THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. Winter Weather in USA, Canada Changes Lots of Vacation Plans

The major blizzard/severe winter storm that gripped much of the USA and parts of Canada this past week altered many vacation plans for tens of thousands of passengers.

Here in St. Maarten, three Christmas Eve flights were affected — two on American Airlines and a third on Air Canada. Air Canada was frantically looking on Christmas Eve for dozens of rooms during one of the busiest vacation weeks on the island. Air Canada had told passengers it would not pay for their accommodations since the flight change related to weather, but it is not known whether they stayed with that decision in the face of substantial unhappiness on the part of their passengers.

Of course, winter has only just begun, and a look at Northern Canada and storms in the Pacific headed toward North America seems to imply that more storms will be marching across the country in fairly short order.

2. Reminder: Build Extra Time Into Your Plans for Flying Home

Upon returning from vacations, most people have specific plans — returning to work, going to long-planned medical appointments, relieving babysitters who must be elsewhere, etc. That's why it's particularly important during winter, when North America can become quite stormy, to build extra time into your plans for the flight home. It's better if you build a cushion of a couple of extra days between your planned flight date and the date on which you have important

appointments or other commitments at home. With a cushion, if you are delayed in returning home that delay won't have a negative impact on important plans.

3. JetBlue Will Become Peacock Airlines (Sort Of)

While it is true that "peacock" will become part of JetBlue Airways, the airline is not being renamed peacock. Nor is it being renamed Spirit (the name of the airline that is the target of JetBlue's proposed acquisition). What it means is that JetBlue plans to add NBC's Peacock streaming services to the online media services provided to JB passengers aboard flights.

Note that although JetBlue plays movies on its over-ocean flights, it does not offer live video entertainment on planes flying over the open ocean — though that may well happen in the not-too-distant future.

More information on peacock's association with JetBlue is [here](#).

4. Carnival To Have Cruises from New York to SXM In Winter '24

Carnival Cruise Lines has announced that it will have winter cruises from New York to SXM and other points in the Caribbean starting in 2024. Details are [here](#).

5. Repeating: SXM Has No Entry Requirements Re: Covid

SXM's Entry Requirements related to Covid went away on November 1, which means that passengers entering SXM need only have their passports and their return tickets. There are no Covid testing or vaccine requirements, though we suggest it would be wise for people who are fully vaccinated to bring proof of vaccination anyway in case the requirements change at some point, for any reason, though that's not likely.

6. MEDICAL EVACUATION COSTS SOAR; Got \$45,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed Takes You Home® for zero dollars when you become critically ill or injured in any of those countries if you are a SkyMed member. **All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.** By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

8. What To Do If Your Flight is Canceled or Delayed...

What should you do if your flight is canceled or delayed as happens fairly often now due to weather or staffing shortages?

This [article](#) gives you answers.

Etc./Weather

9. December Winds Still Abound, As Do Rough Seas

Unseasonably rough seas much of the time for the last few weeks marked December weather, which is usually a time of so-called December winds with the frequency of showers slowly declining until January, during which normal winter weather -- sunny and drier -- takes over. Rough seas may be with us much of this coming week, thanks to the large winter storm over North America moving out to sea and spreading swells as it goes.

10. Sand Coming & Going

Rough seas over the last few weeks have at times removed sand from some beaches and deposited it at other beaches. For example, at world-famous Maho beach, where sand had been completely washed away roughly two weeks ago, sand became plentiful on the beach last week and rough surf washed it into Beacon Hill Rd., to which a plow was dispatched on more than one occasion to remove it. That kind of man-machine-Mother Nature interplay may continue for at least part of this week.

Get your SKYMED MEMBERSHIP *BEFORE* you need it. Air ambulances are now more costly than ever: when you become seriously or critically ill or injured while traveling,

SKYMED TAKES YOU HOME® to doctors and hospitals you know & trust. Otherwise you must pay tens of thousands of dollars in cash in advance to get a medevac jet -- if you can even do it (NOT easy or fast if you don't know how). SkyMed annual or multiyear memberships are only about \$1.64/day, and they're guaranteed renewable regardless of age or medical condition at renewal and they are PRICE GUARANTEED FOR LIFE. Why wait? CALL today 508-591-3483 or email us at jeff.berger@skymed.com; include your callback number & time zone please. Protect your family NOW with SkyMed®!

11. 2023 Hurricane Names

Arlene Bret Cindy Don Emily Franklin Gert Harold Idalia Jose Katia Lee Margot Nigel Ophelia Philippe Rina Sean Tammy Vince Whitney. If all these names are used, another set will be issued by the National Hurricane Center.

12. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

13. Establish Residency FIRST if You're Buying a Condo or Villa

in SXM

Despite the somewhat curious global economy, sales of condominiums here in SXM continue to roll ahead.

If you plan to buy an SXM condo and spend several months a year here, it is to your advantage to establish residency early. With 10 years of experience, BrightPath Caribbean has the knowledge, expertise, and infrastructure to help you do that with the minimum inconvenience and minimum time spent shepherding the process.

In other words, they know their stuff, they know the latest wrinkles in the law, and they can simplify and expedite the process for you. Mention that you heard about them from Jeff Berger's **SXM Weekly News** and call them toll-free from the USA and Canada at 1-855-203-0050 or in SXM call 1-721-554-8900 to get started.

14. For SXM Condo Buyers, Some Critically Important Advice

Moving to the Caribbean requires a multi-step procedure that involves different citizenship programs. While territories in the Caribbean region have made relocation to the Caribbean easier for people, it's still a meticulous process. It's best to go through the application with seasoned immigration consultants.

[Our partner BrightPath Caribbean is an expert immigration agency that has helped countless people move to their slice of paradise in the tropics. Investors, retirees, and skilled workers who were assisted by the BrightPath team now enjoy life in the land of sun, sea, and sand.](#)

By working with BrightPath's immigration consultants, you don't have to deal with the nitty-gritty of the complicated immigration process. Plus, you avoid delays and increase your chances of approval.

15. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#). (Link is being updated).

Please check this link to [BrightPath Caribbean SXM](#), a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Tell them you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

16. Realtors to See for SXM Condos & Villas

The following list of our sponsor realtors tells you how to contact SXM's best sources of condos and villas across the island:

VILLA RENTALS / RENTAL COMPANIES:

If you're interested in making a villa reservation (doing it with close friends can be fun and more economical than you'd imagine), contact our top recommended Villa rental/sale partners at [Island Real Estate Team](#). 17. Many More 2023 SXM Timeshare Condo Rentals Now Available

Dozens of new listings of timeshare and other condominiums for rent and for sale for 2023 have been added to our timeshare sales / rental page in our main SXM site, www.everythingsxm.com. If you're looking for a place to stay, that's where to find it. All of our listings are from members of our JMB Website Supporters island discount program so you deal directly with timeshare owners -- there are no middlemen or agents or anyone else charging commissions. *Usually, timeshare owners charge close to their actual annual maintenance fee costs.*

Dozens more new entries were posted over the last couple of weeks.

18. Reminder: JMB Members May Now Advertise Both Timeshare Weeks They Own and Privately Owned SXM Condominiums On Our Site

We are now accepting advertising for both timeshare resort condominiums as well as privately owned condominiums on the island directly from their owners who are members of our JMB Website Supporters Island Discount Program. This is effective immediately and includes weeks from 2023 (and starting in March, 2024). Submit your ads through the members-only "Secret" website.

SECTION 3: JMB Member Discounts & Benefits

21. TWO \$100 Jewelry "Gift Cards" Live Today (Monday) -- Where to Find Them

Though we had planned to post our 2023 Caribbean Gems Gift Card last week, that will happen today (Monday, December 26). 22. Discounts/Benefits Updates Continues

The major update that we've been telling you about to our **JMB Website Supporters Island Discount Program** is continuing. The stage we expect to complete in the next week or so involves updates to eliminate the last group of partners whose businesses have not survived either Irma or Covid; there have been a number of those. There are also a number of other updates.

For us the most fun part of this is adding new discounts and benefits, a process which will run through December. We will continue to add more new discounts going forward into 2023, as planned, though all those that are already nailed down will be posted during December.

We're making many other changes here behind the scenes including upgrading to a new main server and a new main mail server, all of which are targeted for completion during April (after SXM's high season ends), to prevent any significant disruption during high season.

The effects of Irma and Covid on SXM's tourism economy have been quite substantial and some major businesses were impacted. In some cases we were hoping they would be able to come back but, sadly, that has NOT always happened.

Fortunately, there are a number of new businesses on the island and they are doing quite well and we're doing our best to reflect that in this major upgrade.

We will post more about this as it continues to move toward completion.

23. Own a Business in SXM? Offer Our Members a Discount or Incentive to Visit You!

If you own a St. Maarten or St. Martin business that caters to tourists, we have a free program that we like you to join: it's called our JMB Website Supporters Island Discount Program. By participating in the program, you will offer our over 30,000 JMB Website Supporters members some kind of discount or incentive for visiting your establishment. We are especially looking for restaurants, bars, beach bars, and related businesses. There is currently no charge for this program.

There are also separate opportunities for SXM businesses to promote what they offer to the 35,000 members of our [Everything SXM Facebook Group](#) (about 98% tourists); for information on that program, please PM any admin of the [Everything SXM Facebook Group](#).

26. SKYMED DETAILS: Only \$1.64/day Gets You Guaranteed Renewable, Price-Guaranteed-Forever SkyMed Annual or Multiyear Medevac Protection:

WHAT IS SKYMED? WHERE DOES SKYMED WORK?

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must get your SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

WHAT ARE "ULTIMATES"?

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services and protect you worldwide -- almost everywhere. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions.

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of SXM

Weekly News. The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us DIRECTLY (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

- **LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:**

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2022 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

- **HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (new number, where you can also text us) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.**

My SkyMed website: <http://www.skymed.com/jmb>. **But please CALL ME DIRECTLY with questions or to sign up - that way I get credit (number above).** Or jeff.berger@skymed.com

- **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Travel Services, a SkyMed company.

- **Key Differences Between SkyMed Short-Term & Annual Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships** are available only for a specific defined short term. They protect you with SkyMed *Takes You Home* membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it. **Although at \$15/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis,** short-term protection is economical if you seldom travel and take brief trips. The cost is \$9/day per individual, or a maximum of \$15 a day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. The single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health.** Details are in SkyMed's Member Services Agreement. We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now only about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit). Phone anytime at 508-591-3483 (NEW NUMBER). That's a direct line to Jeff Berger that also accepts text messages. *Updated 6/20/22.*

- ***What is the SkyMed Ultimate?**

Again, the Ultimate is SkyMed's best - and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed "Takes You Home"® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships. **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

- **[SkyMed Frequently Asked Questions / FAQ](#)**

Feel free to contact me via Facebook Messenger as well or now WhatsApp, 721-588-4188 (through WhatsApp ONLY), or use our new office line, 508-591-3483. Or email me at jeff.berger@skymed.com (SkyMed inquiries

only please). You can also send texts to that 508 line and leave voice messages. Please include your phone number, time zone, and email address.

27. Answering Your Questions: What Exactly Does SkyMed Do? --- from Jeff Berger

We've always said SkyMed **TAKES YOU HOME**® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. In recent weeks as many of you have decided to resume traveling, you've asked us for examples of what SkyMed does. Several examples are right here:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 33+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by

SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

29. "It's a Parking Lot Out There!": Megayachts Crowd Into Simpson Bay

Simpson Bay is loaded with megayachts, as is usual every year at about this time. We have pictures, of course, and will be posting them in our [Everything SXM Facebook Group](#). They usually gather here before a number of them head over to St. Barth for private New Year's celebrations with the rich and famous...

30. More Than a Dozen New Restaurants Coming to the Dutch Side

A number of new restaurants will be opening on SXM, primarily on the Dutch side, over the next couple of months. We already reported on two of them, Roma and Nola, which will be opening soon within a mile of each other on the Dutch side. As additional restaurants open, we will tell you about them here in *SXM Weekly News*. We've already done that re: Roma (Maho) and Nola (Simpson Bay).

31. Workers Finally Fill Roadside Trenches in Mullet Bay -- But The Lights Stay Out

Public works projects here in SXM proceed at a different pace than we Americans are accustomed to back home — but they do get done. Trenches were dug through the main road from Maho to Cupecoy a couple of months ago, and in recent weeks they were filled with various conduits. While the work was going on, streetlights in that area were out of service. The conduits have now been buried, the trenches have been filled, and boulders have been placed on top of the sand -- apparently to prevent cars from driving onto the golf course. The lights have not yet been turned back on, but hopefully that will happen soon. Drive through this area carefully -- especially at night in rain -- to avoid the roadside boulders, which are neither illuminated nor marked with reflective paint.

32. "Flagless" Flag Pole on The Hill Finally Gets Its Flag

The St. Maarten flag has again been hoisted atop the giant flagpole off the Hilltop road that connects Cole Bay with Philipsburg. In the past, it seems the flag has been hoisted for special occasions and then it disappears. It was flying again during Christmas weekend; hopefully it will stay up for high season at least, during which it appears in many tourist pictures.

We'll keep an eye on it.

33. Contemplating Life in Paradise? Read "A Beach Less Traveled" Second Edition

If you have ever contemplated buying property here in paradise, moving here, or building a new life here in SXM, you owe it to yourself to read the all-new second edition of "A Beach Less Traveled" by John Berglund, who with his wife Cyndi conceived, built, and grew Tijon Parfumerie in Grand Case despite a boatload of unimaginable obstacles.

The book is loaded with vignettes and anecdotes describing every step of the process in a thoroughly entertaining and engrossing narrative that puts you in the middle of everything that happened, much of which will have you shaking your head in disbelief. It's a fascinating story from beginning to end and it's one that is educational, instructive, and above all else useful and entertaining to everyone who contemplates a potential move to either side of the island.

My better half, Ilene, read the book in a single day and couldn't put it down. "We had no idea what you went through," she said in a note to the Berglunds. "We made perfume in your laboratory and we talk about it with everyone. We discovered your lavender fig fragrance which sounds weird but is a phenomenal scent; we love the ones we created years ago and we still reorder them faithfully."

You can get this all-new second edition of ***A Beach Less Traveled, Second Edition***, directly from Amazon [here](#); we heartily recommend it. It's a fascinating read with absorbing island insights that will have you craving the entire rest of the book: Ilene was not able to put it down.

34. Make Your New Year's Eve Reservations *NOW*

If you are on the island now or expect to be here before New Year's Eve, we strongly recommend you make your New Year's Eve reservations now, if you haven't already. The island is packed with many resorts well over 90% capacity.

Restaurants planning special New Year's Eve celebrations are also packed with reservations so if you have not yet made a reservation, you should do so immediately. Bear in mind that many restaurants are normally closed Mondays but may be open this Monday because of Boxing Day. *Don't walk into a restaurant on New Year's Eve without reservations — you'll be wasting your time and theirs....*

Also, you CAN NOT make a reservation simply by calling an answering machine and leaving your name; that doesn't work. Leave your name and your local cell phone number and don't consider your reservation made until after you hear back from the restaurant. As we said above, many restaurants are already sold out for New Year's Eve and it may be difficult to get reservations at the place you want. It's late.

35. Reminder: Lobster Prices Are Usually Per Pound

Although prices for lobster dinners are frequently posted on signs in front of restaurants, bear in mind that those prices are generally per pound. So if you see a price of \$20 for lobster on a sign in front of a restaurant, and order a 3 pound lobster, expect the price to be \$60: make sure you understand the price before ordering instead of after receiving the bill.

Also, **don't assume that because the dollar and the euro are at parity right now that it is good time to get lobster on the French side.** *A friend recently bought a lobster at an oceanside restaurant in Grand Case and was quite astonished to see that the bill for that one lobster was in excess of \$200.* Remember that the prices you see are generally per pound (or per kilo in some places). Lobster is not cheap — delicious, yes, but not cheap.

36. Not Too Early for Valentine's Day Shopping: Gold is a Good Idea

If you've been preparing to visit SXM in part by watching posts in our Everything [SXM Facebook Group](#), as 35,000 other fans of SXM are already doing, you've probably seen ads from all of SXM's top jewelers there. If you missed out on buying something special for the holidays, it's not too early to do some Valentine's Day shopping — which you can easily do online or with a phone call to a jeweler whose ads you've seen in our [Everything SXM Facebook Group](#). You will have time to order online and either have the item delivered to you at home or be ready for you to pick up when you arrive.

Do check the ads you see every day on our site closely — you'll see many beautiful pieces of jewelry in them.

37. Some Ideas for Getting Better Pictures in SXM

Call us old-fashioned, but we don't buy the contention that the sophisticated cameras that come with cell phones are a match for the best that's available from Nikon, Canon, or Sony. We think their best cameras are far superior to anything that has a telephone in it.

We gave up on interchangeable lens cameras a few years ago, having grown tired of the time wasted changing lenses to pounce on an opportunity for a great picture. We selected a Nikon P 950, one of their ultra zoom cameras, and now, nearly 2 years later, we are still learning how to use it (that's a good thing for this very feature-rich camera).

To get pictures of birds, distant boats, glorious sunsets, or other scenes, make sure you understand all of the shooting options available through your camera — and make sure you have a mechanism to hold the camera steady while you are shooting. With long focal length lenses, the slightest bit of shaking can turn the best framed image blurry, even at high shutter speeds.

We did two things this year to help with sharpness. We had long since given up on tripods, which take too long to set up and are insufficiently flexible for many of the types of shots we take. We bought a monopod at Klass Electronics on Front Street here from a guy named Paul who knows what he's doing (if you see him, mention us to him). The monopod was reasonably priced and gives great stability when shooting — and also takes only seconds to set up.

Instead of using any of the preset scenes present in the Nikon P 950, we use Aperture priority shooting which is fast and very sharp, even when we are using the lens at 2000 mm or higher.

39. Restaurant of the Week:

What/Where: Emilio's sounds Italian but isn't -- it is located at the former Emilio Wilson Estate at Rainforest Adventures, an historic location about which owner Norman Wathey, a latter day de facto historian, will be happy to provide details if time allows. The menu is brief but varied, and the Chef loves the challenge of people with special dietary needs (especially with advance notice). Come during the day and see the property, which is hundreds of years old. It's quite stunning.

Particulars: Sunday brunch is the island's biggest and best, without question. But dinners are excellent too, with steaks, seafood, and delicious desserts. Vegetarians will be satisfied here as well. Call for reservations and GO, and mention us when reserving.

Here are recently featured SXM restaurants:

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/> . [Featured 12/26/22] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Vesna Taverna, www.vesnasxm.com (featured 12/19/22). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, reasonable pricing.

Mandarin Pan Asian at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 12/12/22). Excellent selection of palate-pleasing offerings from Japan, Thailand, and China. Delicious food and excellent service. Highly recommended.

Jai's Contemporary Fusion Cuisine (featured 12/5/22), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaissxmresto>

Astra Steak & Seafood (featured 7/25/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's new, gorgeous, constantly evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Bamboo House (11/21/22), located high on a hill in Cole bay has spectacular island views and equally spectacular dining and service. Exquisite sushi, steaks, and lots more. Vegetarians welcome; people with special dietary needs are well cared-for here too. Jeff rates Bamboo with one huge WOW -- go; you will absolutely be visiting more than once.

Mario's Bistro at the Cliff, formerly Mario's Bistro www.mariobistrot.com/en/ **11/14/22** Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

IZI Ristorante Italiano, www.izisxm.com (featured **11/7/22**). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's absolute best restaurants. Fun atmosphere, too.

Avantika Thai www.avantikasxm.com (featured **10/31/22**) Avantika is flat-out wonderful; SXM's best Thai; Delicious food artfully presented and reasonably priced, backed by seasoned service. Consistently excellent. Go...you'll become a regular.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 10/24/22) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side.

<https://www.facebook.com/Mamapizzaisthebest>

Pineapple Pete, www.pineapplepete.com (featured **9/12/22**) Known for great lobster Thermidor and lots, lots more. Generous portions, reasonable prices. Huge variety. Games for kids & their parents.

Bold Buddha Bar/Restaurant, 49 Front Street at Horizon View Hotel, Philipsburg (featured **7/5/22**) Cool new place with seasoned service, very good tapas / Caribbean / Asian and other food, a superb location, and a perfect concept. Highly recommended; something new and different. Ideal place to cool off with a delicious drink and make your taste buds happy.

La Rosa Restaurant, Maho Plaza, (featured 5/23/2022): Loved the relaxing vibe, attentive service, GREAT food, reasonable prices, and BIG portions. www.larosarestaurant.com/index.html

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

La Patrona, Simpson Bay Resort (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22) Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here.

Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner **Ciro Russo & Lara Russo** haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

The Coffee Lounge (featured 1/3/22) Simpson Bay next to Domino's and in Philipsburg at the head of town. Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Topper's <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rhum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

Blue Bitch Bar www.bluebitchbar.com, formerly Taloula Mango's Blue Bitch Bar, is THE bar/restaurant to visit on the Boardwalk in Philipsburg. (featured 8/9/21) Great open-air atmosphere, outdoor dining/drinking, entertainment. Their menu is extensive with excellent food, fun atmosphere, and beautiful ocean views. Located on the beach, at the Boardwalk....

Pure Ocean Restaurant at Divi Little Bay Resort, Dutch side (featured 3/1/21) Fine new beachside restaurant serving breakfast, lunch, and fine dining dinners. Excellent choices for everyone, innovative menu, beautiful presentation, and downright delicious. Great #Caribbean ambiance on their open-air beachside deck. Attentive service and responsive staff.

Freedom Fighters ITAL SHACK Rasta Restaurant, www.sxmfreedomfighters.com/restaurant 4/15/19. Just go....

Dany's Smooth Cupecoy Beach Bar (on Cupecoy beach); follow the road toward Shore Pointe and turn near Shore Pointe to get there. (Featured 1/20/2019) Parking, drinks, chairs and umbrellas, lolo-type food, and an all-over tan. What could possibly be better?

Enigma C3 luxury Catamaran, www.sailstmaarten.com (featured 8/7/17). Neil's new boat is as big as Celine Too was and it has now entered service. Neil is known for amazing cooking on board his boats.

You will find hundreds more restaurants from both the Dutch Side and French Side listed in the Files area of our [Everything St. Maarten / St. Martin / SXM Facebook Group](#). Our thanks to our Admin there, Contessa Aiello, who edited the restaurant entries on that site..

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

- a) Our [SXM Weekly News PDF archives](#) include every edition of SXM Weekly News since 2014 -- 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer.
- b) Our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic -- and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of nearly 35,000 members, not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and have a wealth of information available.
- c) We have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our Everything SXM Facebook Group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources -- and don't forget to thank those who have made them possible.
