SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

LEAD STORY: EHAS to Give an Immediate Automated Pre-Approval for Vaccinated Travelers as of August 1

As of August 1st 2022, the intention is to make EHAS more convenient by allowing vaccinated persons to receive an

immediate pre approval, once the form is filled out in it's entirety. The entry requirements will not change for the country, but by allowing an automated immediate response, many cancellations can be avoided. It is important to note that the checks on arrival will still take place at the airport, and persons may be required to test locally if their documents are not valid.

Despite claims that EHAS is detouring tourist from visiting the country, statistics show that this is far from the truth. In the high season of 2021-2022, Sint Maarten was at approximately 120% of its 2019 pre-COVID arrival numbers and to date we are at 90% of the 2019 arrivals. We often look at other countries without realizing the full measures being taken there. For instance, while Aruba may not require any testing to enter the country, they do require that an ED form be filled out prior to traveling and they still have a night life closure time of 1 AM during the week.

Even though America has finally eased their entry requirements, noncitizens are required to be vaccinated to enter their country. This shows that everyone is trying to find a balance that would also protect their population, while still attracting visitors. Sint Maarten is no exception, the intention is for EHAS to transition into our Port Health Authority, which is mandatory for all the countries within the kingdom. An international health regulation (IHR) meeting was held last month in Aruba and is scheduled to be a yearly event. The IHR requires each country to be able to detect, asses, report, respond and stop outbreaks of infectious diseases before they spread internationally. This means that Sint Maarten must have a Port Health Authority at all points of entry, to meet our obligations as international ports.

"I am not someone that likes to remove regulations and then have to replace them later". Said Ottley. The Minister is working on transitioning the EHAS to a more effective system that fosters safety without negatively affecting our visiting numbers. The plan is to allow this automated approval to be accessible for all visitors regardless of their vaccination status by October 15th 2022.

-- Published verbatim from the Government of St. Maarten.

1. Delta, AA Cutting Schedules to Reflect the Pilot Shortage

Several weeks ago, when JetBlue was having all of its schedule difficulties, it came to the realization that it had to change its schedule to better align it with the realities of the industrywide pilot shortage. It ultimately made the decision to cut about 10% of its flights -- which it has done, while still actively recruiting additional pilots.

American Airlines, back when the Boeing 737 Max aircraft was grounded worldwide, continued to schedule flights involving that aircraft. It canceled them only when it became obvious, days or hours before scheduled flights, that the grounding of the 737 Max wasn't going to be solved before particular flights. The result was that thousands of passengers were inconvenienced on a daily basis because AA had ticketed them on grounded 737 Max flights. We suggested at the time that American cancel all of its 737 Max flights until the aircraft was recertified and allowed to fly again — but American wouldn't hear of it, from us or anyone else, and it continued last-minute canceling of 737 Max flights.

Currently, American and Delta seem to be the two carriers most adversely affected by the current pilot shortage. Finally, both have started canceling a number of flights through the rest of the Summer. Although in the short term this will add inconvenience to passenger plans, in the long run the number of future cancellations should decline significantly — except for weather-related cancellations which are unavoidable.

As always, we'll continue watching this for you.

2. Calling Pilots Back from Retirement is No Slam-Dunk Solution to the Pilot Shortage

During the first few months of the Covid Pandemic, faced with flying empty airplanes, most airlines stored aircraft in the Arizona desert or elsewhere and offered generous retire-early settlements to pilots. Airlines had sought to reduce their expenses since they expected the pandemic's effect on all airlines to be pervasive and long-lasting -- so it made those very generous retire-early offers to pilots.

Thousands of pilots took the generous early retirement offer from American especially, so when the Covid Pandemic essentially ended earlier than anticipated and traffic rebounded far more robustly than airlines had expected, the airlines happily scheduled lots of flights so each airline could respond to the demand — even though they knew at the time they didn't have nearly enough pilots to fly all those airplanes....

Would recalling pilots from retirement work? Couldn't they just give those pilots a quick health check then put them in the airplanes and have them take off? Would any pilots be interested?

Putting retired pilots back in service is not a slam-dunk solution to the industry's problems. Any pilot who wishes to come back must be recertified to fly specific airplanes and their health status and proficiency also need to be checked; there are a number of hoops to jump through.

Moreover, in the current market where pilots for busy airlines like Delta and Southwest are complaining about being given too much overtime and not being paid what they deserve, it really doesn't look like "asking retirees back" would be anything remotely resembling a quick, successful solution to the pilot shortage issue. We're sure many would rather relax at home.

The shortage of pilots is currently estimated to be approximately 13,000 per month. As older pilots continue to retire, the problem will continue. It is particularly acute where airlines are flying enormous numbers of single-aisle planes -- Boeing 737 and Airbus A320 types of aircraft, the two types that are the most popular in the industry. The new A220 — see related article below — has adequate numbers of pilots, with no apparent shortages.

With the actions the airlines are taking to recognize the shortage and cut the number of flights, the problem should diminish somewhat during the rest of the summer and be less of an issue starting in September, when demand naturally slackens.

3. A Closer Look at the Airbus A220, the New Plane You May Soon be Flying

We've written about the Airbus A220 aircraft here before. With up to 150 seats, the new technology, single-aisle aircraft offers bigger windows, more comfortable seats, and a very modern, highly efficient design, compared to the 737 family of aircraft that was first introduced back in the 1960s.

In one way or another, all 737s are derived from that original 1960s design — even if they have bigger engines, more seats, and more customer amenities. Remember that the 737 was designed in an era when there were no such things as jetways, and stairs had to be rolled up to the aircraft so passengers could deplane outside in all kinds of weather -- and walk on the ground to the terminal.

The best article we have seen telling you about the A220 is [here](#). It explains why it is such a hot commodity and why they are being delivered as fast as Airbus can produce them. JetBlue, whose fleet of A220s is based in Boston, is expected to fly about a thousand flights on A220s alone in the next month — a big number for such a new aircraft type. The article tells you much more about why the A220 is such a huge deal.

Why publish this info here? In the coming years, there's little doubt that all of us will be flying a lot more flight more segments in Airbus A220 aircraft.

4. Flight Problems? Get Help from Elliott.org

If you've had flight problems, keep this web address: Elliott.org.

Seasoned consumer writer Christopher Elliott, whose work is often seen in *USA Today* and other publications, responds to customer complaints about being gouged by airlines or failure to receive promised refunds, and much more. **Before contacting Mr. Elliott through his site, we strongly suggest you look at his website for specific information about the airline or cruise company with which you're having trouble. He names people at each airline who you should contact first to try to solve issues.**

Elliott.org has a very strong reputation in the airline industry and could be a real asset to your future consumer issues.

5. Delta Pilots Launch Nationwide Protest over Long-Stalled Contract Talks

Delta pilots have not had a contract since 2016 and to say the least, they are not happy about it. They are not going on strike — strikes are illegal — but they are being highly vocal about what they consider to be unacceptable working conditions, particularly concerning overtime hours they're putting in. Much more on this is [here](#).

6. Ethiad Launches Preclearance for US-Bound Passengers in Abu-Dhabi; What About Preclearance in SXM?

Ethiad Airways is launching preclearance in Abu Dhabi for Airbus A350 aircraft headed from there to both New York and Chicago. Why would anybody who flies to SXM care?

US-bound passengers have been wanting preclearance in SXM for years. Preclearance would enable passengers to go through US customs and immigration in SXM, eliminating the need for such services after their plane lands in the US. SXM has been talking about doing this for years, but its focus on preclearance has been interrupted both by hurricane Irma and by the Covid Pandemic.

SXM Airport officials want to be sure SXM Airport is on firm financial footing before the airport examines how it can pull off the estimated \$60-million cost to launch preclearance in SXM – that's the startup cost -- and on top of that there are millions more in yearly operating fees.

SXM would like to avoid further airfare price increases in SXM for flights to the US, so increasing taxes to pay for preclearance should be off the table. We'll see what happens here and we'll keep you posted on preclearance as the airport comes closer to completing its build-back-better restorations during next year.

7. Airport's Covid Test Center Closes

Since the United States no longer requires returning passengers to be pretested negative for Covid before returning home, the Covid testing center at the airport has now been closed. Please see the next article.

8. Where to Find Our Guide to SXM Entry Requirements / Return to US Requirements (Newly Updated)

Tens of thousands of tourists will be visiting SXM this summer and fall, with hundreds of thousands coming next winter. Planning for all of these visits is well underway.

Our **Guide to Entry Requirements** (Second Edition, just updated) simplifies SXM Entry Requirements to make it easier for our readers to understand exactly what the island is looking for and to successfully navigate SXM's Electronic Health Authorization System (EHAS) website, through which visitors to SXM must still apply for the required preapproval.

To access the just-updated second edition of our Guide to Entry Requirements, *which is free*, go [through this link](#) (revised) to the files area of our [Everything SXM Facebook Group](#). You should be able to access the file easily if you are already a Facebook member.

Further updates may happen as the number of hospitalizations on the island stays very low. See next story.

9. Got a Spare \$45,000? You May Need It, In Cash in Advance, to Get a MedEvac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances.

Setting up medical evacuations sounds complicated because it is — and having to do all this in a medical emergency is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed membership, SkyMed will do all of this stuff once you make that single quick phone call.*

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

11. Be Properly Prepared for Hurricane Season

Compiled by NOAA and the National Hurricane Center, this information can help anyone who is ever in the path of any tropical cyclone hopefully make it through that event safely. For your own safety, download [this document](#) and save it after reading -- and feel free to share it with others.

Get your SKYMED MEMBERSHIP *BEFORE* you need it. Air ambulances are now more costly than ever: when you become seriously or critically ill or injured while traveling, SKYMED TAKES YOU HOME® to doctors and hospitals you know & trust. Otherwise you must pay tens of thousands of dollars in cash in advance to get a medevac jet -- if you can even do it (NOT easy or fast if you don't know how). SkyMed annual or multiyear memberships are only about \$1.64/day, and they're guaranteed renewable regardless of age or medical condition at renewal and they are PRICE GUARANTEED FOR LIFE. Why wait? CALL today 508-591-3483 or email us at jeff.berger@skymed.com; include your callback number & time zone please. Protect your family NOW!

12. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition... When storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

13. Don't Take Chances When Renting Villas

Some web-based villa rental services don't seem to have the ability to deliver consistently accurate information concerning SXM villas to their clients. We have seen a substantial number of complaints about SXM villas that were rented through top well-known web purveyors of villa rentals. Bottom line, in the experience of some members of our [Everything SXM Facebook Group](#), some units rented through global villa rental sites were unfit for habitation, the complaining individuals alleged: things were broken, malfunctioning, not provided, and in other ways the villas weren't as advertised.

We urge everyone who plans to reserve a villa in SXM to contact the villa rental experts at the companies listed in this section. They truly know the territory, they have visited and inspected the properties, and they have relationships with the owners. You can't assume all that will happen with the big web-based villa rental outfits. See story 16.

25. THE SKYMED SALE DETAILS: Only \$1.64/day Gets You

Guaranteed Renewable, Price-Guaranteed-Forever SkyMed Annual or Multiyear Medevac Protection:

WHAT IS SKYMED? WHERE DOES SKYMED WORK?

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must get your SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

WHAT ARE "ULTIMATES"?

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services and protect you worldwide -- almost everywhere. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions.

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us DIRECTLY (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2022 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (new number, where you can also text us) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.

My SkyMed website: <http://www.skymed.com/jmb>. But please CALL ME DIRECTLY with questions or to sign up - that way I get credit (number above). Or jeff.berger@skymed.com

When and Where SkyMed Protects You:

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed Takes You Home® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Travel Services, a SkyMed company.

Key Differences Between SkyMed Short-Term & Annual Memberships:

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships** are available only for a specific defined short term. They protect you with SkyMed Takes You Home® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it. **Although at \$15/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis,** short-term protection is economical if you seldom travel and take brief trips. The cost is \$9/day per individual, or a maximum of \$15 a day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. The single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health.** Details are in SkyMed's Member Services Agreement. We

currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now only about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit). Phone anytime at 508-591-3483 (NEW NUMBER). That's a direct line to Jeff Berger that also accepts text messages. *Updated 6/20/22.*

***What is the SkyMed Ultimate?**

Again, the Ultimate is SkyMed's best - and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed "Takes You Home"® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships. **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

- [SkyMed Frequently Asked Questions / FAQ](#)

Feel free to contact me via Facebook Messenger as well or now WhatsApp, 721-588-4188 (through WhatsApp ONLY), or use our new office line, 508-591-3483. Or email me at jeff.berger@skymed.com (SkyMed inquiries only please). You can also send texts to that 508 line and leave voice messages. 26. Answering Your Questions: Examples of What SkyMed Does & How SkyMed Works

---An Important Message from Jeff Berger to All SXM Weekly News Readers---

We've always said SkyMed **TAKES YOU HOME**® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. **In recent weeks as many of you have decided to resume traveling, you've asked us for examples of what SkyMed does.** Several examples are right here:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 33+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me; our pricing for multiyear memberships is much lower than SkyMed's pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

27. LEAD STORY: Causeway Bridge Stuck in Open Position

Causeway Bridge Still Closed to Motorized Traffic:

PORT ST. MAARTEN – The Causeway Bridge remains out of service for motorized traffic. Technicians worked on Tuesday troubleshooting the issue, however, there has been no progress to-date, and the teams involved will continue Wednesday working diligently to resolve the problem.

Bridge manufacturer Hollandia specialist working remotely from the Netherlands, supported by local technical teams from NV GEBE, Electec, along with Port St. Maarten Group staff, are part of the assembled group that have been working almost around the clock to find a resolution.

The Simpson Bay Lagoon Authority (SLAC) apologizes for the inconvenience caused. On Monday afternoon the Causeway Bridge suffered a technical problem while it opened for maritime traffic. In the process of closing the bridge, the system malfunctioned possibly due to a power grid outage. SLAC will keep the community informed with respect to any updates.

For the latest updates today (Tuesday July 5) and beyond see our [Everything SXM Facebook Group](#).

28. Coffee Lounge Owner Opens BOLD BUDDHA Bar / Restaurant on Great Bay Beach at Horizon View Hotel

The owner of SXM's Coffee Lounge coffeehouse/breakfast/snack/dessert emporiums on Front Street and in Simpson Bay, Seema Mirchandani Vaswani, has now opened the Bold Buddha bar and restaurant on Great Bay beach at Horizon View hotel. It's conveniently accessible from both front Street and the boardwalk — number 49 Front St.

Serving Asian, Caribbean, Tapas, and more, plus a mega-variety of excellent cocktails, the restaurant also offers entertainment on some nights and lots of activity all day long, with music/dancing on their outdoor terrace. [This one is a keeper and is our choice this week as Restaurant of the Week in the column you'll see below.](#) **Early reviews from folks visiting the restaurant have been outstanding, telling us that everything is arriving as ordered, hot food is hot, service is quick and highly competent, and the flavors and aromas are all top notch.** Try Bold Buddha soon!

29. Dollar & Euro Remain Almost at Par - Great for French Side Purchases With Dollars

If you like the idea of shopping or dining on the French side, you will love the fact that the dollar and euro currently are remaining close to par. The difference between the dollar and euro is only a few pennies as of today (Tuesday morning). See story 31 below.

30. Big, All-New Lucky Shopping Center Opens Near Philipsburg

This huge new complex, one of the biggest shopping buildings on the island, is now open; see the full story [here](#).

The location is a few hundred yards east of the St. Maarten Medical Center, on the opposite side of the road. Definitely worth a visit.

31. Perfect Summer Weather in SXM: July Delivers The Year's Best Weather

Give yourself an extra summer vacation and get down here this month or next; [July is the best month of the year weatherwise on SXM](#), generally dry and gorgeous weather. Come on down....

32. Winter-Size Crowds at Maho

One sure sign of SXM being busy is the size of the crowds at Maho beach — watching airplanes arrive and depart. Crowds there have been winter-size on days when there are a number of ships in port. Although the summer is busy, getting around is relatively easy — assuming the causeway bridge is functioning. As always, we recommend reservations so you get the seats you want at the time you want at your chosen restaurant.

33. MOVIDA for Picnic Lunches Too

We recently ran a special edition here concerning SXM restaurants. It included a number of places where you can get box lunches to take with you on island tours. To see that edition of *SXM Weekly News*, go to our [SXM Weekly News PDF Archives](#) which update tomorrow (Wednesday).

We inadvertently omitted Movida Restaurant which does a big business in take away box lunches. The food there is terrific; if you haven't tried it yet, we urge you to do so.

35. Restaurant of the Week:

This series returns next week. In the meantime, see below for recently featured restaurants.

Setting / Location: Bold Buddha Bar / Restaurant, 49 Front Street, Horizon View Hotel, Philipsburg; access from Front Street or the Boardwalk.

Offerings: Tapas, Asian, Caribbean, and more -- this is an innovative very together tapas/fusion style bar/restaurant that knows how to serve customers quickly, accurately, and with hot food that is actually hot. It's somewhat unusual for new restaurants to get the operational cadence right in their first few weeks but these folks seem to have done that. Give them a try soon on your next visit!

Here are recently featured SXM restaurants:

Bold Buddha Bar/Restaurant, 49 Front Street at Horizon View Hotel, Philipsburg (featured 7/5/22) Cool new place with seasoned service, very good tapas / Caribbean / Asian and other food, a superb location, and a perfect concept. Highly recommended; something new and different. Ideal place to cool off with a delicious drink and make your taste buds happy.

Vesna Taverna, www.vesnasxm.com (featured 6/13/22). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, reasonable pricing.

La Rosa Restaurant, Maho Plaza, (featured 5/23/2022): Loved the relaxing vibe, attentive service, GREAT food, reasonable prices, and BIG portions. www.larosarestaurant.com/index.html

Jai's Contemporary Fusion Cuisine (featured 5/9/22), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See

<https://www.facebook.com/jaissxmresto>

Astra Steak & Seafood (featured 5/2/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's relatively new, beautiful, constantly evolving, and has high-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 4/4/22) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have a number of fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side. <https://www.facebook.com/Mamapizzaisthebest>

Mandarin Pan Asian at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 3/21/22). Excellent selection of palate-pleasing offerings from Japan, Thailand, and China. Highly recommended.

IZI Ristorante Italiano, www.izisxm.com (featured 3/14/22). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's very best restaurants. Fun atmosphere, too.

Isola next to Hollywood Casino at Simpson Bay Resort, (featured 3/7/22). Italian. Excellent food, many choices (pizza too), busy, good specials. Lively; busy; entertainment some nights. Many folks from Simpson Bay Resort dine here as well as many locals and lots of casino high-rollers. www.isolaristorante.com

Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22) Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here.

Avantika Thai www.avantikasxm.com (featured 2/14/22) Avantika is flat-out wonderful; SXM's best 4hai Delicious food artfully presented and reasonably priced, backed by seasoned service. Go...you'll become a regular.

Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Mario's Bistro at the Cliff, formerly Mario's Bistro www.maribistrot.com/en/ 1/17/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

The Coffee Lounge, (featured 1/3/22) Simpson Bay next to Domino's and in Philipsburg at the head of town. Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Pineapple Pete, www.pineapplepete.com (featured 12/20/21) Known for great lobster Thermidor and lots, lots more. Generous portions, reasonable prices. Huge variety. Games for kids & their parents.

Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rhum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

Blue Bitch Bar www.bluebitchbar.com, formerly Taloula Mango's Blue Bitch Bar, is THE bar/restaurant to visit on the Boardwalk in Philipsbuirg. (featured 8/9/21) Great open-air atmosphere, outdoor dining/drinking, entertainment. Their menu is extensive with excellent food, fun atmosphere, and beautiful ocean views. Located on the beach, at the Boardwalk....

37. How You Can Help Us Continue to Avoid a JMB Website Supporters Island Discount Program 2022 Price Increase...

We depend on your support to enable us to publish *SXM Weekly News* every week. We also depend on your support to fund the work we do to publish news in our **weather center** and in our [Everything SXM Facebook Group](#) concerning tropical weather approaching SXM for the US mainland. Your support also makes possible the winter parties we hope to resume next winter for our JMB Website Supporters members plus all the benefits of our JMB website Supporters Island Discount Program.

Earlier this year, we announced that we were going to increase prices — since the price increase was long overdue and held off because of Covid. **We never did that price increase**, wanting to hold the line for our members and we still want to hold the line. But Russia invaded Ukraine and crude oil prices have shot through the roof, as we all know, and the costs of everything have gone crazy. **At this point, we still don't want to raise prices but we need your help**

now to be able to hold the line on our current pricing for membership in our JMB Website Supporters Island Discount Program. Please join or renew now, [here](#). *We will be grateful for your support as we begin our 31st year communicating about SXM to hundreds of thousands of readers around the world.*

This is important: we have been working on and continue to work on a significant upgrade of our JMB Website Supporters Island Discount Program. We are hoping the upgrade will be finished by the end of this summer, and we are depending on our partners and our sponsors to offer new discounts to all our JMB Website Supporters Island Discount Program members. If you are our Sponsor of JMB, please contact us at jmbcomms@Gmail.com or text us through WhatsApp at 721-588-4188 so we can get things started for you.

Regardless of whether **you** are already a member of JMB Website Supporters, you can join or renew your membership and get hundreds of benefits through us now, [here](#). We are grateful for your support, as always. You make all this possible!

38. What Are the Best Sources of Accommodations Rentals?

We offer hundreds of timeshare condominium rentals directly from timeshare owners in the listings on our main site, www.everythingSXM.com. There, you're not buying from strangers — you're buying from other people who love St. Maarten as much as you do. We've been doing this since 1992 and we know that it's the way thousands of people have rented weeks successfully over the last 30 years. Give it a try. More information about Condominiums is in Section 2, above.

39. Enormous Library of SXM Information is On The Web

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

a) our **SXM Weekly News PDF archives** include every edition of SXM Weekly News since 2014 – now approaching 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer. (A link to the Archives is in every edition of *SXM Weekly News*.)

b) our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic — and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of nearly 33,000 members — not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and who have a wealth of information available.

c) we have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our everything SXM Facebook group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources — and don't forget to thank those who have made them possible.

40. Flying This Summer? Here's Something Else You Should Know

If you are traveling anywhere this summer, there is a way you can inject tremendous peace of mind into your travels...

For the first three months of any new SkyMed annual or multiyear membership, SkyMed excludes coverage of pre-existing conditions; after three months, those conditions are covered in full. **So...to AVOID ANY IMPACT on your travel plans this Summer or Fall, buy your new SkyMed annual or multiyear membership NOW, at least three months ahead of your planned Summer/Fall travel -- then the 90-day exclusion period for preexisting conditions will end before you travel...**

Why get annual or multiyear memberships? SHORT-TERM family memberships (for a week or two) are \$15/day, while guaranteed renewable for life, price guaranteed for life annual and multiyear memberships are only about

\$1.64/day -- less than a decent cup of coffee. Call me at 508-591-3483 or jeff.berger@skymed.com for answers to questions or to sign up by phone.

Available exclusively to Americans and Canadians. SkyMed TAKES YOU HOME(R) when you become seriously ill or injured while traveling in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global protection is also available through GETS, Global Emergency Travel Services, part of the SkyMed group.

41. Getting Answers to All Your Questions About SXM

Regardless of what questions you have about SXM, you can find the answers to any questions either in the files area of our [Everything SXM Facebook Group](#) (where we post our current Guide to Entry Requirements) that answers many questions) or you can simply post a question on our site.

We have over 32,000 members, more than other active SXM Facebook sites combined. Our site is also a unique news and information portal, not typical social media where people post pictures of smiling cats, monkeys standing on their heads, and other pointless items. Our SXM site is strictly SXM focused with no drivel. Join it today at www.facebook.com/groups/mySXM.
