### THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

#### SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

#### GETTING HERE:

### 1. Huge Winter Storms Cause Thousands of US Flight Cancellations

Huge winter storms last week dumped snow measurable by yardsticks across the USA, causing thousands of flight cancellations and even more flight delays. A number of individuals attempting to get to SXM were caught in snarled traveling conditions.

A new storm was hitting the West Coast as this story was written on Saturday, after rare blizzard conditions had affected mountains in Los Angeles County.

It's still winter....

### 2. Planning Your Return Trips to SXM for Summer, Fall, or Winter? Book NOW

Airfares for next Summer, Fall, and Winter have been dropping precipitously for weeks — so if you are planning a return trip to SXM for any of those seasons, we suggest you book now. To get the lowest airfares, download the apps for your airlines of choice and watch for airfare sales: you will generally get the lowest fares directly through the airlines and not through ticket brokerage sites. That way, you can also make changes directly with the airline should changes be necessary.

Fares are lower for summer and beyond -- though summer fares do remain fairly high... so you may want to book those reservations now.

### 3. Huge Airbus A340 Visits -- from QATAR

A huge Airbus A340 aircraft, a widebody with four engines, visited SXM last week for approximately a week after a long trip from Qatar. The Qatar Airways aircraft is one of a small fleet used for charter purposes. Unconfirmed reports inferred that the "Amiri" flights may have involved members of the Qatar royal family or others in the government of Qatar.

The plane left late last week. Its flight path was kept secret from public display on tracking apps like Flightaware. Aircraft from Qatar Airways have been here before; these folks know where to vacation.

### 4. FAA Enhancing Airport Safety Management

Many people assume that airports are very safe places — and they are. But the FAA is pursuing its mandate to make sure everyone using USA airports receives the benefit of maximal efforts to ensure safety. Here is that [story](#).

### 5. Reminder: SXM Has No Covid Entry Requirements

SXM's Covid entry requirements were discontinued effective November 1 of last year. There is no reason to expect any similar requirements to be reinstated.

**ASK ALL YOUR SXM FRIENDS TO SUBSCRIBE TO SXM WEEKLY NEWS -- SXM's ONLY PROFESSIONALLY WRITTEN WEEKLY NEWSLETTER FOR TOURISTS. Subscribe free at [www.sxmweeklynews.com](http://www.sxmweeklynews.com)**

### 6. MEDICAL EVACUATION COSTS SOAR; Got \$45,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances related to it.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed*

*membership. SkyMed will do all of this stuff once you make that single quick phone call.*

**For more information, call us today at 508-591-3483 or [Jeff.Berger@skymed.com](mailto:Jeff.Berger@skymed.com).** Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

**GET SKYMED NOW FOR THEIR BEST OFFERS!** SEE more stories in our main news section.

## 7. What To Do If Your Flight is Canceled or Delayed...

What should you do if your flight is canceled or delayed as happens fairly often now due to weather or staffing shortages?

This [article](#) gives you answers.

### ***Etc./Weather***

## 8. Weather Morphing into Dry Season

Weather on SXM is morphing into its usual dry season characteristics, although it may not seem that way to visitors. Fields across the island, which in recent months had been verdant, are now turning largely light brown, like hay, as showers generally become less frequent and lighter. Such relatively dry weather will hold until tropical season begins in June. Nonetheless, everyone here says the best weather of the year is every July...so think that over!

## 9. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "**Weather Center / Hurricane Center**" at [www.everythingsxm.com](http://www.everythingsxm.com) -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see [www.island92.com](http://www.island92.com). They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

**In addition**, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, [www.everythingsxm.com](http://www.everythingsxm.com).

## **12. Buying a Condo in SXM: Important Procedural Help**

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

See the video [here](#). (Link is being updated).

**Please check this link to [BrightPath Caribbean SXM](#), a company that can help provide very deep and expeditious help in completing residency requirements for people buying a second home, income property, or a new business in SXM, or relocating there. They're located in the Puerta del Sol building opposite Avantika, Simpson Bay, Dutch side. Tell them you heard about BrightPath through Jeff Berger's *SXM Weekly News*.**

### **Breaking News: KLM Airliner Suffers Nose Wheel Turning Malfunction Upon Landing in SXM**

KLM AIRCRAFT LANDS SAFELY AFTER MALFUNCTION OF NOSE WHEEL STEERING SYSTEM  
(Source: SXM Airport)

On Sunday, February 26, 2023, confirmed reports from the PJIAE Airport Operations Tower declared that KLM Airbus Flight 729, with aircraft type (A-330-203), encountered a nose wheel steering system malfunction upon landing. The aircraft landed at SXM Airport at approximately 3:26 PM.

KLM Flight 729 was later grounded at Princess Juliana International Airport (PJIA). The passenger manifest declared a total of 225 passengers and 11 crew members on board from the Royal Schiphol Airport with a destination to St. Maarten. All were reportedly safe upon landing.

The Airport's Operations reported on the scene at 3:29 PM, meanwhile, the runway remained closed to further assess the situation, and the aircraft was towed off the runway to the main apron. Following a full assessment, the runway was reopened at 4:10 PM. A total of 259 passengers were scheduled for departure to Amsterdam and are currently delayed at the airport. Management is on location with the necessary teams to monitor the ongoing situation.

**--->Update: At approximately 6:47PM the flight attempted to depart to Amsterdam, however was not successful and the passengers were returned to the terminal building.**

## **24. THE FULL SKYMED STORY: What SkyMed Medevac Protection Is, Where & How It Works, and More**

### **WHAT IS SKYMED? WHERE DOES SKYMED WORK?**

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would otherwise cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must **get SkyMed membership before you need it -- just like fire insurance.** You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

### **WHAT ARE "ULTIMATES"?**

SkyMed Ultimates are SkyMed's best memberships and also its **LEAST EXPENSIVE** on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean - plus an additional suite of 26 services to help you in most of the rest of the world. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions -- the five-year delivers the lowest cost per day available for Ultimate memberships (about \$1.64).

### **LOW GROUP PRICING \*LOWER THAN THE PRICES ON THE SKYMED WEBSITE\*:**

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us **DIRECTLY** (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

### **LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:**

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2023 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

- **HOW TO CONTACT US: Phone us ANYTIME at 508-591-3483 (also takes texts) for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com).**

My SkyMed website: <http://www.skymed.com/jmb>. *But please CALL ME DIRECTLY with questions or to sign up - that way I get credit (number above).* Or [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com)

- **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world (those 26 additional Ultimate global services mentioned above) is provided by GETS, Global Emergency Travel Services, a SkyMed company.

- **Key Differences Between SkyMed Short-Term & Annual or Ultimate Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships are the most expensive product SkyMed sells on a per-day basis: \$15/day.** They're available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it and qualify again. **Although at \$15/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis,** short-term protection is economical if you seldom travel and take very brief trips. The cost is \$9/day per individual, or a maximum of \$15/day per family (parents and kids 21 or younger). ***We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. This is KEY: SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health - and they are also price guaranteed forever -- your price will not go up as long as you renew your membership on time.*** Details are in SkyMed's Member Service Agreement (MSA). We currently have members who are still traveling and are in their upper 80s and 90s. ***The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now about \$1.64/day total.*** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide, including AT HOME.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit and you pay my unique low Association rates. not available online at SkyMed's website; there you pay retail). Phone anytime at 508-591-3483. That's a direct line to Jeff Berger that also accepts text messages. *Updated 2/11/23.*

#### **\*Final Word About the SkyMed Ultimate:\***

Again, the Ultimate is SkyMed's best and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed *Takes You Home*® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships -- *plus another suite of 26 services around the world.* You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).

## 25. Answering Your Questions: What EXACTLY Does SkyMed

## Do? --- from Jeff Berger

We've always said SkyMed **TAKES YOU HOME**® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. In recent months as many of you have decided to resume normal worldwide travel, you've asked us for examples of what SkyMed does. Here you go:

*For answers to questions or to sign up, email me at [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com) or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 34+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's retail pricing published on the web.*

**Here are specific examples of how SkyMed works for its members:**

**On a recent Thursday at Mullet Bay Beach**, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

**Mary Beth and her partner Don** were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

**An MD from Florida who always visits SXM** was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

**A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head** by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

**A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip.** After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

**Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider.** The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

**A member of the clergy** fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

**Not all trips end well:** anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

**All this is why we always recommend SkyMed.** Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

**Anything can happen anywhere:** Do it now, BEFORE YOU NEED IT. To learn more, visit [www.skymed.com/jmb](http://www.skymed.com/jmb). JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

## 28. Celebrity Reflection Returns to Port in Philipsburg Briefly Thursday Night

The Celebrity Reflection cruise ship had spent a normal day in SXM last Thursday. It left port as scheduled late in the day and sailed northwestward toward its next destination.

When major medical emergencies take place aboard ships, the ship's doctor usually tends to the patient's needs until the next port, when the patient is removed from the ship and is taken to the nearest hospital.

However in this case, it appears that the illness or injury suffered by someone aboard the ship was too serious to be cared for aboard the ship, so Celebrity Reflection made a U-turn and headed back toward Philipsburg, where its arrival was viewed from shore and from coastal residential areas. It was a surprise; cruise ships generally arrive in SXM in the morning — they don't generally arrive at night.

In this case, an ambulance was on hand to meet the arriving ship. The ill or injured individual was moved from the ship to the ambulance which then headed toward the hospital. We don't know the identity or condition of the patient. What we do know is that this is a common event involving cruise ships and also involving airlines, where ill passengers are taken off flights by emergency responders and brought to nearby hospitals for treatment.

As Jeff has said -- anything can happen anywhere — even in paradise.

## 29. Why You Should Stay Away from Sea Turtle Nests / Hatchlings

Most large sea turtles are threatened, endangered, or critically endangered, and are protected by law wherever they are located.

Here in SXM, nesting sites for sea turtles are on many beaches — usually from spring to fall. The presence of large amounts of seaweed complicates the matter of protecting these endangered marine animals. Consequently, local officials throughout the Caribbean and elsewhere are taking remarkable steps to protect sea turtles but avoid disruption to nesting sites during seaweed removal efforts.

When sea turtle nests are discovered here in SXM, they are clearly marked and cordoned off. No one — no locals or tourists — should go anywhere near these nesting sites. When the turtle eggs hatch, the hatchlings will dig out of the sand and head for the ocean, where many of these vulnerable young turtles will be devoured by predators; the rest will grow up to weigh hundreds of pounds and may venture as far north seasonally as the Cape Cod area.

Much more on sea turtles is [here](#).

## 31. Mullet Bay Development, Planet Hollywood Being Eyed by Members of Parliament

Before reading the rest of this story, be aware of one fact: Mullet Bay Development as it is described in the stories to which we provide links below regards development of the beach area of Mullet Bay, one of the prime beaches on the Dutch side. It does not relate to redevelopment of Mullet Bay, where the huge **Mullet Bay Beach Resort** sprawling over several hundred acres near the golf course was completely destroyed during 1995's hurricane Luis. Often referred to as the Mullet Bay debacle, nothing has happened on that property, except for demolition of buildings, in the last 27 years. We have in the past written about court cases involving different owners there and we even published an architect's concept for Mullet Bay Redevelopment several years in our [Everything SXM Facebook Group](#) but it, like a number of other projects on this island, never happened. Politicians here are starting to refer to the Mullet Bay situation as a debacle, as the Caravanserai situation was referred to a number of years later. Whether or when anything will happen with regard to Mullet Bay Beach Resort Redevelopment — we don't know.

Here is [the story](#) about Mullet Bay Development.

The interesting news that came out this past week regarding **Planet Hollywood** is that the permit for construction of a large Planet Hollywood Resort was granted about two years ago *and is still active*. The resort arm of Sunwing airlines of Canada bought the Sonesta Great Bay Beach Resort before SXM was battered by hurricane Irma in 2017; building of the resort had been scheduled to happen late in 2017 or 2018.

Although the mess left by Irma has long since been cleaned up and some site preparation appears to have taken place, there has been no construction activity regarding Planet Hollywood on this property in this last two years. As far as the island government is concerned, however, the project is not dead and the permits are active — though Sunwing remains silent about the status of the project.

With political elections planned here for later this year, don't be surprised if something dramatic happens this year concerning development: hospitality-related jobs are very important to this island's economy and politicians want votes.....

## 32. Minor Quake Awakens Many at 3am Friday

A minor earthquake shook the island at 3 AM Friday morning, causing no reported damage or injuries. Small quakes are not unusual here, and your *SXM Weekly News* editor easily slept through this one. We publish information about all significant weather and quake/volcano activity in SXM or within the Caribbean basin in general.

## 33. Harmony Nights Restarts This Week; Last Week's Edition Was Canceled

Last week's Mardis de Grand Case or harmony nights was canceled belatedly by French side authorities when they realized they couldn't provide adequate security for both the last night of the French side Carnival and Mardis simultaneously. However, Mardis de Grand Case returns tomorrow as usual (Tuesday). We have published details about this popular event in our [Everything SXM Facebook Group](#).

## Happy Bay

SXM FESTIVAL has become one of the biggest events of the year on French St. Martin — and this year promises to be bigger and better than any preceding event.

The SXM Festival follows on the heels of the St. Maarten Heineken Regatta — see separate story. Much more on the electronic music Festival SXM FESTIVAL is [here](#).

### 35. Pinel Island Sargassum Seaweed Update

Pinel BEACH is on the leeward side of Pinel island and is NOT AFFECTED by Sargassum seaweed. The Cul-de-Sac ferry terminal is on the windward side of SXM and gets a lot of it. But the BEACH on Pinel Island is PERFECTLY FINE. Wind also has not been an issue. Again, leeward side.

### 36. Heinz to Buy a New Boat for St. Martin Resident Who Survived on Ketchup When His Boat Went Adrift

We published a story here a few weeks ago about a St. Martin resident who was doing some boat repairs when his boat drifted away from the dock and in the fashion of a made-for-TV dramatic movie, it drifted away into the ocean while his cell phone died. He was drifting in the ocean for quite some time -- but was able to stay alive thanks to Heinz ketchup.

Well, the Heinz folks have found out about this and are trying to locate the man so they can buy him a new boat; [here is the full story](#).

### 37. Restaurant of the Week: Amore

SXM has lots of Italian restaurants. Yet another just opened in Puerta del Sol in Simpson Bay, popularly known as the Avantika building, on the first floor -- where both Movida and the former Bamboo Simpson Bay restaurants had been located.

We were invited to the opening last Tuesday and had dinner there that night. Some details:

1) The **Amore Lounge** is located where Movida had been. It has experienced bartenders and quite an extensive selection of wines, in addition to everything else people expect at lounges. It also includes an ultra-sleek ambiance, plus Hookah equipment for those so inclined. The lounge is fully air-conditioned though it does have some tables outdoors for those so inclined. It is open until 3am and has TVs for those into sports.

2) The **Amore "American Italian" restaurant** has an extensive (VERY complete) menu with surprisingly reasonable pricing. The kitchen staff was impressive, easily handling special custom-orders we flung at it. We met them - seasoned pros. The food came out hot, exactly as ordered, and it arrived in a reasonable time period. We were impressed by everything -- modern, comfortable, sleek decor, very good servers, and excellent quality from appetizers through desserts. The key lime pie was incredible.

3) **Amore Pizza** -- thin crust Boston North End style -- offered at the restaurant is one of the very best we've ever had on SXM. You can buy it for onsite dining (along with the dozens of other items on their menu) or buy it to take out. They have several standard pizzas but if you want to build your own, no worries -- the crew here (headed by Arun, the former GM at Avantika) is very responsive.

Amore will provide real competition for other Dutch side Italian restaurants. The pizza alone makes it a winner, but there is something for everyone here. Try it; we recommend Amore!

**Next week:** Another fine SXM restaurant.

### Here are recently featured SXM restaurants:

**Amore American/Italian Restaurant and Amore Lounge**, Simpson Bay on the first floor of the Avantika building, Puerta del Sol. Highly recommended. Opened late February, 2023. Their [website](#) is now up. **Go!**

**La Rosa Restaurant**, Maho Plaza, (featured 2/20/23): Loved the relaxing vibe, attentive service, GREAT food, reasonable prices, and BIG portions. [www.larosarestaurant.com/index.html](http://www.larosarestaurant.com/index.html)

**Bamboo House (2/13/23)**, located high on a hill in Cole bay has spectacular island views and equally spectacular dining and service. Exquisite sushi, steaks, and lots more. Vegetarians welcome; people with special dietary needs are well cared-for here too. Jeff rates Bamboo with one huge WOW -- go; you will absolutely be visiting more than once.

**More:** <https://www.bamboohouse-sxm.com/>

<https://www.facebook.com/Mamapizzaisthebest>

**Emilio's at the Emilio Wilson Estate**, Dutch Side, <https://emilios-sxm.com/>. [Featured 12/26/22] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

**Vesna Taverna**, [www.vesnasxm.com](http://www.vesnasxm.com) (featured 12/19/22). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, reasonable pricing.

**Mandarin Pan Asian** at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 12/12/22). Excellent selection of palate-pleasing offerings from Japan, Thailand, and China. Delicious food and excellent service. Highly recommended.

**Jai's Contemporary Fusion Cuisine (featured 12/5/22)**, Simpson Bay Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaissxmresto>

**Astra Steak & Seafood (featured 7/25/22)** is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's new, gorgeous, constantly evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

**Mario's Bistro at the Cliff**, formerly Mario's Bistro [www.mariobistrot.com/en/](http://www.mariobistrot.com/en/) 11/14/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

**Avantika Thai** [www.avantikasxm.com](http://www.avantikasxm.com) (featured 10/31/22) Avantika is flat-out wonderful; SXM's best Thai; Delicious food artfully presented and reasonably priced, backed by seasoned service. Consistently excellent. Go...you'll become a regular.

**Melange International Grill, Port de Plaisance (next to Princess Casino entrance)**. (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

**La Patrona, Simpson Bay Resort** (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

**Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22)** Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here.

**Spiga**, [www.spiga-sxm.com](http://www.spiga-sxm.com) (featured 2/7/22) Chef-co-owner **Ciro Russo & Lara Russo** haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

**SkipJacks Seafood Grill, Bar, and seafood Market** (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

**Emilio's at the Emilio Wilson Estate**, Dutch Side, <https://emilios-sxm.com/> . [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

**The Coffee Lounge**, (featured 1/3/22) **Simpson Bay next to Domino's and in Philipsburg at the head of town.** Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

**Topper's** <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rhum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

**Enigma C3 luxury Catamaran**, [www.sailstmaarten.com](http://www.sailstmaarten.com) (featured 8/7/17). Neil's new boat is as big as Celine Too was and it has now entered service. Neil is known for amazing cooking on board his boats.

## 44. First Responders Now Get Platinum-Status JMB Discounts

*If you're U. S. Military with a DD214, you're able to get a Platinum-Status Military JMB Membership for \$16.99/year, the lowest we ever charge anyone. You get instant Platinum Status which is permanent as long as you're a JMB member plus 300+ SXM discounts and other benefits. All you do is pay for four years to start and renew in four-year increments (\$67.96). Nobody else pays so little -- our small way of expressing how grateful we all are for your service.*

**And now we're adding police, firefighters, EMTs, and nurses to our just-renamed Military / First Responder Memberships in recognition of their sacrifices for the rest of us every single day.** We just need you to send us documentary proof (ID) that you're one of America's very best. To sign up or upgrade your JMB membership to Military / First Responders, visit [everythingxsm.com](http://everythingxsm.com) and click the page curl to sign up for your JMB military membership (the page still says Military). We'll also need a DD214 (or other police / fire / nursing ID) with your SS# obliterated for security. We'll be delighted to welcome you all to our new best-of-all JMB Website Supporters Platinum Memberships.
