THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. United, Air France Jets Sit on Tarmac

When flights leaving SXM are canceled thanks to mechanical, crew hours, or weather issues, the airplanes involved sit on the tarmac here in SXM until the plane is ready to go. This has happened recently with both United Airlines and Air France — and in fact it has happened multiple times over the last few months with Air France.

If you want to see what's happening at SXM Airport at any time, Google the PTZ camera which covers SXM Princess Juliana Airport; it will show you aircraft arriving, departing, and at the terminal.

To see aircraft enroute to SXM Airport or those that have left, go to www.flightaware.com and choose the airport TNCM, which is SXM Airport.

2. Airport Stays Very Busy on Saturdays -- But on All Days, Get There 3 Hours Ahead of Flight Time

In SXM, it's the height of high season -- one of the busiest times of the year. The busiest day at SXM Airport is Saturday — but regardless of that, it is prudent to be at the airport three hours ahead of your flight time seven days a week. On Saturdays, three hours is essential, but on the other days it's wise: at the end of the day, it is better to be an hour and a half early rather than one minute late, and processing times at the airport can vary greatly for many reasons.

3. Reminder: SXM Has No Covid Entry Requirements

SXM's Covid entry requirements were discontinued effective November 1. There is no reason to expect any similar requirements to be reinstated.

\$1.64/day Can Get You SkyMed Medevac Protection for virtually Every Trip You Take. SkyMed TAKES YOU HOME® -- contact jeff.berger@skymed.com to learn more. Please include your phone number and time zone.

4. MEDICAL EVACUATION COSTS SOAR; Got \$45,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed Takes You Home® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay

\$0 for the evacuation or ambulances related to it.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.*

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

5. What To Do If Your Flight is Canceled or Delayed...

What should you do if your flight is canceled or delayed as happens fairly often now due to weather or staffing shortages?

This [article](#) gives you answers.

Etc./Weather

6. Hurricane Hunter Aircraft Look Into Pacific "Atmospheric Rivers"

Hurricane hunter aircraft, normally stationed in the southeast US and used to investigate developing tropical systems in the Atlantic, Caribbean, and Gulf of Mexico, have been sent to the Pacific to investigate the Atmospheric Rivers that had been bringing California a great deal of much-needed rain in recent weeks.

Here is that interesting [full story](#).

Get your SKYMED MEMBERSHIP *BEFORE* you need it. Air ambulances are now more costly than ever: when you become seriously or critically ill or injured while traveling, SKYMED TAKES YOU HOME® to doctors and hospitals you know & trust. Otherwise you could pay tens of thousands of dollars in cash in advance to get a medevac jet -- if you can even do it (NOT easy or fast if you don't know how). SkyMed annual or multiyear memberships are only about \$1.64/day, and they're guaranteed renewable regardless of age or medical condition at renewal and they are PRICE GUARANTEED FOR LIFE. Why wait? CALL today 508-591-3483 or email us at jeff.berger@skymed.com; include your callback number & time zone please. Protect your family TODAY with SkyMed®!

7. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

8. Establish Residency FIRST if You're Buying a Condo or Villa in SXM

Despite the somewhat curious global economy, sales of condominiums here in SXM continue to roll ahead.

If you plan to buy an SXM condo and spend several months a year here, it is to your advantage to establish residency early. With 10 years of experience, BrightPath Caribbean has the knowledge, expertise, and infrastructure to help you do that with the minimum inconvenience and minimum time spent shepherding the process.

In other words, they know their stuff, they know the latest wrinkles in the law, and they can simplify and expedite the process for you. Mention that you heard about them from Jeff Berger's ***SXM Weekly News*** and call them toll-free from the USA and Canada at 1-855-203-0050 or in SXM call 1-721-554-8900 to get started.

9. For SXM Condo Buyers, Some Critically Important Advice

Moving to the Caribbean requires a multi-step procedure that involves different citizenship programs. While territories in the Caribbean region have made relocation to the Caribbean easier for people, it's still a meticulous process. It's best to go through the application with seasoned immigration consultants.

Our partner [BrightPath Caribbean](#) is an expert immigration agency that has helped countless people move to their slice of paradise in the tropics. Investors, retirees, and skilled workers who were assisted by the BrightPath team now enjoy life in the land of sun, sea, and sand.

By working with BrightPath's immigration consultants, you don't have to deal with the nitty-gritty of the complicated immigration process. Plus, you avoid delays and increase your chances of approval.

10. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#). (Link is being updated).

Please check this link to [BrightPath Caribbean SXM](#), a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Tell them you heard about BrightPath through Jeff Berger's *SXM Weekly News*.

SECTION 4: Island News, Info, & Features

+++++ B U L L E T I N ***** MAJOR EARLY-MORNING FIRE HITS DISTRICT 721 COMPLEX +++++

Neighbors in Simpson Bay heard several BOOMS just before dawn on Sunday, then saw fire and smoke light up the sky as a fire of undetermined origin almost entirely destroyed the District 721 restaurant/bar complex, sandwiched between the Toppers Restaurant / Rhum Distillery to its south and the three-story Fedex/Island92 building to its north. All that is still standing is the front entry signage.

Miraculously, no one was officially reported injured.

Although southeast tradewinds seemed to protect the Toppers businesses, Fedex and Island92 were not so lucky. Owners of all nearby businesses were called before dawn to evacuate their businesses which were actively threatened by what amounted to a firestorm. Firefighters could not stop the destruction of District 721 so they focused on saving the Toppers complex and the Fedex/Island92 building. Island 92 was immediately knocked off the air as its broadcast transmission lines to a rooftop antenna were essentially destroyed by heat and nearby flames.

Firefighters arriving at the scene first had to deal with low water pressure, then started pumping water from the adjacent Simpson Bay Lagoon. The "Brandweer" (Dutch side Fire Department) called in assistance from both SXM Airport and the French side. SXM has no fireboats, so there was no ability to fight the fire directly from the lagoon. People at the La Sucriere Bakery, phoned by officials at 5:45, were told to get out of the bakery, where preparation had been underway of goods for sale that day. The Bakery suffered no damage except soot on their lagoon dining deck, which was thoroughly cleaned before the bakery reopened in the afternoon after receiving clearance from the fire department.

The third floor of the Island92/Fedex building appeared to be seriously damaged; the exterior facing District 721 was charred black and some windows appeared to be shattered by the fire. On the second floor, where Island92's studios and offices had undergone heavy redesign and upgrading in the past year, there was heavy smoke and water damage. Owner Jeffrey "Dr. Soc" Sochrin said all staff members were fine, as was his pet cat "Miss Oscar," and he expressed thanks for the outpouring of good wishes from his many listeners and sponsors. There was no early estimate of when the station may be able to return to the air.

Owners of District 721 contacted by *SXM Weekly News* in North America, where they reside, were "in shock" at the devastating news but were relieved that none of their "many" employees was hurt in the fire. Some had been with the company since construction began four years ago, the owner said. They told us they planned to fly to the island today (Monday). They did express their intent to build something "even better" on the site, which has been the subject of criticism for the nighttime noise it has generated in what is primarily a residential area. They did not answer our question of whether the complex was insured.

Investigators will now work to determine the fire's cause. We will continue to keep you aware of further developments.

Why risk that? Of course, you must get your SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

• WHAT ARE "ULTIMATES"?

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services and protect you worldwide -- almost everywhere. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions.

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. • When and Where SkyMed Protects You:

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed Takes You Home® when you become critically ill or injured. Optional protection covering most of the rest of the world is provided by GETS, Global Emergency Travel Services, a SkyMed company.

• Key Differences Between SkyMed Short-Term & Annual or Ultimate Memberships:

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships** are the most expensive product SkyMed sells on a per-day basis: \$15/day. They're available only for a specific defined short term. They protect you with SkyMed Takes You Home® membership that applies throughout the United States, Canada,

Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it and qualify again. **Although at \$15/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis**, short-term protection is economical if you seldom travel and take very brief trips. The cost is \$9/day per individual, or a maximum of \$15 a day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. The single most important benefit is that SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health.** Details are in SkyMed's Member Service Agreement (MSA). We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now only about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit and you pay my unique low Association rates. not available online at SkyMed's website; there you pay retail). Phone anytime at 508-591-3483 (NEW NUMBER). That's a direct line to Jeff Berger that also accepts text messages. *Updated 1/8/23.*

*What is the SkyMed Ultimate?

Again, the Ultimate is SkyMed's best - and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed "Takes You Home"® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships. **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

23. Answering Your Questions: What Exactly Does SkyMed Do? --- *from Jeff Berger*

We've always said SkyMed TAKES YOU HOME® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance *works*. **In recent weeks as many of you have decided to resume traveling, you've asked us for examples of what SkyMed does.** Several examples are right here:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 33+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's retail pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of

groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well; anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

24. Traveling Next Summer? ONE QUICK REASON to Buy Your SkyMed Ultimate NOW:

Literally millions of people from the US and Canada are planning to go to Europe next summer, as the surge in pleasure travel continues. [This article is short and sweet — so here goes another critically important reason to get SKYMED for your summer European trip now: **pre-existing conditions coverage for SkyMed Ultimate global memberships begins 90 days after the membership starts; coverage for all other illnesses or injuries begins right away. So, if you buy your membership more than 90 days ahead of your date of European travel, that 90 day period of coverage exclusion for pre-existing conditions will be over about the time your trip begins.**](#)

Equally important, when you join SkyMed directly through us you pay our low Association rates — far lower than the retail rates you will find on the SkyMed website. Call today for more information about SkyMed: 508-591-3483 or email us at jeff.berger@skymed.com. Either way, be sure to tell us your return phone number and your time zone. When contacting us, please be sure to give us your telephone number and time zone.

26. Dutch Side National Heritage Site Bulldozed Overnight

It was a site used for celebrations of the end of slavery in St. Maarten — a place from which slaves left slavery to live their lives in freedom here in SXM. But one night last week it was bulldozed and unlawfully destroyed under cover of darkness. Many people here are furious, including government officials; it is not yet clear how the government will react to this.

[The story is here.](#)

27. Ambulances Rush to Help at Mullet Bay & Maho

Several times during the last few weeks, ambulances have rushed to both Maho beach and Mullet Bay beach, both of which have been crowded with tourists. There are no lifeguards on any beaches on this island, so it is up to every person who uses the beaches to be careful in the water.

A few weeks ago, there were four calls within a week at Maho beach, where throngs of tourists, mostly from cruise ships, bus to watch arriving and departing jets. Four times during that week, thanks to rough surf, ambulances had to be called to take tourists to the hospital to be treated for broken legs and other injuries resulting from "fun" in rough surf.

This week, at Mullet Bay, the site of drownings in the past in rough surf, a woman passed away, reportedly due to cardiac arrest; she was not in the water at the time. There was no ambulance stationed in the area and the ambulance that was dispatched to the beach took about 30 minutes to arrive, onlookers said. People on the beach had attempted CPR but were unsuccessful and the woman passed away on the beach. It was not known at press time whether she was from SXM or a visitor.

When visiting local beaches on either side of the island, venture into the water only with other individuals and watch water conditions closely, since they can change in minutes from placid to rough. Rip currents are also possible; see more information about them [here](#).

28. Sargassum Seaweed Returns to Orient Bay and Dawn Beach

After a respite of several weeks, Sargassum seaweed returned to some area beaches late last week, hitting both Orient beach and Dawn beach with significant amounts of Sargassum seaweed from the Sargasso Sea. At Orient, special equipment was put into operation quickly to scoop up and remove the seaweed. Similar work is normally done at Dawn beach as well. More seaweed was seen in the waters off Orient beach on Saturday morning, just as this edition of *SXM Weekly News* started being written. Many people were still using Orient beach during the weekend, as amounts of seaweed seemed to be subsiding.

29. Avoid Renting Easily Stolen Cars

A class-action lawsuit filed in the USA alleges that certain automakers have built and sold automobiles that are easy to steal. Those automobiles have been sold in many countries — including SXM.

There has been in the recent past of rash of auto thefts involving the allegedly easy to steal cars. If you are among the vast majority of visitors to SXM who rent a car, you may want to avoid renting vehicles cited in the lawsuit as easy to steal.

Here is [all the information you need](#).

31. Where to Find Wild Monkeys on SXM

SXM currently has in the vicinity of 2000 invasive wild Vervet monkeys, brought here as young pets decades ago but later released when they became too big and bothersome to keep as pets. They have flourished in the wild and have become a huge nuisance to homeowners, where they hold daily feasts gorging on residents' fruit and vegetable gardens. On the Dutch side only, authorities have said they are going to start a program to gather the wild monkeys and euthanize them. As we said before, since this is only planned on the Dutch side, our personal opinion is that it is doomed to fail.

Apparently the individual who has won the right to do this has done it in St. Kitts, according to press releases published in local newspapers. However, those same press releases pointed out that St. Kitts currently has about 40,000 of the monkeys, a population that is greater in the number of people there, according to newspaper reports.

Two places where we have commonly seen monkeys in the recent past are Loterie farm on the French side and Oyster Pond Road near the entrance to Rice Hill gardens on the Dutch side, not far from the French border. We have photographed extended families of Vervet monkeys in both places and published pictures in our [Everything SXM Facebook Group](#).

Bear in mind this: monkeys crave food and they are crafty at getting it. They think nothing of opening garbage cans or other trash in search of food. Several days ago, we stopped at the side of Oyster Pond Road after seeing monkeys cross the road in front of us. One was in a tree directly next to us behind a fence and was looking intently at a can of saltines we had in the front seat as well as a bag of Ritz crackers. Once we saw it quickly coming closer in the tree, we decided to *vamoose*. Monkeys are also rather territorial and if you attempt to protect your fruit trees, you can be pelted by things they throw at you to protect what they think is theirs.

They're not the cute little pets people thought they had bought years ago.

32. Caribbean Multihull Challenge is February 3-5

The Caribbean Multihull challenge is a tiny sibling of the St. Maarten Heineken Regatta. The Multihull challenge happens this coming week, February 3-5, and involves approximately 30 boats compared with several times that for the Heineken Regatta which will be here early in March.

Here is more information about the [Caribbean Multihull challenge](#).

33. While Avoiding Mosquitoes Still means a Lot in SXM

The undeniable fact that Covid has calmed down in the Caribbean is welcome news. But despite the fact that it is winter in the northern hemisphere, mosquitoes are still present in St. Maarten and in tropical areas worldwide — and the fact that *Aedes-Aegypti* mosquitoes can carry Chikungunya, Zika, and dengue fever (for which we hear there is now a vaccine) makes using mosquito repellent very wise, especially for people who seem to attract mosquitoes.

Mosquito Milk is very widely used here in SXM, but apparently there is an issue with its distributor and little of it is currently available. Other mosquito repellents with familiar names to US consumers (Off!) are sold in markets here, and are readily available in the Chinese markets across the island at reasonable prices. We do suggest you use them to help keep mosquitoes away.

34. Why a Simple THANK YOU Means So Much

As we reported consistently over the last several weeks, the better restaurants in SXM are very busy — and for their sake and yours, we do recommend reservations. The best restaurants are simply at capacity many nights during the week now, in this busy high season that has become one of the busiest in years.

Once you finish your dinner, if you were as happy with it as you expected to be please thank the server and the restaurant owner personally for their hard work to make you happy. We've noticed many people this year not doing that and it makes a world of difference when you do recognize excellence — so consider it a suggestion for

your next dinner out here on the island.

36. Jai's Unique Twist on Fusion Cuisine: A Very Unique & Special Restaurant

For many months, ever since Jai's Contemporary Fusion Cuisine restaurant first made its appearance in SXM nearly 2 years ago, we highly recommended the restaurant for its unique twist on contemporary fusion cuisine.

The product of SXM, chef/owner Jai Lakhwani is a graduate of the prestigious Culinary Institute of America. A story about him appeared last spring in SXM's [Daily Herald](#), after we had featured his restaurant a number of times as our Restaurant of the Week here. The Herald story tells you a lot about his background — including his stint with the prestigious award-winning **Temptation** restaurant by Dino Jagtiani, the first SXM resident to graduate from the CIA.

When Jai started his new restaurant here in Simpson Bay, SXM, around the corner from Reveil Matin, it was known as Jai's Contemporary Indian Cuisine — but it really wasn't Indian -- it was Jai's contemporary version of Indian. He soon agreed and changed the name to Jai's Contemporary Fusion Cuisine, which is how it is known today. We don't consider it Indian -- though it does have Indian roots -- what it is is **a fantastic young restaurant now being discovered by increasing numbers of discerning diners.**

Whether you like fish, shellfish (including lobster at times), poultry, meat, or vegetarian selections, Jai's has you covered. Their open kitchen is fascinating to watch as it prepares everything before your eyes. Watch the teamwork as your meal is prepared exactly as you ordered it. Our bottom line is that it is a divinely creative and innovative place to dine — an intimate restaurant with attentive service and a fun, upbeat atmosphere in which we can easily engage in fascinating conversation while enjoying great food.

It has our highest recommendation.

Particulars:

Next week: Another fine SXM restaurant.

Here are recently featured SXM restaurants:

Jai's Contemporary Fusion Cuisine (featured 1/2023), Simpson Bay Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaissxmresto>

La Rosa Restaurant, Maho Plaza, (featured 1/23/23): Loved the relaxing vibe, attentive service, GREAT food, reasonable prices, and BIG portions. www.larosarestaurant.com/index.html

Bold Buddha Bar/Restaurant, 49 Front Street at Horizon View Hotel, Philipsburg (featured 1/16/23) Cool new place with seasoned service, very good tapas / Caribbean / Asian and other food, a superb location, and a perfect concept. Highly recommended; something new and different. Ideal place to cool off with a delicious drink and make your taste buds happy.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 1/9/23) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side. <https://www.facebook.com/Mamapizzaisthebest>

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured 12/26/22] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Vesna Taverna, www.vesnasxm.com (featured 12/19/22). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, reasonable pricing.

Mandarin Pan Asian at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 12/12/22). Excellent selection of palate-pleasing offerings from Japan, Thailand, and China. Delicious food and excellent service. Highly recommended.

Astra Steak & Seafood (featured 7/25/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's new, gorgeous, constantly evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Bamboo House (11/21/22), located high on a hill in Cole bay has spectacular island views and equally spectacular dining and service. Exquisite sushi, steaks, and lots more. Vegetarians welcome; people with special dietary needs are well cared-for here too. Jeff rates Bamboo with one huge WOW -- go; you will absolutely be visiting more than once.

Mario's Bistro at the Cliff, formerly Mario's Bistro www.mariobistrot.com/en/ 11/14/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

IZI Ristorante Italiano, www.izisxm.com (featured 11/7/22). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's absolute best restaurants. Fun atmosphere, too.

Avantika Thai www.avantikasxm.com (featured 10/31/22) Avantika is flat-out wonderful; SXM's best Thai; Delicious food artfully presented and reasonably priced, backed by seasoned service. Consistently excellent. Go...you'll become a regular.

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

La Patrona, Simpson Bay Resort (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22) Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here).

Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22 is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

The Coffee Lounge, (featured 1/3/22) **Simpson Bay next to Domino's and in Philipsburg at the head of town**. Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Topper's <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

Blue Bitch Bar www.bluebitchbar.com, formerly Taloula Mango's Blue Bitch Bar, is THE bar/restaurant to visit on the Boardwalk in Philipsburg. (featured 8/9/21) Great open-air atmosphere, outdoor dining/drinking, entertainment. Their menu is extensive with excellent food, fun atmosphere, and beautiful ocean views. Located on the beach, at the Boardwalk....

Pure Ocean Restaurant at Divi Little Bay Resort, Dutch side (featured 3/1/21) Fine new beachside restaurant serving breakfast, lunch, and fine dining dinners. Excellent choices for everyone, innovative menu, beautiful presentation, and downright delicious. Great #Caribbean ambiance on their open-air beachside deck. Attentive service and responsive staff.

Freedom Fighters ITAL SHACK Rasta Restaurant, www.sxmfreedomfighters.com/restaurant 4/15/19. Just go....

Dany's Smooth Cupecoy Beach Bar (on Cupecoy beach); follow the road toward Shore Pointe and turn near Shore Pointe to get there. (Featured 1/20/2019) Parking, drinks, chairs and umbrellas, lolo-type food, and an all-over tan. What could possibly be better?

Enigma C3 luxury Catamaran, www.sailstmaarten.com (featured 8/7/17). Neil's new boat is as big as Celine Too was and it has now entered service. Neil is known for amazing cooking on board his boats.

You will find hundreds more restaurants from both the Dutch Side and French Side listed in the Files area of our [Everything St. Maarten / St. Martin / SXM Facebook Group](#). Our thanks to our Admin there, Contessa Aiello, who edited the restaurant entries on that site..

38. Enormous Library of SXM Information is On The Web (Updated)

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

- a) Our [SXM Weekly News PDF archives](#) include every edition of SXM Weekly News since 2014 -- 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer.
- b) Our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic -- and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of nearly 35,000 members, not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and have a wealth of information available.
- c) We have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our Everything SXM Facebook Group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources -- and don't forget to thank those who have made them possible.

39. Flying in Spring or Summer? Here's Something Else You Should Know

If you are traveling anywhere this Spring or Summer, there is a way you can inject tremendous peace of mind into your travels.

For the first three months of any new SkyMed annual or multiyear membership, SkyMed excludes coverage of pre-existing conditions; after three months, those conditions are covered in full. **So...to AVOID ANY IMPACT on your travel plans this Spring or Summer, buy your new SkyMed annual or multiyear membership NOW, at least three months ahead of your planned travel -- then the 90-day exclusion period for preexisting conditions will end before you travel...**

Why get annual or multiyear memberships? SHORT-TERM family memberships (for a week or two) are \$15/day, while guaranteed renewable for life, price guaranteed for life annual and multiyear memberships are only about \$1.64/day -- less than a cup of coffee. Call me at 508-591-3483 or jeff.berger@skymed.com for answers to questions or to sign up by phone.

Available exclusively to Americans and Canadians. SkyMed TAKES YOU HOME® when you become seriously ill or injured while traveling in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global protection is also available through GETS, Global Emergency Travel Services, part of the SkyMed group.

40. Getting Answers to All Your Questions About SXM

Regardless of what questions you have about SXM, you can find the answers to any questions either in the files area of our [Everything SXM Facebook Group](#) (where we post our current Guide to Entry Requirements) that answers many questions) or you can simply post a question on our site.

We have over 33,000 members, more than other active SXM Facebook sites combined. Our site is also a unique news and information portal, not typical social media where people post pictures of smiling cats, monkeys standing on their heads, and other pointless items. Our SXM site is strictly SXM focused with no drivel. Join it today at www.facebook.com/groups/mySXM.
