THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. Terminal 1 at JFK Suffers Power Outage; Many Flights Turned Back or Rerouted

A power outage occur Thursday at terminal one at JFK airport after a small fire there, causing the terminal to shut down Thursday and remain closed Friday. A number of international flights headed for JFK on Thursday were either diverted to other airports or turned back to their point of origin. One flight from New Zealand, after being in the air for eight hours, was turned back to Auckland, giving its passengers a 16 hour flight to nowhere. Terminal one remain closed on Friday, as the airport was trying to straighten out the electrical issues there.

Here is [more](#) on this story.

2. SXM Airline Winair to Receive Two ATR Aircraft for More Interisland Flights

After going through a number of years when it was financially weak and in need of external assistance, Winair airlines, the national carrier of SXM, has paid back that assistance and is performing admirably as the Interisland carrier of choice to many islands in the Caribbean.

Winair has had an affiliation with Air Antilles for several years, under which wet-leased Air Antilles aircraft have been used by Winair for a number of daily flights that can accommodate larger aircraft in its busy DHC6 STOL (short takeoff and landing) aircraft.

Now, Winair is obtaining two new-to-Winair ATR 42 aircraft which are expected to be painted in the Winair livery and start operating this winter as Winair continues expanding throughout the Caribbean. The airline continues to provide

essential services to many islands for visitors from around the world.

Here is [much more](#) on this story.

3. Planning Your Return Trips to SXM for Summer, Fall, or Winter? Book NOW

Airfares for next Summer, Fall, and Winter have been dropping precipitously for weeks — so if you are planning a return trip to SXM for any of those seasons, we suggest you book now. To get the lowest airfares, download the apps for your airlines of choice and watch for airfare sales: you will generally get the lowest fares directly through the airlines and not through ticket brokerage sites. That way, you can also make changes directly with the airline should changes be necessary.

Fares are lower for summer and beyond -- though summer fares do remain fairly high... so you may want to book those reservations now.

4. Delta Airliner Suffers Engine Fire After Takeoff but Returns Safely; No One Hurt

A Delta Airlines flight bound for JFK from Scotland suffered an engine failure after takeoff last week. Passengers could see flames coming from the starboard (right) engine, which apparently suffered a mechanical failure during takeoff. The plane made an emergency return to the airport and passengers were evacuated quickly without their belongings. The fire was extinguished by fire crews that rushed to the plane after landing. There were no injuries. Here is [more](#).

Engine failures do happen in-flight. Airline crews are trained to respond to them. They are sufficiently routine that they are often not reported in the press. A French A330 aircraft suffered one after takeoff from SXM a year or two ago, and the disabled aircraft sat at SXM Airport for a few weeks. Eventually, a large Russian air transport jet brought in a replacement engine that was installed on the aircraft enabling it to take off; this happened before Russia's unprovoked invasion of Ukraine.

5. Reminder: SXM Has No Covid Entry Requirements

SXM's Covid entry requirements were discontinued effective November 1. There is no reason to expect any similar requirements to be reinstated.

6. MEDICAL EVACUATION COSTS SOAR; Got \$45,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with*

appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital. By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances related to it.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.*

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

8. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) **[Crown Weather Services](#)** whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our **[Everything SXM Facebook Group](#)** publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our **[Everything SXM Facebook Group](#)**, and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

11. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. 23. THE FULL SKYMED STORY: What SkyMed Medevac Protection Is, Where & How It Works, and More

WHAT IS SKYMED? WHERE DOES SKYMED WORK?

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would otherwise cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must **get SkyMed membership before you need it -- just like fire insurance.** You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

WHAT ARE "ULTIMATES"?

SkyMed Ultimates are SkyMed's best memberships and also its **LEAST EXPENSIVE** on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean - plus an additional suite of 26 services to help you in most of the rest of the world. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions -- the five-year delivers the lowest cost per day available for Ultimate memberships (about \$1.64).

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. **The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website.** Call or email us **DIRECTLY** (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2023 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (also takes texts) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.

My SkyMed website: <http://www.skymed.com/jmb>. **But please CALL ME DIRECTLY with questions or to sign up - that way I get credit (number above).** Or jeff.berger@skymed.com

When and Where SkyMed Protects You:

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed Takes You Home® when you become critically ill or injured. Optional protection covering most of the rest of the world (those 26 additional Ultimate global services mentioned above) is provided by GETS, Global Emergency Travel Services, a SkyMed company.

Key Differences Between SkyMed Short-Term & Annual or Ultimate Memberships:

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships are the most expensive product SkyMed sells on a per-day basis: \$15/day.** They're available only for a specific defined short term. They protect you with SkyMed Takes You Home® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it and qualify again. **Although at \$15/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis,** short-term protection

is economical if you seldom travel and take very brief trips. The cost is \$9/day per individual, or a maximum of \$15/day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. This is KEY: SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health - and they are also price guaranteed forever -- your price will not go up as long as you renew your membership on time.** Details are in SkyMed's Member Service Agreement (MSA). We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide, including AT HOME.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit and you pay my unique low Association rates. not available online at SkyMed's website; there you pay retail). Phone anytime at 508-591-3483. That's a direct line to Jeff Berger that also accepts text messages. *Updated 2/11/23.*

Final Word About the SkyMed Ultimate:

Again, the Ultimate is SkyMed's best and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed *Takes You Home*® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships -- *plus another suite of 26 services around the world.* **You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).**

24. Answering Your Questions: What EXACTLY Does SkyMed Do? --- from Jeff Berger

We've always said SkyMed TAKES YOU HOME® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. In recent months as many of you have decided to resume normal worldwide travel, you've asked us for examples of what SkyMed does. Here you go:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 34+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's retail pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to

SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

27. 90 Teams To Compete in Heineken Regatta Next Week

The largest Heineken Regatta of the last several years begins early next month — it starts next week! See all the details [here](#).

28. Big New Amore Restaurant & Lounge Opens This Week

At the former site of Movida restaurant and the Simpson Bay edition of the former Bamboo restaurant, a large new restaurant and lounge called Amore with seating inside in air-conditioned comfort and outside opens Tuesday.

The restaurant promises to be an interesting new venue in the area. It's on Welfare Road opposite a soon-to-open new casino and the former location of Toppers Restaurant. We will publish more about Amore both in our [Everything SXM Facebook Group](#) and here in *SXM Weekly News*.

29. SXM's Genuine Caribbean Beach Bar: Dany's at Cupecoy Beach

Although SXM has many beach bars, there is only one Dany's Smooth Beach Bar at Cupecoy beach. We regard it as the most genuine of all the beach bars here in SXM.

Serving thousands of loyal beachgoers for about 30 years, Dany's offers lounge and umbrella rentals on the beach. In the bar, there's a spectrum of delicious drinks and also a menu with a number of things you may not expect in ordinary beach bars (lobster, for instance). Dany keeps a close eye on everything including the cars in the parking areas. Once a number of years ago when I encountered a flat and he insisted on fixing it and would not take any money.

License plates nailed to the ceiling attest to his wide geographic following — from both the USA and beyond. I've met Fortune 500 CEOs here, police officers, restaurant owners, writers, and a spectrum of humanity from everywhere. The beach bar food and the company are the best you'll find on the island and the "pool" sometimes carved by mother nature into the beach is delightful and makes all that hard work all year truly worthwhile.

Tell Dany we sent you when you visit. One other thing — on this beach, tan lines are optional.

30. An All-New Place for Original, Great Sub-Style Sandwiches: Fleur de Sel, Hope Estate

If you go to the Super U Supermarket in Hope Estate, French side, which we regard as the best supermarket on the island, next door to the right of its front entrance you will find Fleur de Sel, a delightful new two-part restaurant from Mama Pizza owner Desmond Culbert.

You walk into Fleur de Sel and you are in the main restaurant, which serves breakfast and lunches of varying descriptions. There are enough that you will find something to love; portions are generous and the food is delicious. You will find lots of info on their Facebook page, here: <https://www.facebook.com/fleurdesel.sxm>

Walk through the restaurant to the right, and you will find their sub shop — but be aware, it delivers subs on steroids. These are big subs which you can custom order from a large spectrum of ingredients. I ordered a tuna sub and Ilene ordered a veggie. Both were huge (no exaggeration) and the total bill came to \$15. Both were absolutely delicious and we will return soon for hot meals at lunch from the main side of the restaurant.

Do not miss Fleur de Sel!

31. Want GUAVABERRY Rhum, the National Drink of SXM?

For months, many people have been asking us where to buy Guavaberry Rhum, the "national drink of SXM" since it has been a bit difficult to find.

Good news: the Toppers Rhum Distillery in Simpson Bay at the former carousel location is making and distributing Guavaberry Rhum right here in SXM — and is selling it at the Toppers Rhum Distillery in Simpson Bay, which is colocated with the Toppers restaurant. It is also being sold at other locations across SXM that sell Toppers Rhum products. So if you want to stock up on genuine Guavaberry Rhum, now you know where to go.

P. S. The Toppers Rhum Distillery also includes a Gelateria — so you may wish to buy some of their delicious homemade gelato and put a bit of Guavaberry Rhum on top...

32. SXM's #1 FRESH Gelato: Where to Find It

The Toppers rhum distillery and the Toppers restaurant/bar at the former carousel building in Simpson Bay also includes a full-fledged Gelateria. The Gelateria was there before Toppers came, but under the Toppers banner it has grown considerably with many more flavors and toppings — and the Gelateria is made fresh in the building every day. Find a place to park out front or anywhere nearby and come in for breakfast, lunch, or dinner, buy some Toppers rhum or Guavaberry rhum and some souvenirs from the distillery, then set your sights on the Gelato — it is creamy and delicious and your toughest decision all day will be determining which flavors you want to take away and which you want to devour on the premises.

33. The Smallest Bar in the World is Off Front Street...

One of SXM's most enduring attractions is the smallest bar in the world — Juggie's just east of the center of town on the right (Great Bay) side of Front street down the alley next to the church.

Juggie for years has offered great conversation and his business also benefits his favorite charity, which you'll see evidenced by certain garments hanging above the bar. He will be happy to explain this and tell you about his drink selections while giving you his own special line of B. S. approximately 2 miles long. It's a fascinating place run by a great guy we've known for probably 25 years. Definitely visit.

34. "Kraving" the World's Best Burger?

Across the alley from Juggie's (see above story) is a place called Krave, owned by a guy named Karan. If he looks familiar, it's because he had been a chef working with Jai Lakhwani at Jai's Contemporary Fusion Cuisine in Simpson Bay when Jai's first opened. Karan has now opened his own place called KRAVE which is getting a sudden reputation for serving great burgers and pizzas -- which he modestly claims are "the best" in SXM. In social media (especially our [Everything SXM Facebook Group](#)) they are wildly popular and discussed -- so you might want to give them a try; we plan to as well.

Karan, by the way, is a grad of the prestigious Culinary Institute of America (CIA) so he has the credentials for some crazy good food. He has also worked in the kitchens of Bamboo Bernie's, Rare, Temptation, Saratoga, Charter House, Le Pressoir, Mary's Boon, Lagoones, and Alina. Go!

35. Bold Buddha Has Everything You Want for Lunch, Dinner

If you find yourself in Philipsburg any day, take a stroll along the boardwalk east of the center of town and you'll come upon the Bold Buddha Restaurant on the boardwalk at the Horizon View hotel. It is open for both lunch and dinner, and it offers a surprisingly eclectic culinary spectrum, including tapas, sushi, sandwiches, and more. Good food, reasonable prices, great central location.

Bold Buddha is owned and operated by the folks from Coffee Lounge, which has two locations -- at the head of town (far eastern end of Front Street) and in Simpson Bay next door to Domino's. Both have what we think is the widest selection of coffees on SXM plus sandwiches and pastries. If you're in need of some great coffee, this is your place.

36. Restaurant of the Week: La Rosa

The reaction most people have when they first walk into the inside dining room at La Rosa is "Wow..."

It's a beautiful room with very comfortable seating, unlike the seating common in many restaurants today. The wines are delicious and the menu is huge, with all your long-time Italian favorites. Plus, if you have dietary restrictions, you will quickly find that the waitstaff and owner Ricky Castillo listen and respond perfectly to your dietary needs.

My salmon Carpaccio appetizer consisted of a large number of silver-dollar size, paper thin salmon slices, all perfectly prepared. Ilene's vegetarian eggplant appetizer she told us was outstanding. Her main was shrimp parmesan, made spicy by the addition of requested Matouk's hot pepper sauce from Trinidad. She loved it. My main was chicken parmesan, served in two large pieces and also quite delicious. The dessert I chose was a flan topped with strawberries -- equally delicious.

La Rosa has been around for more than 30 years and has stood the test of time in the highly competitive SXM culinary environment. Soft, recognizable Italian music playing in the background added to the experience. Say hello for us to Ricky and Yolanda Castillo and to Eric who will likely be there when you visit. Just go: you will not be disappointed. Located in Maho behind the Maho Pharmacy; convenient parking available in the Maho parking garage.

Next week: Another fine SXM restaurant.

Here are recently featured SXM restaurants:

La Rosa Restaurant, Maho Plaza, (featured 2/20/23): Loved the relaxing vibe, attentive service, GREAT food, reasonable prices, and BIG portions. www.larosarestaurant.com/index.html

Bamboo House (2/13/23), located high on a hill in Cole bay has spectacular island views and equally spectacular dining and service. Exquisite sushi, steaks, and lots more. Vegetarians welcome; people with special dietary needs are well cared-for here too. Jeff rates Bamboo with one huge WOW -- go; you will absolutely be visiting more than once.

More: <https://www.bamboohouse-sxm.com/>

IZI Ristorante Italiano, www.izisxm.com (featured 2/6/23). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's absolute best restaurants -- in fact it has been voted **BEST RESTAURANT OF ANY KIND ON SXM by readers of TripAdvisor**. Fun atmosphere, too. **Go and tell them we recommended it.**

Bold Buddha Bar/Restaurant, 49 Front Street at Horizon View Hotel, Philipsburg (featured 1/16/23) Cool new place with seasoned service, very good tapas / Caribbean / Asian and other food, a superb location, and a perfect concept. Highly recommended; something new and different. Ideal place to cool off with a delicious drink and make your taste buds happy.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 1/9/23) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/> . [Featured 12/26/22] Truly fine dining in

one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Vesna Taverna, www.vesnasxm.com (featured 12/19/22). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, reasonable pricing.

Mandarin Pan Asian at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 12/12/22). Excellent selection of palate-pleasing offerings from Japan, Thailand, and China. Delicious food and excellent service. Highly recommended.

Jai's Contemporary Fusion Cuisine (featured 12/5/22), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaissxmresto>

Astra Steak & Seafood (featured 7/25/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's new, gorgeous, constantly evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Mario's Bistro at the Cliff, formerly Mario's Bistro www.mariobistrot.com/en/ 11/14/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

Avantika Thai www.avantikasxm.com (featured 10/31/22) Avantika is flat-out wonderful; SXM's best Thai; Delicious food artfully presented and reasonably priced, backed by seasoned service. Consistently excellent. Go...you'll become a regular.

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

La Patrona, Simpson Bay Resort (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22) Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here).

Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/> . [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

The Coffee Lounge, (featured 1/3/22) **Simpson Bay next to Domino's and in Philipsburg at the head of town**. Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Topper's <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rhum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

Blue Bitch Bar www.bluebitchbar.com, formerly Taloula Mango's Blue Bitch Bar, is THE bar/restaurant to visit on the Boardwalk in Philipsburg. (featured 8/9/21) Great open-air atmosphere, outdoor dining/drinking, entertainment. Their menu is extensive with excellent food, fun atmosphere, and beautiful ocean views. Located on the beach, at the Boardwalk...

Pure Ocean Restaurant at Divi Little Bay Resort, Dutch side (featured 3/1/21) Fine new beachside restaurant serving breakfast, lunch, and fine dining dinners. Excellent choices for everyone, innovative menu, beautiful presentation, and downright delicious. Great #Caribbean ambiance on their open-air beachside deck. Attentive service and responsive staff.

Freedom Fighters ITAL SHACK Rasta Restaurant, www.sxmfreedomfighters.com/restaurant 4/15/19. Just go....

Dany's Smooth Cupecoy Beach Bar (on Cupecoy beach); follow the road toward Shore Pointe and turn near Shore Pointe to get there. (Featured 1/20/2019) Parking, drinks, chairs and umbrellas, lolo-type food, and an all-over tan. What could possibly be better?

Enigma C3 luxury Catamaran, www.sailstmaarten.com (featured 8/7/17). Neil's new boat is as big as Celine Too was

and it has now entered service. Neil is known for amazing cooking on board his boats.

You will find hundreds more restaurants from both the Dutch Side and French Side listed in the Files area of our [Everything St. Maarten / St. Martin / SXM Facebook Group](#). Our thanks to our Admin there, Contessa Aiello, who edited the restaurant entries on that site..

38. Enormous Library of SXM Information is On The Web (Updated)

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

- a) Our [SXM Weekly News PDF archives](#) include every edition of SXM Weekly News since 2014 -- 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer.
- b) Our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic -- and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of nearly 35,000 members, not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and have a wealth of information available.
- c) We have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our Everything SXM Facebook Group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources -- and don't forget to thank those who have made them possible.

39. Flying in Spring or Summer? Here's Something Else You Should Know

If you are traveling anywhere this Spring or Summer, there is a way you can inject tremendous peace of mind into your travels.

For the first three months of any new SkyMed annual or multiyear membership, SkyMed excludes coverage of pre-existing conditions; after three months, those conditions are covered in full. **So...to AVOID ANY IMPACT on your travel plans this Spring or Summer, buy your new SkyMed annual or multiyear membership NOW, at least three months ahead of your planned travel -- then the 90-day exclusion period for preexisting conditions will end before you travel...**

Why get annual or multiyear memberships? SHORT-TERM family memberships (for a week or two) are \$15/day, while guaranteed renewable for life, price guaranteed for life annual and multiyear memberships are only about \$1.64/day -- less than a cup of coffee. Call me at 508-591-3483 or jeff.berger@skymed.com for answers to questions or to sign up by phone.

Available exclusively to Americans and Canadians. SkyMed TAKES YOU HOME® when you become seriously ill or injured while traveling in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. Global protection is also available through GETS, Global Emergency Travel Services, part of the SkyMed group.

40. Getting Answers to All Your Questions About SXM

Regardless of what questions you have about SXM, you can find the answers to any questions either in the files area of our [Everything SXM Facebook Group](#) (where we post our current Guide to Entry Requirements) that answers many questions) or you can simply post a question on our site.

We have over 33,000 members, more than other active SXM Facebook sites combined. Our site is also a unique news and information portal, not typical social media where people post pictures of smiling cats, monkeys standing on their heads, and other pointless items. Our SXM site is strictly SXM focused with no drivel. Join it today at www.facebook.com/groups/mySXM.
