**THIS WEEK'S STORIES:**

Stories are numbered; scroll down for stories of interest.

**SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather, Etc.**

**GETTING HERE:**

**1. Jet Blue Cancels Numerous Flights from Ft. Lauderdale & Newark; Check Yours**

If you have reservations aboard JetBlue to SXM from either Fort Lauderdale or Newark, check your reservations now.

JetBlue has been canceling SXM flights from Fort Lauderdale consistently for several months -- and now is canceling various flights from Newark in future months as well. These actions relate to the national shortage of pilots.

Most major airlines have been proactively canceling future flights far ahead to avoid a last-minute flight cancellation zoo.

If you are flying out of either Fort Lauderdale or Newark to SXM (or anywhere else) aboard JetBlue, reconfirm your flights now -- and continue checking them frequently going forward.

**2. All Three Metro New York Airports Face Flight Reductions Dictated by Inadequate FAA Staffing**

Heads up if you are flying anywhere through all three New York City airports...

All three metropolitan New York airports are facing flight reductions caused by inadequate staffing of air traffic controllers from the FAA. There have been staffing issues of air traffic controllers around the country in recent months; the situation has been particularly acute in northern Florida and now also in metro New York.

All airlines are facing flight reductions dictated by there not being enough air traffic controllers in the very busy Northeast corridor. Regardless of where you're heading to through the three New York metro airports, either try to avoid those airports during the next few months or keep reconfirming to make sure your flights are not affected.

**3. AA Cancels 31,000 November Flights; for Them, It's a Small Percentage**

American Airlines, the largest airline in the world, is canceling 31,000 November flights — but for them, the percentage

of total flights is small. The cause, again, is the national pilot shortage.

American Airlines may be the worst offender among airlines that have scheduled flights that at the end of the day turned out to be fictitious. Back when all Boeing 737 Max airplanes had been grounded globally, American Airlines dutifully kept on scheduling them, then canceled the flights close to flight time, infuriating tens of thousands of passengers. Apparently AA has continued to schedule flights for which it has no pilots so now, it is reportedly canceling 31,000 flights in November which will inconvenience and infuriate hundreds of thousands more passengers that month — and most certainly beyond.

Regardless of which airline you're flying when you return to SXM, be sure to reconfirm frequently. The airlines are getting better, seemingly, at being proactive about canceling flights for which they have no pilots. However, we think it would have made far more sense for them not to have scheduled the flights in the first place. If you have AA flights anytime in November or after -- keep double-checking for cancellations / changes.

---

## 4. AA, Pilots in Contract Negotiations

American Airlines and its pilots are in contract negotiations — something that's happening in multiple airlines right now. Although airline strikes are basically illegal, pilots can and do *get sick*. American pilots have gone through a great deal over the last 20 years and they want the airline to make things right for them; the situation is the same at multiple airlines.

We will continue watching this to keep you aware of the progress of negotiations — or the lack of it. We are hoping that the flight scheduling mess that currently envelops all major US airlines (and many commuter carriers) isn't aggravated by unresolved issues in contract negotiations that could (but hopefully won't) lead to sick outs on some carriers.

---

## 5. "Sick" FAA Controllers Impact Flights in the Northeast

Scattered press reports are indicating that "sick" air traffic controllers are impacting flights in the Northeast — and not just in the New York metro area. This can cause delays throughout the system, since the Northeast is so pivotal to US national air traffic. Federal officials are working to ameliorate the problem — but there is no magic wand to solve it quickly.

We will keep you posted, as always.

---

## 6. Forget the Nonsense You're Hearing About No More Boarding Passes

You may have heard some reports indicating that boarding passes will no longer be required for flights in some airports. We strongly suggest you ignore all those reports, for now.

There is a (frankly) experimental program at some airports under which boarding pass information is keyed to your passport and/or Global Entry or Pre-check account. However the program is experimental and it is not active at all airports. In addition, computers aren't perfect and neither are the people who program or operate them, so you can count on issues with this system as the kinks get worked out.

*For now, be sure to take your boarding passes for all your flights — either in printed form or on your phone. If or when this changes, we will let you know.*

---

## 7. SXM Airport Awards Contract for Jetways, Other Equipment

Jetways is the term commonly used to refer to those contraptions that connect airline terminals with specific airplanes; they are also technically termed *passenger boarding bridges*.

SXM Airport has just ordered replacement passenger boarding bridges which will be some of the last equipment delivered just before the airport completely reopens by about this time or a bit later next year. (Other parts of the airport will open incrementally as soon as this Fall.)

Although many people have been highly critical of the time that it has taken the airport to be rebuilt, please remember that the insurance company with which SXM Airport had entrusted its financial health (in case of a hurricane or other

calamity) refused to pay the claim in full for many months, which made it necessary for the airport to take the insurance company to court and to arrange other financing over many months during which the parties were wrangling with lawyers and judges. Had the insurance company paid the claims initially made, we expect the airport would've been fully open some time ago — but the claims weren't paid in anything resembling "quick" fashion and reconstruction continues, scheduled for completion next year.

Here is [the full story](#) on the jetways and other equipment.

## 8. Where to Find Our Guide to SXM Entry Requirements / Return to US Requirements (Newly Updated)

Tens of thousands of tourists will be visiting SXM this summer and fall, with hundreds of thousands coming next winter. Planning for all of these visits is well underway.

Our **Guide to Entry Requirements** (Second Edition, just updated) simplifies SXM Entry Requirements to make it easier for our readers to understand exactly what the island is looking for and to successfully navigate SXM's Electronic Health Authorization System (EHAS) website, through which visitors to SXM must still apply for the required preapproval.

To access the just-updated second edition of our Guide to Entry Requirements, *which is free*, go [through this link](#) (revised) to the files area of our [Everything SXM Facebook Group](#). You should be able to access the file easily if you are already a Facebook member.

Further updates may happen as the number of hospitalizations on the island stays very low. See next story.

## 9. MEDEVAC COSTS ARE SOARING: Got a Spare \$45,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. For about \$1.64/day for an annual or multiyear SkyMed membership, SkyMed will do all of this stuff once you make that single quick phone call.

For more information, call us today at 508-591-3483 or [Jeff.Berger@skymed.com](mailto:Jeff.Berger@skymed.com). Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

What should you do if your flight is canceled or delayed as happens fairly often now due to weather or staffing shortages?

This [article](#) gives you exact answers.

***Etc./Weather***

## 12. Tropical Atlantic Starts Percolating as Hurricane Season Peak Approaches

The peak of every hurricane season is reached during the first week of September, which is when record-shattering hurricane Irma slammed into SXM almost exactly 5 years ago with sustained winds of 185 miles per hour and reported gusts of approximately 240 miles per hour.

Right on cue, the tropical Atlantic is starting to percolate thanks to westward-moving monsoonal storms crossing Africa, progressively moistening the air in the tropical Atlantic and apparently improving the likelihood of tropical storm formation there. As always, we are watching all developments closely.

Please see the following two articles for access to much more information about tropical weather developments and reports. The news on those sites will help you stay on top of the latest tropical weather information.

## 13. Be Properly Prepared for Hurricane Season

Compiled by NOAA and the National Hurricane Center, this information can help anyone who is ever in the path of any tropical cyclone hopefully make it through that event safely. For your own safety, download [this document](#) and save it after reading -- and feel free to share it with others.

***Get your SKYMED MEMBERSHIP \*BEFORE\* you need it. Air ambulances are now more costly than ever: when you become seriously or critically ill or injured while traveling, SKYMED TAKES YOU HOME® to doctors and hospitals you know & trust. Otherwise you must pay tens of thousands of dollars in cash in advance to get a medevac jet -- if you can even do it (NOT easy or fast if you don't know how). SkyMed annual or multiyear memberships are only about \$1.64/day, and they're guaranteed renewable regardless of age or medical condition at renewal and they are PRICE GUARANTEED FOR LIFE. Why wait? ## 14. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather

information...

Here are SIX sources of current SXM weather info:

- 1) **[Crown Weather Services](#)** whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "**Weather Center / Hurricane Center**" at [www.everythingsxm.com](http://www.everythingsxm.com) -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our **[Everything SXM Facebook Group](#)** publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see [www.island92.com](http://www.island92.com). They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

**In addition**, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our **[Everything SXM Facebook Group](#)**, and we will post all of that material directly in the weather center of our everything SXM website, [www.everythingsxm.com](http://www.everythingsxm.com).

## **16. Buying a Condo in SXM: Important Procedural Help**

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. **26. THE SKYMED SALE DETAILS: Only \$1.64/day Gets You**  
**Guaranteed Renewable, Price-Guaranteed-Forever SkyMed**  
**Annual or Multiyear Medevac Protection:**

• **WHAT IS SKYMED? WHERE DOES SKYMED WORK?**

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must get your SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

• **WHAT ARE "ULTIMATES"?**

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services and protect you worldwide -- almost everywhere. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions.

**LOW GROUP PRICING \*LOWER THAN THE PRICES ON THE SKYMED WEBSITE\*:**

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. **The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us DIRECTLY (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.**

- **LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:**

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2022 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

- **HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (new number, where you can also text us) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com).**

My SkyMed website: <http://www.skymed.com/jmb>. **But please CALL ME DIRECTLY with questions or to sign up - that way I get credit (number above).** Or [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com)

- **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Travel Services, a SkyMed company.

- **Key Differences Between SkyMed Short-Term & Annual Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships** are available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it. **Although at \$15/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis**, short-term protection is economical if you seldom travel and take brief trips. The cost is \$9/day per individual, or a maximum of \$15 a day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. The single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health.** Details are in SkyMed's Member Services Agreement. We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now only about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit). Phone anytime at 508-591-3483 (NEW NUMBER). That's a direct line to Jeff Berger that also accepts text messages. *Updated 6/20/22.*

- **\*What is the SkyMed Ultimate?**

Again, the Ultimate is SkyMed's best - and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed "Takes You Home"® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships. **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

- **[SkyMed Frequently Asked Questions / FAQ](#)**

Feel free to contact me via Facebook Messenger as well or now WhatsApp, 721-588-4188 (through WhatsApp ONLY), or use our new office line, 508-591-3483. Or email me at [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com) (SkyMed inquiries only please). You can also send texts to that 508 line and leave voice messages. Please include your phone number, time zone, callback number, and email address.

## 27. Answering Your Questions: What Does SkyMed Do for its Members? --- *from Jeff Berger*

We've always said SkyMed **TAKES YOU HOME**® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance *works*. ***In recent weeks as many of you have decided to resume traveling, you've asked us for examples of what SkyMed does.*** Several examples are right here:

*For answers to questions or to sign up, email me at [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com) or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 33+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's pricing published on the web.*

Here are specific examples of how SkyMed works for its members:

**On a recent Thursday at Mullet Bay Beach**, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

**Mary Beth and her partner Don** were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

**An MD from Florida who always visits SXM** was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

**A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head** by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

**A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip.** After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

**Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider.** The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily

causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

**A member of the clergy** fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

**Not all trips end well:** anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

**All this is why we always recommend SkyMed.** Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

**Anything can happen anywhere:** Do it now, BEFORE YOU NEED IT. To learn more, visit [www.skymed.com/jmb](http://www.skymed.com/jmb). JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

## 29. US Transportation Secretary Pete Buttigieg Warns Airlines to

## Straighten Up -- Or the US Will Force Them To

US Sec. of Transportation Pete Buttigieg warned airlines last week to straighten up or the US government will come up with new regulations forcing them to do so. Buttigieg was particularly irked by the extreme inconvenience suffered by passengers when airlines canceled or delayed numerous flights due to lack of enough flight crew members. He told airlines that they should be putting up passengers in hotel rooms and giving them meal vouchers when the delays or cancellations were caused by the airlines. Here are [details](#) of this story.

## 30. Finally Some Much-Needed Rain for SXM

For the first time in a while, toward the end of this past week SXM saw a bit of meaningful rain.

The seasons are changing now in SXM, after a very dry summer comes to a close and the so-called rainy season is about to begin.

Unless a tropical system goes by, the rainy season doesn't get particularly rainy — usually. Tropical showers can become slightly longer than summer-level quick sprinkles, and gradually over the next few months, there will be longer and heavier showers across the island — but still a great deal of sun. Deluges can arrive when tropical depressions go by...but the good news is they turn the island beautiful shades of green and bring lush flowers and thousands of butterflies toward year's end.

## 31. St. Martin's Tijon Parfumerie To Open Store in New Orleans

John Berglund of Tijon Parfumerie reports he has signed a lease to open a Tijon Parfumerie in New Orleans at 631 Toulouse in French Quarter, and is shooting to open around Nov. 1. Congrats to Tijon! What a perfect location!

See much more about Tijon at [www.tijon.com](http://www.tijon.com). The tour of Tijon in Grand Case on the French side opposite Spiga is fascinating -- even better is the brief course you can take during which you make your own perfume or cologne. Advance reservations required.

See their website and contact Mimi at the Parfumerie in Grand Case to schedule your scent-creation session...you will love it.

## 32. Coffee Lounge Gets Unexpected Restaurant Recognition

The two coffee lounge locations in SXM — both the original one at the head of town on the far East end of Front Street and the newer one in the Plaza next to Pineapple Pete in Simpson Bay, diagonally across from Izi Ristorante Italiano — both of which are known for their outstanding variety of fresh-roasted coffees.

*But we've frequently noted that both locations also serve a variety of prepared snacks and small meals.*

Both early this year received our coveted culinary Award of Excellence largely in recognition of the outstanding coffee served in both places.

Now, Coffee Lounge has received [this unexpected recognition](#) for its culinary prowess: click the link for more information.

If you haven't yet tried Coffee Lounge for coffee and much more (including high tea in the afternoon at the Philipsburg location), you are missing out on a great treat. We've said before Coffee Lounge should be renamed Coffee Lounge and More — as you'll see on your next visit.

Congratulations to Coffee Lounge for this latest recognition.

## 33. How To Avoid Concern About SkyMed's 90-day Exclusion of Coverage for Pre-existing Conditions on New Annual & Longer Memberships

Here is a simple way to **avoid any impact from SkyMed's brief 90-day exclusion of coverage for pre-existing conditions on new annual and longer SkyMed medical evacuation memberships....**

Simply make sure you purchase your new SkyMed annual or multiyear membership more than 90 days ahead of planned travel. That way, **the 90-day exclusion of coverage for pre-existing conditions ends before you travel** — so its impact is moot as long as you're not traveling for the first 90 days the membership is in force.

**For answers to all your questions about SkyMed, please call me at 508-591-3483 or send me an email at [Jeff.Berger@skymed.com](mailto:Jeff.Berger@skymed.com), in which you include your telephone number and time zone. I'll be happy to answer all your questions by phone, send you whatever other detail you need by email, and I can take your application by phone usually in roughly 10 minutes (that way I get credit). Do it now — before you need it: *without SkyMed, you may be required to pay \$45,000 or more in cash in advance to get a medical evacuation air ambulance to come to your location and take you home. The cost for SkyMed members is \$0 beyond your cost of membership, which is only about \$1.64/day for annual and multiyear memberships.***

**Please see the stories at the beginning of this island news section for important information on SkyMed bonuses which are going away forever on December 31, 2022.** This may be your last chance to get up to 22 weeks free with the purchase of a five-year SkyMed ultimate membership that guarantees to take you home when you become seriously ill or injured anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. An outstanding suite of services is included when you buy a global Ultimate membership from us; our Ultimate memberships are perfect for people living in the USA or Canada and flying in much of the rest of the world.

***Get your SKYMED MEMBERSHIP \*BEFORE\* you need it. Air ambulances are now more costly than ever: when you become seriously or critically ill or injured while traveling, SKYMED TAKES YOU HOME® to doctors and hospitals you know & trust. Otherwise you must pay tens of thousands of dollars in cash in advance to get a medevac jet -- if you can even do it (NOT easy or fast if you don't know how). SkyMed annual or multiyear memberships are only about \$1.64/day, and they're guaranteed renewable regardless of age or medical condition at renewal and they are PRICE GUARANTEED FOR LIFE. Why wait? CALL today 508-591-3483 or email us at [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com); include your callback number & time zone please. Protect your family TODAY!***

## 34. Restaurant of the Week: Returns Next Week

What:

Where:

Particulars:

**Here are recently featured SXM restaurants:**

**Isola** next to Hollywood Casino at Simpson Bay Resort, (featured 8/13/22). Italian. Excellent food, many choices (pizza too), busy, good specials. Lively; busy; entertainment some nights. Many folks from Simpson Bay Resort dine here as well as many locals and lots of casino high-rollers. Outstanding restaurant. [www.isolaristorante.com](http://www.isolaristorante.com)

**Astra Steak & Seafood** (featured 7/25/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's new, gorgeous, constantly evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

**IZI Ristorante Italiano**, [www.izisxm.com](http://www.izisxm.com) (featured 7/11/22). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's very best restaurants. Fun atmosphere, too.

**Bold Buddha Bar/Restaurant**, 49 Front Street at Horizon View Hotel, Philipsburg (featured 7/5/22) Cool new place with seasoned service, very good tapas / Caribbean / Asian and other food, a superb location, and a perfect concept. Highly recommended; something new and different. Ideal place to cool off with a delicious drink and make your taste buds happy.

**Vesna Taverna**, [www.vesnasxm.com](http://www.vesnasxm.com) (featured 6/13/22). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, reasonable pricing.

**La Rosa Restaurant**, Maho Plaza, (featured 5/23/2022): Loved the relaxing vibe, attentive service, GREAT food, reasonable prices, and BIG portions. [www.larosarestaurant.com/index.html](http://www.larosarestaurant.com/index.html)

**Jai's Contemporary Fusion Cuisine** (featured 5/9/22), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaisxmresto>

**Melange International Grill, Port de Plaisance (next to Princess Casino entrance).** (featured 4/18/22) A spectrum

of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

**Mama Pizza**, Porto Cupecoy & Oyster Pond, (featured 4/4/22) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have a number of fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side. <https://www.facebook.com/Mamapizzaisthebest>

**Mandarin Pan Asian** at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 3/21/22). Excellent selection of palate-pleasing offerings from Japan, Thailand, and China. Highly recommended.

**La Patrona, Simpson Bay Resort** (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

**Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22)** Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here).

**Avantika Thai** [www.avantikasxm.com](http://www.avantikasxm.com) (featured 2/14/22) Avantika is flat-out wonderful; SXM's best 4hai Delicious food artfully presented and reasonably priced, backed by seasoned service. Go...you'll become a regular.

**Spiga**, [www.spiga-sxm.com](http://www.spiga-sxm.com) (featured 2/7/22) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

**SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22)** is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

**Emilio's at the Emilio Wilson Estate**, Dutch Side, <https://emilios-sxm.com/> . [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

**Mario's Bistro at the Cliff**, formerly Mario's Bistro [www.mariobistrot.com/en/](http://www.mariobistrot.com/en/) 1/17/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

**The Coffee Lounge**, (featured 1/3/22) **Simpson Bay next to Domino's and in Philipsburg at the head of town.** Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

**Pineapple Pete**, [www.pineapplepete.com](http://www.pineapplepete.com) (featured 12/20/21) Known for great lobster Thermidor and lots, lots more. Generous portions, reasonable prices. Huge variety. Games for kids & their parents.

**Wasabi Charlie Japanese Restaurant (12/20/21)** now combined with Pineapple Pete at the Pineapple Pete location, opposite IZI Ristorante Italiano in Simpson Bay. GREAT sushi rolls and sashimi and much more.

**Topper's** <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rhum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

**Blue Bitch Bar** [www.bluebitchbar.com](http://www.bluebitchbar.com), formerly Taloula Mango's Blue Bitch Bar, is THE bar/restaurant to visit on the Boardwalk in Philipsburg. Located on the beach, at the Boardwalk....

**Pure Ocean Restaurant** at Divi Little Bay Resort, Dutch side (featured 3/1/21) Fine new beachside restaurant serving breakfast, lunch, and fine dining dinners. Excellent choices for everyone, innovative menu, beautiful presentation, and downright delicious. Great #Caribbean ambiance on their open-air beachside deck. Attentive service and responsive staff.

## 36. What Are the Best Sources of Accommodations Rentals?

We offer hundreds of timeshare condominium rentals directly from timeshare owners in the listings on our main site, [www.everythingSXM.com](http://www.everythingSXM.com). There, you're not buying from strangers you're buying from other people who love St. Maarten as much as you do. We've been doing this since 1992 and we know that it's the way thousands of people have rented weeks successfully over the last 30 years. Give it a try. More information about Condominiums is in Section 2, above.

## 37. Enormous Library of SXM Information is On The Web

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

- a) Our **SXM Weekly News PDF archives** include every edition of SXM Weekly News since 2014 -- now approaching 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer. (A link to the Archives is in every edition of *SXM Weekly News*.)
- b) Our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic -- and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of well over 33,000 members, not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and have a wealth of information available.
- c) We have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our Everything SXM Facebook Group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources -- and don't forget to thank those who have made them possible.

## 38. Flying Next Winter? Here's Something Else You Should Know

If you are traveling anywhere this winter, there is a way you can inject tremendous peace of mind into your travels.

For the first three months of any new SkyMed annual or multiyear membership, SkyMed excludes coverage of pre-existing conditions; after three months, those conditions are covered in full. **So...to AVOID ANY IMPACT on your travel plans this Summer or Fall, buy your new SkyMed annual or multiyear membership NOW, at least three months ahead of your planned travel -- then the 90-day exclusion period for preexisting conditions will end before you travel...**

**Why get annual or multiyear memberships?** SHORT-TERM family memberships (for a week or two) are \$15/day, while guaranteed renewable for life, price guaranteed for life annual and multiyear memberships are only about \$1.64/day -- less than a cup of coffee. Call me at 508-591-3483 or [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com) for answers to questions or to sign up by phone.

Available exclusively to Americans and Canadians. SkyMed TAKES YOU HOME(R) when you become seriously ill or injured while traveling in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global protection is also available through GETS, Global Emergency Travel Services, part of the SkyMed group.

Regardless of what questions you have about SXM, you can find the answers to any questions either in the files area of our [Everything SXM Facebook Group](#) (where we post our current Guide to Entry Requirements) that answers many questions) or you can simply post a question on our site.

We have over 33,000 members, more than other active SXM Facebook sites combined. Our site is also a unique news and information portal, not typical social media where people post pictures of smiling cats, monkeys standing on their heads, and other pointless items. Our SXM site is strictly SXM focused with no drivel. Join it today at [www.facebook.com/groups/mySXM](http://www.facebook.com/groups/mySXM).
