THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. High Airfares Persist But *May* Moderate Midyear

Opinions we're hearing from within the airline industry indicate that some people believe that current high airfares may moderate by mid-year next year, assuming oil prices don't spike.

Today, airlines are getting whatever they ask in a market where demand is outpacing supply. Regulatory authorities don't seem to be acting to stop what many consumers regard as price gouging but what many others feel is simple supply and demand. Because so many pilots took sweetheart early retirement deals during the pandemic, there is a global shortage of pilots and that is the heart of the problem.

Despite this, feelings persist in some quarters that current high fares could well moderate by midyear to more normal levels as new pilots start flying more airplanes and current limited schedules start to give way see additional aircraft in operation — hopefully.

Please see the next few stories.

2. Pilots at Delta Authorize Possible Strike; Pilot Unions at AA, DL, and UA All Negotiating New Contracts

Although most people think that a strike won't happen, Delta pilots nonetheless [have voted in favor of striking](#) if they don't get a contract worth accepting from Delta airlines management.

If there were a strike, it could occur toward the end of this year, in the middle of peak holiday flying season.

All three major airlines — Delta, American, and United — [are in negotiations with their pilots unions](#); thousands of pilots have been flying without a new contract through much of the Pandemic and most of them, we believe, are unhappy with the way their employers have been pushing them throughout the Pandemic and especially in the last year. As far as they are concerned, it's payback time.

We will keep an eye on this story in the months ahead. The ability of visitors to fly to SXM is rather important to the audience of *SXM Weekly News*.

3. Entry Requirements Finally Disappear

For the last few years, visitors to SXM had to prove to the satisfaction of the Emergency Health Authorization System (EHAS) that they were healthy and / or were well protected against contracting Covid. Effective November 1, however, those health requirements expired: all that arriving visitors from the US must now have is their passports and tickets — *there are no longer any entry requirements related to Covid*.

If you want to see this in writing, [go here](#).

4. MEDICAL EVACUATION COSTS SOAR; Got \$45,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

What should you do if your flight is canceled or delayed as happens fairly often now due to weather or staffing shortages?

This [article](#) gives you answers.

Etc./Weather

7. Generally Beautiful Weather Continues as Last Month of

Hurricane Season Begins

An area of low pressure started forming late last week in the northeastern Caribbean, southeast of Hispaniola. It led to generally unsettled weather toward the end of last week and over the first half of the weekend - including street flooding on SXM in all the usual places. Other than that, weather recently has generally been beautiful as the last month of hurricane season begins.

Hurricane season starts June 1 and ends November 30, though storms can occur before June and after November. As always, if you live in any area ever impacted by tropical cyclones, please refer to the information in the next story which will help you keep an eye on tropical weather that may affect you

Get your SKYMED MEMBERSHIP *BEFORE* you need it. Air ambulances are now more costly than ever: when you become seriously or critically ill or injured while traveling, SKYMED TAKES YOU HOME® to doctors and hospitals you know & trust. Otherwise you must pay tens of thousands of dollars in cash in advance to get a medevac jet -- if you can even do it (NOT easy or fast if you don't know how). SkyMed annual or multiyear memberships are only about \$1.64/day, and they're guaranteed renewable regardless of age or medical condition at renewal and they are PRICE GUARANTEED FOR LIFE. Why wait? CALL today 508-591-3483 or email us at jeff.berger@skymed.com; include your callback number & time zone please. Protect your family NOW!

8. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

SECTION 2: Accommodations: Hotels, Resorts, Timeshares, Villas Etc

9. New USD\$250-Million Luxury Hotel Coming to Indigo Bay/Cay Bay (See Main News Section)

Normally, we publish news concerning all forms of accommodation on SXM — hotels, timeshares, villas, condominium developments, etc. — in this section. But this week's news rates lead-story treatment so you will see it at the beginning of our main news section, below, as story #23.

10. Reserve Your SXM Winter & Spring Accommodations NOW

If you are planning to visit SXM this winter or next spring, we strongly advise you to move now to make your accommodations reservations. From everything we see, this winter is shaping up to be one of the busiest in years on SXM -- airfares notwithstanding. If you're one of the many people visiting SXM who owns a timeshare, make sure your timeshare knows you're coming.

Want to rent a timeshare condo? We have hundreds for rent directly from timeshare owners on our main SXM website, www.everythingsxm.com. Please see the other articles in this section if you'd like to rent a villa, a privately owned condo, or if you want to look into buying your own place on SXM, as many have been doing.

Reserve now so you don't face disappointment.

11. For SXM Condo Buyers, Some Critically Important Advice

Moving to the Caribbean requires a multi-step procedure that involves different citizenship programs. While territories in the Caribbean region have made relocation to the Caribbean easier for people, it's still a meticulous process. It's best to go through the application with seasoned immigration consultants.

Our partner [BrightPath Caribbean](#) is an expert immigration agency that has helped countless people move to their slice of paradise in the tropics. Investors, retirees, and skilled workers who were assisted by the BrightPath team now enjoy life in the land of sun, sea, and sand.

By working with BrightPath's immigration consultants, you don't have to deal with the nitty-gritty of the complicated immigration process. Plus, you avoid delays and increase your chances of approval.

12. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#). (Link is being updated).

Please check this link to [BrightPath Caribbean SXM](#), a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Tell them you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

21. SKYMED DETAILS: Only \$1.64/day Gets You Guaranteed Renewable, Price-Guaranteed-Forever SkyMed Annual or Multiyear Medevac Protection:

WHAT IS SKYMED? WHERE DOES SKYMED WORK?

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must get your SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

WHAT ARE "ULTIMATES"?

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services and protect you worldwide -- almost everywhere. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions.

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us DIRECTLY (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2022 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (new number, where you can also text us) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.

When and Where SkyMed Protects You:

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed Takes You Home® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Travel Services, a SkyMed company.

Key Differences Between SkyMed Short-Term & Annual Memberships:

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships** are available only for a specific defined short term. They protect you with SkyMed Takes You Home® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and

all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it. **Although at \$15/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis,** short-term protection is economical if you seldom travel and take brief trips. The cost is \$9/day per individual, or a maximum of \$15 a day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. The single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health.** Details are in SkyMed's Member Services Agreement. We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now only about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit). Phone anytime at 508-591-3483 (NEW NUMBER). That's a direct line to Jeff Berger that also accepts text messages. *Updated 6/20/22.*

***What is the SkyMed Ultimate?**

Again, the Ultimate is SkyMed's best - and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed "Takes You Home"® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships. **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

22. Answering Your Questions: What Exactly Does SkyMed Do? --- from Jeff Berger

We've always said SkyMed **TAKES YOU HOME**® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. **In recent weeks as many of you have decided to resume traveling, you've asked us for examples of what SkyMed does.** Several examples are right here:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 33+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery.

A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

23. **LEAD STORY: New USD\$250-Million Luxury Hotel Coming to Indigo Bay/Cay Bay**

Altree and Indigo Shores to begin construction of sale center later this month. (From the Government of Sint Maarten).

PHILIPSBURG – Indigo Shores Development will break ground with a 250-room five-star Resort and Condominiums complex this month. On Wednesday, Altree Developments and Indigo Shores, based in Toronto and St. Maarten respectively, met with the Interim Minister of Tourism, Economic Affairs, Transportation & Telecommunications (TEATT), the honorable Omar Ottley.

Minister Ottley welcomed the developers and thanked them for their initiative. "St. Maarten has been a preferred destination for tourists for decades. With tourism as our number one economic pillar, we welcome developments like this new Resort. It will boost economic activity and increase employment opportunities on the island. The goal is to provide employment opportunities in all sectors, from the ground-breaking to the opening and provide world-class hospitality through our local hotel sector workers " said Ottley.

The Minister visited the site of the luxury boutique hotel "Vie L'Ven," which sits a few steps from the beautiful beach of Indigo Bay. It covers some 21 acres of oceanfront land and, on completion, will include a Luxury Spa and fine dining.

The developers confirmed they would work with as many local contractors as possible to complete their project. They also intend to work with the St. Maarten Tourism Bureau on the sales and marketing of the facility. They are already committed to bringing in a professional film crew in January to generate content from the island and project for their worldwide marketing and promotion of the island and Resort in collaboration with the St. Maarten Tourist Bureau (STB).

"We intend to return St. Maarten to its rightful place as the number one tourism destination in the Caribbean. The construction of Vie L'Ven five-star boutique hotel will play a major role in boosting the destination's swift return to the number one position in the region," said Ottley.

According to the developers, the sale center construction will begin this month, with the total completion of the hotel scheduled for 2027. Minister Ottley met with the President and Chief Executive Officer (CEO) of Atree Developments, Zev Mandelbaum, along with the Head of Construction Management, Troy D'Ambrosio, and the Senior Manager of Finance Developments for Atree Developments.

Marc van de Bilt, Director of Indigo Shores Development, says a phased media release is being planned internationally, which will roll out over the coming months regarding the project. Atree Developments, based in Toronto, Canada, has consistently developed high-end projects for many years, with a critical focus on providing a turnkey solution for its clients.

With an investment expected to surpass USD 250 million and a combination of hotel rooms and condominiums for private ownership, the new five-star boutique hotel aims to be the preeminent luxury hotel in the region.

COMMENT: Sometimes on both sides of SXM, projects are announced (with much hoopla) that never happen. Among them have been Hard Rock Hotel, Planet Hollywood, Marriott Constellation, Mandara, China Pearl, and a number of others. In this case, Atree Developments of Toronto appears to be a highly reputable company, and Marc van de Bilt, Dir. of indigo shores development, has been in SXM for many years and has done everything he promised in developing the Indigo Bay property — so we think there is ample reason to believe this project will actually happen.

We hope that the government gets commitments from all concerned parties regarding all necessary upgrades to local infrastructure to ensure that the movement of traffic through the area is accelerated after this project has been completed, as opposed to the opposite. Residents and visitors deserve that as tangible evidence of the commitment of all concerned to make SXM better as a result of this project, which opens the opportunity for substantial incremental economic development across the island. --SXM Weekly News

24. Culinary Reasserts its Dominance in SXM This Month With Events Across the Island

In the 1990s, restaurateurs in Grand Case coined the term "Culinary Capital of the Caribbean" and used that term for years to refer to their village, which at the time was the center of fine dining on SXM. They even designed and distributed thousands of postcards showing a nighttime image of Boulevard de Grand Case, which at the time was lined with fine dining restaurants from one end to the other.

Today, as the island moves closer to its traditional high season, Culinary is reasserting its dominance in SXM with a variety of events across the island — and the Dutch side is even adopting the term "Culinary Capital of the Caribbean."

Despite the fact that the primary language used on the Dutch side is English and the primary language used on the French side is French, you would think that if there is an island-wide promotion related to culinary Excellence that it would have one common name across the island — but it doesn't. On the Dutch side it is called *St. Maarten Flavors* and on the French side, it is called *"Fait de la Cuisine."* Although the promotions are contemporaneous, they are designed differently and most of the activity seems to be centered on the Dutch side of the island, where fixed price meals are being offered at participating restaurants. *But don't be concerned; in virtually all cases, regular menus continue to be offered so you can enjoy what you like as opposed to what is offered on a fixed price basis.*

If you're on the island this month, contact your favorite restaurants to see if they are participating in any of this and to ensure that you're able to get the kinds of meals you enjoy. But re: special "flavors" offered this month, we humbly

suggest you take advantage of them since many will be the best of the best anywhere on the island, and trying them will show you why SXM in its entirety now deserves the honor of **culinary capital of the Caribbean**.

25. IZI is the #1 Restaurant of Any Kind on SXM: TripAdvisor

According to information relayed to us within the last week, **iZi Ristorante Italiano** in Simpson Bay opposite Pineapple Pete is now rated as the number one restaurant of any kind on SXM by TripAdvisor. Our congratulations go to David Foini and his talented kitchen and floor teams for this remarkable achievement.

iZi is also a multiple time recipient of our own coveted **Everything SXM Culinary Award of Excellence**.

We had planned to make iZi our restaurant of the week this week anyway but this gives us even more reason to do so. David has been one of the most accomplished chefs on the island for more than 20 years, owning and operating both the La Gondola Restaurant years ago and more recently iZi Ristorante Italiano in Simpson Bay. iZi's extensive menu is constantly being refined by David. Today, his recipes remain closely guarded secrets the results of which you will deeply enjoy.

See more in story 37, below.

26. Several New Restaurants Rushing to Grand Openings Before Year's End

New restaurants involving seasoned SXM restaurateurs are being ushered quickly toward completion and are expected to be open hopefully sometime during December.

The first of these will be the as yet unnamed restaurant at the site of the former Saratoga in Simpson Bay. For those of you who have been looking forward to James "Jimbo" Morris' new restaurant, that's where it will be — but please stay away for now since they are concentrating all their energy on completing the restaurant so it can be properly introduced to you sometime next month. Stopping by would just interrupt that process so please don't. We expect to have pictures before they open (which will be published in our [Everything SXM Facebook Group](#)) as well as menu information.

The group of new restaurants that will be opening at the site of the former Cheri's in Maho may open incrementally, but the target there also remains December. We also plan to take pictures across that complex before it opens so you can see the lay of the land there before we give you particulars about what's what. Again, seasoned SXM culinary Entrepreneurs are involved — people you likely know. Stay tuned for more.

27. Vesna Taverna Reopened for Dinner Last Thursday; They Just Keep Getting Better

Vesna and Yannick are the seasoned culinary team behind Vesna Taverna in Simpson Bay which reopened for dinner last Thursday and which now serves dinner Tuesday through Saturday evening as well as breakfast and lunch daily except Monday, when the restaurant is closed. Yannick was the general manager of the esteemed restaurant Fish Pot which for many years was the best of the best in Grand Case. He left when he and Vesna decided to open their own restaurant, Vesna Taverna diagonally opposite McDonald's in Simpson Bay.

Yannick is a deeply talented French chef and Vesna, who is half Greek and half Macedonian and herself a very talented chef, makes many of the decisions about what the restaurant will serve and when and also makes most of the desserts herself and all of the Greek specialties they serve on Saturday nights during Greek night in addition to their standard menu.

Although they do get some quiet time during the annual closure of their dinner service, they also spend a substantial amount of time at **Le Cordon Bleu in Paris**, deeply diving into culinary excellence at one of the most remarkable culinary institutions in the world.

Every year, they come home with new ideas and the ability to execute them flawlessly for their thousands of loyal customers from around the world. We were fortunate enough to have dinner there last Friday in what has become one of our most favorite SXM restaurants. Even if you have any special dietary needs, they always work hard to focus on surpassing your expectations with an outstanding dining experience.

If you have not recently visited Vesna Taverna in Simpson Bay on the lagoon side of airport road just north of the Simpson Bay drawbridge, we urge you to do so; it's a truly extraordinary dining experience from beginning to end.

28. As Expected, High Levels of Bookings Already in Place for November & December...

Bookings already in place for both November and December of this year are high, as expected — over 60%. Normally, additional bookings will come in during the next two months, making occupancy figures even higher.

The absence of Covid-related entry requirements, which started November 1, adds to the attractiveness of visiting this great island. If things continue as they are, the coming high season should be busy indeed; more is [here](#).

29. Will Marina Port la Royale Become Worth Visiting Again?

Not too many years ago, downtown Marigot was a nighttime dining destination as well as a great place to relax during the day. But in recent years, despite promises from the French side government regarding upgrades and urban renewal, Marigot has become a place that many people have chosen to avoid at night — and Marina Port la Royale, the restaurant area in the inner harbor, has become far less of a draw than it had been.

After making many promises for renewal projects that never happened, the French side government is again promising that it's going to do something to beautify and enhance Marina Port la Royale — after taking many tons of leftover hurricane debris out of the harbor in recent weeks. Hopefully this time, the promises of improvements from the government will actually come true.

Here is [that story](#).

30. Nigerian Singer "Burna Boy" Warmly Welcomed in SXM

** Acting Minister of TEATT welcomes Nigerian singer, Burna Boy to St. Maarten ** (Source: Dutch side government)

PHILIPSBURG – Acting Minister of Tourism, Economic Affairs, Transportation & Telecommunication (TEATT), Omar Ottley along with Stonehouse Believe promoters Mayoline Joan Peterson, Pierre Tafary Charville, St. Maarten Tourist Bureau representative Lisa Coffi and French St. Martin Tourist Bureau representative Aida Weinum gave Nigerian singer, songwriter and record producer, Damini Ebunoluwa Ogulu, professionally known as Burna Boy, a warm welcome on the island.

Burna Boy was presented with a gift bag on behalf of the Dutch St. Maarten Tourist Bureau. The artist was greeted with a live cultural performance from a group of local dancers in African wear. Burna Boy danced along from the sidelines as he watched the entire performance.

The Nigerian artist was scheduled to perform live on Saturday November 5th 2022, at the Jocelyn ARNDELL Festival Village, a performance which was postponed until Sunday night due to flooding rains. Burna Boy expressed his gratitude to the Minister and thanked him for being able to perform in St. Maarten and promises to give an amazing show.

31. Will Philipsburg be Crowded With "Cruise People" When You Want to Visit?

[Click this link](#). Remember that dates are backwards from an American perspective -- day first, then month.

32. Repeating: Watch Your Flights Very Carefully for Still-Common Changes

Despite the fact that in recent months there have been fewer flight cancellations and schedule changes in recent months from US airlines, they do still happen. SXM weekly news strongly urges all passengers to watch their flight

reservations online at least once a week, and more so in the week before your scheduled flight. Changes can and do happen and the sooner you are aware of them, the better able you will be to solve any issues.

33. Make Your SXM Thanksgiving Reservations NOW

If you have ever been on this island during Thanksgiving, you know that it is one of the busiest weeks of the entire year here. **America's Home Town Plymouth, Massachusetts, does not have a monopoly on Thanksgiving festivities: everything you can enjoy anywhere in the USA on Thanksgiving you can also enjoy here in St. Maarten — much more on the Dutch side than on the French.** Full Thanksgiving dinners are offered from lunch onward by many Dutch side restaurants, and you will see lists of them published in our [Everything SXM Facebook Group](#) closer to the holiday.

Foremost among them is the Toppers restaurant run by Topper, Melanie, and Marni Daboul; Topper hails from Massachusetts and knows everything there is to know about Thanksgiving, which started there in 1627. The Topper Family will have dozens of turkeys, gravy, potatoes, stuffing, squash, cranberry sauce of course, and all the other fixins you're looking for plus lots of pies they've made especially for the holiday -- plus their legendary rum cake from the Toppers Rum Distillery.

Toppers Restaurant is now located at the site of the former Carousel, where the Toppers Rum Distillery is also located as is Toppers Gelateria and their souvenir shop with a huge variety of great souvenirs as well as many flavors of delicious award-winning rum. A separate article on them and the Indisu Dance Theater is above in this issue.

DO YOU HATE TURKEY? No problem, their full regular menu will also be available as always. Make reservations NOW to avoid disappointment.

35. Our Newest SXM Vacation Giveaway Is Updated: ENTER NOW

It was only at the end of July that we gave away six St. Martin vacations as part of the celebration of our SXM websites surpassing 10 million visits; the winners were announced in the last couple of editions of SXM Weekly News.

Although it's usually some time before we announce another giveaway, we can't deny the enthusiasm we all feel about the way St. Martin recovered this past season from the impact of the Covid Pandemic preceded by annoying weather events five years ago. It was clear that more than a million people wanted to celebrate life by returning to SXM last Winter, and return they did.

We decided that before the 2022-2023 high season begins in a couple of months, we want to do some celebrating of our own by giving away one more week of vacations here on SXM.

That vacation will be at beautiful **Villa Kimon** on your right just off the road high on a hill just to the west of downtown Philipsburg. As you follow the shore road westward out of Philipsburg and by the site of the former Sonesta Great Bay, you have passed **Villa Kimon** on your right. You'll get to spend seven days and 6 nights there.

We will also give away a couple of dinners for two to our winner; those will be announced shortly.

Everyone who entered our previous six vacation giveaway is already eligible to have their entry drawn in this giveaway. However, if you have not yet entered, you can do so now -- just follow these directions:

ENTRIES ARE NOW OPEN AND IF YOU RECEIVE YOUR OWN *FREE* COPY OF SXM WEEKLY NEWS DIRECTLY FROM US, YOU ARE ELIGIBLE TO WIN BUT YOU STILL MUST ENTER. [ENTER HERE](#). If you do NOT subscribe, you must go to sxmweeklynews.com now to subscribe FREE before entering this giveaway. **ENTRIES FROM NONSUBSCRIBERS ARE NOT ELIGIBLE TO WIN. PREVIOUS WINNERS ARE NOT ELIGIBLE.**

36. 81% of Stayover Tourists Responding to Survey Stay on the Dutch Side

In an informal survey of members of our [Everything SXM Facebook Group](#), 81% of responding site members said their stayover accommodations are on the Dutch side.

One reason for this is that all the island's timeshare resorts are on the Dutch side and those loyal tourists are a large plurality of all SXM stayover visitors. The Dutch side is also responding to enormous demand for self-owned condominiums through permitting a number of condo projects, including the recently topped off second tower in the twin tower "Fourteen" project in Cupecoy.

37. Restaurant of the Week: iZi Ristorante Italiano

What: David Foini's iZi Ristorante Italiano

Where: Simpson Bay opposite Pineapple Pete

Particulars: Just voted the #1 restaurant of any kind on SXM by the readers of TripAdvisor, the multi-award-winning iZi combines an informal, light ambiance with absolutely phenomenal Italian dining. This is not a spaghetti & meatballs joint with white and red checkered tablecloths: rather it is great dining with dozens and dozens of Italian specialties from owner David Foini's meticulously crafted, painstakingly executed personal recipe vault. David spends an enormous amount of time and energy making certain that everything is done as he wants it -- and you reap the results here. Just GO: this is #1! Call (721) 544-3079 for reservations. Closed Mondays.

Here are recently featured SXM restaurants:

iZi Ristorante Italiano, www.izisxm.com (featured 11/7/22). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's absolute best restaurants. Fun atmosphere, too.

Avantika Thai www.avantikasxm.com (featured 10/31/22) Avantika is flat-out wonderful; SXM's best Thai; Delicious food artfully presented and reasonably priced, backed by seasoned service. Consistently excellent. Go...you'll become a regular.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 10/24/22) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side.

Jai's Contemporary Fusion Cuisine (featured 10/17/22), Simpson Bay Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See

Pineapple Pete, www.pineapplepete.com (featured 9/12/22) Known for great lobster Thermidor and lots, lots more. Generous portions, reasonable prices. Huge variety. Games for kids & their parents.

Wasabi Charlie Japanese Restaurant (9/12/22) now combined with Pineapple Pete at the Pineapple Pete location, opposite IZI Ristorante Italiano in Simpson Bay. GREAT sushi rolls and sashimi and much more.

Isola next to Hollywood Casino at Simpson Bay Resort, (featured 8/29/22). Italian. Excellent food, many choices (pizza too), busy, good specials. Lively; busy; entertainment some nights. Many folks from Simpson Bay Resort dine here as well as many locals and lots of casino high-rollers. Outstanding restaurant. www.isolaristorante.com

Astra Steak & Seafood (featured 7/25/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's new, gorgeous, constantly evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Bold Buddha Bar/Restaurant, 49 Front Street at Horizon View Hotel, Philipsburg (featured 7/5/22) Cool new place with seasoned service, very good tapas / Caribbean / Asian and other food, a superb location, and a perfect concept. Highly recommended; something new and different. Ideal place to cool off with a delicious drink and make your taste buds happy.

Vesna Taverna, www.vesnasxm.com (featured 6/13/22). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, reasonable pricing.

Mandarin Pan Asian at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 3/21/22). Excellent selection of palate-pleasing offerings from Japan, Thailand, and China. Highly recommended.

La Patrona, Simpson Bay Resort (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22) Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here).

Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Mario's Bistro at the Cliff, formerly Mario's Bistro www.mariobistrot.com/en/ 1/17/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

The Coffee Lounge, (featured 1/3/22) Simpson Bay next to Domino's and in Philipsburg at the head of town. Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Topper's <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rhum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

38. Enormous Library of SXM Information is On The Web (Updated)

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

- a) Our [SXM Weekly News PDF archives](#) include every edition of SXM Weekly News since 2014 -- 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer.
- b) Our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic -- and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of nearly 35,000 members, not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and have a wealth of information available.
- c) We have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our Everything SXM Facebook Group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources -- and don't forget to thank those who have made them possible.

39. Flying Next Winter? Here's Something Else You Should Know

If you are traveling anywhere this winter, there is a way you can inject tremendous peace of mind into your travels.

For the first three months of any new SkyMed annual or multiyear membership, SkyMed excludes coverage of pre-existing conditions; after three months, those conditions are covered in full. **So...to AVOID ANY IMPACT on your travel plans this Summer or Fall, buy your new SkyMed annual or multiyear membership NOW, at least three months ahead of your planned travel -- then the 90-day exclusion period for preexisting conditions will end before you travel...**

Why get annual or multiyear memberships? SHORT-TERM family memberships (for a week or two) are \$15/day, while guaranteed renewable for life, price guaranteed for life annual and multiyear memberships are only about \$1.64/day -- less than a cup of coffee. Call me at 508-591-3483 or jeff.berger@skymed.com for answers to questions or to sign up by phone.

Available exclusively to Americans and Canadians. SkyMed TAKES YOU HOME(R) when you become seriously ill or injured while traveling in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global protection is also available through GETS, Global Emergency Travel Services, part of the SkyMed group.

40. Getting Answers to All Your Questions About SXM

Regardless of what questions you have about SXM, you can find the answers to any questions either in the files area of our [Everything SXM Facebook Group](#) (where we post our current Guide to Entry Requirements) that answers many questions) or you can simply post a question on our site.

We have over 33,000 members, more than other active SXM Facebook sites combined. Our site is also a unique news and information portal, not typical social media where people post pictures of smiling cats, monkeys standing on their heads, and other pointless items. Our SXM site is strictly SXM focused with no drivel. Join it today at www.facebook.com/groups/mySXM.
