'll be keeping an eye on the tropics for you 24/7 through our SXM weather/hurricane center at www.everythingSXM.com, the height of hurricane season isn't until early September. And long-track storms, those that form off the coast of West Africa, are the ones most likely to impact the Caribbean.

9. As Hurricane Season Begins, Here's How to Be Sure You're Properly Prepared

Compiled by NOAA and the National Hurricane Center, this information can help everyone who is ever in the path of any tropical cyclone make it through that event safely. For your own safety, download [this document](#) and save it after reading -- and feel free to share it with others.

10. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition... When storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

15. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#).

Please check this link to [BrightPath Caribbean SXM](#), a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Tell them you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

The huge update we have been working on for some time of our JMB Website Supporters Island Discount Program — which coincides with a major server upgrade and upgrades to two mission-critical programs for our new servers — is taking longer than we had originally hoped.. 23. THE SALE STORY: Only \$1.64/day Gets You Guaranteed Renewable, Price-Guaranteed-Forever SkyMed Annual or Multiyear Medevac Protection:

• **WHAT IS SKYMED? WHERE DOES SKYMED WORK?**

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must get your SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

• **WHAT ARE "ULTIMATES"?**

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services and protect you worldwide -- almost everywhere. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions.

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. **The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us DIRECTLY**

(contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

- **LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:**

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2022 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

- **HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (new number, where you can also text us) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.**

My SkyMed website: <http://www.skymed.com/jmb>. **But please CALL ME DIRECTLY with questions or to sign up - that way I get credit.**

- **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Travel Services, a SkyMed company.

- **Key Differences Between SkyMed Short-Term & Annual Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships** are available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it. Short-term protection is economical if you seldom travel and if you take brief trips. The cost is \$9/day per person, or a maximum of \$15 a day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. The single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health.** Details are in SkyMed's Member Services Agreement. We currently have members who are still traveling and are in their upper 80s and 90s. *The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now only about \$1.64/day total.* Multiyear memberships are also about \$1.64/day and have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit). Phone anytime at 508-591-3483 (NEW NUMBER). That's a direct line to Jeff Berger. *Updated 5/2/22.*

***What is the SkyMed Ultimate?**

Again, the Ultimate is SkyMed's best - and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed "Takes You Home"® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships. **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

- **[SkyMed Frequently Asked Questions / FAQ](#)**

Feel free to contact me via Facebook Messenger as well or now WhatsApp, 721-588-4188 (through WhatsApp ONLY), or use our new office line, 508-591-3483. Or email me at jeff.berger@skymed.com (SkyMed inquiries only please). You can also send texts to that 508 line and leave voice messages. Please include your phone number, time zone, callback number, and email address.

24. Answering Your Questions: Examples of What SkyMed Does & How SkyMed Works

---An Important Message from Jeff Berger to All SXM Weekly News Readers---

We've always said SkyMed **TAKES YOU HOME**® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. ***In recent weeks as many of you have decided to resume traveling, you've asked us for examples of what SkyMed does.*** Several examples are right here:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 33+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in

all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

LEAD STORY: Flames, Black Smoke at Flamingo Resort -- But NO Injuries and NO Huge Damage

Early in the morning late last week at Flamingo Beach Resort, things looked scary: thick black smoke rose into the morning sky over building four at Flamingo and flames were clearly visible coming from the roof. Miraculously, what looked so scary was a fire in a rooftop whirlpool bath reportedly caused by a short-circuit.

After it had been extinguished by the Dutch Side Brandweer (Fire Department), damage from smoke and water was reportedly limited to a single unit in building four — and far more important, there were no injuries. Firefighters arrived quickly to bring the fire under control and prevent further damage.

First news of this fire appeared in videos posted in our [Everything SXM Facebook Group](#) by group members on SXM. We thank them for posting this news on our site.

26. SXM Voted #19 in "Best Destinations in the World"

TripAdvisor has published a list of what its readers regard as the [best destinations in the world](#) — and SXM ranked number 19 on the entire planet. Go [here](#) for details.

27. SKYMED'S BIG SUMMER SALE IS NOW UNDERWAY:

SkyMed's best sale — offering a suite of protections through its Ultimate memberships plus SkyMed's "SkyMed Takes You Home®" services for Americans and Canadians traveling throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean -- is now underway. SkyMed's Ultimate is the lowest-priced protection SkyMed offers, on a cost per day basis — about \$1.64 a day. Plus, people who by the five year Ultimate memberships this year get 22 additional weeks free **except if they are American or Canadian military — in which case they get that same 22 weeks free plus an additional six months free**, which comes out to a cost per day for that five-year membership of well under \$1.64 per day, less than a good cup of coffee.

What's more, all annual and multiyear SkyMed memberships are **guaranteed renewable for life** regardless of age or medical condition and they are also **price guaranteed for life** — which means you'll never pay more for these annual or multiyear memberships than you do at inception, provided renewals are paid on time.

This sale won't last forever — so if you're planning to travel this summer, next fall, or even next winter take advantage of these prices by buying now. Like fire insurance, you can't buy SkyMed when you need it most — get it before you need it.

For answers to all your questions, call us at 508-591-3483 or 508-747-8281. Let us know your phone number and time zone and we'll be happy to return your call as soon as we can.

28. Noise Complaints Continue Over Parking Lot Boom Boxes Between Royal Palm and Atrium

Several years ago, a parking lot was built roughly 150 yards south of Royal Palm resort. At the time, politicians implied that the intent of the parking lot was to make it easier for both local residents and visitors to park near Kim Sha beach (officially part of Simpson Bay beach) without having to dodge mud and large puddles.

Somehow, the parking lot execution went to oblivion and several small restaurants appeared on the property, significantly reducing the number of parking spots available. And at night, some people started visiting the property with boomboxes in their vehicles, blasting music across the parking lot and across the beach so the beat pounded its way into the ears of tourists trying to get some rest nearby at the Atrium Resort, Royal Palm, and Simpson Bay Resort, all of which have units overlooking the water toward Kim Sha near that boom-box infested parking lot.

Although excessive noise created by people who apparently don't care about tourism continues to be the most frequently heard complaint from tourists staying in the Simpson Bay area, in fact the noise doesn't happen nightly: for the most part, there isn't much of it after 11 PM until the weekend comes. Then, the complaints are almost as loud as the rather arrogant, and virtually ceaseless heavily beating music.

There have been occasional enforcement actions and there has been widespread resistance to plans by some venues to stay open and continue this nonsense until about 4 AM. But which is more important: nurturing the recently recovering tourism sector that is central to the island economy? Or enabling multiple bars and other entertainment venues to serve alcohol later and later with more and more noise, quite possibly setting the stage for increasing numbers of drunk driving accidents, injuries, and possibly worse -- plus sleepless nights for some tourists.

We think the answer should be obvious and we think the action should take place much sooner rather than after there are more preventable accidents -- and tourists leaving SXM after being fed up by inaction. Excessive noise is excessive noise, NOT entertainment. And every day it continues it damages SXM's only major business and that business is TOURISM.

29. Aquarium, More Proposed for Salt Pond

A private developer has suggested to the government of SXM a number of ideas for development of the salt pond located behind downtown Philipsburg.

Many years ago, that salt pond and other areas on the French side were used to create sea salt for export to overseas markets. When sea salt was replaced by sodium chloride, the industry fell into disuse.

The old Kangaroo Court restaurant, adjacent to the historic courthouse in the middle of downtown Philipsburg, was once a warehouse for salt — and even in recent years, at times salt seemed to seep out of its old stone walls.

You can see the entire presentation [here](#), as featured in the *Daily Herald*. The developer said he was giving his ideas free to the Dutch side government, but if the Dutch side government decided it wanted to use the ideas the developer wanted payment of an undetermined amount made to him even though he suggested the government operate the facilities.

It strikes us that development in environmentally sensitive areas -- like the lagoon and the historic salt pond -- is fundamentally unwise. **Many years ago, we mentioned to government officials an idea for leveraging the historic sea salt manufacturing process as it was more than 100 years ago in a recreation salt museum as a tourist attraction in Philipsburg in the salt pond.** It could show people the actual process by which salt was made, and part of the cost of admission would enable people to receive a package of actual SXM sea salt produced in the museum.

It has been many, many decades since this kind of historic process has been shown to anyone. SXM has the ability to do this and to create the same kind of busy tourist attraction that Topper and Melanie Daboul have created at the Toppers Rhum Distillery in Simpson Bay.

It is also not necessary to bring in a for-profit developer to create such a project; what is needed are historians familiar with the operation who are willing to step in to help make sure what is constructed is historically accurate, environmentally friendly, and easy for both locals and tourists to access.

If there is a hydroponic farming aspect too here that could survive the ravages of a major hurricane, so much the better. But again all of these ideas in our opinion are not proprietary and can and should be acted upon by visionaries today.

30. Why This Newsletter Has "Standing Articles" In Each Issue

For the convenience of our growing audience of hundreds of thousands of readers around the world, we logically divide every issue of our newsletter into a few sections: Getting here; Entry Requirements; Weather; JMB Website Supporters

member benefits; accommodations; and other news.

Our objective is to make sure that people who will be looking for information on any of these topics can get that information in every weekly issue. For example, the repeated articles tell people where to get the latest information on Entry Requirements, where to find hundreds of ads for timeshare rentals this year and next, what realtors to contact concerning buying property on the island, how to get advice on residency, tropical weather updates around the clock, discounts and all kinds of tourist activities, and much more.

Hundreds of new readers join us every month, both as subscribers and as pass-along readers. The newest stories always go at the beginning of each section of the newsletter, with standing articles appearing later. *We think readers will find this kind of organization useful and from the feedback we receive from readers, we are happy they agree.*

We depend on your support to enable us to publish *SXM Weekly News* every week. We also depend on your support to fund the work we do to publish news in our **weather center** and in our [Everything SXM Facebook Group](#) concerning tropical weather approaching SXM for the US mainland. Your support also makes possible the winter parties we hope to resume next winter for our JMB Website Supporters members plus all the benefits of our JMB website Supporters Island Discount Program.

Earlier this year, we announced that we were going to increase prices — since the price increase was long overdue and held off because of Covid. **We never did that price increase**, wanting to hold the line for our members and we still want to hold the line. But Russia invaded Ukraine and crude oil prices have shot through the roof, as we all know, and the costs of everything have gone crazy. **At this point, we still don't want to raise prices but we need your help now to be able to hold the line on our current pricing for membership in our JMB Website Supporters Island Discount Program.** Please join or renew now, [here](#). *We will be grateful for your support as we begin our 31st year communicating about SXM to hundreds of thousands of readers around the world.*

This is important: we have been working on and continue to work on a significant upgrade of our JMB Website Supporters Island Discount Program. We are hoping the upgrade will be finished by the end of this summer, and we are depending on our partners and our sponsors to offer new discounts to all our JMB Website Supporters Island Discount Program members. If you are our Sponsor of JMB, please contact us at jmbcomms@gmail.com or text us through WhatsApp at 721-588-4188 so we can get things started for you.

Regardless of whether **you** are already a member of JMB Website Supporters, you can join or renew your membership and get hundreds of benefits through us now, [here](#). We are grateful for your support, as always. You make all this possible!

34. What Are the Best Sources of Accommodations Rentals?

We offer hundreds of timeshare condominium rentals directly from timeshare owners in the listings on our main site, www.everythingSXM.com. There, you're not buying from strangers — you're buying from other people who love St. Maarten as much as you do. We've been doing this since 1992 and we know that it's the way thousands of people have rented weeks successfully over the last 30 years. Give it a try. More information about Condominiums is in Section 2, above.

35. Enormous Library of SXM Information is On The Web

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

a) our **SXM Weekly News PDF archives** include every edition of SXM Weekly News since 2014 – now approaching 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer. (A link to the Archives is in every edition of *SXM Weekly News*.)

b) our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic — and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of nearly 33,000 members — not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and who have a wealth of information available.

c) we have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our everything SXM Facebook group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources — and don't forget to thank those who have made them possible.

36. Flying This Summer? Here's Something Else You Should Know

If you are traveling anywhere this summer, there is a way you can inject tremendous peace of mind into your travels...

For the first three months of any new SkyMed annual or multiyear membership, SkyMed excludes coverage of pre-existing conditions; after three months, those conditions are covered in full. **So...to AVOID ANY IMPACT on your travel plans this Summer or Fall, buy your new SkyMed annual or multiyear membership NOW, at least three months ahead of your planned Summer/Fall travel -- then the 90-day exclusion period for preexisting conditions will end before you travel...**

Why get annual or multiyear memberships? SHORT-TERM family memberships (for a week or two) are \$15/day, while guaranteed renewable for life, price guaranteed for life annual and multiyear memberships are only about \$1.64/day -- less than a decent cup of coffee. Call me at 508-591-3483 or jeff.berger@skymed.com for answers to questions or to sign up by phone.

Available exclusively to Americans and Canadians. SkyMed TAKES YOU HOME(R) when you become seriously ill or injured while traveling in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global protection is also available through GETS, Global Emergency Travel Services, part of the SkyMed group.

37. Restaurant of the Week: Feature Returns Next Week

Setting / Location:

Offerings:

Summary:

Here are recently featured SXM restaurants:

La Rosa Restaurant, Maho Plaza, (featured 5/23/2022): Loved the relaxing vibe, attentive service, GREAT food, reasonable prices, and BIG portions. www.larosarestaurant.com/index.html

Jai's Contemporary Fusion Cuisine (featured 5/9/22), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaisxmrresto>

Astra Steak & Seafood (featured 5/2/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's relatively new, beautiful, constantly evolving, and has high-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 4/4/22) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have a number of fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side. <https://www.facebook.com/Mamapizzaisthebest>

Izi Ristorante Italiano, www.izirestaurant.com (featured 3/14/22). Open for dinner starting at 5pm except Mon., when

they're closed. Fantastic food from one of SXM's very best restaurants. Fun atmosphere, too.

Isola next to Hollywood Casino at Simpson Bay Resort, (featured 3/7/22). Italian. Excellent food, many choices (pizza too), busy, good specials. Lively; busy; entertainment some nights. Many folks from Simpson Bay Resort dine here as well as many locals and lots of casino high-rollers. www.isolaristorante.com

Avantika Thai www.avantikasxm.com (featured 2/14/22) Avantika is flat-out wonderful; SXM's best 4hai Delicious food artfully presented and reasonably priced, backed by seasoned service. Go...you'll become a regular.

Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Mario's Bistro at the Cliff, formerly Mario's Bistro www.mariobistrot.com/en/ 1/17/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rhum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

Blue Bitch Bar www.bluebitchbar.com, formerly Taloula Mango's Blue Bitch Bar, is THE bar/restaurant to visit on the Boardwalk in Philipsburg.
