THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather; Etc.

GETTING HERE:

1. LEAD STORY: Stormy Weather in US will Play Havoc with Flight Schedules

Early this week, a robust storm with wind and rain is expected to roar up the US east coast and possibly impact pre-Christmas flights from a number of coastal US cities. It's a normal occurrence but this is not a normal travel week thanks to millions of people doing holiday travel. If you have flight reservations, watch this developing storm; you may need to alter your plans if flights are impacted, which could well happen.

At least snow is not expected....

2. High Season Begins; Airport Ready With Jet-Bridges, Restaurants, Bars

Most of the jet bridges (jetways) at SXM Airport are now open for departing flights. Since the departure area opening November 15, 10 of the 24 stores have opened on the concourse. By February 2024 all 24 concessions will be in full operation.

Arrival use of jet bridges will start in Q2 of 2024, when the full new arrival facilities inside the re-imagined SXM Airport terminal officially reopen.

We will continue to report on this both here in *SXM Weekly News* as well as in our [Everything SXM Facebook Group](#).

3. Jet Blue / Spirit Merger vs. DOJ Court Decision Expected Early Next Year

Sources close to the DOJ/JetBlue - Spirit merger trial in Boston say the judge in the non-jury trial is likely to render his verdict early next year. As we wrote here last week, some sources are saying his verdict may accept the merger but require more divestitures by JetBlue as a precondition -- something we expect JetBlue foresaw and has planned for.

More on the expected verdict date is [here](#).

4. Airfare Price Drops Continue

Drops in airfares to SXM are gradually becoming more widespread. We encourage members of our [Everything SXM Facebook Group](#) to publish fare price drops they encounter to that group, as a number have done recently. Join the group and benefit from the experience of more than 38,000 people who love SXM as much as you do...

5. SXM Airline / Wheelchair Services Heads Up

When you reserve wheelchair services through your airline, you are entitled to a wheelchair and attendant at both ends

of your flight. *There is no separate charge for this service - it's complimentary.* Wheelchair travelers customarily tip the attendants.

We have seen a couple of recent reports on social media (our [Everything SXM Facebook Group](#) and elsewhere) about some hustling done by at least one attendant who called for a \$30 fee; another, an older individual, demanded \$20. That's hustling and when we told Airport Chief Honcho Brian Mingo about it last Friday, he was clearly not happy and said there would be an increase in supervision to ensure this practice stops.

If you still have any issues with SXM Airport wheelchair services, we invite you to post your experience in our [Everything SXM Facebook Group](#). We know what to do with it beyond just reading it.

6. Flying Private into SXM? Beware of The Sidewalk Outside the FBO Building

The time around Christmas is when slews of private jets descend (literally) on SXM Airport, bringing folks visiting high-end resorts, their own villas here, their megayachts, etc. Be aware that when you step out of the front door of the FBO building (Fixed Base Operations, where private jet passengers are processed) a recently dug trench, now (apparently) filled in, will be there. Just be aware of it; it should be repaired soon. Platform shoes or stilettos might not be the best footwear through that filled-in trench area.

7. MEDICAL EVACUATION COSTS SOAR; Got \$55,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

\$55,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean. By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$50,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your Destination hospital.* By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances related to it.

Setting up medical evacuations sounds complicated because it is and having to do all this in a medical emergency is a daunting task for anyone who has never done it. For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.

For more information, call us today at 508-747-8281 or Jeff.Berger@skymed.com. Include your phone number and time zone so we can call back and get all your questions answered. We can also take your application by phone in roughly 10 minutes.

GET SKYMED NOW FOR THEIR BEST OFFERS! SEE more stories in our main news section.

8. WINTER WEATHER IS STARTING: What To Do If Your Flight is Canceled or Delayed...

What should you do if your flight is canceled or delayed? This [article](#) gives you answers.

Etc./Weather

9. Where to Find SXM / Tropical Weather Updates

If you're interested in knowing what the latest watches and warnings are from the National Hurricane Center and from authorities like Rob Lightbown, one of the foremost go-to experts in hurricane forecasting in the USA, see www.crownweather.com and subscribe to his inexpensive year-round forecasting service which tells you everything you need to know about tropical weather and your local severe weather forecasts year 'round..

Check out the hurricane/weather center in our main SXM website, www.everythingsxm.com. The site contains a weather/hurricane center which publishes all the latest watches and warnings for all storms around the clock, even if there are multiple storms being watched simultaneously. We are finishing an upgrade of that site to include more satellite images, radar loops, and other useful tropical weather information. You can get to our Weather Center by going to www.everythingsxm.com and clicking the weather link in our horizontal navigation bar. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are FIVE sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at www.everythingsxm.com -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*
- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see www.island92.com. They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

In addition, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, www.everythingsxm.com.

SECTION 2: Accommodations / Buying SXM Condos or Villas: Hotels, Resorts, Timeshares, Private Condos, Villas Etc.

10. NEW: The Ultimate Guide to Relocation in SXM

Moving to Sint Maarten: The Ultimate Guide

Discover everything you need to know about relocating to the stunning island of Sint Maarten with this comprehensive new guide. From how to obtain residency to the best neighborhoods, lifestyle, and culture, we've got you covered.

11. Where to Rent a Beach Villa for Your Family

Some people decide to look at AirBnB or other villa rental outfits online. We have two very different suggestions.

First, a timeshare condo may be all you need. See the next article. We have hundreds of timeshares for rent and for sale on our main site, everythingxsm.com. You rent directly from timeshare owners who are members of our JMB Website Supporters Island Discount Program -- not strangers.

Second, if you still want a villa, we strongly suggest you contact the people who know the island best -- the Realtors listed below in this section. They actually know the properties they're renting and their owners. That's an enormous difference.

See the stories below for all the info you need.

12. Hundreds of Timeshare Condos For Rent / Sale Directly From Owners Available Now on Our Main Site

Updated again late last week, our hundreds of listings of timeshare condominiums for rent and for sale come directly from SXM timeshare owners; you'll find them on our main SXM site, www.everythingsxm.com, which was extensively updated several days ago. There are no middlemen or other third parties involved in the sale of these units, so you will talk directly with the owner who is personally responsible for setting the rental or sale fees. The link to our timeshare listings is just below the masthead in our main SXM site, everythingSXM.com.

13. Why Our Rental Ads are Different - And Superior

There are many places where you can find ads for timeshares for rent — however, we only know one exactly like ours. *What makes us different is what makes us remarkable — and desirable.* We accept ads only from members of our JMB Website Supporters island discount program. Consequently, our member database contains info about these individuals — we know who they are. They routinely exchange their detailed contact information with buyers during the course of the rental process.

By contrast, many people place ads in various online locations anonymously (we don't allow that on our site). So if you buy from rental/sales sites other than ours, you are essentially buying from strangers.

Our information about timeshare owners is private — it is never sold or bartered to anyone. The only exception would be police exercising a warrant (for example, FBI seeking out cyber criminals among timeshare rental advertisers). We are happy to report we have never had any such request from any police organization since we first started publishing timeshare rental and sale ads in 2002. So, you can rent with confidence that you will get exactly what you are looking for.

You will find all our ads on www.everythingSXM.com, our main SXM website.

14. Looking for a Private Condo or Villa in SXM? Our Everything SXM Facebook Group Brings You SXM's Top Realtors

If you're looking to rent a privately owned condominium or villa on SXM, see our listings of the top SXM realtors in the Files area of our [Everything SXM Facebook Group](#). This week that list also appears in the next story.

15. Best Realtors to See for SXM Condos & Villas

The following list of our sponsor realtors tells you how to contact SXM's best sources of condos and villas across the island:

VILLA RENTALS / RENTAL COMPANIES:

If you're interested in making a villa reservation (doing it with close friends can be fun and more economical than you'd imagine), contact our top recommended Villa rental/sale partners at [Island Real Estate Team](#). Call the number that follows and ask to speak with the agent who handles villa rentals: 1 721 520 7284. Please let the agent know that you're interested in a rental and you were referred by Jeff Berger's *Everything SXM Facebook Group*. Hundreds of villas are now online.

[Jennifer's Vacation Villas](#) has also joined us as a villa rental partner. *Jennifer's Vacation Villas* is a licensed management, real estate and villa rental company specializing in the rental of private villas and condos on both French and Dutch St. Maarten. Its proprietor, Jennifer, is a New Yorker who has been residing in St. Maarten for 40 years and whose goal is to provide guests with personal attention and to ensure that their vacations are memorable. Jennifer's Vacation Villas also does Weddings, Private Events, and any additional services including massages, boat trips, and private catering. Their aim is to make your vacation stay as comfortable, accommodating, and easy going as possible. Call 1 (721) 544-3107 | +1 (631) 546-7345. 25. THE FULL SKYMED STORY: What SkyMed Medevac Protection Is, Where & How It Works, and More

WHAT IS SKYMED? WHERE DOES SKYMED WORK?

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would otherwise cost non-SkyMed members \$50,000 and up payable in cash, in advance. Why risk that? Of course, you must **get SkyMed membership before you need it -- just like fire insurance.** You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

WHAT ARE "ULTIMATES"?

SkyMed Ultimates are SkyMed's best memberships and also its **LEAST EXPENSIVE** on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean - plus an additional suite of 26 services to help you in most of the rest of the world. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions -- the five-year delivers the lowest cost per day available for Ultimate memberships (about \$1.64).

LOW GROUP PRICING *LOWER THAN THE PRICES ON THE SKYMED WEBSITE*:

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. **The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website.** Call or email us **DIRECTLY** (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2023 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

HOW TO CONTACT US: Phone us ANYTIME at 508-747-8281 for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at jeff.berger@skymed.com.

My SkyMed website: <http://www.skymed.com/jmb>. **But please CALL ME DIRECTLY with questions or to sign up - that way I get credit (number above).** Or jeff.berger@skymed.com

When and Where SkyMed Protects You:

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed Takes You Home® when you become critically ill or injured. Optional protection covering most of the rest of the world (those 26 additional Ultimate global services mentioned above) is provided by GETS, Global Emergency Travel Services, a SkyMed company.

- **Key Differences Between SkyMed Short-Term & Annual or Ultimate Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. **First, short-term memberships are the most expensive product SkyMed sells on a per-day basis: \$18/day.** They're available only for a specific defined short term. They protect you with SkyMed *Takes You Home*® membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it and qualify again. **Although at \$18/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis,** short-term protection is economical if you seldom travel and take very brief trips. The cost is \$12/day per individual, or a maximum of \$15/day per family (parents and kids 21 or younger). **We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. This is KEY: SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health - and they are also price guaranteed forever -- your price will not go up as long as you renew your membership on time.** Details are in SkyMed's Member Service Agreement (MSA). We currently have members who are still traveling and are in their upper 80s and 90s. **The cost of annual memberships per family is far more economical than the \$18/day per family for short-term coverage -- it's now about \$1.64/day total.** Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. **Ultimate memberships protect you worldwide, including AT HOME.** I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit and you pay my unique low Association rates. not available online at SkyMed's website; there you pay retail). Phone 508-747-8281 or email jeff.berger@skymed.com. That's a direct line to Jeff Berger. *Updated 5/8/23.*

- ***Final Word About the SkyMed Ultimate:***

Again, the Ultimate is SkyMed's best and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed *Takes You Home*® services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships -- *plus another suite of 26 services around the world.* You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).

- [SkyMed Frequently Asked Questions / FAQ](#)

26. **Answering Your Questions: What EXACTLY Does SkyMed Do? --- from Jeff Berger**

We've always said SkyMed *TAKES YOU HOME*® when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance works. **In recent months as many of you have decided to resume normal worldwide travel, you've asked us for examples of what SkyMed does.** Here you go:

For answers to questions or to sign up, email me at jeff.berger@skymed.com or call me at 508-747-8281. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 34+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me:

our pricing for multiyear memberships is much lower than SkyMed's retail pricing published on the web.

Here are specific examples of how SkyMed works for its members:

On a Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

Not all trips end well: anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe", usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-747-8281 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, **BEFORE YOU NEED IT.** To learn more, visit www.skymed.com/jmb. JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

27. ===Heads Up Re: Vacation-Ruining Slips & Falls=====

Slips and falls -- always unexpected-- often cause broken hips or broken legs on vacations, cruises, and business travel -- suddenly necessitating an emergency medical evacuation costing at least \$55,000, payable in cash in advance before anything happens.

Got a spare \$55,000 ready for a sudden medical emergency?

For \$1.64/day, SkyMed TAKES YOU HOME® when you become seriously or critically ill or injured while traveling. Don't risk \$50K or more ripped from your life savings. Call today for answers to questions, more details, or to sign up: Jeff Berger, SkyMed Ambassador, 508-591-3483.

[\$1.64/day is for SkyMed's guaranteed-renewable-for-life, price-guaranteed-forever annual memberships and its five-year Ultimate memberships; Ultimates provide services around the world. Call us today to learn more.]

28. Make Sure Your SKYMED Membership Is Serviced Directly by SkyMed Rep / Ambassador Jeff Berger

Jeff Berger is the long-time Sky Med "Ambassador" serving thousands of Americans and Canadians who visit the Caribbean, Europe, and other destinations around the clock, around the world. The best way to learn more about SkyMed, get your questions answered, and apply is by phone with Jeff. You can arrange this directly by emailing, texting, or phoning him at jeff.berger@skymed.com and 508-591-3483 (also accepts texts). People using the 100% free WhatsApp program can also call or text Jeff via WhatsApp at 721-588-4188. SkyMed is Arizona-based and Jeff's office is in Massachusetts.

N. B.: If you signed up for SkyMed online instead of directly with Jeff, he may not be your servicing rep. To remedy that, call SkyMed toll free at 1-800-475-9633 and ask for Member Services. They can make sure your membership is transferred to Jeff Berger for management; he is rep number 391330. SkyMed never closes, but their business office operates regular hours and works on Mountain Standard Time year-round.

*****29. Weekly Status Update Re: Our Migration To Our New Server*****

We took that as an opportunity to update everything, and progress in doing that is the subject of separate stories in this issue. The server is fast, robust, and technologically highly advanced, and all our sites are transitioning to the security of https hosting.

31. French Side Water Supply OK: Longer Term Outlook

The French side water system has had serious intermittent supply issues for a number of months, though now it seems to be working well. The Dutch side makes drinking water by desalinating seawater and has plenty of it, apparently. There have been discussions between the French and Dutch sides about making Dutch side water available to the

French side. The company doing this is GEBE, the Dutch side electricity and water company which has a boatload of its own problems. (Although it is regularly criticized by the Dutch side government, the government OWNS GEBE -- so the criticism should be addressed to the nearest mirror. But we digress.)

Details are to be worked out, but when this agreement takes effect, it should bring added revenue to GEBE and added water to the French side. Those are both positive steps.... if this actually works.

32. "Good Morning"

The friendliness of the people on The Friendly Island is not to be underestimated. Often when you visit places here in the morning, for example, you may be tempted to say "Hi," then launch into whatever it is you're after. But the people here generally greet you with **Good Morning**, even if you've never seen them before. They also do it by Messenger, WhatsApp, etc.

The trait is endemic throughout the Caribbean. When we walked into a restaurant in the Bahamas one late Fall day several years ago, a parrot looked at us near the entrance and did not hesitate to greet us warmly with his (her?) clearly expressed, *Good Morning*. We replied the same way.

It's a warm change from the US where people often greet you with nothing....

33. Karakters Versus Dinghy's

SXM has many beach bars - authentic places on beaches serving food or drink. Until Irma blew it away, our own favorite was Mr. Busby's Beach Bar, which served breakfast & lunch on Dawn Beach. Today our favorite is Dany's Smooth Beach Bar at Cupecoy Beach, which has visitors from around the world, a casual true Caribbean ambiance, and a beach that is steadfastly clothing-optional despite signs indicating otherwise. Lolo type food is excellent and inexpensive; lobster can be advance-ordered.

K is a new restaurant (K as in Karakter) bought from Karakter's recent owners. It is being rebuilt and reimagined and plans to reopen this Thursday. The predecessor Karakter attracted a diverse crowd that loved the odd location (in its early life it was a bus), the food, and the relaxed atmosphere. We've asked for more info and will post it here soon.

Cocovaa is the new name for the redesigned for El Zafiro. Their restaurant is "Dinghy's" (not to be confused with the unrelated Dinghy Dock, a self-proclaimed dive bar.) Dinghy's is also on Simpson Bay beach and seems to be drawing good crowds. It is on the northern end of Simpson bay beach close to Maho beach, along the road that's parallel to the SXM airport runway.

We plan to check out both and will let you know what we think. We expect our favorite, though, will stay Dany's, which we've been visiting for more than 30 years. Try it... (the beach bar is textile.)

34. Timeshare Owners: Get That Hang Tag Off Your Car Mirror

The hang tags helps guards learn who belongs in the parking lot and who doesn't, which is fine.

But once you leave your timeshare resort, it tells anyone who looks at it where your room is (in some cases) and that you aren't in it. That enables them to go there and check out your stuff, if they feel like it.

So as a matter of security, keep the hang tag in your glove box unless you're about to enter your resort parking lot. It's good sense personal security. (And of course always lock your car and never put any valuables in your car trunk.)

35. Winter Weather Hits St. Maarten (In a Manner of Speaking)

December Winds are the most well known aspect of December weather, and they're around all month and sometime spill into January. They are here now so be prepared when you visit any windward-facing beaches, like Orient.

36. Super Megayachts Fleet Arrives

In recent weeks, many megayachts that had spent the Summer and early Fall in the Mediterranean headed into the Atlantic and sailed southwest toward SXM. Many are here now and more are on the way, destined for SXM, Anguilla, and at the top of their list, St. Barth, #1 Caribbean destination for the rich and famous. People often post pictures of the megayachts in our [Everything SXM Facebook Group](#); we welcome you to post away.

37. Checking Out Every Nude Beach in St. Maarten / St. Martin (Video)

If you've ever been curious about what SXM's nude beaches are like, [this video](#) gives you a glimpse of each of them. This time of year all of them start to get busy.

Want to learn more about what your first nude beach experience might be like? Guys tend to be more self conscious than women - you can probably guess why. Learn more [here](#),

38. Newbies: Where Are You Going? Pre-Visits Help

If you're on your first SXM visit, and have made dinner reservations at a place unfamiliar to you, we suggest you pre-visit the location during the day. That will make your nighttime visit easier and it may help show you how much travel time you'll need. (Note: this time of year, depend on Simpson Bay to be very busy).

39. Heavy Revisions To Everythingsxm.com 2/3 Completed

After migrating all our data to our new server, our next step was to update all frequently used content completely. Of our 73 pages, nearly 2/3 (including all our most-accessed pages) have already been fully updated. The rest will be done by early January.

Our Everything SXM JMB Website Supporters passworded "Secret Site" which gives members access to all of our approximately 300 discounts and benefits also is undergoing a major content update. It has already begun and our deadline for finishing it is approximately January 8. Until then, you might see some older pages there as placeholders for our newer content.

We thank all members of our JMB Website Supporters SXM Island Discount Program for your patience as we undertook this major server upgrade and content update.

45. Restaurant of the Week:

Quick overview: Vesna Taverna is in reality two different restaurants. It serves a number of full American breakfasts starting at 8 a.m. daily except Monday (closed Mondays), a variety of full lunches every day from late morning until 4 p.m. (including sandwiches, salads, and some Greek items), and dinners starting late every afternoon except Sunday & Monday. At breakfast, try the bagel tower, which is almost infinitely customizable.

At dinner, Vesna serves a number of traditional American items plus French specialties. Saturday is Greek night with many Greek specialties plus their entire regular menu. **Here's the thing:** Vesna is half Greek and half Macedonian and her husband Yannick is French. *Both* are accomplished chefs and the combination of international items they offer is unique on SXM. Vesna also is a master dessert chef and makes the desserts herself. Try the fish pot for dinner (generous portion and delicious) or the fresh flown-in salmon. Their big lobster salad is a very special treat. Reserve ahead and ask for the spring rolls, made fresh here by Vesna or Yannick; beyond delicious. Vesna is always a hoot and her lemon meringue pie and tart tatin (apple tart) are out of this world.

The only people who ever criticize our continuous lavish praise of Vesna Taverna are those who have never visited it. GO; Reservations at night are strongly recommended. It's a very unique restaurant. Their website: <https://www.vesnasxm.com/>.

Next week: Another fine SXM restaurant.

Here are recently featured SXM restaurants:

Vesna Taverna, www.vesnasxm.com (featured 12/16/23). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, excellent service, unpretentious setting.

Dany's Smooth Cupecoy Beach Bar (on Cupecoy beach); follow the road Northwest toward Shore Pointe and turn left before Shore Pointe to get there. (Featured 12/11/2023) Parking, drinks, great lolo food, camaraderie, chairs and umbrellas, and an all-over tan on this traditionally clothing-optional beach. What could possibly be better? ***It's our favorite beach on the entire island -- and the famous Lemondroppers arrive in early January and stick around until mid February. Come and meet them and enjoy Dany's....***

Bamboo House (12/4/23), located high on a hill in Cole bay has spectacular island views and equally spectacular dining and service. Exquisite sushi, steaks, and lots more. Vegetarians welcome; people with special dietary needs are well cared-for here too. Jeff rates Bamboo with one huge WOW -- go; you will absolutely be visiting more than once.

More: <https://www.bamboohouse-sxm.com/>

LaPlaj Beach Bar at La Samanna Resort, a Belmond Hotel (featured 11/27/23)

<https://www.belmond.com/hotels/north-america/caribbean/st-martin/belmond-la-samanna/dining>: Extraordinary service, an innovative and creatively superior menu, and a gorgeous setting on the Caribbean are the reasons for going. This is an unparalleled experience, with a fine dining version of a beach bar. Great place. Call for reservations.

Mario's Bistro at the Cliff www.mariobistrot.com/en/ (featured 11/20/23) Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

L'Oursin Restaurant at La Samanna, a Belmond Hotel: Truly extraordinary fine-dining dining under the watchful eye of master Chef Dino Jagtiani. Collaborating with top Caribbean Chefs, L'Oursin delivers a thoroughly memorable panoply of flavors, aromas, and textures -- and the presentation is truly artistic and photo-worthy. Orders of magnitude beyond ordinary deliciousness! Reservations are essential: **+590 590 87 64 00. (featured 11/13/23)**

The French Touch on Old Street, off Front Street in central Philipsburg (featured 11/6/23). Great breakfasts and lunches in a quiet, attractive setting. Very reasonable prices, substantial menu. Under the direction of Jean-Pierre, formerly head of Antoine. **We loved it...**

IZI Ristorante Italiano, www.izisxm.com (featured 11/1/23). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's absolute best restaurants -- in fact it has been voted **BEST RESTAURANT OF ANY KIND on SXM by readers of TripAdvisor**. Fun atmosphere, too. **Go and tell them we recommended it.**

Avantika Thai www.avantikasxm.com (featured 10/23/23) Avantika is flat-out wonderful; SXM's best Thai; Delicious food artfully presented and reasonably priced, backed by seasoned service. Consistently excellent. Go...you'll become a regular.

Freedom Fighters Ital Shack (featured 10/16/23) is a unique vegan restaurant that delivers freshness beyond what you might expect. If you're looking for dining that is tantalizing, healthy, memorable, satisfying, and totally unique on SXM, this is your place. Highly recommended. More: www.sxmfreedomfighters.com/restaurant

The Chef Table (featured 7/31/23), is the new restaurant from award-winning chef Wendell Laurence. Located across the street in Simpson Bay from The Mailbox, it has just opened, and it offers a spectrum of culinary delights aimed at satisfying the most demanding set of taste buds. Chef Wendell has been serving delightful dishes across SXM for more than 15 years and this is his first time as an owner. See much for information and pictures in our [Everything SXM Facebook Group](#). Highly recommended.

The Coffee Lounge, (featured 6/5/23) Simpson Bay next to Domino's and in Philipsburg at the head of town.

Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured 5/30/23] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Not to be missed.

Spiga, www.spiga-sxm.com (featured 5/22/23) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

Jai's Contemporary Fusion Cuisine (featured 3/20/23), Simpson Bay Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See

Bold Buddha Bar/Restaurant, 49 Front Street at Horizon View Hotel, Philipsburg (featured 1/16/23) Cool new place with seasoned service, very good tapas / Caribbean / Asian and other food, a superb location, and a perfect concept. Highly recommended; something new and different. Ideal place to cool off with a delicious drink and make your taste buds happy.

Mama Pizza, Porto Cupecoy & Oyster Pond, (featured 1/9/23) Big, outstanding pizza, and sizable portions plus reasonable prices on numerous other delicious Italian specialties. They also have fresh fish entrees you should not miss. On the plaza at Porto Cupecoy, Cupecoy Beach, and on the main drag through Oyster Pond, French side.

<https://www.facebook.com/Mamapizzaisthebest>

Mandarin Pan Asian at Port de Plaisance Resort off the Union Road, Cole Bay, (featured 12/12/22). Excellent selection of palate-pleasing offerings from Japan, Thailand, and China. Delicious food and excellent service. Highly recommended.

Astra Steak & Seafood (featured 7/25/22) is from the organization that also operates Avantika and Amore in the same area of Simpson Bay. It's gorgeous, evolving, and has highest-quality written all over it. We go often and love it. See <https://www.astrasxm.com/>

Melange International Grill, Port de Plaisance (next to Princess Casino entrance). (featured 4/18/22) A spectrum of delightful offerings from Europe, the USA, and South America. One of the most eclectic menus on SXM. Delicious dining.

La Patrona, Simpson Bay Resort (featured 2/28/22) La Patrona is SXM's only truly authentic Mexican restaurant. Highly recommended: great food, great service, not to be missed.

Bovin Steakhouse at Simpson Bay Resort, Marina Plaza next to la Patrona (featured 2/21/22) Upscale restaurant offering sumptuous dining, outstanding service, and more than just steak (though we expect lots of steak lovers will flock here).

SkipJacks Seafood Grill, Bar, and seafood Market (featured 1/31/22) is one of the largest seafood restaurants on the island, located in a remarkable site overlooking Simpson Bay Lagoon and many megayachts. With many types of fresh fish cooked to order, SkipJack's is best known for lobster, both the local spiny variety and even some flown in from Maine. Pick your own and have it prepared as you like it. Lots of other choices too for all kinds of appetites. Classic attentive service and delicious everything. It's a must.

Topper's <http://www.sxmtoppers.com/> (featured 10/11/21) One of SXM's oldest and busiest restaurants, now in a beautiful new over-water setting at the Carousel building on Simpson Bay lagoon. Located on the beach, at the Boardwalk....

Pure Ocean Restaurant at Divi Little Bay Resort, Dutch side (featured 3/1/21) Fine new beachside restaurant serving breakfast, lunch, and fine dining dinners. Excellent choices for everyone, innovative menu, beautiful presentation, and downright delicious. Great #Caribbean ambiance on their open-air beachside deck. Attentive service and responsive staff.

You will find hundreds more restaurants from both the Dutch Side and French Side listed in the Files area of our [Everything St. Maarten / St. Martin / SXM Facebook Group](#). Our thanks to our Admin there, Contessa Aiello, who edited the restaurant entries on that site..

You can search all posts ever allowed, for any SXM topic -- and you will find hundreds of posts on virtually any specific topic. If you don't find what you're looking for, you can always post a question on that site that will tap the brains of nearly 35,000 members, not counting their friends and spouses. The vast majority of our members are tourists who have spent years visiting SXM and have a wealth of information available.
- c) We have a **Files** area in our [Everything SXM Facebook Group](#) with another enormous reservoir/library of island information. Our files are also searchable directly from our Everything SXM Facebook Group.
