THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. SXM Expected to Stay Busy Through Spring, Summer

Anecdotal evidence suggests that tourism here in SXM will stay busy both through the spring and the summer. Visitation rates never stay at high winter levels through spring and summer -- but the number of visitors this winter has approached levels not seen since before Irma despite the fact that accommodations capacity has been reduced due to resorts destroyed by Irma. The number of tourists on the island generally goes down after the Heineken Regatta but it increases again for Carnival a few weeks later.

Summer has become busier here as people realize SXM offers relatively uncrowded beaches and significantly lower pricing for accommodations and car rentals during the low season compared to high season (now). That is a sharp contrast to what people in the Northeast pay for summer vacations on the Jersey shore or Cape Cod -- and SXM also offers much less traffic than either of those, and less fried food (better dining) than the US vacation spots....

2. Reminder: SXM Has No Covid Entry Requirements

SXM's Covid entry requirements were discontinued effective November 1 last year. There is no reason to expect any similar requirements to be reinstated.

3. MEDICAL EVACUATION COSTS SOAR; Got \$45,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$45,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$45,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances related to it.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.

For more information, call us today at 508-591-3483 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

4. What To Do If Your Flight is Canceled or Delayed...

What should you do if your flight is canceled or delayed as happens fairly often now due to weather or staffing shortages?

This [article](#) gives you answers.

Etc./Weather

5. Dry Season is Here

SXM weather has become dry. More and more fields across the island, which in recent months had been verdant, are now largely light brown, like hay, and showers have become less frequent and lighter. Such relatively dry weather will hold until tropical season begins in June. Nonetheless, everyone here says the best weather of the year in SXM is in July.... We're thinking: YOUR Summer vacation should be here! (See story 1, above.)

6. Where to Find The Latest SXM Weather Information

Although hurricane season officially begins June 1, nonetheless it's best to be prepared before then. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

7. Establish Residency FIRST if You're Buying a Condo or Villa in SXM

Despite the somewhat curious global economy, sales of condominiums here in SXM continue to roll ahead.

If you plan to buy an SXM condo and spend several months a year here, it is to your advantage to establish residency early. With 10 years of experience, BrightPath Caribbean has the knowledge, expertise, and infrastructure to help you do that with the minimum inconvenience and minimum time spent shepherding the process.

In other words, they know their stuff, they know the latest wrinkles in the law, and they can simplify and expedite the process for you. Mention that you heard about them from Jeff Berger's **SXM Weekly News** and call them toll-free from the USA and Canada at 1-855-203-0050 or in SXM call 1-721-554-8900 to get started.

8. For SXM Condo Buyers, Some Critically Important Advice

Moving to the Caribbean requires a multi-step procedure that involves different citizenship programs. While territories in the Caribbean region have made relocation to the Caribbean easier for people, it's still a meticulous process. It's best to go through the application with seasoned immigration consultants.

9. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Arun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Many of you have asked whether it would be possible for you to see video we made of our relocation seminar.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. Lots of outstanding info was communicated during this excellent seminar, and another is now in the early planning stages.

21. THE FULL SKYMED STORY: What SkyMed Medevac Protection Is, Where & How It Works, and More

WHAT IS SKYMED? WHERE DOES SKYMED WORK?

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would otherwise cost non-SkyMed members \$45,000 and up payable in cash, in advance. Why risk that? Of course, you must **get SkyMed membership before you need it -- just like fire insurance.** You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

WHAT ARE "ULTIMATES"?

SkyMed Ultimates are SkyMed's best memberships and also its **LEAST EXPENSIVE** on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean - plus an additional suite of 26 services to help you in most of the rest of the world. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions -- the five-year delivers the lowest cost per day available for Ultimate memberships (about \$1.64).

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. **The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website.** Call or email us **DIRECTLY** (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

- **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world (those 26 additional Ultimate global services mentioned above) is provided by GETS, Global Emergency Travel Services, a SkyMed company.

- **Key Differences Between SkyMed Short-Term & Annual or Ultimate Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships are the most expensive product SkyMed sells on a per-day basis: \$15/day.** They're available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it and qualify again. **Although at \$15/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis,** short-term protection is economical if you seldom travel and take very brief trips. The cost is \$9/day per individual, or a maximum of \$15/day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. This is KEY: SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health - and they are also price guaranteed forever -- your price will not go up as long as you renew your membership on time.** Details are in SkyMed's Member Service Agreement (MSA). We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$15/day per family for short-term coverage -- it's now about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide, including AT HOME.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit and you pay my unique low Association rates. **not available online at SkyMed's website; there you pay retail**). Phone anytime at 508-591-3483. That's a direct line to Jeff Berger that also accepts text messages. *Updated 2/11/23.*

Final Word About the SkyMed Ultimate:

Again, the Ultimate is SkyMed's best and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed *Takes You Home*® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships -- *plus another suite of 26 services around the world.* You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).

22. Answering Your Questions: What EXACTLY Does SkyMed Do? --- from Jeff Berger

We've always said SkyMed **TAKES YOU HOME**® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. In recent months as many of you have decided to resume normal worldwide travel, you've asked us for examples of what SkyMed does. Here you go:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-591-3483. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 34+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's retail pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a recent Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in

all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-591-3483 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

26. SXM Nature Foundation Working With Government to Cull SXM's Wild Monkey Population; Huge Opposition Looms

In a move that has surprised a number of people, the SXM Nature Foundation, usually associated with animal protection and environmental conservation, has become involved in deploying traps to catch wild Vervet monkeys on the Dutch side of the island in a program designed to "cull the population" - a euphemism for euthanizing the animals. The program has drawn fire from dozens of animal protection/conservation organizations not only in the Caribbean, but also around the world — in the Netherlands and elsewhere. Here is one comment from the organization **Sea Shepherd SXM**:

The killing of monkeys begins. Traps are in place. Pet owners be careful.

For reminder: Vervets were introduced by humans, at first as pets. Now the population start to grow, so The Nature Foundation asked to the government of Sint Maarten, the right, and financial support for an extermination plan.

We have no study saying that they are harmful for the environment, we have no study on them at all. They base they knowledges on what was observed somewhere else, but it is known that species develop special behavior and habits depending on their environment, they adapt.

If it was to happen that we can prove that they are threatening the endemic wildlife, solutions like sterilization and relocation exist and should be privileged, for saving both the local wildlife, and the precious lives of the monkeys.

We do not kill just because maybe they can be a problem... If so, why aren't we all in prison in case we will possibly be criminals? Since when can we dispose of so intelligent and remarkable animals like they were nothing? How environmental associations can protect wildlife if they don't give a thought about animal rights? Which vet will accept to kill hundreds of healthy animals when it is not the only option?

SXM Weekly News Comment: We are soliciting comments from other people and organizations involved with both environmental conservation and protection of naturalists/animals and we will continue to do reporting on this program, which we expect will create a firestorm of local opposition. The fact that this is happening months before a local election is not insignificant. Some homeowners want to get rid of the monkeys, since the animals are eating fruit they grow. Many others regard the current program which will euthanize the animals as draconian.

[A quick note: The Vervet monkeys are qualified as invasive because they were brought on the island, not native, and they do not have any predators. The potential "damage, harm and /or negative impact" they might have on the environment or other species have not be proven.]

We have seen photographs of the cages in which the monkeys are being caught. They remind us of "have a heart" type traps that capture live animals. A key problem in the view of many people is that monkeys can be many sizes (from young to adults) which means the traps are big and may well attract other animals including many breeds of dogs,

puppies, cats, kittens, iguanas, and potentially a number of other animals. From what we know there appears to be no notification device on the traps indicating when animals are inside, nor do we know of any patrol routine that keeps an eye on the traps to make sure they don't trap and/or harm innocent animals. *We don't know of anything that can prevent house pets from winding up in these traps.*

Notwithstanding all these issues, the program appears to be proceeding. It is worth noting that the person who is doing this was hired from St. Kitts after doing a similar program there. But in St. Kitts, there are reportedly about 40,000 wild Vervet monkeys, which suggests to a casual non-expert observer (like us) that the program wasn't particularly successful there at getting rid of the animals *even though we are sure the government of St. Kitts paid for it.*

As **Sea Shepherd SXM** said, there are other methods for controlling the population of these invasive, intelligent animals. The steps that have been taken here don't appear to us to be the most effective, empathetic means of monkey population control. In addition, this activity is being undertaken only on the Dutch side and there is nothing to stop a significant population of Vervet monkeys on the French side (where no such activity is being undertaken) to migrate south into the Dutch side. Our view is that this ineffective, inhumane, and dangerous program (dangerous in the fact that it can victimize house pets and other "innocent" animals) should have received far more study so that a better-quality solution could be developed and implemented. To us, this is killing a housefly with a howitzer.

As you would likely expect, we will continue to monitor this program and tell you what's happening. For more, see this link for Sea Shepherd SXM, <https://seashepherd.fr/>

27. 2024 Heineken Regatta Dates Include Leap Year, February 29

If you're looking forward to 2024, the Heineken Regatta dates for next year begin on leap year day, February 29, and it ends on March 3, 2024.

28. The Saga of KLM Royal Dutch Airlines Flights 729 ... and What Happened to Its Passengers

On approximately Saturday, February 25, a KLM Royal Dutch Airlines A330 aircraft encountered some nose wheel steering issues in Nigeria, but the issues appeared to resolve themselves and the plane took off on time for Amsterdam.

There, it was checked out, and officials there decided it was fine and it was put into service to serve its next assigned route, KLM flight 729 from Amsterdam to SXM on Sunday, February 26.

The nose wheel steering system is used only when the plane is on the ground, so it can turn to exit or enter runways and taxiways. But when KLM 729 attempted to turn after landing in SXM late Sunday afternoon, Feb. 26, the steering mechanism would not allow it to turn; so for a while on that Sunday afternoon, the runway had to be shut down and the passengers later offloaded so the plane could be towed to the terminal.

Later, the plane was looked over by technicians who concluded it was fine -- just like Amsterdam techs had concluded. So the plane was loaded with fuel, freight, and passengers, and it started its journey to the runway to fly to Amsterdam.

While taxiing, the plane's nose wheel steering mechanism again malfunctioned. The plane was so heavily loaded with fuel, passengers, and freight that it was too heavy to be towed, so ultimately the passengers had to deplane and much of the freight had to be removed so the plane could be towed. This all happened on Sunday, February 26.

One would have expected that even during this busy week, one of the busiest of the year on SXM, KLM would've been able to arrange passage for its passengers to enable them to get to Amsterdam within a day or two of their original scheduled flight time. A new part was supposed to come in originally on Tuesday, then Wednesday, and technicians were supposed to install it so the plane could finally get off the ground.

As of Friday night, March 3, the plane was still sitting on the tarmac, apparently still not satisfactorily repaired so that it could get moving. Meanwhile, passengers sat around waiting for something to happen. Some of them flew to New York aboard non-KLM jets so they could connect there with flights back to Amsterdam. Others took Air France to Paris, then connected there. Finally a replacement KLM flight came in on Thursday — four days after this incident — and took most of the rest of the passengers home, though there were still unconfirmed reports that six remained on SXM.

Online, we were critical of the fact that it took KLM so long to get anything done for the passengers. But the airline industry has still not recovered from the impact of Covid — and a senior pilot who has flown 737s, A220s, and even Boeing 767 widebody aircraft similar to the A330, told us, "Easier said than done sometimes. Sometimes there is no slack in fleet usage. Sometimes they can't crew a jet even if they have one. I'm also guessing if some or many were put

on other airlines on Monday. Trust me, no airline wants passengers sitting around for 3 days, especially EU carriers, they have much steeper penalties for the airlines than US carriers."

It may also be that the passengers who remained here in SXM did so voluntarily and had nothing urgent compelling them to return quickly to Amsterdam.

In any case, at this final proofing on Sunday night 3/5, the disabled KLM jet was still sitting at SXM Airport. We will keep you posted.

29. How to Watch Planes at SXM Airport from Your Web-Connected Device

PTZ operates a number of webcams in all kinds of places; the one that covers SXM Airport is situated in a rent a car lot in the Beacon Hill area near the SXM runway. It shows departures, arrivals, and aircraft at the terminal, and also enables you to listen to air traffic control conversations. You can visit the site [here](#).

30. Hyatt on SXM: SECRETS Hotels Are Part of Hyatt; See Current TV Ad

You may not know it, but Hyatt, the big hotel outfit, is actually operating a hotel year on SXM; SECRETS is part of Hyatt, and it is an all-inclusive resort in the Anse Marcel area on the French side.

Look [here](#) for a TV ad for SECRETS mentioning Hyatt's ownership.

Posted in our [Everything SXM Facebook Group](#) by W. Flynn:

I want to give big kudos to Erica and Ernesto gendarmes on duty tonite in Grand Case. We were dining at Ocean's 82 and after dinner found we had a dead battery in the car. We were parked on the street and it was very quiet. All of the others in our party of 12 had already departed. As we were mulling our options they came by and had a hand held battery charger. They stayed with us and helped until we were good to go.

For SXM such events have been typical for decades. It's "The Friendly Island" -- a reality, not just a slogan.

32. Make Deep Sea Fishing Reservations Before You Get Here...

If you want to get deep sea fishing a try when you're on SXM, try one or both of the following seasoned deep-sea fishing companies, both of which are sponsors of JMB SXM Web Media — which means you will see their posts in our [Everything SXM Facebook Group](#).

Here are the names and how to contact these companies:

[Taylor Made Fishing Charters](#)

[Rudy's Deep Sea Fishing](#)

33. Make Island Massage Reservations Before You Get Here

We haven't had any island massages in years, ever since Tricia Altenau was on SXM (she's now in VT); but we are about to with Patty Healing Hands who has a superb reputation. Interested in a great massage? Here is her [contact info](#).

34. Make-Your-Own-Perfume at Tijon Parfumerie; Best to Reserve Before Arrival

Tijon Parfumerie in Grand Case is one of the few places on the entire planet where you can not only buy great island-made perfumes and a huge spectrum of VERY nice gifts, but where you can also CREATE YOUR VERY OWN UNIQUE PERSONAL FRAGRANCE. They give brief but thorough classes where you can learn about blending fragrances. It is wonderful fun for everyone (women & men) and you get a fragrance they can refill anytime. PLUS, you can even blend your fragrance VIRTUALLY if you're not visiting soon. Their site: www.tijon.com -- just do it.

35. Electronic Music Festival Coming March 8-12 at Happy Bay

SXM FESTIVAL has become one of the biggest events of the year on French St. Martin — and this year promises to be bigger and better than any preceding event.

The SXM Festival follows on the heels of the St. Maarten Heineken Regatta. Much more on the electronic music SXM Festival is [here](#).

36. How Different Are Other Nearby Islands?

You know SXM -- would you think nearby islands Anguilla, St. Barth, Saba, and Statia (St. Eustatius) are similar?

None of them is similar to SXM except in climate. Here are a few characteristics of each island:

1. **Anguilla** is very beautiful with breathtaking beaches and fine restaurants. It has large (actually moderately sized) and small resorts and is a significantly more expensive island than SXM for accommodations. It's British; they drive on the wrong side of the road. No nude beaches.
2. **Saba** is tiny, has virtually no beaches and is famous for hiking, its extinct volcano, and its rainforest. Its accommodations are small and reasonably priced. Restaurants are smaller and charming. Diving is a huge attraction and a passion here.
3. **Statia** has vast expanses of beaches with very rough surf; they are not considered swimmable. Conch are plentiful and conch shells are sometimes used to make property walls. It is widely considered one of the best places for diving in the Caribbean, and an attraction surrounds touring the inside of an extinct volcano.
4. **St. Barth** is the "rich and famous" island. It has gorgeous, relatively small resorts with astronomical prices. Restaurants are superb (on a par with SXM's best) and they are also very expensive. It's French and has nude beaches.

37. Restaurant of the Week: Emilio's

Sidney is the Chef here and his creations are outstanding, from appetizers through dessert. It's not Italian -- it's called

"Emilio's" because it sits on property known as the "Emilio Wilson Estate". Ask owner Norman Wathey about Mr. Wilson, a gentleman Norman met and knew. Their slogan is "Dine With History" since this was the site of a plantation many years ago and when you dine here you are dining in a truly historic place... again, ask Norman Wathey.

Not to be missed. Their related property is the Blue Bitch Bar (originally Taloula Mango's) in Philipsburg. Tell them we sent you... Learn more [here](#).

Next week: Another fine SXM restaurant.

Here are recently featured SXM restaurants:

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/> . [Featured 3/6/23] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Amore American/Italian Restaurant and Amore Lounge, Simpson Bay on the first floor of the Avantika building, Puerta del Sol. Highly recommended. Opened late February, 2023. Their [website](#) is now up. **Go!**

La Rosa Restaurant, Maho Plaza, (featured 2/20/23): Loved the relaxing vibe, attentive service, GREAT food, reasonable prices, and BIG portions. www.larosarestaurant.com/index.html

Bamboo House (2/13/23), located high on a hill in Cole bay has spectacular island views and equally spectacular dining and service. Exquisite sushi, steaks, and lots more. Vegetarians welcome; people with special dietary needs are well cared-for here too. Jeff rates Bamboo with one huge WOW -- go; you will absolutely be visiting more than once.

More: <https://www.bamboohouse-sxm.com/>

Fun atmosphere, too. **Go and tell them we recommended it.**

Bold Buddha Bar/Restaurant, 49 Front Street at Horizon View Hotel, Philipsburg (featured 1/16/23) Cool new place with seasoned service, very good tapas / Caribbean / Asian and other food, a superb location, and a perfect concept. Highly recommended; something new and different. Ideal place to cool off with a delicious drink and make your taste buds happy.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 1/9/23) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side.

<https://www.facebook.com/Mamapizzaisthebest>

Jai's Contemporary Fusion Cuisine (featured 12/5/22), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaisxmresto>

Astra Steak & Seafood (featured 7/25/22) is the newest creation of the organization that also operates Avantika and Movida in the same area of Simpson Bay. It's new, gorgeous, constantly evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Mario's Bistro at the Cliff, formerly Mario's Bistro www.mariobistrot.com/en/ 11/14/22 Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

Avantika Thai www.avantikasxm.com (featured 10/31/22) Avantika is flat-out wonderful; SXM's best Thai; Delicious food artfully presented and reasonably priced, backed by seasoned service. Consistently excellent. Go...you'll become a regular.

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

La Patrona, Simpson Bay Resort (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22) Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here.

Spiga, www.spiga-sxm.com (featured 2/7/22) Chef-co-owner **Ciro Russo & Lara Russo** haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly

irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured January 2022] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

The Coffee Lounge, (featured 1/3/22) Simpson Bay next to Domino's and in Philipsburg at the head of town. Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Topper's <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rhum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

Blue Bitch Bar www.bluebitchbar.com, formerly Taloula Mango's Blue Bitch Bar, is THE bar/restaurant to visit on the Boardwalk in Philipsburg. Located on the beach, at the Boardwalk....
