## THIS WEEK'S STORIES:

Stories are numbered; scroll down for stories of interest.

### SECTION 1: Getting Here: Flights, Airlines, Airports, Cruises, Covid, & Weather, Etc.

#### GETTING HERE:

## 1. LEAD STORY: Airport Arrivals & Departures Performance Much Improved -- But Don't Expect Perfection at Any Airport

SXM Airport continues its incremental reopening, as the Q2 full startup of its reimagined Arrivals facilities moves closer. Meanwhile, its new departure facilities are performing flawlessly and are getting good reviews from travelers.

We will be visiting SXM Airport's new check-in hall this month and we plan to run pictures of it in our popular [Everything SXM Facebook Group](#).

*The temporary arrivals area has been fully staffed-up to help ensure the most optimal possible passenger processing in those temporary facilities. The good news -- again -- is that the all-new arrival facilities on the second floor of the terminal are expected to reopen early during Q2 2024.*

One admonition: it's high season and SXM is packed, and from mid-January through March (the height of high season) it will stay that way. Both arrivals and departures here (and across the Caribbean and in other major winter travel destinations) will remain busy, and some delays should be expected...particularly for arrivals. *The airport is doing all it can to make its part of your trip as stress-free as possible.*

## 2. SXM Airport "a Parking Lot" of Private Jets as Rich & Famous Flock to their Megayachts & to St. Barth

The single biggest draw for the "Rich and Famous" throughout the Caribbean is nearby St. Barth, whose tiny hillside airport can accommodate only small STOL (short takeoff and landing) aircraft like Winair Twin Otters -- or copters. Many dozens of private jets are now crammed into multiple parking areas at SXM Airport, and dozens of megayachts are in the area with celebrities moving from their jets to their megayachts (or to St. Barth, SBH) by helicopter for New Year's Eve celebrations. Lots of parties will be thrown by celebs over in St. Barth on Sunday night and you'll be able to see their fireworks, distantly, from places like Guana Bay and Dawn beach.

SXM has its own celebrations with fireworks planned on both sides of the island. Marigot, Maho Beach, and Great Bay all are expected to see fireworks. Many restaurants have special dinners planned and they have been advertising them in our [Everything SXM Facebook Group](#).

## 3. Airfares Continue Dropping from Many Cities; Where to Get Fare Information for Your Airport

Again this week, members of our [Everything SXM Facebook Group](#) have been reporting much lower round-trip

airfares to SXM for future bookings from a variety of US cities. If you want to see what fares people have been getting for the coming months for roundtrips to SXM, ask that question in our [Everything SXM Facebook Group](#), which now has over 38,000 members who love SXM as much as you do.

---

## 4. Judge's Decision Due Soon on the JetBlue Spirit Merger: Why It Should Go Through

The non-jury trial in Boston that pitted folks from the US Department of Justice against JetBlue and Spirit Airlines, which want to merge, should see a verdict early in January. [This story](#), which just appeared, shows that the biggest airlines are grabbing an enormous share of the market, while smaller carriers -- like JetBlue and Spirit -- are just hanging on. Spirit has said it cannot survive continuing its current very low fare stance, and JetBlue says that merging with Spirit will enhance the merged carrier's ability to compete with the big four -- AA, DL, UA, and SW.

We'll keep you posted here and in our [Everything SXM Facebook Group](#).

---

## 5. Booming Airbus A220 Popularity Hits a Big Bump in the Road

We've written several stories over the last 18 months concerning the Airbus A220, an enormously successful new single-aisle aircraft that brings great creature comforts to passengers and enormous efficiency to profit-hungry airlines. It seemed a perfect solution and has been hugely popular among airlines and passengers.

But in recent months, the plane's Pratt & Whitney engines are having problems, to the extent that some airlines have been forced to temporarily ground some A220s while waiting for repair parts to be delivered in an overworked supply chain. This too shall pass, but in the meantime it is creating something of a nuisance for passengers. More info is [here](#). The story is a few months old but it covers an issue that is still at the forefront of airline operators' minds that operate the A220 aircraft type.

## 6. MEDICAL EVACUATION COSTS SOAR; Got \$55,000++? You May Need It, In Cash in Advance, to Get a Medevac Jet Home in a Medical Emergency

[\\$55,000 or more payable in cash in advance could be what you must pay out-of-pocket should you need emergency medical evacuation while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or anywhere in the Caribbean.](#) By contrast, SkyMed *Takes You Home*® for zero dollars when you become critically ill or injured in any of those countries *if you are a SkyMed member. All it takes is one phone call and SkyMed does everything. That \$50,000 you might have to spend without SkyMed assumes that you can make all the arrangements, find and hire the jet, make sure it is properly outfitted for the specific medical problems you face, staff it with appropriate medical professionals who are cleared to travel back home to the US or Canada, and take care of customs, immigration, and loads of other paperwork including Ambulances and getting your records to your*

**Destination hospital.** By contrast, SkyMed does all of that and its members pay \$0 for the evacuation or ambulances related to it.

**Setting up medical evacuations sounds complicated because it is** and having to do all this in a medical emergency is a daunting task for anyone who has never done it. *For about \$1.64/day for an annual or multiyear SkyMed membership. SkyMed will do all of this stuff once you make that single quick phone call.*

## 8. "Very Busy" 2024 Hurricane Season Expected

Preliminary reports indicate that changing climatic conditions could make the 2024 hurricane season "very busy." Details on this prediction -- which had also been expressed weeks ago by our Chief Meteorologist Rob Lightbown of [Crown Weather](#) -- are in [this story](#).

---

## 9. 2024 Hurricane Names

Alberto, Beryl, Chris, Debby, Ernesto, Francine, Gordon, Helene, Isaac, Joyce, Kirk, Leslie, Milton, Nadine, Oscar, Patty, Rafael, Sara, Tony, Valerie, William.

---

## 10. Where to Find SXM / Tropical Weather Updates

If you're interested in knowing what the latest watches and warnings are from the National Hurricane Center and from authorities like Rob Lightbown, one of the foremost go-to experts in hurricane forecasting in the USA, see [www.crownweather.com](http://www.crownweather.com) and subscribe to his inexpensive year-round forecasting service which tells you everything you need to know about tropical weather and your local severe weather forecasts year 'round..

Check out the hurricane/weather center in our main SXM website, [www.everythingSXM.com](http://www.everythingSXM.com). The site contains a weather/hurricane center which publishes all the latest watches and warnings for all storms around the clock, even if there are multiple storms being watched simultaneously. We are finishing an upgrade of that site to include more satellite images, radar loops, and other useful tropical weather information. You can get to our Weather Center by going to [www.everythingSXM.com](http://www.everythingSXM.com) and clicking the weather link in our horizontal navigation bar. In recent years, tropical activity has begun around mid-May. Stay in touch with any or all of these sources of tropical weather information...

Here are FIVE sources of current SXM weather info:

- 1) [Crown Weather Services](#) whose very inexpensive subscription service is, we feel, the best in the business.
- 2) Our "Weather Center / Hurricane Center" at [www.everythingsxm.com](http://www.everythingsxm.com) -- it has current satellite images and radar loops 24/7/365 and now all the latest NHC weather forecasts, outlooks, and advisories as well. There are now also active weather widgets on the site's home page. *That page also includes real-time or near-real-time satellite images and radar loops.*

- 3) Our [Everything SXM Facebook Group](#) publishes the latest advisories, watches, and warnings when SXM is threatened by any storms.
- 4) **On or off the island, listen to Island 92** -- 91.9FM or see [www.island92.com](http://www.island92.com). They report island warnings at once so you'll know exactly what's going on. You can listen on the web anytime through live streaming.
- 5) For a quick look at weather radar exactly where you are or where you're going, try the My Radar phone app or My Radar for Windows -- excellent programs.

N. B.: *Again...Never rely on any website if you're in the path of a storm; always heed warnings from local authorities.*

**In addition**, when storms form or pass near SXM, we expect to run the latest forecasts, watches, warnings, and observations in our [Everything SXM Facebook Group](#), and we will post all of that material directly in the weather center of our everything SXM website, [www.everythingsxm.com](http://www.everythingsxm.com).

## **12. Where to Rent a Beach Villa for Your Family**

Some people decide to look at AirBnB or other villa rental outfits online. We have two very different suggestions.

First, a timeshare condo may be all you need. See the next article. We have hundreds of timeshares for rent and for sale on our main site, [everythingism.com](http://everythingism.com). You rent directly from timeshare owners who are members of our JMB Website Supporters Island Discount Program -- not strangers.

Second, if you still want a villa, we strongly suggest you contact the people who know the island best -- the Realtors listed below in this section. They actually know the properties they're renting and their owners. That's an enormous difference.

See the stories below for all the info you need.

---

## 13. Hundreds of Timeshare Condos For Rent / Sale Directly From Owners Available Now on Our Main Site

Updated again recently, our hundreds of listings of timeshare condominiums for rent and for sale come directly from SXM timeshare owners; you'll find them on our main SXM site, [www.everythingsxm.com](http://www.everythingsxm.com), which was extensively updated a couple of weeks ago, after our server migration completed. There are no middlemen or other third parties involved in the sale of these units, so you will talk directly with the owner who is personally responsible for setting the rental or sale fees. The link to our timeshare listings is just below the masthead in our main SXM site, [everythingSXM.com](http://everythingSXM.com).

## 14. Why Our Rental Ads are Different - And Superior

There are many places where you can find ads for timeshares for rent — however, we only know one exactly like ours. *What makes us different is what makes us remarkable — and desirable. We accept ads only from members of our JMB Website Supporters island discount program.* Consequently, our member database contains info about these individuals — we know who they are. They routinely exchange their detailed contact information with buyers during the course of the rental process.

By contrast, many people place ads in various online locations anonymously (we don't allow that on our site). So if you buy from rental/sales sites other than ours, you are essentially buying from strangers.

Our information about timeshare owners is private — it is never sold or bartered to anyone. The only exception would be police exercising a warrant (for example, FBI seeking out cyber criminals among timeshare rental advertisers). We are happy to report we have never had any such request from any police organization since we first started publishing timeshare rental and sale ads in 2002. So, you can rent with confidence that you will get exactly what you are looking for.

You will find all our ads on [www.everythingSXM.com](http://www.everythingSXM.com), our main SXM website.

## 15. Looking for a Private Condo or Villa in SXM? Our Everything SXM Facebook Group Brings You SXM's Top Realtors

If you're looking to rent a privately owned condominium or villa on SXM, see our listings of the top SXM realtors in the Files area of our [Everything SXM Facebook Group](#). This week that list also appears in the next story.

## 16. Best Realtors to See for SXM Condos & Villas

The following list of our sponsor realtors tells you how to contact SXM's best sources of condos and villas across the island:

### **VILLA RENTALS / RENTAL COMPANIES:**

If you're interested in making a villa reservation (doing it with close friends can be fun and more economical than you'd imagine), contact our top recommended Villa rental/sale partners at [Island Real Estate Team](#). Call the number that follows and ask to speak with the agent who handles villa rentals: 1 721 520 7284. Please let the agent know that you're interested in a rental and you were referred by Jeff Berger's *Everything SXM Facebook Group*. Hundreds of villas are now online.

## **23. THE FULL SKYMED STORY: What SkyMed Medevac Protection Is, Where & How It Works, and More**

### **WHAT IS SKYMED? WHERE DOES SKYMED WORK?**

SkyMed is a medical evacuation membership company. "SkyMed Takes You Home®" when you become seriously or critically ill or injured when traveling anywhere throughout the USA, Canada, all the nations of the Caribbean, Mexico, Bermuda, and the Bahamas. Global protection is also available. SkyMed members pay nothing for SkyMed-arranged medical evacuation flights that would otherwise cost non-SkyMed members \$50,000 and up payable in cash, in advance. Why risk that? Of course, you must get SkyMed membership before you need it -- just like fire insurance. You'll find an overview of all SkyMed Services [here](#), and you'll find Frequently Asked Questions [here](#).

### **WHAT ARE "ULTIMATES"?**

SkyMed Ultimates are SkyMed's best memberships and also its LEAST EXPENSIVE on a cost-per-day basis (about \$1.64/day for family protection). They offer a suite of 18 services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean - plus an additional suite of 26 services to help you in most of the rest of the world. They are offered in monthly-pay (minimum payment period two years), three-year, and five-year versions -- the five-year delivers the lowest cost per day available for Ultimate memberships (about \$1.64).

### **LOW GROUP PRICING \*LOWER THAN THE PRICES ON THE SKYMED WEBSITE\*:**

All of the SkyMed memberships we sell go to either members of our JMB Website Supporters Island Discount Program, to members of our various online SXM groups, or to readers of *SXM Weekly News*. The prices we charge for all multiyear Ultimate memberships are SUBSTANTIALLY LESS than the retail prices you will see online from SkyMed's website. Call or email us DIRECTLY (contact info below) for details on all of our major-league savings on SkyMed Ultimate multi-year membership prices.

### **LIFETIME PRICE GUARANTEE / GUARANTEED RENEWABLE MEMBERSHIPS:**

All existing SkyMed memberships and new SkyMed membership purchases of one-year or longer are now price-guaranteed for life. The price of your membership will not increase if you buy during 2023 or if you already are a SkyMed owner of any annual or longer membership: this applies as long as your renewals are paid on time. SkyMed annual and longer memberships are also Guaranteed Renewable when annual or multiyear fees are paid on time -- guaranteed renewable regardless of advancing age or declining health.

### **HOW TO CONTACT US: Phone us ANYTIME at 508-747-8281 for answers to questions or to sign up. When you call us directly, we get credit for the sale. You can also email us directly through SkyMed at [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com).**

My SkyMed website: <http://www.skymed.com/jmb>. But please CALL ME DIRECTLY with questions or to sign up - that way I get credit (number above). Or [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com)

### **When and Where SkyMed Protects You:**

Basic SkyMed short-term and annual memberships protect you throughout the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean. In that SkyMed universe, SkyMed Takes You Home® when you become critically ill or injured. Optional protection covering most of the rest of the world (those 26 additional Ultimate global services mentioned above) is provided by GETS, Global Emergency Travel Services, a SkyMed company.

### **Key Differences Between SkyMed Short-Term & Annual or Ultimate Memberships:**

Many people who buy SkyMed memberships first request short-term protection. Is that the best solution for most people? That's a decision you have to make, but before you do, here's some important info. First, short-term memberships are the most expensive product SkyMed sells on a per-day basis: \$18/day. They're available only for a specific defined short term. They protect you with SkyMed Takes

**You Home®** membership that applies throughout the United States, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean including Cuba. Short-term protection cannot be upgraded or renewed since you buy it for a specific trip; it's temporary protection. There is no waiting period for benefits. When you want protection for another future trip, you must make a separate application for it and qualify again. Although at \$18/day per couple SkyMed short-term protection is the most expensive product SkyMed sells on a cost-per-day basis, short-term protection is economical if you seldom travel and take very brief trips. The cost is \$12/day per individual, or a maximum of \$15/day per family (parents and kids 21 or younger). *We always tell people who are 50 or over about the most important advantages of SkyMed annual and multiyear memberships. This is KEY: SkyMed annual and multiyear memberships are guaranteed renewable, regardless of advancing age or declining health -- and they are also price guaranteed forever -- your price will not go up as long as you renew your membership on time.* Details are in SkyMed's Member Service Agreement (MSA). We currently have members who are still traveling and are in their upper 80s and 90s. *The cost of annual memberships per family is far more economical than the \$18/day per family for short-term coverage -- it's now about \$1.64/day total.* Multiyear memberships also have more features; contact me for full information about features of each type of SkyMed membership. *Ultimate memberships protect you worldwide, including AT HOME.* I can answer all your questions by phone in minutes, and can also take your application by phone (that way I get credit and you pay my unique low Association rates. not available online at SkyMed's website; there you pay retail). Phone 508-747-8281 or email [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com). That's a direct line to Jeff Berger. Updated 5/8/23.

### **\*Final Word About the SkyMed Ultimate:\***

Again, the Ultimate is SkyMed's best and least expensive (on a daily cost basis) form of medical evacuation membership. With SkyMed *Takes You Home®* services in the USA, Canada, Mexico, Bermuda, the Bahamas, and all the nations of the Caribbean, plus Global Emergency Travel Services (GETS) almost everywhere else worldwide, the Ultimate is for people who visit Europe, Africa, Asia, and almost anywhere else your wanderlust takes you. It also delivers 18 critically important travel-related services as opposed to 12 with SkyMed annual memberships -- *plus another suite of 26 services around the world.* You'll find an overview of all SkyMed Services including those provided with Ultimate memberships [here](#).

## **24. Answering Your Questions: What EXACTLY Does SkyMed Do? --- *from Jeff Berger***

We've always said SkyMed *TAKES YOU HOME®* when you become critically ill or injured -- home to doctors and hospitals you know and trust, and home where your health insurance *works*. *In recent months as many of you have decided to resume normal worldwide travel, you've asked us for examples of what SkyMed does.* Here you go:

*For answers to questions or to sign up, email me at [jeff.berger@skymed.com](mailto:jeff.berger@skymed.com) or call me at 508-747-8281. Open to Americans & Canadians & xPats only. Based in Scottsdale, Arizona, for the last 34+ years, SkyMed TAKES YOU HOME® when you become critically ill or injured while traveling anywhere in the USA, Canada, Mexico, Bermuda, the Bahamas, or all the nations of the Caribbean. Global protection is available. Cost for family membership is as little as \$1.64/day on annual and multiyear plans. IMPORTANT: Buy directly through me; our pricing for multiyear memberships is much lower than SkyMed's retail pricing published on the web.*

**Here are specific examples of how SkyMed works for its members:**

On a Thursday at Mullet Bay Beach, a woman at the edge of the water fell and accidentally knocked down her friend, standing close by. The friend felt pain in her leg as she got up, went to a hospital, and was told she had a "soft tissue injury" and should relax in the sun. Pain continued. Next day she went to the Maho Clinic for another opinion since she couldn't put any weight on the leg without pain. The doctor there sent her to the French Side for a new x-ray. That diagnosis came back - broken leg and she had to be medically evacuated back to the US for surgery. A few days before, the woman had bought short-term SkyMed medevac protection for her short trip to SXM. Cost, under \$100. She was sent home by jet by SkyMed. The charge for the jet: \$0. Without SkyMed, had she needed a medevac jet, the \$26,000 (approx.) price of that jet home would have had to be paid in cash in advance; with SkyMed she was home and in the hospital of her choice the next day for \$0 out-of-pocket.

Mary Beth and her partner Don were vacationing in SXM when Don fell and broke his hip -- only about a month after they had bought SkyMed. SkyMed flew them home on a medevac jet for the hospital care he needed. Flight cost to the patient: \$0. Savings: over \$35,000.

An MD from Florida who always visits SXM was on a cruise vacation to the Greek Islands with his wife when he broke his femur aboard the ship. He was rushed to the hospital in Corfu but called SkyMed which arranged and paid for an emergency medevac flight to Athens for urgent surgery. A few days later SkyMed evacuated him again, with an excellent male nurse, all the way home to Florida, where an ambulance took him home for recovery. Required flight cost to the patient: \$0. Savings: huge.

A Summer trip ended in disaster when a child visiting her grandmother in Grand Case was bitten in the head by the grandmother's bulldog, imperiling the girl's eyesight. She was flown to Miami in a medical evacuation jet for emergency eye surgery that saved her sight. Flight cost to the patient: \$0.

A woman from Virginia shopped at an island grocer and headed back to her car carrying two bags of groceries. She tripped and fell on a curb and knew at once she had fractured her hip. After being stabilized locally, she was flown home on a medical evacuation jet from SkyMed where she had the surgery she needed. Flight cost to the patient: \$0.

Two men were riding their horses on a hill in Cay Bay when a car backfiring spooked one of the horses, which threw its rider. The other rider got off his horse to check his companion when the car again backfired, spooking the horse again which led it to kick its dismounted driver in the head, luckily causing "only" a severely dislocated jaw. The local hospital had no ability to solve that problem so the victim was airlifted by SkyMed back to Pennsylvania for surgery. Flight cost to the patient: \$0.

A member of the clergy fell down cement stairs and broke her leg. She too was airlifted home by SkyMed for surgery. Flight cost to the patient: \$0.

**Not all trips end well:** anything can happen when you travel. Being a member of SkyMed was the common thread in all these cases. SkyMed takes its members home when serious or critical injuries occur in the "SkyMed universe" , usually in a private, ICU-equivalent medical evacuation jet -- home to doctors and hospitals the patient knows and trusts -- and home where their health insurance works. That's just one of up to 18 benefits received by SkyMed members for about \$1.64/day for annual or multiyear memberships.

All this is why we always recommend SkyMed. Call Jeff Berger 24/7 at 508-747-8281 and leave your name, phone number, and time zone. Jeff will call back at a mutually convenient time and answer all your questions. He can also take your application by phone in about 10 minutes. *You're eligible to apply regardless of your age or health if you are a U.S. or Canadian citizen or an American or Canadian ExPat living in SXM or certain other countries.*

Anything can happen anywhere: Do it now, BEFORE YOU NEED IT. To learn more, visit [www.skymed.com/jmb](http://www.skymed.com/jmb). JMB members get big discounts off SkyMed's online pricing for all multiyear memberships, the BEST memberships for most people age 50 or over. More contact info is above.

Thanks for reading this.

## 25. **Heads Up Re: Vacation-Ruining Slips & Falls**

**Slips and falls -- always unexpected-- often cause broken hips or broken legs on vacations, cruises, and business travel -- suddenly necessitating an emergency medical evacuation costing at least \$55,000, payable in cash in advance before anything happens.**

*Got a spare \$55,000 ready for a sudden medical emergency?*

For \$1.64/day, SkyMed **TAKES YOU HOME®** when you become seriously or critically ill or injured while traveling. *Don't risk \$50K or more ripped from your life savings.* Call today for answers to questions, more details, or to sign up: Jeff Berger, SkyMed Ambassador, 508-591-3483.

*N. B.: If you signed up for SkyMed online instead of directly with Jeff, he may not be your servicing rep. To remedy that, call SkyMed toll free at 1-800-475-9633 and ask for Member Services. They can make sure your membership is transferred to Jeff Berger for management; he is rep number 391330. ## 30. Repeating Long-Time, Sage Advice: If You Can Travel to SXM During The Week, Do it -- and Avoid Saturdays

Despite the fact that the entire reimagined SXM Airport will be fully open by Q2 of 2024, Saturday will remain the busiest day of the week at SXM Airport. The more people there are arriving, the longer it will take to process them, regardless of leading-edge technology. The vast plurality of visitors go to timeshare resorts here, and most timeshare weeks run Saturday to Saturday. That is a key reason Saturdays are busiest.

Sxm Airport will be significantly more efficient when it is 100% finished and that is fast approaching. But if you'd like to go through the airport when it's less busy, fly any day but Saturday.

## 31. A Herd of Goats Intervenes in Shoppers' Visits to Super U at Hope Estate

On Friday morning around 9am, just as the Super U was preparing for a busy day-before-holiday-weekend, a herd of goats decided to meander in the intersection where the entrance to the plaza at Hope Estate is -- and where customers are usually welcome.

Despite a few horn toots and flashing lights, the goats seemed both unmoved and disinterested -- sort of like Canada goose intransigence on roads in the US. An innovative motorcyclist saved the day by revving the bike's engine and moving slowly thorough the herd. Most of the goats were at the side of the road or in the southeast-bound travel lane when we finally got through to the Super U parking lot.

## 32. Where Exactly is the New "One by K" Concept Store?

The island's only "One by K" One Love, One Life store had been located near the Leader Price market along the RN7 road on the French side for years, but recently located its only Concept store / mini restaurant near Super U in Hope Estate.

Go south and east along the access road immediately in front of Super U and when that access road ends, you'll see their new store off to the right. Enter through their little coffee shop, and you'll find the store, much bigger than before, at the back of the building. Prices are high but this is the only place where you can buy this authentic, high-quality, iconic brand. You'll see their products worn everywhere across the island.

## 33. The Perfect Gift for Every Adult: A Perfume Making Class at Tijon Parfumerie

## 34. Looking for Something but Don't Know What? "All in One Place" Has It

Aptly named "All in One Place," on the L. B. Scott Road just north of the Philipsburg Carrefour market, it's a store carrying a huge variety of tchotchkes -- miscellaneous items from toys to books to greeting cards to tools to balloons to nail polish and literally thousands of other items. Owners Pam and Alvin know their stock well, so don't be surprised if they can find exactly what you're looking for. We asked Alvin how many SKUs the store has and he frankly responded, "I don't know" -- but he did say probably more than 12,000. Come in and shmey around -- if you're looking for something but don't know exactly what, this is the place to find it.

## 35. Log-time GCBC GM Stephen Wright Retires

Stephen Wright is practically a legend hereabouts. He has been GM at Grand Case Beach Club for longer than most people remember but now, after some 27 years at the helm of this iconic Grand Case resort, he is stepping down. Here is the [full story](#).

## 36. Person of the Year: Winair's Retiring CEO, Michael Cleaver

Every year, the Dutch side newspaper *The Daily Herald* lists a "Person of the Year". This year it is Michael Cleaver, long-time CEO of Winair and the individual credited with ensuring Winair's survival through and after hurricanes Irma and Maria in 2017 and the Covid pandemic. Winair is the small national carrier of SXM which, more than any other transportation entity, connects a growing network of many islands throughout the Caribbean with timely, easy small-plane flights. See the Herald's full story [here](#).

## 37. International Baseball Tournament Coming to Dutch Side

An exciting development for everyone interested in baseball. This story is [here](#).

## 38. SXM's Most Peculiar Tourist Attraction: The Flag That Isn't

On top of "Cole Bay Hill" or "The Hill," stands a usually flagless flagpole. It's a great vista point for views of Cay Bay (its location), Cole Bay, and Simpson Bay / Cupecoy, where the twin "Fourteen" condo towers are located.

What's peculiar is that people crowd around the usually flagless flagpole wondering why it's flagless (see next story)... but there it is. We won't get into why it's flagless because we avoid island politics, although the weird juxtaposition of hundreds of green flags (put up by one of Dutch SXM's political parties for the January parliamentary election here) against the flagless flagpole is unmistakable...

## 39. The Green Flags / Political Signs Situation

The Dutch side has an enormous distribution now of political signs. If there are as many votes cast as there are signs erected, turnout will be huge. One party has erected hundreds of 6' tall polls with little green flags on them which supposedly promote its candidates. It seems bizarre to us that they spent money to make and erect all those flags with poles when they could have bought a rugged, long-lasting, national flag for the flagless flagpole, take credit for it, and made a serious contribution to the look of the hill? Why didn't they do that, instead of littering the landscape?

## 40. Finally, Ilene Gets The Recognition She Deserves - a Redux:

We started publishing *SXM Weekly News* as a family project in 1992. Although the writer is Jeff Berger, many of the story ideas are from Ilene Berger, Jeff's wife who until her retirement several years ago was a Director of Tourism in Massachusetts, responsible for promoting the entire state including the busiest parts, Boston, Cape Cod, Martha's Vineyard, and Nantucket. She was and remains a renowned source of tourism marketing savvy across the country and was often sought by major travel destinations for her sharp advice and counsel. *In doing everything we do for St. Maarten / St. Martin, which we have been touting on our own for over 30 years, Ilene has been the source of many keenly informative stories, including many you see in this issue. We should have recognized that decades ago but nonetheless, we are very grateful for all she does to help promote SXM. She is a highly contributory member of the team.*

## 41. The Changing Face of the SXM Restaurant Scene

Before the end of 2024, probably long before, two legendary SXM restaurants are expected to change hands. Respecting the owners' friendship and privacy, the changes will play out as planned and we'll announce them when the owners are formally ready. Our advice, though: visit your favorite restaurants often during your next trip...because one or two of them may be under different ownership not far into the future.

## 42. Americans / Canadians Adopt "Coconut Retrievers"

"Coconut Retrievers" is the general term applied to all young dogs that are rescues/adopted dogs from across SXM. Free-roaming un-neutered or unspayed dogs do their thing here (left unleashed), and the result is many available dogs.

Often some on the island need temporary homes, which is what [this story](#) regards. However if you want to adopt your own affectionate, responsive, grateful "coconut retriever," contact Cyndi Shell through our [Everything SXM Facebook Group](#); she handles many dozens (perhaps hundreds) of adoptions every year; contact her on our site if you're interested.

## 43. Check Food Expiration Dates -- and Receipts -- From Stores & Markets

Not all grocery stores here in SXM do a good job of removing expired goods from store shelves, or ensuring that the price on shelf tags (often in Guilders on the Dutch side) matches what is charged at registers. So we suggest you check both when going through registers. The person at the register is usually good at fixing any problems.

## 44. SIMPSON BAY RESTAURANT FOR SALE:

**SIMPSON BAY RESTAURANT FOR SALE -- 100 seats (inside and covered terrace), award-winning, great reputation, everything in like-new condition, off-street parking, experienced staff. \$395K and \$5K monthly rent. Contact [sxmrestaurantforsale@hotmail.com](mailto:sxmrestaurantforsale@hotmail.com) and INCLUDE YOUR PHONE NUMBER, owner will return your call. NO REALTORS. Location: Welfare Road, Simpson Bay.**

## 45. Restaurant Variety: Take Another Look at Our "Restaurant of the Week" Selections

See "Restaurant of the Week" below. It always picks fine restaurants, but the "fine restaurants" dining does NOT mean they're all a single shade of restaurant types. There are all kinds...all genres. Check recent selections and you'll see what we mean...a world of choices. See our Restaurant of the Week in this issue.

## 46. JEWELER OF THE WEEK: Royal Jewelers

Welcome to Royal Jewelers St. Maarten, our family owned jewelry store. It has been a great journey being a part of my family business that first originated in the 1980s on St. Thomas US Virgin Islands.

Watching my parents create their business full of everlasting memories will always be my best experience growing up behind the counter.

Royal Jewelers opened its doors in St. Maarten in 1988. I, Vince Sakhran, joined the business in 1995 and have continued to create a cozy space for everyone to feel most welcome in their shopping experience. Today my wife, Rakhee aka Roxy and I, along with our staff welcome you to be a part of our Royal Jewelers family.

*Jewelry tells a story, it creates a memory and this is what we live by when you visit our store. Thank you for letting us continue growing the "mom & pop" shopping experience on our beautiful island we all consider home.*

Keeping up with the trend of Facebook and Instagram has allowed us to continue to showcase our jewelry pieces in a fashionable way. It's such a great avenue that catches attention and helps us interact with our customers on a daily bases. If you are not on island, we make sure you can still experience shopping for jewelry in an almost *real deal effect* with our online pictures.

**Previously featured in this series:**

- 2) Oro Diamante (Raju & Jenny Budhrani)
- 3) Zhaveri Luxury (Deepu Budhrani)

- 5) Majesty Jewelers (Ashok Aswani)

Next week: Stay tuned.

## 47. Restaurants of the Week: Two Hidden Jewels

**Hidden Jewel Number 1: Secret Seafood.** Only open a few months, Secret Seafood is on the bay side of Simpson Bay Road, the street that starts next to the Simpson Bay police station. Open from 11am until late, owner Keith Joseph's restaurant reflects a dream come true for Joseph, a former New York City realtor and dedicated Yankee fan. Now he has his own fishing boats and catches fish and lobster for many SXM restaurants including his own. The seaside location is beautiful day and night, service is excellent, portions are very generous, fish is so fresh it almost still twitches, and for those who prefer beef or poultry they have both. And vegetarian offerings. Strongly recommended! Parking on the street and on their own lot across the street. Tell them we sent you.

**Hidden Jewel Number 2: La Rosa.** La Rosa has been a standout on SXM for 30 years. Its uniquely Italian ambiance is beautifully welcoming, and again prices are reasonable and portions are generous. A big menu of recognized Italian favorites. Ricky Castillo works hard to deliver above your expectations here -- and he succeeds. Parking nearby, though it gets busy. Tell Ricky we sent you!

Next week: Another fine SXM restaurant.

### Here are recently featured SXM restaurants:

Secret Seafood (featured 1/1/24) on Simpson Bay Road a few hundred feet north of the Simpson Bay police station right on Simpson Bay Beach, has a huge lobster tank (hundreds are looking forward to meeting you) plus a spectrum of fish freshly caught in local waters by owner Keith Joseph's own boats. Excellent food, great service, generous portions, and very reasonable prices. See their site [here](#).

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/>. [Featured 12/25/23] Truly fine dining in one of SXM's most well known and respected restaurants. The property is rich in history, the owners and Chef Sidney are culinary perfectionists, and you will kick yourself if you don't go here early in your trip so you have time to come back. Sunday Brunch is a must but requires reservations as does dinner. Absolutely NOT to be missed!

Vesna Taverna, [www.vesnasxm.com](http://www.vesnasxm.com) (feared 12/16/23). Now open every day but Monday for B/L; dinner is offered Tuesday through Saturday. Outstanding dining, excellent service, unpretentious setting.

Dany's Smooth Cupecoy Beach Bar (on Cupecoy beach); follow the road Northwest toward Shore Pointe and turn left before Shore Pointe to get there. (Featured 12/11/2023) Parking, drinks, great lolo food, camaraderie, chairs and umbrellas, and an all-over tan on this traditionally clothing-optional beach. What could possibly be better? *It's our favorite beach on the entire island -- and the famous Lemondroppers arrive in early January and stick around until mid February. Come and meet them and enjoy Dany's....*

Bamboo House (12/4/23), located high on a hill in Cole bay has spectacular island views and equally

spectacular dining and service. Exquisite sushi, steaks, and lots more. Vegetarians welcome; people with special dietary needs are well cared-for here too. Jeff rates Bamboo with one huge WOW -- go; you will absolutely be visiting more than once. More: <https://www.bamboohouse-sxm.com/>  
LaPlaj Beach Bar at La Samanna Resort, a Belmond Hotel (featured 11/27/23)  
<https://www.belmond.com/hotels/north-america/caribbean/st-martin/belmond-la-samanna/dining>: Extraordinary service, an innovative and creatively superior menu, and a gorgeous setting on the Caribbean are the reasons for going. This is an unparalleled experience, with a fine dining version of a beach bar. Great place. Call for reservations.

Mario's Bistro at the Cliff [www.mariobistrot.com/en/](http://www.mariobistrot.com/en/) (featured 11/20/23) Mario's is one of the most spectacular culinary experiences you'll ever have -- here in SXM or anywhere else. Go. Phenomenal dining. Formerly on the plaza at Porto Cupecoy, Cupecoy Beach, they are now at the Cliff. Open every day but Monday, they serve both lunch and dinner six days a week. Traditional and highly creative Continental dinners, with Tapas and other selections at lunch. Do not miss it. Reservations essential. They do not use an answering machine, so call when they are open and let it ring.

L'Oursin Restaurant at La Samanna, a Belmond Hotel: Truly extraordinary fine-dining dining under the watchful eye of master Chef Dino Jagtiani. Collaborating with top Caribbean Chefs, L'Oursin delivers a thoroughly memorable panoply of flavors, aromas, and textures -- and the presentation is truly artistic and photo-worthy. Orders of magnitude beyond ordinary deliciousness! Reservations are essential: [+590 590 87 64 00](tel:+590590876400). (featured 11/13/23)

The French Touch on Old Street, off Front Street in central Philipsburg (featured 11/6/23). Great breakfasts and lunches in a quiet, attractive setting. Very reasonable prices, substantial menu. Under the direction of Jean-Pierre, formerly head of Antoine. We loved it...

IZI Ristorante Italiano, [www.izisxm.com](http://www.izisxm.com) (featured 11/1/23). Open for dinner starting at 5pm except Mon., when they're closed. Fantastic food from one of SXM's absolute best restaurants -- in fact it has been voted **BEST RESTAURANT OF ANY KIND ON SXM** by readers of TripAdvisor. Fun atmosphere, too. Go and tell them we recommended it.

Avantika Thai [www.avantikasxm.com](http://www.avantikasxm.com) (featured 10/23/23) Avantika is flat-out wonderful; SXM's best Thai; Delicious food artfully presented and reasonably priced, backed by seasoned service. Consistently excellent. Go...you'll become a regular.

Freedom Fighters Ital Shack (featured 10/16/23) is a unique vegan restaurant that delivers freshness beyond what you might expect. If you're looking for dining that is tantalizing, healthy, memorable, satisfying, and totally unique on SXM, this is your place. Highly recommended. More: [www.sxmfreedomfighters.com/restaurant](http://www.sxmfreedomfighters.com/restaurant)

The Chef Table (featured 7/31/23), is the new restaurant from award-winning chef Wendell Laurence. Located across the street in Simpson Bay from The Mailbox, it has just opened, and it offers a spectrum of culinary delights aimed at satisfying the most demanding set of taste buds. Chef Wendell has been serving delightful dishes across SXM for more than 15 years and this is his first time as an owner. See much for information and pictures in our [Everything SXM Facebook Group](#). Highly recommended.

The Coffee Lounge, (featured 6/5/23) Simpson Bay next to Domino's and in Philipsburg at the head of town. Great freshly roasted coffees, pastries, and sandwiches. Don't miss it.

Spiga, [www.spiga-sxm.com](http://www.spiga-sxm.com) (featured 5/22/23) Chef-co-owner Ciro Russo & Lara Russo haven't missed a beat here as Spiga continues to be simply the best restaurant of any kind in Grand Case, where it has a lot of competition. Incredibly irresistible food, great staff, service, and beautiful ambiance. Everything is great, appetizers are out of this world. Absolutely not to be missed.

Jai's Contemporary Fusion Cuisine (featured 3/20/23), Simpson Bay Leave your preconceptions behind! A 15-second walk to the opposite side of the building from Top Carrot. Outstanding dinners (and lunches a few days weekly) in Jai's, a fun new contemporary fusion restaurant operated by two young SXM graduates of the Culinary Institute of America (CIA). Super creative, artfully presented, phenomenally executed selections spanning an ever-growing spectrum of flavors, aromas, textures, and tastes. You gotta try Jai's! Highest recommendation. See <https://www.facebook.com/jaissxmresto>

Emilio's at the Emilio Wilson Estate, Dutch Side, <https://emilios-sxm.com/> . [Featured 3/6/23] Truly fine dining in one of SXM's most well known and respected restaurants.
