THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. LEAD STORY: Update on AA Flight Attendants' Move Toward a Strike

The Feds said NO to an attempt by AA Flight Attendants to move toward a strike. It told the union and the airline to keep negotiating toward an agreement. The prospect for a late-December strike by Flight Attendants now seems highly unlikely. Here are [the details](#).

2. Closing Arguments Expected Tomorrow in Jet Blue / Spirit DOJ Trial in Boston

The case pitted the US Department of Justice against lawyers for JetBlue Airways which wants to merge with Spirit Airlines. JB says the merger would make it America's fifth largest airline and enable it to compete more effectively against the Big 4 (AA, DL, UA, and SW) who together now have about 80% of the US market.

Closing arguments are expected tomorrow (Tuesday) in this non-jury trial, in which the judge has promised a speedy verdict. The decision could impact SXM since both airlines fly here. Here is [more](#).

3. SXM Airport ARRIVALS & DEPARTURES Update: Speed & Quality Are Now Very Good, Passengers Say

During the last month, SXM Airport introduced its highly anticipated new Departure experience inside its thoroughly re-imagined terminal, and it shortly after introduced temporary new Arrival facilities. Both delivered substantial problems -- the arrival facilities were cramped and slow, and new technology in the departure facilities wasn't working properly.

Such things sometimes happen with new systems -- *but the great news here is that within this past week or two, things have altogether changed*. Technology is working perfectly. In the Departure area... Your carry-ons do not need to be opened, your shoes and belts can stay put, passport scanners are working and now do their job in seconds -- so the carry-on and passport checking facilities are speeding passengers through the Departure area.

In Arrivals, the staff has been thoroughly beefed up so peak loads are handled far faster and more easily for passengers.

In our [Everything SXM Facebook Group](#), which now hosts over 38,000 SXM visitors, both Arrivals and Departures are now getting what can accurately be called rave reviews -- a great sign for High Season, which officially begins December 15.

4. Should You be Vaccinated for Dengue Fever Before Coming to SXM?

Dengue Fever (Google it if you're unfamiliar) is not nearly at epidemic stages here, and it is not contagious (very much unlike Covid). It is spread by *Aedes Aegypti* mosquitoes (which are black with white spots). If one bites an infected person and then bites you, you will likely get Dengue. *Aedes Aegypti* mosquitoes are small in numbers compared to standard obnoxious ratty-brown mosquitoes. There is a vaccine now in the US which your insurance may or may not cover. If you are a magnet for mosquitoes and are heading to SXM, ask your doctor if you should be vaccinated.

"Off" also does work - but only if you use it.

Rains in early November led to lots of mosquitoes, but rains have diminished recently. The rainy season ends in the next several weeks.

5. Airfare Prices Dropping, in Some Cases Bigtime

We've already bought two nonstops in October '24 from Boston to SXM for about \$800 total aboard jetBlue with "Blue Extra" benefits and extra legroom...the lowest price in years. Others flying from JFK and other departure points to SXM later this winter are also reporting sharply lower fares. If you have already booked your next trip, check the current fares. If the prices have dropped, you may be able to get a future travel credit voucher from your airline.

6. Icelandic Volcano's "Imminent" Eruption Could Spew Ash into Trans-Atlantic Air Travel Lanes

For details [see this](#) from Iceland. If the volcano erupts as expected, some flights in the heavily used corridor between Europe and the US may be diverted or canceled due to volcanic ash in their flight lanes. Scheduled flights from Europe to SXM as well as private jet flights from Europe usually fly farther South than the lanes that may be impacted by ash, but volcanic ash movement depends on winds at the time of, and following, any eruption... so those in Europe planning to fly here should stay aware of what's happening.

7. Virgin Atlantic Airliner Crosses Atlantic Using No Fossil Fuel

This story is explained [here](#), but the bottom line is that this is expected to reduce carbon emissions from jets formerly using fossil fuel. Anything that helps slow climate change gives SXM more time to ponder its future without worrying about rising sea levels in the near future.

8. MEDICAL EVACUATION COSTS SOAR; Got \$55,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$55,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$50,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances related to it.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency

is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.*

For more information, call us today at 508-747-8281 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

9. WINTER WEATHER IS STARTING: What To Do If Your Flight is Canceled or Delayed...

What should you do if your flight is canceled or delayed? This [article](#) gives you answers.

Etc./Weather

10. A Look Forward to the 2024 and 2025 Hurricane Seasons (Repeat)

by Rob Lightbown, Chief Meteorologist, [Crown Weather](#) & Everything SXM

Even though the 2023 Atlantic Hurricane Season hasn't officially ended, I wanted to go over what I'm seeing for the 2024 Atlantic Hurricane Season.

First & Foremost - It looks like the 2024 Atlantic Hurricane Season could be very active. Early signals in the data seems to point towards the potential for El Nino conditions to weaken quickly and become neutral ENSO conditions by the start of summer, 2024. Should this come to pass, it could mean wind shear conditions would be very favorable for tropical systems and an atmosphere that's unstable and favorable for tropical development.

In addition, seasonal models seem to be pointing towards lower than average surface barometric pressures across much of the tropical Atlantic throughout the 2024 season.

If that wasn't enough, seasonal guidance for the summer of 2024 seems to be pointing towards a swath of above average rainfall that stretches from the coast of Africa westward through the Caribbean and into the southeastern United States. This is concerning as it could be highlighting where many of the tropical systems could go during the 2024 season.

Editor's Note: For much more -- including info on Crown Weather's very low-priced year-round subscription weather program which we have recommended for many years -- see www.crownweather.com.

11. Where to Find SXM / Tropical Weather Updates

If you're interested in knowing what the latest watches and warnings are from the National Hurricane Center and from authorities like Rob Lightbown, one of the foremost go-to experts in hurricane forecasting in the USA, see www.crownweather.com and subscribe to his inexpensive year-round forecasting service which tells you everything you need to know about tropical weather and your local severe weather forecasts year 'round..

Check out the hurricane/weather center in our main SXM website, www.everythingSXM.com. The site contains a weather/hurricane center which publishes all the latest watches and warnings for all storms around the clock, even if there are multiple storms being watched simultaneously. We are finishing an upgrade of that site to include more satellite images, radar loops, and other useful tropical weather information. You can get to our Weather Center by going to www.everythingSXM.com and clicking the weather link in our horizontal navigation bar. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are FIVE sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

12. NEW: The Ultimate Guide to Relocation in SXM

13. Where to Rent a Beach Villa for Your Family

Some people decide to look at AirBnB or other villa rental outfits online. We have two very different suggestions.

First, a timeshare condo may be all you need. See the next article. We have hundreds of timeshares for rent and for sale on our main site, everythingxm.com. You rent directly from timeshare owners who are members of our JMB Website Supporters Island Discount Program -- not strangers.

Second, if you still want a villa, we strongly suggest you contact the people who know the island best -- the Realtors listed below in this section. They actually know the properties they're renting and their owners. That's an enormous difference.

See the stories below for all the info you need.

14. Hundreds of Timeshare Condos For Rent / Sale Directly From Owners Available Now on Our Main Site

Updated again late last week, our hundreds of listings of timeshare condominiums for rent and for sale come directly from SXM timeshare owners; you'll find them on our main SXM site, www.everythingsxm.com, which was extensively updated several days ago. There are no middlemen or other third parties involved in the sale of these units, so you will talk directly with the owner who is personally responsible for setting the rental or sale fees. The link to our timeshare listings is just below the masthead in our main SXM site, everythingSXM.com.

15. Why Our Rental Ads are Different - And Superior

There are many places where you can find ads for timeshares for rent — however, we only know one exactly like ours. *What makes us different is what makes us remarkable — and desirable. We accept ads only from members of our JMB Website Supporters island discount program.* Consequently, our member database contains info about these individuals — we know who they are. They routinely exchange their detailed contact information with buyers during the course of the rental process.

By contrast, many people place ads in various online locations anonymously (we don't allow that on our site). So if you buy from rental/sales sites other than ours, you are essentially buying from strangers.

Our information about timeshare owners is private — it is never sold or bartered to anyone. The only exception would be police exercising a warrant (for example, FBI seeking out cyber criminals among timeshare rental advertisers). We are happy to report we have never had any such request from any police organization since we first started publishing timeshare rental and sale ads in 2002. So, you can rent with confidence that you will get exactly what you are looking for.

You will find all our ads on www.everythingSXM.com, our main SXM website.

16. Looking for a Private Condo or Villa in SXM? Our Everything SXM Facebook Group Brings You SXM's Top Realtors

If you're looking to rent a privately owned condominium or villa on SXM, see our listings of the top SXM realtors in the Files area of our [Everything SXM Facebook Group](#). This week that list also appears in the next story.

17. Best Realtors to See for SXM Condos & Villas

The following list of our sponsor realtors tells you how to contact SXM's best sources of condos and villas across the island:

VILLA RENTALS / RENTAL COMPANIES:

Please let the agent know that you're interested in a rental and you were referred by Jeff Berger's *Everything SXM Facebook Group*. Hundreds of villas are now online.

[Jennifer's Vacation Villas](#) has also joined us as a villa rental partner. *Jennifer's Vacation Villas* is a licensed management, real estate and villa rental company specializing in the rental of private villas and condos on both French and Dutch St. Maarten. Its proprietor, Jennifer, is a New Yorker who has been residing in St. Maarten for 40 years and whose goal is to provide guests with personal attention and to ensure that their vacations are memorable. 25. THE FULL SKYMED STORY: What SkyMed Medevac Protection Is, Where & How It Works, and More

WHAT IS SKYMED? WHERE DOES SKYMED WORK?

SkyMed is a medical evacuation membership company. "SkyMed *Takes You Home*®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would otherwise cost non-SkyMed members \$50,000 and up payable in cash, in advance. Why risk that? Of course, you must **get SkyMed membership before you need it -- just like fire insurance.** You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

WHAT ARE "ULTIMATES"?

SkyMed Ultimates are SkyMed's best memberships and also its **LEAST EXPENSIVE** on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean - plus an additional suite of 26 services to help you in most of the rest of the world. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions -- the five-year delivers the lowest cost per day available for Ultimate memberships (about \$1.64).

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. **The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us DIRECTLY (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.**

LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2023 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

HOW TO CONTACT US: Phone us ANYTIME at 508-747-8281 for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.

My SkyMed website: <http://www.skymed.com/jmb>. **But please CALL ME DIRECTLY with questions or to sign up - that way I get credit (number above).** Or jeff.berger@skymed.com

- **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed *Takes You Home*® when you become critically ill or injured. Optional protection covering most of the rest of the world (those 26 additional Ultimate global services mentioned above) is provided by GETS, Global Emergency Travel Services, a SkyMed company.

- **Key Differences Between SkyMed Short-Term & Annual or Ultimate Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships are the most expensive product SkyMed sells on a per-day basis: \$18/day.** They're available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it and qualify again. **Although at \$18/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis,** short-term protection is economical if you seldom travel and take very brief trips. The cost is \$12/day per individual, or a maximum of \$15/day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. This is KEY: SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health - and they are also price guaranteed forever -- your price will not go up as long as you renew your membership on time.** Details are in SkyMed's Member Service Agreement (MSA). We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$18/day per family for short-term coverage -- it's now about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide, including AT HOME.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit and you pay my unique low Association rates. not available online at SkyMed's website; there you pay retail). Phone 508-747-8281 or email jeff.berger@skymed.com. That's a direct line to Jeff Berger. *Updated 5/8/23.*

- ***Final Word About the SkyMed Ultimate:***

Again, the Ultimate is SkyMed's best and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed *Takes You Home*® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships -- *plus another suite of 26 services around the world.* You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).

26. Answering Your Questions: What EXACTLY Does SkyMed Do? --- *from Jeff Berger*

We've always said SkyMed TAKES YOU HOME® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance *works*. ***In recent months as many of you have decided to resume normal worldwide travel, you've asked us for examples of what SkyMed does.*** Here you go:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-747-8281. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 34+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me: our pricing for multiyear memberships is much lower than SkyMed's retail pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-747-8281 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, **BEFORE YOU NEED IT.** To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

27. ===Heads Up Re: Vacation-Ruining Slips & Falls=====

Slips and falls -- always unexpected-- often cause broken hips or broken legs on vacations, cruises, and business travel -- suddenly necessitating an emergency medical evacuation costing at least \$55,000, payable in cash in advance before anything happens.

Got a spare \$55,000 ready for a sudden medical emergency?

For \$1.64/day, SkyMed TAKES YOU HOME® when you become seriously or critically ill or injured while traveling. *Don't risk \$50K or more ripped from your life savings.* Call today for answers to questions, more details, or to sign up: Jeff Berger, SkyMed Ambassador, 508-591-3483.

[*\$1.64/day is for SkyMed's guaranteed-renewable-for-life, price-guaranteed-forever annual memberships and its five-year Ultimate memberships; Ultimates provide services around the world. Call us today to learn more.*]

28. Make Sure Your SKYMED Membership Is Serviced Directly by SkyMed Rep / Ambassador Jeff Berger

Jeff Berger is the long-time Sky Med "Ambassador" serving thousands of Americans and Canadians who visit the Caribbean, Europe, and other destinations around the clock, around the world. The best way to learn more about SkyMed, get your questions answered, and apply is by phone with Jeff. You can arrange this directly by emailing, texting, or phoning him at jeff.berger@skymed.com and 508-591-3483 (also accepts texts). People using the 100% free WhatsApp program can also call or text Jeff via WhatsApp at 721-588-4188. SkyMed is Arizona-based and Jeff's base is Massachusetts.

N. B.: If you signed up for SkyMed online instead of directly with Jeff, he may not be your servicing rep. To remedy that, call SkyMed toll free at 1-800-475-9633 and ask for Member Services. They can make sure your membership is transferred to Jeff Berger for management; he is rep number 391330. SkyMed never closes, but their business office operates regular hours and works on Mountain Standard Time year-round.

*****29. Important Update on Our Migration To a New Server*****

The Secret Site SHOULD be available as usual but adding new members or changing passwords or email addresses will be delayed until the migration is finished. *This is Special: when you buy any JMB Website Supporters Island Discount Program NEW or RENEWAL membership for more than two years, **you get TWO EXTRA YEARS FREE!** We've never done this before and this sale now ENDS MONDAY DEC. 15, so act now to get this deal. **Don't miss this one-time-only offer!***

THANK YOU FOR TAKING ADVANTAGE OF THIS EXTRAORDINARY ANNUAL MEMBERSHIP SALE -- your membership makes this newsletter, our [Everything SXM Facebook Group](#), and our SXM Weather Center (very active during hurricane season) possible!

32. It's the Last Two Weeks of "Low" Season; Coming After 12/15? What to Expect

High Season officially begins 12/15, though its first few days are often relatively quiet on SXM. The Airport is ready (see story #3), the island has been spruced up (the Marigot harbor shops now look very nice), and weather is gradually morphing from rainy season (Fall) to beautiful drier winter weather (high temps around 84 daily, few brief showers, nighttime lows around 76-77).

As high season begins, you will need restaurant reservations -- but remember to cancel them, please, if you can't go. Roads will be busier, especially so during Christmas week when the island is packed and everyone is shopping. On the Dutch side, you'll see lots of signs promoting smiling politicians who want residents' votes for the January Dutch side parliamentary elections.

33. Sargassum Seaweed Update

There is very little of this stuff right now; Orient Beach, Maho Beach, Dawn Beach, Simpson Bay Beach, and Mullet Bay Beach -- the island's most popular -- are all in good shape. Hopefully they will also be that way when you arrive.

34. At The Pinel Island Ferry Parking Area, Somewhat Improved Conditions; Why Seabirds Like It

Tons of smelly Sargassum seaweed have been gathered and hauled away from the beach where the Pinel Island Ferry docks are located on the French side. The dirt parking lot is unchanged with countless moguls, but more dirt has been added to the beach at the water's edge to mitigate erosion caused by storms -- and by inadvertent soil removal during the seaweed clearing process.

So, this area is better than it was. Depending on wind direction, however, there is still sometimes the stench of rotting sargassum seaweed.

The seabirds don't mind this at all since they find lots of seabird-type food in the water near shore.

35. Car Horns Are Used Much Differently in SXM

In the USA, where most SXM tourists come from, leaning on your car horn generally signifies dissatisfaction with an action of another driver, and is frequently accompanied by a one-fingered wave.

Not so in SXM.

Here, brief "toots" are often made (with five-fingered waves) to say hi to friends or to thank other drivers for their courtesy -- the other driver often reciprocates. There is not much other tooting and one-fingered waving by locals here -- they mostly go with the flow. When it does happen, it's usually some tourist who hasn't adjusted to island life.

See next story.

36. Beacon Hill Road at Maho Beach is "a Parking Lot"

When there are few or no ships in port, most people avoid Maho Beach. It gets noisy (it's at the end of the SXM Airport runway), and you and your blanket, tote, camera, phone, and other stuff can easily be blown into the ocean by jet exhaust when one takes off.

When there are ships in town, dozens of tour buses, taxis, quads, bicycles, etc., descend on the area. Some buses, many taxis, and tourists stop their vehicles on Beacon Hill Road to watch and photograph arriving and departing jets, to the complete disgust of people who live or rent in the Beacon Hill community next to the nearby Morgan Resort. The beach itself varies from crowded to rocky and with all the plane gawkers, there is little room for beach walkers. As a result, many walk in the road, impeding traffic -- and horns start blowing at them, mainly from other tourists (see above story).

Selfies taken by tourists as planes approach low over their heads occasionally appear in our [Everything SXM Facebook Group](#), along with thousands of other current SXM pictures.

37. Custom Food Takes Time: Be Patient With SXM Restaurants

Most SXM fine dining restaurants, Dutch side or French, prepare dinners to order, a process that takes time. Most tourists are here to relax, unwind, take a deep breath & enjoy life. While you're waiting for your food, enjoy a cocktail, converse with the person accompanying you, and take it easy. That's part of what vacations are all about, and it will help you enjoy your vacation all the more.

38. SIMPSON BAY RESTAURANT FOR SALE:

SIMPSON BAY RESTAURANT FOR SALE -- 100 seats (inside and covered terrace), award-winning, great reputation, everything in like-new condition, off-street parking, experienced staff. \$395K and \$5K monthly rent. Contact sxmrestaurantforsale@hotmail.com and INCLUDE YOUR PHONE NUMBER, owner will return your call. NO REALTORS. Location: Welfare Road, Simpson Bay.

39. Restaurant Variety: Take Another Look at Our "Restaurant of the Week" Selections

See "Restaurant of the Week" below. It always picks fine restaurants, but the "fine restaurants" dining does NOT mean they're all a single shade of restaurant *types*. There are all kinds...all genres. Check recent selections and you'll see what we mean...a world of choices.

40. JEWELER OF THE WEEK: Zhaveri Jewelers

(Third in a Series)

Zhaveri Jewelers was the third jewelry store started by individual members of the Budhrani family here in SXM. Deepu, the youngest of the three Budhrani brothers, is the owner here. A third-generation jeweler, Deepu's training in the jewelry business started at age 12 by his dad Mike and his older brothers, who he says "have always been there" when advice was needed. (The older brothers were featured in the first two stories in this series; see them listed below).

Mike always preached ethics and morals in business, stressing the basics of any successful business: underpromise and overdeliver. "A person walking in as a client should leave feeling like family," Deepu explains. Mike taught Deepu to always give back to the community, which is why today Zhaveri prides itself in being a major contributor towards many different youth activities in St. Maarten.

Deepu's strong jewelry roots, along with his Boston-based college education, have enabled Zhaveri to bring a fresh approach to Caribbean retail by focusing on customer experience within a unique and innovative state-of-the-art establishment in the heart of Front Street, Zhaveri Luxury.

Zhaveri works to provide high quality merchandise at very reasonable prices, leveraging a team with years of experience, merchandise with brands people trust, and two-store buying power, including Deepu's sister store at the cruise ship harbor in Ketchikan, Alaska. At both stores, customers peruse their immense selections of finely crafted jewelry and find ideal items for themselves and their loved ones. Zhaveri offers an enormous selection of **18K, 14K and 10K gold jewelry** plus one of the largest in-stock selections of GIA certified Diamonds, Emeralds, Rubies, Sapphires, Tanzanites, Alexandrites, and almost any precious or semi precious gemstone on the market.

Beyond their legendary expertise in Diamonds, Zhaveri's knowledgeable, helpful staff takes the time to guide you through the process of picking the right gemstone and the right mounting for the *when* and *how* you wear your jewelry; there's a difference in what makes the most sense depending on whether you wear rings constantly or just for special occasions. They can help you put together the piece of your dreams in a matter of hours.

Unlike some stores, Zhaveri gives men's jewelry the same priority as jewelry for women. Men's jewelry was an ignored product for many years, but one look at Zhaveri's selection will show you new and unique designs that would please practically any guy. They carry a vast selection of Swiss watches, cuff-links, tie-pins, and more.

Add to all of this the fact that Zhaveri services one of the most loyal clientele, with some customers having been purchasing from them for close to 40 years (since 1986). That tells you why you might just want to stop in to their store in SXM or Ketchikan, Alaska. (see below).

Whether you're looking to pamper yourself or treat someone special to an exceptional gift, Zhaveri has always been highly recommended as a must visit for residents & visitors to St. Maarten, Anguilla, and St. Barths. If diamonds, exotic gems, and beautiful gold jewelry excite you, Zhaveri Luxury has many treasures to show you.

Zhaveri always strives to show the newest, most innovative jewelry on their all-new website. Check it out and visit them on your next SXM trip.

41. Here Is The SECRET About Secret Seafood!

Secret Seafood restaurant in Simpson Bay is really catching on -- and for good reason.

What / Where: They are on Simpson Bay Road, one of the original Simpson Bay streets. It's the road immediately north

of the Simpson Bay Police station, off the bay side of Airport Road between the Police station and McDonald's. Drive a few hundred yards north and you'll find the restaurant on the (left) beach side of the road. Their parking lot is across the street and there is also some on-street parking.

The restaurant has a beautiful deck facing Simpson Bay Beach, which you can see lots of moored boats as well as yachts gliding into and out of Simpson Bay lagoon.

The SECRET is that this is quite an amazing restaurant. It was started by former New York City realtor Keith Joseph, who today has a small fleet of fishing boats and *catches his own fish*, most of which is sold to other island restaurants. There is plenty of ultra-fresh-fish reserved only for Secret Seafood customers. They have many hundreds of pounds of fresh lobster in the pool in the center of the restaurant, plus even more in the tanks at the northern end of the restaurant, where seawater is constantly refreshed.

Many kinds of fish are here from wahoo to mahi to tuna, plus burgers, salads, and much more. They open at 11am daily and still serve well after the sun goes down. Nice desserts, too, including coconut ice cream, a favorite of ours. *Lots of choices are on their menus, portions are very generous, and prices are very reasonable.* Drive by and check the place out...there are usually plenty of tables available at lunch, but dinner reservations are a smart idea. They will be a future choice in our *Restaurant of the Week* feature here. Go and tell them we sent you. Great waitstaff too. Call them at 721-553-7243.

42. Restaurant of the Week: Bamboo House

Quick overview: Upscale. Gorgeous setting. Amazing panoramic views from high on a hillside. Great food (steaks, sushi, and lots more, all fantastic). Seasoned, attentive service. Bring your camera.

The details: Although some people may reserve going here for special occasions, you'd be cheating yourself of a wonderful dining experience if you don't reserve at Bamboo House early in your trip.

First, since Bamboo House is an open-air restaurant (a/c inside available) perched high on a hill, you get breathtaking views of Simpson Bay, the Caribbean (think gorgeous sunsets), SXM Airport, and the bustling vacation area below.

Second, the menu is quite extensive. Although known for its sushi, steaks are important here and their filet mignon is among the very best on the island. Their sushi chefs exemplify the best of sushi art. For the Japanese, sushi is an art form, and you see that clearly with Bamboo House sushi. Once you have it, you may well think twice before going elsewhere -- it's that good.

Bamboo House has been open for a few years and the restaurant gets very busy, attracting the cream of island society and discriminating visitors. It is easily one of the finest restaurants anywhere in the Caribbean; seasoned SXM and New York restaurateur Jim Goldman knows his stuff. Visit soon...it will be a highlight of your trip.

Next week: Another fine SXM restaurant.

Here are recently featured SXM restaurants:

Bamboo House (12/4/23), located high on a hill in Cole bay has spectacular island views and equally spectacular dining and service. Exquisite sushi, steaks, and lots more. Vegetarians welcome; people with special dietary needs are well cared-for here too. Jeff rates Bamboo with one huge WOW -- go; you will absolutely be visiting more than once.
