THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. New Tropical System in the Central Atlantic Being Watched

After an unusually quiet August, during which no named tropical cyclones formed in the Atlantic basin, September quickly came alive with multiple systems wreaking havoc in a number of countries.

So far, SXM has been lucky during the 2022 hurricane season — and all of us hope the next two months stay as peaceful for the island as the season has been so far.

We continuously watch the Atlantic for developing systems. One is currently brewing in the central tropical Atlantic and is expected to reach the Windward islands several days from now. Its status and movement are being covered in the Tropical Outlook issued by the National Hurricane Center and published in real time in the weather center on our main site, www.everythingSXM.com. Whenever anything happens in the Atlantic basin that is of potential significance to residents or visitors to SXM, we publish that information quickly in our [Everything SXM Facebook Group](#). We can publish things there as they happen, which ensures current, accurate, complete information for everyone visiting our Facebook group. If you are not a member of that group, we urge you to join it now; it's where 34,000 members exchange current, useful information about SXM — a focused SXM news and information portal unlike any other. Membership in our Facebook group is free.

2. Entry Requirements To Get Big-Time Changes October 15 & In March

Entry Requirements for visitors to SXM will change effective October 15 and further changes will be made next March. To ensure that all island visitors stay thoroughly aware of changing requirements, we have created an updated second edition of our Guide to Entry Requirements which is available online in the files area of our [Everything SXM Facebook Group](#). What follows in the next article tells you how to access that highly useful, detailed information.

3. Where to Find Our Guide to SXM Entry Requirements / Return to US Requirements

Tens of thousands of tourists will be visiting SXM this summer and fall, with hundreds of thousands coming next winter. Planning for all of these visits is well underway.

Our **Guide to Entry Requirements** (Second Edition, just updated) simplifies SXM Entry Requirements to make it easier for our readers to understand exactly what the island is looking for and to successfully navigate SXM's Electronic Health Authorization System (EHAS) website, through which visitors to SXM must still apply for the required preapproval.

To access the just-updated second edition of our Guide to Entry Requirements, *which is free*, go [through this link](#) (revised) to the files area of our [Everything SXM Facebook Group](#). You should be able to access the file easily if you are already a Facebook member.

Further updates may happen as the number of hospitalizations on the island stays very low. See next story.

4. MEDEVAC COSTS ARE SOARING: Got a Spare \$45,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed membership, SkyMed will do all of this stuff once you make that single quick phone call.*

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

5. ABSOLUTELY ENDS 12/31: 22 Additional Weeks FREE From SkyMed with Ultimate Global 5-year Medevac Memberships (Act Quickly If You're Planning a Trip Across the Pond or to Asia, Africa, Australia, or South America)

The 22-week **FREE MEMBERSHIP BONUS** for buying SKYMED's best GLOBAL membership, the SkyMed 5-yr. Ultimate, **ENDS 12/31.** *If you travel beyond the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, this is the BEST and LEAST EXPENSIVE product SkyMed sells on a cost-per-day basis: it will pay you to get these bonus 22 free weeks while they are still offered. Email me at jeff.berger@skymed.com with your phone number and time zone or call us USING WHATSAPP (free) 721-588-4188 or text or phone us at 508-591-3483.*

Available only to Americans, Canadians, or both living as xPats in the countries noted above. DO IT NOW WHILE IT'S FRESH IN YOUR MIND....SKYMED TAKES YOU HOME® when you become seriously ill or injured while traveling for pleasure or on business!

6. What To Do If Your Flight is Canceled or Delayed...

What should you do if your flight is canceled or delayed as happens fairly often now due to weather or staffing shortages?

This [article](#) gives you answers.

Etc./Weather

7. See Story 1 for the Latest Tropical Weather Update

You'll be able to access current information on what's happening quickly after reading story #1 above....

8. Be Properly Prepared for Hurricane Season

Compiled by NOAA and the National Hurricane Center, this information can help anyone who is ever in the path of any tropical cyclone hopefully make it through that event safely. For your own safety, download [this document](#) and save it after reading -- and feel free to share it with others.

Get your SKYMED MEMBERSHIP *BEFORE* you need it. Air ambulances are now more costly than ever: when you become seriously or critically ill or injured while traveling, SKYMED TAKES YOU HOME® to doctors and hospitals you know & trust. Otherwise you must pay tens of thousands of dollars in cash in advance to get a medevac jet -- if you can even do it (NOT easy or fast if you don't know how). SkyMed annual or multiyear memberships are only about \$1.64/day, and they're guaranteed renewable regardless of age or medical condition at renewal and they are PRICE GUARANTEED FOR LIFE. Why wait? CALL today 508-591-3483 or email us at jeff.berger@skymed.com; include your callback number & time zone please. Protect your family NOW!

9. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

SECTION 2: Accommodations: Hotels, Resorts, Timeshares, Villas Etc

10. Dozens of New Timeshare Condo Vacation Weeks Now Available at Our EverythingSXM.com

Literally dozens of new ads for timeshare condo weeks for rent and for sale from timeshare owners were posted this past weekend in our main SXM site, everythingSXM.com. *The prices you can get directly through timeshare owners are usually significantly less than what you would pay by renting directly from the resorts, if space is available.*

Some weeks for 2022 remain available, even during holiday weeks if you act quickly. Many weeks are now available in SXM from timeshare owners for prime winter vacation weeks at beachfront hotels as well — the best selection will be available to those who rent quickly.

11. For SXM Condo Buyers, Some Critically Important Advice

Moving to the Caribbean requires a multi-step procedure that involves different citizenship programs. While territories in the Caribbean region have made relocation to the Caribbean easier for people, it's still a meticulous process. It's best to go through the application with seasoned immigration consultants.

Our partner [BrightPath Caribbean](#) is an expert immigration agency that has helped countless people move to their slice of paradise in the tropics. Investors, retirees, and skilled workers who were assisted by the BrightPath team now enjoy life in the land of sun, sea, and sand.

By working with BrightPath's immigration consultants, you don't have to deal with the nitty-gritty of the complicated immigration process. Plus, you avoid delays and increase your chances of approval.

Moving, retiring, and opening a business in Sint Maarten (country abbreviation SXM) all involve complicated, multi-step processes. So leave the nitty-gritty to professionals who are well-versed in immigration and the business climate in this Caribbean country.

BrightPath Caribbean makes your move to Sint Maarten smooth-sailing and fuss-free. You no longer have to deal with complicated paperwork or complex immigration, incorporation, or retirement procedures. Our consultants in Sint Maarten will oversee everything so that you can focus on the important thing -- your new life in paradise.

If you're eyeing St. Maarten for your retirement or new venture, then you've made the right choice.

12. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#). (Link is being updated).

Please check this link to [BrightPath Caribbean SXM](#), a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Tell them you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

14. Some SXM Timeshare Condo Rentals Still Available for '22, and Lots for 2023

Dozens of new listings of timeshare and other condominiums for rent and for sale for both 2022 and 2023 have been added to our timeshare sales / rental page in our main SXM site, www.everythingsxm.com. If you're looking for a place to stay, that's where to find it. All of our listings are from members of our JMB Website Supporters island discount program so you deal directly with timeshare owners -- there are no middlemen or agents or anyone else charging commissions. *Usually, timeshare owners charge close to their actual annual maintenance fee costs.*

Dozens more new entries were posted over the last couple of weeks.

15. Reminder: JMB Members May Now Advertise Both Timeshare Weeks They Own and Privately Owned SXM Condominiums On Our Site

We are now accepting advertising for both timeshare resort condominiums as well as privately owned condominiums on the island directly from their owners who are members of our JMB Website Supporters Island Discount Program. This is effective immediately and includes weeks from both 2022 and 2023. Submit your ads through the members-only "Secret" website.

20. SKYMED DETAILS: Only \$1.64/day Gets You Guaranteed Renewable, Price-Guaranteed-Forever SkyMed Annual or Multiyear Medevac Protection:

WHAT IS SKYMED? WHERE DOES SKYMED WORK?

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must get your SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

WHAT ARE "ULTIMATES"?

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis

(about \$1.64/day for family protection). They offer a suite of 18 services and protect you worldwide -- almost everywhere. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions.

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. **The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us DIRECTLY (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.**

• **LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:**

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2022 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

• **HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (new number, where you can also text us) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.**

My SkyMed website: <http://www.skymed.com/jmb>. **But please CALL ME DIRECTLY with questions or to sign up - that way I get credit (number above).** Or jeff.berger@skymed.com

• **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Travel Services, a SkyMed company.

• **Key Differences Between SkyMed Short-Term & Annual Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships** are available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it. **Although at \$15/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis**, short-term protection is economical if you seldom travel and take brief trips. The cost is \$9/day per individual, or a maximum of \$15 a day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. The single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health.** Details are in SkyMed's Member Services Agreement. We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now only about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit). Phone anytime at 508-591-3483 (NEW NUMBER). That's a direct line to Jeff Berger that also accepts text messages. *Updated 6/20/22.*

***What is the SkyMed Ultimate?**

Again, the Ultimate is SkyMed's best - and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed "Takes You Home"® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust

takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships. **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

21. Answering Your Questions: What Does SkyMed Do for its Members? --- *from Jeff Berger*

We've always said SkyMed TAKES YOU HOME® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. ***In recent weeks as many of you have decided to resume traveling, you've asked us for examples of what SkyMed does.*** Several examples are right here:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 33+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

22. Important News About Hurricanes, SXM Weekly News, and our Everything SXM Facebook Group

There are times when things just don't go according to plan.

For example, *SXM Weekly News* has been published since the spring of 1992 — usually on Mondays except during holiday weeks. Rarely, there are double issues either when news is exceptionally quiet (hardly ever happens) — or when there are so many things going on for us that we need a breather to maintain sanity.

What happened last month was none of those.

Jeff Berger started reporting about hurricanes in the 1960s when he worked in radio and TV news for a radio/TV station in Providence, Rhode Island. It was abundantly clear to everyone at the station that *the most sought after news is always that which directly affects station listeners and viewers.*

Especially before and since hurricane Irma hit the island five years ago, we have been acutely aware of the need people have to know what's happening on the island year-round. We were also told by island residents that after Irma had hit in 2017, when there was no power and radio and TV stations had been knocked off the air, they used our [Everything SXM Facebook Group](#) and *SXM Weekly News* for urgently needed detailed information on what was going on on the island. People associated with our [Everything SXM Facebook Group](#) were working around-the-clock to gather information and quickly get it out to everyone concerned. We even helped people meet each other or find each other for evacuations, acting as informal, unofficial, unheralded facilitators for evacuations.

Last month, "hurricane alley" in the Atlantic got busy in a hurry and our attention turned to making sure (along with our partners at Island92 radio) that we issued complete information about storms impacting the region for both tourists and residents on SXM and for tens of thousands of tourists and travel agents who depend on us for current, accurate information. When storms are in the region, we strongly urge *SXM Weekly News* readers to go to our [Everything SXM Facebook Group](#) for the latest accurate storm information.

It's important to understand that our Facebook group is not typical social media — far from it. It is a news and information portal focused squarely on SXM which does not allow non-SXM posts, pictures of people's cats, cartoon-like images (animated or not) or any comments that don't focus on SXM or disrespect other members of the group. The

difference between our site and traditional social media is remarkable — and we unwaveringly proud of that. We ask new members of the site to read and follow our Rules of the Road posted in the Files area of the Facebook Group to make sure they understand how the site works and how to use it — an understanding with which they will be able to maximize what they get out of the site.

During September, we became almost totally focused on Atlantic basin hurricanes and were reporting on them online about 18 hours a day while also making it perfectly clear how people could get real-time tropical Outlooks and advisories on all active storms instantaneously.

Hopefully, such frenetic storm activity won't soon be duplicated and we can get back to our main job here of communicating significant information about everyone's favorite Caribbean island. But when storms approach, or are in the region, know that a great source of accurate information from professional journalists will be available quickly in our [Everything SXM Facebook Group](#), which we urge all readers of *SXM Weekly News* to join.

23. About October & November Weather

The weather on SXM during October and November provides a lot of sun as well as the probability of brief passing showers and sometimes longer-lasting rainstorms. It's still regarded as rainy season, which ends early in January after the December winds subside.

Bear in mind that hurricane season does not end officially until November 30, and realize that mother nature doesn't always pay attention to calendars. Thanks to climate change, storms usually start before hurricane season begins on June 1 and they have been known to develop after November 30.

24. Kol Nidrei & Yom Kippur Services Begin Tuesday Evening

The Jewish High Holy days continue this week with Yom Kippur on Wednesday. If you are Jewish and are on the island you will be welcome to attend services at the Chabad Center on Billy Folly road opposite the Atrium resort, starting with the Kol Nidrei services Tuesday evening. Here is [much more](#) on the services — both the schedule and an explanation of what this is all about. You can also register for services through this link.

25. Restaurant Reopenings Happening This Month

Many Restaurateurs throughout much of the Caribbean close their shops during September, since it's the peak of hurricane season and the month when the fewest tourists visit. Restaurateurs are returning to the island so you will find them reopening at various points this month.

Isola and Avantika, Movida, and Astra never did a seasonal closure and remain open.

During the next couple of weeks, we have already heard from Jai's Contemporary Fusion Cuisine and from Izi Ristorante Italiano, both which of which are expected to open during the next couple of weeks. Vesna Taverna never closed for lunch or breakfast, and will reopen for dinner late this month or early in November. See our [Everything SXM Facebook Group](#) for more information on what restaurants had been closed this season.

26. Butterfly Season Begins!

We are not sure how it works, but every year at this time hordes of Great Southern butterflies hatch and take to the air to enjoy the seasonal floral richness of the island — and, of course, each other's company. Their numbers will continue to increase over the next several weeks, so you should expect to see them in large numbers anywhere near large fields of flowers. They also have a tendency to cross the road over the hill from Cole Bay/Simpson Bay toward Philipsburg, though a number of them meet an untimely demise thanks to the fact that they fly low and don't look for cars.

We are told these are Great Southern butterflies about which you can read more [here](#).

27. Island Getting Ready to Reawaken

As business owners return to the island, their thoughts return to ways to make their businesses more appealing to customers. As is normal this time of year, many business owners get involved in upgrades of their business, remodeling, repainting, etc. before reopening. It's always interesting to see what's new when you return to some of your favorite restaurants, jewelers, specialty shops, boutiques, and more.

The next several weeks will be a beautiful time to visit SXM.

28. The Solution to Holiday Shopping Crowds at Home: Buying Online from Top SXM Jewelers...

Many of the best jewelers on SXM have chosen to advertise to the nearly 35,000 members of our [Everything SXM Facebook Group](#). In the US, Christmas merchandise already is on the shelves of many retailers even though Halloween isn't until the end of this month. Consequently, many people are thinking about what they want to buy for Christmas and are being forced to get it now because of dire predictions about supply chain issues.

The solution to the holiday shopping conundrum and crowds at home is to simply buy what you need or want from the top SXM jewelers who are advertising in our [Everything SXM Facebook Group](#). A number of times a week, they post pictures and descriptions of outstanding pieces — rings, bracelets, pendants, earrings, watches, and much more on our site — and each Jeweler has thousands of additional pieces some of which likely come very close to matching your vision for what you'd like to obtain for those people closest to you.

So you can make them your Christmas shopping headquarters, most ship for free. Also consider this: one Jeweler we know of, Caribbean Gems, has its own jewelry creation shop on the premises. If you can picture a piece you want, bring in a drawing of it to either Caribbean Gems store and they can create it. All you need to know is roughly the shape, size, and color of the stone you want, perhaps some concept about what the mounting should look like, and they can actually create the piece for you — a very special capability.

As we've mentioned before, all the jewelers in SXM carry their own unique collection of beautiful pieces; each store has its own personality and they express it through the uniqueness of the pieces they offer. If you want to buy pieces off-the-shelf, do some window shopping to find the types of jewelry you want. With a number of stores advertising on our [Everything SXM Facebook Group](#), you will without a doubt be able to find what you seek or have it custom-designed for you right in Philipsburg.

29. ...Start Your Own SXM Charm Bracelet

One piece of shopping you can do easily in SXM is to start your own SXM/Caribbean-oriented charm bracelet, containing pieces like beach clogs, seashells, lobsters, starfish, sunglasses, and many more. You can pick up charms at many jewelry stores in a wide price range. You can certainly make it an incremental process — pick up a few new charms during each visit — pieces that represent things you've done on each vacation.

That charm bracelet can deliver many pleasant memories in the years ahead.

30. Rima Beachwear: The Legend is Back With Thousands of SKUs & Great Pricing

A couple of years ago, Rima beachwear, after an absence of many years, reopened a new flagship store on front Street roughly 200 yards West of the historic courthouse. The building has multiple stories and stairs to take you from one story to another; unfortunately the only elevator is for freight.

The good news is that the first floor has thousands of items including souvenir knickknacks and clothing — with much more clothing on the second floor. Diagonally across the street from the Rima store you will find Kenny's, a sister store with the same ownership carrying even more Rima souvenir merchandise. There are hundreds of shirts, pareos, beachwear, hats, and thousands of other SKUs — we guarantee you that you will buy lots more than you expect to at Rima and Kenny's. Both stores are loaded to the rafters with great items you can buy for yourself and for many others.

31. Bottoms Up: SXM's Delicious Rum Factory Tour (Gifts Too)

The Toppers Rhum factory in Simpson Bay is a feast for the eyes, nose, and palate of every visitor. On the tour, you will hear about how rum is made, you'll hear about the many flavors of rum, and you'll get to taste a number of rum flavors. There is also a Gelateria on the property within an enormous number of flavors and dozens of toppings. There is also a gift shop with lots of eclectic rum-related gifts. As if that weren't enough to make you lick your lips, their high-octane homemade rum cake is downright spectacular.

No trip is complete without a visit to the Toppers Rhum factory in Simpson Bay in the former Carousel building— set up your tour now, in advance of your next trip. Order several rum cakes in advance so you can take some home... if you don't devour them before your plane leaves.

32. Reminder: Give Tijon Parfumerie ONLINE Perfume Making for the Holidays

Making your own exclusive Fragrance at Tijon Parfumerie in Grand Case diagonally across from Spiga is one of the great pleasures of a trip to SXM. This applies whether you're young or old, woman or man. You can even do Fragrance Creation online — with guaranteed satisfaction of the results.

Set up an appointment with the Parfumerie for creating your own fragrance during your next visit. We've done it multiple times — and one of the great treasures of this experience is that Tijon will keep a copy of the recipe for the fragrance you create so that when you're ready, you can easily reorder it directly from the Parfumerie. We've done this multiple times and we greatly enjoy the experience of creating our own fragrances and watching how friends react to the fragrance. It's an experience you do not want to miss. More: www.tijon.com.

33. Something Different for Breakfast: A Super Restaurant Run by a Philipsburg Brewery

If you enjoy indulging yourself at meals, particularly regarding extravagantly sweet breakfasts, you owe it to yourself to try Caribbean Brewing's Dutch Blonde Beach Bar on the boardwalk at Great Bay beach in downtown Philipsburg. They are known for Dutch pancakes and other Dutch delectables, and the menu serves lunch as well as breakfast. Since many passengers from cruise ships in port for the day stop by here, it's also great place to meet people. For more, see their [website](#).

34. Bamboo House: History + Breathtaking Vistas + Extraordinary Dining

Quite a few years ago, sushi made its appearance in SXM and has been one of the most popular genres of dining across the island. During the last high season, Jim Goldman's Bamboo House opened on the site of a former plantation in the Cole Bay area off the union road. With dress-appropriately Gatsby nights, live entertainment, fantastic sunset views, and a beautiful outdoor setting, the ambience is perfect for upscale dining reminiscent of the best sushi you've enjoyed elsewhere plus fine aged steaks, and much more. Bamboo House in the past has been featured as a restaurant of the week here in *SXM Weekly News* and is definitely worth your time. Reservations are essential. More: <https://bamboohouse-sxm.com/>

35. A Cultural Tour of SXM

In our [Everything SXM Facebook Group](#) recently, someone said they were interested in taking a cultural tour of the island. Many of the members of our site responded — so if you're interested in a cultural tour, by all means go to our site and use the search window to check on **cultural tours**.

You will find information about the Dutch side Museum off Front Street at the far Eastern end of town; Star Wars' Yoda Designer Nick Maley's "Yoda Guy" Museum (also near the Eastern end of town), as well as French side historical museums and much about the island's history....

There's much more here than you might imagine.

36. A Unique New Place for Lobsters...Plus Weddings & Wedding Receptions & Other Functions

Astra restaurant in Simpson Bay, on the water overlooking the Isle de Sol Marina, is a great place for seafood and steaks. In fact, they have their own Caribbean fed seawater pool which enables lobsters to interact with each other in a free range area. There is a beautiful private setting alongside the pool enabling small parties to interact privately after selecting their lobster. Astra is a great site for small weddings, wedding receptions, and other private parties. The food is outstanding and the seasoned waitstaff knows what it's doing.

One thing we learned here is that lobsters are nocturnal. As a result, if you want, for a while the lights in the all-natural lobster pool can be turned off, and after a few minutes of darkness the lobsters will start to run around with each other. Turn the lights back on and they will still be running about the pool until they quickly notice the lights and stop. Interesting to watch.

37. For SXM Restaurants, a Readiness to Handle Food Allergies

If you hesitate to come to SXM thinking that the restaurateurs here aren't sophisticated enough to help you with dietary issues, you'd be wrong. Whether it's gluten, salt, wheat, or virtually any other food allergy that you're contending with, top people at all restaurants know the territory and can respond effectively to your dietary needs. They are accustomed to dealing with people who have celiac disease, who are diabetics, who are lactose intolerant, who require a salt free diet, etc. Most also love a challenge, and can be especially responsive when you give them advance notice through a reservation that notes your dietary restrictions.

Food allergies? No problem. Come to SXM and relax when it's dinner time.

38. No, It's Not Too Early for Thanksgiving Reservations

Winter 2022 – 2023 is shaping up as the busiest winter in years in SXM. Despite sometimes high airfares, people are determined to get back to life as they remember it in SXM in the days before Covid and before Irma.

Therefore, no, it is not too early to make reservations for Thanksgiving. Despite reports of the shortage of turkeys in the US, SXM restaurateurs expect to get what they need and will be ready come Thanksgiving. Many restaurateurs are from the US or have spent a significant amount of time there, so they know what a complete Thanksgiving meal is and what all the fixings are: you'll get what you love in SXM on Thanksgiving.

39. New Two-SXM-Vacation Giveaway Announced by JMB's Everything SXM Website!

It was only at the end of July that we gave away six St. Martin vacations as part of the celebration of our SXM websites surpassing 10 million visits; the winners were announced in the last couple of editions of SXM Weekly News.

Although it's usually some time before we announce another giveaway, we can't deny the enthusiasm we all feel about the way St. Martin recovered this past season from the impact of the Covid Pandemic preceded by Annoying weather events five years ago. It was clear that more than a million people wanted to celebrate life by returning to SXM this past letter, and return they did.

We decided that before the 2022 – 2023 high season begins in a couple of months, we want to do some celebrating of our own by giving away two more weeks of vacations here on SXM.

Those vacations will be at Villa high on your right just off the road high on a hill just to the west of downtown Philipsburg. As you follow the shore road westward out of Philipsburg and by the site of the former Sonesta Great Bay, you have passed **Villa Kimon** on your right.

In addition to a seven day, six night vacation at Villa Kimon, we are also giving away an eight-day, seven night vacation at **El Zafiro**, a beautiful seaside resort when you step out of your room and are on one of the most beautiful beaches on the island.

In addition to these two beautiful vacation locations, we expect to give away a couple of dinners for two to each of the

vacation winners; those will be announced shortly.

Everyone who entered our previous six vacation giveaway is already eligible to have their entry drawn in this giveaway. However, if you have not yet entered, you can do so now — just follow the directions in the next paragraph.

ENTRIES ARE NOW OPEN AND IF YOU RECEIVE YOUR OWN *FREE* COPY OF SXM WEEKLY NEWS DIRECTLY FROM US, YOU ARE ELIGIBLE TO WIN BUT YOU STILL MUST ENTER. [ENTER HERE](#). If you do NOT subscribe, you must go to sxmweeklynews.com now to subscribe **FREE** before entering this giveaway. **ENTRIES FROM NONSUBSCRIBERS ARE NOT ELIGIBLE TO WIN. PREVIOUS WINNERS ARE NOT ELIGIBLE.**

Get your SKYMED MEMBERSHIP *BEFORE* you need it. Isola next to Hollywood Casino at Simpson Bay Resort, (featured 8/29/22). Italian. Excellent food, many choices (pizza too), busy, good specials. Lively; busy; entertainment some nights. Many folks from Simpson Bay Resort dine here as well as many locals and lots of casino high-rollers. Outstanding restaurant. www.isolaristorante.com

Astra Steak & Seafood (featured 7/25/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's new, gorgeous, constantly evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

IZI Ristorante Italiano, www.izisxm.com (featured 7/11/22). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's very best restaurants. Fun atmosphere, too.

Bold Buddha Bar/Restaurant, 49 Front Street at Horizon View Hotel, Philipsburg (featured 7/5/22) Cool new place with seasoned service, very good tapas / Caribbean / Asian and other food, a superb location, and a perfect concept. Highly recommended; something new and different. Ideal place to cool off with a delicious drink and make your taste buds happy.

Vesna Taverna, www.vesnasxm.com (featured 6/13/22). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, reasonable pricing.

Jai's Contemporary Fusion Cuisine (featured 5/9/22), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaissxmresto>

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/> . [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Mario's Bistro at the Cliff, formerly Mario's Bistro www.mariobistrot.com/en/ 1/17/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

The Coffee Lounge, (featured 1/3/22) Simpson Bay next to Domino's and in Philipsburg at the head of town. Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Topper's <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Located on the beach, at the Boardwalk....

Pure Ocean Restaurant at Divi Little Bay Resort, Dutch side (featured 3/1/21) Fine new beachside restaurant serving breakfast, lunch, and fine dining dinners. Excellent choices for everyone, innovative menu, beautiful presentation, and downright delicious. Great #Caribbean ambiance on their open-air beachside deck. Attentive service and responsive staff.

Enigma C3 luxury Catamaran, www.sailstmaarten.com (featured 8/7/17). Neil's new boat is as big as Celine Too was and it has now entered service. Neil is known for amazing cooking on board his boats.

You will find hundreds more restaurants from both the Dutch Side and French Side listed in the Files area of our [Everything St. Maarten / St. Martin / SXM Facebook Group](#). Our thanks to our Admin there, Contessa Aiello, who edited the restaurant entries on that site.

42. What Are the Best Sources of Accommodations Rentals?

We offer hundreds of timeshare condominium rentals directly from timeshare owners in the listings on our main site, www.everythingSXM.com. There, you're not buying from strangers you're buying from other people who love St. Maarten as much as you do. We've been doing this since 1992 and we know that it's the way thousands of people have rented weeks successfully over the last 30 years. Give it a try. More information about Condominiums is in Section 2, above.

43. Enormous Library of SXM Information is On The Web

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

- a) Our **SXM Weekly News PDF archives** include every edition of SXM Weekly News since 2014 -- now approaching 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer. (A link to the Archives is in every edition of *SXM Weekly News*.)
- b) Our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic -- and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of well over 33,000 members, not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and have a wealth of information available.
- c) We have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our Everything SXM Facebook Group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources -- and don't forget to thank those who have made them possible.

44. Flying Next Winter? Here's Something Else You Should Know

If you are traveling anywhere this winter, there is a way you can inject tremendous peace of mind into your travels.

For the first three months of any new SkyMed annual or multiyear membership, SkyMed excludes coverage of pre-existing conditions; after three months, those conditions are covered in full. **So...to AVOID ANY IMPACT on your travel plans this Summer or Fall, buy your new SkyMed annual or multiyear membership NOW, at least three months ahead of your planned travel -- then the 90-day exclusion period for preexisting conditions will end before you travel...**

Why get annual or multiyear memberships? SHORT-TERM family memberships (for a week or two) are \$15/day, while guaranteed renewable for life, price guaranteed for life annual and multiyear memberships are only about

\$1.64/day -- less than a cup of coffee. Call me at 508-591-3483 or jeff.berger@skymed.com for answers to questions or to sign up by phone.

Available exclusively to Americans and Canadians. SkyMed TAKES YOU HOME(R) when you become seriously ill or injured while traveling in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global protection is also available through GETS, Global Emergency Travel Services, part of the SkyMed group.

45. Getting Answers to All Your Questions About SXM

Regardless of what questions you have about SXM, you can find the answers to any questions either in the files area of our [Everything SXM Facebook Group](#) (where we post our current Guide to Entry Requirements) that answers many questions) or you can simply post a question on our site.

We have over 33,000 members, more than other active SXM Facebook sites combined. Our site is also a unique news and information portal, not typical social media where people post pictures of smiling cats, monkeys standing on their heads, and other pointless items. Our SXM site is strictly SXM focused with no drivel. Join it today at www.facebook.com/groups/mySXM.
