THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather, Etc.

GETTING HERE:

1. JetBlue/Spirit Dept. of Justice Merger Trial Begins

The US Department of Justice lawsuit against jetBlue Airways, filed to stop the merger between JetBlue and Spirit, started this week in Boston. The Justice Department contends the merger will limit competition and increase fares; JetBlue is arguing essentially the opposite. The judge in the case, picked at random, is believed to be in favor of mergers — whether that is reality is yet to be seen. The trial is expected to last 20 days. It is not yet known how long

the judge may take to render his decision.

If anything unexpected happens during the trial, we will publish that information quickly in *SXM Weekly News* and in our [Everything SXM Facebook Group](#).

Here is [more](#) on this trial.

2. Heads Up Concerning SXM Airport's New (Temporary) Arrivals Building

There is good news and bad news from SXM Airport:

The good news, which is covered in detail in the next story, is that the soft opening of the new departure facilities in the current terminal happens November 15 -- this month. The new, reimagined arrivals facility is scheduled to open sometime during Q2 of next year.

The bad news is that to complete the arrivals area in the completely renovated terminal, the airport has had to move arrivals out of the terminal temporarily and put them into a new temporary facility. **If you are unfortunate enough to arrive on Saturday afternoon after 1 PM, when JetBlue, Spirit, American, Delta, and Air France all land, you will wind up in a long outdoors line in a covered walkway.** While you are waiting, you'll discover there are no seats, the line doesn't move particularly fast, and luggage is dumped on *one carousel one flight at a time*. Not only do you wait in line, you also wait for your luggage. You might want to bring a light rain coat in case there is wind-driven rain.

Of course, all this is better than being home freezing in the US or Canada — and it will only last until sometime next April, when the new arrivals facility opens. We know they had to do something temporarily to get arrivals out of the terminal building so they can finish it. Although the results are less than ideal, they *are* temporary.

3. Final New Departure Facilities at SXM Airport Soft Opening Set for November 15

The Princess Juliana International Airport Operating Company N.V. (PJIAE) is pleased to announce the upcoming soft opening of its brand-new departure hall on November 15th, 2023. This exciting development comes after the airport faced delays due to logistical challenges stemming from recent storms and hurricane watches, along with the additional workload generated by these events.

The soft opening of the departure hall marks a significant milestone in PJIAE's ongoing commitment to provide the best possible services and amenities for its passengers. It is the first phase of an extensive upgrade that will introduce a fresh and vibrant atmosphere, enhancing the overall passenger experience. During this phased approach, travelers will have access to a limited variety of retail and dining options, with several others set to launch in late November and December, all carefully selected to enrich the airport experience for travelers

The new departure hall, spanning over 10,000 square meters, is equipped with cutting-edge technology, and is designed to accommodate 2.5 million passengers. It is a state-of-the-art terminal where the passenger screening and emigration process alone showcases the latest technological advancements in use.

Brian Mingo, CEO of PJIAE, expressed his enthusiasm about the upcoming soft opening, stating, "We are excited to unveil the first phase of our airport's rejuvenation in two weeks' time. I'm so proud of all the hard work and dedication of all our colleagues who made it happen! On behalf of the Managing Board, I would like to express my deepest gratitude to all. This achievement is not only a professional milestone but also a testament to the extraordinary capabilities of our team. The journey may have been challenging, but the collective dedication and determination our employees have displayed have made this achievement truly outstanding. Let's use this moment as a steppingstone to achieve even greater heights. Together, there's nothing we cannot accomplish. I am excited about what the future holds and look forward to many more successful endeavors with this remarkable team."

PJIAE is excited to welcome passengers to this new and enhanced departure hall, offering state-of-the-art facilities and an improved travel experience. The soft opening on November 15, 2023, marks the beginning of a new era for Princess Juliana International Airport.

4. MEDICAL EVACUATION COSTS SOAR; Got \$55,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$55,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$50,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances related to it.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.

For more information, call us today at 508-747-8281 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

5. What To Do If Your Flight is Canceled or Delayed...

What should you do if your flight is canceled or delayed as happens fairly often now due to weather or staffing shortages?

This [article](#) gives you answers.

Etc./Weather

6. Weather Improves; Puddles Receding

After significant recent rains, weather this week has improved significantly with mostly sunny skies and temperatures in the upper 80s.

Large puddles had formed near Atrium Resort, on the road through Mullet Bay, at the entrance to Beacon Hill, and

elsewhere...but all are gradually receding.

7. Hurricane Season Officially In Its Last Month

The 2023 Atlantic hurricane season is now in its last month. Meteorologist Rob Lightbown of Crown Weather says that no further tropical development in the Atlantic is expected in the next week to 10 days and probably beyond. There are no signs of any tropical development across the Atlantic, on the African continent, or anywhere near SXM. There is a disorganized tropical system well to the west of St. Maarten which is headed for Central America — but it is no threat to the Leeward or Windward islands.

8. Where to Find Info on Storms Approaching SXM -- or Approaching Your Home

If a tropical cyclone is expected to impact where you are during the upcoming 2023 hurricane season, heed the advice, watches, and warnings from local officials. If you are simply interested in knowing what the latest watches and warnings are from the National Hurricane Center and from authorities like Rob Lightbown, one of the foremost go-to experts in hurricane forecasting in the USA, see www.crownweather.com and subscribe to his inexpensive year-round forecasting service which tells you everything you need to know about tropical weather and your local severe weather forecasts year 'round..

Check out the hurricane/weather center in our main SXM website, www.everythingSXM.com. The site contains a weather/hurricane center which publishes all the latest watches and warnings for all storms around the clock, even if there are multiple storms being watched simultaneously. We are finishing an upgrade of that site to include more satellite images, radar loops, and other useful tropical weather information. You can get to our Weather Center by going to www.everythingSXM.com and clicking the weather link in our horizontal navigation bar. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are SIX sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.
- 6) Get a quick, current satellite look at the Atlantic basin anytime: <http://www.goes.noaa.gov/GIFS/ATWV.JPG> .

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

SECTION 2: Accommodations / Buying SXM Condos or Villas: Hotels, Resorts, Timeshares, Private Condos, Villas Etc.

9. Hundreds of Timeshare Condos For Rent / Sale Directly From Owners Available Now on Our Main Site

Our hundreds of listings of timeshare condominiums for rent and for sale come directly from SXM timeshare owners; you'll find them on our main SXM site, www.everythingsxm.com, which was extensively updated several days ago. There are no middlemen or other third parties involved in the sale of these units, so you will talk directly with the owner who is personally responsible for setting the rental or sale fees. The link to our timeshare listings is just below the masthead in our main SXM site, everythingSXM.com.

10. Why Our Rental Ads are Different - And Superior

There are many places where you can find ads for timeshares for rent — however, we only know one exactly like ours. *What makes us different is what makes us remarkable — and desirable.* We accept ads only from members of our JMB Website Supporters island discount program. Consequently, our member database contains info about these individuals — we know who they are. They routinely exchange their detailed contact information with buyers during the course of the rental process.

By contrast, many people place ads in various online locations anonymously (we don't allow that on our site). So if you buy from rental/sales sites other than ours, you are essentially buying from strangers.

Our information about timeshare owners is private — it is never sold or bartered to anyone. The only exception would be police exercising a warrant (for example, FBI seeking out cyber criminals among timeshare rental advertisers). We are happy to report we have never had any such request from any police organization since we first started publishing timeshare rental and sale ads in 2002. So, you can rent with confidence that you will get exactly what you are looking for.

You will find all our ads on www.everythingSXM.com, our main SXM website.

11. Looking for a Private Condo or Villa in SXM? Our Everything SXM Facebook Group Brings You SXM's Top Realtors

If you're looking to rent a privately owned condominium or villa on SXM, see our listings of the top SXM realtors in the Files area of our [Everything SXM Facebook Group](#). This week that list also appears in the next story.

15. Buying a Condo in SXM: Important Procedural Help

A while ago, working with Irun Jagtiani of Island Real Estate Team, we put together and conducted an SXM Relocation Seminar for dozens of attentive attendees at Emilio's Restaurant at the Emilio Wilson estate near Philipsburg.

Although we do intend to put on future relocation seminars, the video of our November '18 seminar is available online to anyone interested in buying on SXM, whether for a vacation home, retirement home, income property, or anything else. 23. THE FULL SKYMED STORY: What SkyMed Medevac
Protection Is, Where & How It Works, and More

• **WHAT IS SKYMED? WHERE DOES SKYMED WORK?**

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would otherwise cost non-SkyMed members \$50,000 and up payable in cash, in advance. Why risk that? Of course, you must **get SkyMed membership before** you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

• **WHAT ARE "ULTIMATES"?**

SkyMed Ultimates are SkyMed's best memberships and also its **LEAST EXPENSIVE** on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean - plus an additional suite of 26 services to help you in most of the rest of the world. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions -- the five-year delivers the lowest cost per day available for Ultimate memberships (about \$1.64).

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. **The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website.** *Call or email us DIRECTLY (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.*

• **LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:**

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2023 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

• **HOW TO CONTACT US: Phone us ANYTIME at 508-747-8281 for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.**

[sign up - that way I get credit \(number above\).](#) Or jeff.berger@skymed.com

- **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world (those 26 additional Ultimate global services mentioned above) is provided by GETS, Global Emergency Travel Services, a SkyMed company.

- **Key Differences Between SkyMed Short-Term & Annual or Ultimate Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships are the most expensive product SkyMed sells on a per-day basis: \$18/day.** They're available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it and qualify again. **Although at \$18/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis,** short-term protection is economical if you seldom travel and take very brief trips. The cost is \$12/day per individual, or a maximum of \$15/day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. This is KEY: SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health - and they are also price guaranteed forever -- your price will not go up as long as you renew your membership on time.** Details are in SkyMed's Member Service Agreement (MSA). We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$18/day per family for short-term coverage -- it's now about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide, including AT HOME.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit and you pay my unique low Association rates. not available online at SkyMed's website; there you pay retail). Phone 508-747-8281 or email jeff.berger@skymed.com. That's a direct line to Jeff Berger. *Updated 5/8/23.*

- ***Final Word About the SkyMed Ultimate:***

Again, the Ultimate is SkyMed's best and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed *Takes You Home*® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships -- *plus another suite of 26 services around the world.* You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).

24. Answering Your Questions: What EXACTLY Does SkyMed Do? --- from Jeff Berger

We've always said SkyMed *TAKES YOU HOME*® when you become critically ill or injured --

home to doctors and hospitals you know and trust, and home where your health insurance works. ***In recent months as many of you have decided to resume normal worldwide travel, you've asked us for examples of what SkyMed does.*** Here you go:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-747-8281. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 34+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's retail pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-747-8281 and leave

your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, **BEFORE YOU NEED IT.** To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

27. Power, Water Slowly Returning to French Side

Heavy rains across the island during the last few weeks caused a number of power outages and water production interruptions specifically on the French side of the island. French side utilities made substantial progress restoring these utilities earlier this week.

28. Underwater Museum Being Constructed in Little Bay; Project Opens in December

An underwater museum featuring sculptures of real-life SXM characters and personalities is being created in the waters of Little Bay. Accessible only by snorkeling, it will open to the public in mid December.

Here is [much more information](#).

29. Coming for Thanksgiving? Make Lunch or Dinner Reservations NOW

If you plan to be in SXM for the Thanksgiving holiday, you would be wise to make dinner reservations now. If you have a favorite restaurant that serves Thanksgiving dinners, reserve now. If you are a newbie wondering what restaurants will be serving Thanksgiving dinners, ask that question in our [Everything SXM Facebook Group](#).

Hint: Some people have turkey dinners at lunch and again at dinner at the same or a different restaurant. Sounds good to us...

30. Early-Bird Dinners Aren't Just for Seniors

It used to be that seniors sought early-bird reservations at restaurants, having reduced-rate dinners before the hordes of dinner-hour diners arrived. Many people perceived this as a US thing.

It was not simply a US thing — and restaurateurs have now taken note of it — even a number of them in SXM. If you prefer dining earlier when making reservations at your favorite restaurants — ask them what time they actually open for dinner. You may find that many are open at 6 PM or earlier. We know several that open at 5 and some that open earlier. Ask them; you may find exactly what you seek -- very good availability of uncrowded restaurant space.

31. Why Cupecoy Is Our Long-Time Favorite SXM Beach

Many reasons... Gorgeous. All-natural (beach untouched), easy chair/umbrella rentals, great food and drinks brought to your chair or have them at Dany's Smooth Beach Bar. Dany has been here for more than 25 years and he is THE BEST; you can order lobster in advance. Lolo style cooking. And...the beach for decades has been *de facto* clothing-optional, signs to the opposite notwithstanding. Haven't tried a C/O beach yet? See [Trying Naturism for the First Time in SXM](#), Jeff's article on that topic.

32. Tourist Numbers Start to Increase; Restaurants Begin to Get Busy

Usually November in SXM is quiet until a week or two before Thanksgiving, but this year last Saturday (not even November) the airport was packed with visitors. We've only visited two restaurants so far, IZI for dinner and Vesna's for breakfast and both were quite busy. Sally, day manager at Vesna, said the prior weekend, when Tammy wasn't far away, was busy anyway - until authorities told businesses to close due to the storm. (The storm was not a big deal on SXM.)

Lots of painting, redecorating and general fixups are underway as most restaurants either have reopened from their seasonal closure...or are about to.

33. Winair Takes Delivery of Its Second ATR Aircraft

Winair, SXM's island-based local airline that provides essential air services connecting a number of islands, is expanding. A few days ago they took delivery of their second ATR commuter aircraft, substantially bigger than their STOL (short takeoff and landing) DHC6 Twin Otter aircraft. Here is that story:

Simpson Bay, St. Maarten – October 27, 2023 –WINAIR is pleased to announce the arrival of its second ATR 42-500 aircraft. The new aircraft PJ-WIW arrived at SXM Airport on today October 27, 2023. From mid-November onwards, Winair will start its winter schedule with two ATR's.

"We are excited to welcome our second ATR 42-500 aircraft to the fleet," said Hans van de Velde, CEO of WINAIR. "The first ATR has been operating very well since its launch in July, and our customers have been impressed with the comfort and on time performance of the aircraft. With the addition of the second ATR, we will be able to offer our customers more frequencies to our destinations, especially Curacao, Aruba and Bonaire will see an increase of flights."

WINAIR expresses its gratitude to the project team, especially Mr Marco London, WINAIR's Quality Assurance Manager and project leader Mr. Michael Cleaver, as well as the St. Maarten Civil Aviation Authority for their dedication and hard work in bringing the second ATR aircraft to service.

"We couldn't have done it without the hard work and dedication of our project team," said Hans van de Velde. "And we are grateful to the SMCAA team for their continued support."

WINAIR is confidently entering the winter season with its fleet of four Twin Otters and two ATR aircraft. With these Winair fleet extensions, and the developments at PJIAE, St. Maarten is in a great position to further grow the economy in a sustainable way.

Customers can expect more frequencies to their destinations and amazing low fares. More details about the new schedule and special low fares will be announced soon.

34. Miami Skytrain Shut Down Due to "Structural Cracks"; Result: Mile-Long Walk

The Miami Skytrain unmanned commuter train, which takes passengers to opposite ends of the mile-long AA terminal there, has been shut down for several weeks due to major cracks in some of its piers. Bus services have finally and mercifully been instituted to help passengers make the long trek.

Miami Airport has been a crowded mess for as long as most passengers can remember. Now, thanks to this, it's significantly worse. It is not yet known when the SkyTrain might return to service -- so holiday travel at AA in MIA should be the diametric opposite of peachy.

Here is [the full story](#) from Miami (latest news). This is an earlier piece from the [Miami Herald](#), which broke the story.

35. WARNING TO CRUISERS: Ships Don't Wait, so Avoid Flying to Cruise Ports Too Close to Departure

Thanks to airline schedules impacted by weather, the ongoing ATC controller shortage, and other issues (think the coming Winter), many people flying to the departure city for cruises they've booked get there late and miss the boat. Literally. Boats don't wait for delayed passengers.

So, leave for your departure city *at least* a couple of days ahead, so airline delays don't cost you your cruise.

37. KRAVE Wins Our Poll for Best SXM Burgers

Our [Everything SXM Facebook Group](#) posts polls when we see serious interest in certain topics. For example, new members of that group frequently ask "Where are the best burgers?"

So we did a poll in the last several days which you'll find in our [Everything SXM Facebook Group](#) by searching "Poll" (or you can scroll the page). KRAVE received 54% of the vote, a clear majority, with 15 total places mentioned by readers. KRAVE is located in central Philipsburg next to "Juggies," the Smallest Bar In The World. Visit both, and tell them you read about them here in *SXM Weekly News*.

38. Restaurant of the Week: IZI

IZI Ristorante Italiano, opposite Pineapple Pete in Simpson Bay, is an institution. Chef/owner David Foini has been here in SXM for about 30 years, first as a small pasta manufacturer (La Raviolina), then with a very small restaurant in Sandy Ground (La Gondola), then a completely reimaged La Gondola at the former Atlantis Casino in Cupecoy, and for about 20 years...IZI.

IZI has added elements of fun to great dining. (Last season in TripAdvisor, it was voted #1 restaurant of any kind on SXM.) The menu is a spectrum of fine dining selections, and (with advance reservations) you can come with a small (or larger) group and experience their amazing Tasting Menu.

Osso Buco, steak, chicken parm, tuna tartare, homemade pastas, vegetarian selections, and delicious desserts... every time you think you've settled on a favorite app or main, you'll be enticed to try another. And another, and another. BIG selection!

Go early on your vacation to IZI. You'll be back again on your current trip. IZI is a true landmark here in SXM.

Next week: Another fine SXM restaurant.

Here are recently featured SXM restaurants:

IZI Ristorante Italiano, www.izisxm.com (featured 11/1/23). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's absolute best restaurants -- in fact it has been voted **BEST RESTAURANT OF ANY KIND on SXM by readers of TripAdvisor**. Fun atmosphere, too. **Go and tell them we recommended it.**

Avantika Thai www.avantikasxm.com (featured 10/23/23) Avantika is flat-out wonderful; SXM's best Thai; Delicious food artfully presented and reasonably priced, backed by seasoned service. Consistently excellent. Go...you'll become a regular.

Freedom Fighters Ital Shack (featured 10/16/23) is a unique vegan restaurant that delivers freshness beyond what you might expect. If you're looking for dining that is tantalizing, healthy, memorable, satisfying, and totally unique on SXM, this is your place. Highly recommended. More: www.sxmfreedomfighters.com/restaurant

The Chef Table (featured 7/31/23), is the new restaurant from award-winning chef Wendell Laurence. Located across the street in Simpson Bay from The Mailbox, it has just opened, and it offers a spectrum of culinary delights aimed at satisfying the most demanding set of taste buds. Chef Wendell has been serving delightful dishes across SXM for more than 15 years and this is his first time as an owner. See much for information and pictures in our [Everything SXM Facebook Group](#). Highly recommended.

Dany's Smooth Cupecoy Beach Bar (on Cupecoy beach); follow the road Northwest toward Shore Pointe and turn left before Shore Pointe to get there. (Featured 6/19/2023) Parking, drinks, great lolo food, camaraderie, chairs and umbrellas, and an all-over tan on this traditionally clothing-optional beach. What could possibly be better?

The Coffee Lounge, (featured 6/5/23) **Simpson Bay next to Domino's and in Philipsburg at the head of town.** Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured 5/30/23] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Spiga, www.spiga-sxm.com (featured 5/22/23) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

Bamboo House (5/8/23), located high on a hill in Cole bay has spectacular island views and equally spectacular dining and service. Exquisite sushi, steaks, and lots more. Vegetarians welcome; people with special dietary needs are well cared-for here too. Jeff rates Bamboo with one huge WOW -- go; you will absolutely be visiting more than once. **More:** <https://www.bamboohouse-sxm.com/>

Mario's Bistro at the Cliff www.mariobistrot.com/en/ (featured 4/17/23) Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

Jai's Contemporary Fusion Cuisine (featured 3/20/23), **Simpson Bay** Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaisxmresto>

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured 3/6/23] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Amore American/Italian Restaurant and Amore Lounge, Simpson Bay on the first floor of the Avantika building, Puerta del Sol. Highly recommended. Opened late February, 2023. Their [website](#) is now up. **Go!**

On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side. <https://www.facebook.com/Mamapizzaisthebest>

Vesna Taverna, www.vesnasxm.com (featured 12/19/22). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, reasonable pricing.

Mandarin Pan Asian at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 12/12/22). Excellent

selection of palate-pleasing offerings from Japan, Thailand, and China. Delicious food and excellent service. Highly recommended.

Astra Steak & Seafood (featured 7/25/22) is from the organization that also operates Avantika and Amore in the same area of Simpson Bay. It's gorgeous, evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

La Patrona, Simpson Bay Resort (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22) Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here.

With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Topper's <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Lunch, dinner, and late dining. Karaoke. Co-located with Toppers Rhum Distillery so have some rum (rhum is the French spelling) and rum cake when you dine. Open until late night. Sports on TV. From cops to billionaires, everyone loves Toppers.

Blue Bitch Bar www.bluebitchbar.com, formerly Taloula Mango's Blue Bitch Bar, is THE bar/restaurant to visit on the Boardwalk in Philipsbuirg. (Updated)

Regardless of what kind of SXM information you need, our sites deliver it.

Here are three examples:

a) Our [SXM Weekly News PDF archives](#) include every edition of SXM Weekly News since 2014 -- 9 years of editions and hundreds of thousands of words of SXM information. Our PDF archives are searchable by keywords to make it easy for you to find whatever information you seek quickly and easily on your computer.

b) Our [Everything SXM Facebook Group](#) is a repository for an enormous amount of SXM information posted during its more than 10 years of existence. You can search all posts ever allowed, for any SXM topic -- and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of nearly 35,000 members, not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and have a wealth of information available.

c) We have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our Everything SXM Facebook Group. They are also frequently updated by our admins and moderators, particularly Contessa Aiello who has written most of them.

Take advantage of these resources -- and don't forget to thank those who have made them possible.
